August 5, 2024

Dear Mayor, City Commissioners, and Residents:

The budget presented to you on July 15 continues to be revised based upon projections, comments, and review. Please find attached a series of documents detailing the revisions.

The General Fund Revenues have been significantly increased due to funding for the City's proposed Beachwalk project. This project is seeking funding support (approximately \$750,000) from the Flagler County Tourist Development Council. Several other smaller revenue changes are based upon projections from the State.

Several revisions have also been listed for General Fund Expenses. The most significant changes are, as mentioned, the proposed costs for the Beachwalk (approximately \$1.9 million) and the creation of a Dune Walkover Reserve (\$100,000). The balanced changes to the General Fund are \$1,868,807, and with the associated increase in the Emergency Reserve (25% of General Fund expenses), results in a revised General Fund budget of \$14,096,802.

The Special Funds and Enterprise Funds have also been revised, reflecting changes to both anticipated revenues and expenses. The most significant changes are found in the Community Redevelopment Agency Fund, the Pier Fund, and the Stormwater Fund (conditional funding based upon increased Stormwater Fees). The newly developed Capital Fund also reflects changes.

The revised budget has also been re-formatted to present funds and departments reflective of the associated accounting sequence: General Fund (and subordinate departments), Community Redevelopment Agency Fund, Building (Code Inspection) Fund, Pier Fund, Utility Fund (and subordinate departments), Impact Fee Fund, Sanitation Fund, and Capital Fund.

It has been a remarkable experience to continue this budget effort with City staff, especially Ms. Rhonda Allen: her confidence and command of budget management and preparation have grown substantially since last year under the guidance of Finance Director Hollie Harlan. I look forward to more improvements to financial and budget organization with Ms. Harlan and Ms. Allen, as well as additional efforts with other staff. The next fiscal year should be transformational for Flagler Beach with its centennial celebration and construction of the new Pier and Beachwalk.

I look forward to continuing 2024/2025 budget preparations with you.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dale L. Martin".
