Background/History:

Background/History: Atlanta Gas Light Company will construct, own, operate and maintain a service line of suitable capacity from its main gas line to the new Public Safety Building at Gillem. The signed contract will allow Atlanta Gas Light Company to prepare for construction and move forward with ordering materials and installation.

3. **Council Discussion on Upgrading the Chamber AV System** – IT Department

Background/History:

Over the course of the past few months, we have experienced unexpected issues with the AV equipment in the council chambers. Most of the equipment is relatively new as it was upgraded a couple of years ago. Upon investigation of the AV issues we have experienced, it seems the most recent upgrade was completed with some limitations due to budget constraints at the time. This is impacting the quality and performance of the system today. I am asking for additional funds be added to the budget to complete the upgrades and updates needed to resolve the AV issues.

EXECUTIVE SESSION: (When an Executive Session is required, one will be called for the following issues: Personnel, Litigation or Real Estate)

ADJOURNMENT:

In compliance with the Americans with Disabilities Act, those requiring accommodation for Council meetings should notify the City Clerk's Office at least 24 hours prior to the meeting at 404-366-1555.
