The City of Forest Park has tentatively adopted a 2024 millage rate, which will require an increase in property tax by 1.57 percent due to property values increasing. Even though the City of Forest Park proposes to keep the millage rate at 16.74 mills, the increase in property values results in a property tax increase.

This tentative increase will result in a millage rate of 16.74 mills, an increase of 1.57 percent. Without this tentative increase, the millage rate will be no more than 2.6 mills. The proposed tax increase for a home with a fair market value of \$100,000.00 is approximately \$10.40.
