1. **Council Discussion and Approval of Intergovernmental Agreement & Resolution with DDA – Legal**

#### Background/History:

The Downtown Development Authority proposes to issue \$6.18 million in bonds to finance the acquisition of property and certain infrastructure in the downtown area to spur the development of mixed-use facilities and other desirable improvements. The DDA is pursuing the rapid implementation of many of the development concepts set forth in the City's Livable Center Initiative Study which was adopted by the City on September 7, 2021.

In order obtain the best possible interest rate, it is proposed that the bonds be secured in part by a pledge of the City to make debt service on the bonds if necessary. The bonds will first be paid through funds of the DDA, revenues from the project and land sales by the DDA. The goal is that the City will not have to make any payments under this agreement.
