On May 14, 2025, members of the Forest Park Police Department demonstrated exceptional courage, decisiveness, and an unwavering commitment to the preservation of life during a life-threatening incident.

In this incident, Lieutenant Arnold and Corporal Coley-Hebron responded swiftly and with the highest degree of professionalism. Their quick assessment of the situation, effective application of life-saving measures, and ability to remain composed under pressure directly resulted in a life being saved. Their actions were not only a testament to their advanced training and preparedness but also a reflection of their deep sense of duty to the citizens they serve.

4. Presentation by Partnership for Southern Equity about the Park at Fort Gillem**Background/History:**

In 2012, the City of Forest Park, through the Urban Redevelopment Agency (URA), purchased Fort Gillem as part of the Base Realignment and Closure (BRAC) initiative. The acquisition included 125 units of former military (Wherry) housing, repurposed by the Army as naturally occurring affordable housing (NOAH), namely The Park at Ft. Gillem. There was a stipulation to honor the pre-existing third-party property management contract until its conclusion in October 2025.

In January 2025, the URA partnered with Partnership for Southern Equity (PSE), an Atlanta-based nonprofit dedicated to advancing racial equity and shared prosperity across metro Atlanta and the American South.

This partnership aims to explore aligned opportunities for the Park at Fort Gillem in key areas such as:

Economic Inclusion

Equitable Development

Environmental Justice

Energy Equity

The project objectives include:

Ensure transparency, equity, and inclusiveness in stakeholder engagement

Collect qualitative and quantitative data to understand residents' needs
