COVID-19 UPDATE: EMS Coordinator, Andrew Gelmini

As of March 6, 2022, Clayton County has had 56,966 cases of COVID-19 and 851 confirmed deaths. Between 2/28 – 3/6 there were 126 new positive a significant decrease from last month's 3,940 for the same week. Forest Park makes up 8.9% of the County cases which is a slight increase as overall numbers decline, from last report showing 8 new cases in the last week.

Forest Park shows a current 76% drop in total positive cases vs. last month's numbers. The 20 to 60 age group shows the highest percentage of positive cases with African Americans showing the highest positive case percentage followed by Unknown ethnicity and then Caucasian.

Cases peaked in the second week of December and are now significantly down, with Clayton County now being rated in the green for cases. With continuation of green counties, the federal government is looking in to relaxing some of the mandates in the next few months.

Fifty percent of County residents have received at least one dose of vaccine which equals 143,169 citizens and 46% are fully vaccinated equaling 129,274 citizens. 48,214 citizens have received the additional booster dose as well. 65 to 85 age group continues to show the highest vaccination rate.

The EMS and EMA Coordinators have tracked about forty-five positive cases of city employees in the last few months with minimal confirmed exposures to other employees.

The CDC continues to encourage and recommend vaccination and boosters for Covid 19 which are available through several means. The current recommendations for vaccines are anyone 5 years and older. The current recommendation for boosters is at least 6 months after receiving the final dose of the first series for Moderna and Pfizer or 2 months after receiving the single dose Johnson and Johnson. People can text their zip code to 438829 or call 1-800-232-0233 to find local vaccine providers. Contacting your Primary Care Physician or local pharmacy to see if they are giving vaccines or visit vaccines.gov. The Clayton County Health District is giving vaccines based on availability and are rotating their locations to allow for easy access. They are requesting people wishing to receive the vaccine or booster to call and make an appointment at (678) 479-2223. All this information is also available on the City website under the fire department tab under COVID-19.

NEW BUSINESS:

- 1. Discussion to Authorize Approval to Award a Contract to Hogan Construction Group LLC to Construct a New Public Safety Building at Gillem Logistic**– Department of Planning & Community Development

Background/History:

Hogan Construction Group LLC was selected by a competitive bid process. The City of Forest Park will contract with Hogan Construction Group for the construction of a 13,206 square foot building that include a new mini-police precinct (1,559 sq. ft.) and fire station (11,647 sq. ft.). This new modern facility will include three apparatus bays with design layouts to better accommodate firefighters.

- 2. Council Discussion on a Proposed Entertainment District Ordinance**– Department of Planning & Community Development

Background/History:

Entertainment districts are being planned or have been already established within the Atlanta Metro Area. While they vary in size, building type, and tenant mix, the collective intent of municipalities is to rejuvenate exhausted or neglected real estate, to generate much-needed tax revenues, and to bolster a live-work-play image to compete with neighboring cities for businesses and residents.

In order to encourage a more business-friendly environment, and a more pedestrian friendly atmosphere, staff is recommending the creation of an entertainment district

Only establishments licensed to sell alcoholic beverages by the drink for consumption on-premises whose entrance is located within the district would be authorized to dispense an alcoholic beverage in a clear plastic cup, or other containers, as determine by the City Council, other than a can, bottle, or glass, for removal from the premises.
