6. **Council Approval of Allocating Funds to the Police Department for Surveillance Cameras and Installation – Police Department**

**Background/History:**

The Police department intends to install surveillance cameras for monitoring open/public areas in an effort to enhance the safety and service for all Forest Park citizens and visitors to our city. There are 34 poles that have been identified for camera installation. Each camera will have 360-degree directional capabilities. Georgia Power will complete the installation, as the cameras will be attached to existing poles that Georgia Power owns and only Georgia Power can install new equipment on their poles. The anticipated total cost of this project would be roughly \$819,270. Funds are needed to cover the cost of equipment, installation, software, and to have in place a contingency budget. The Police Department did not account for the surveillance cameras in the Capital Outlay Budget or the American Rescue Act Funds; thus, no funds were allocated for these cameras. The Police Department is requesting allocation from the ARPA funds.
