12. **Second Reading of Ordinance No. 098, 2026, Authorizing the Conveyance of City-Owned Real Property Located at 314 North Howes Street in Support of Affordable Housing Development.**

This Ordinance, unanimously adopted on First Reading on July 21, 2026, approves the conveyance of City property to Housing Catalyst to develop affordable housing. City staff has identified a site for potential partnership with Housing Catalyst to produce a plan for redevelopment of 314 North Howes Street (the "Property"), focusing on affordable housing. On April 21, 2026, Resolution 2026-060 to approve an Option Agreement for the potential sale of the property was adopted by Council. The Property is currently owned by the City and supports EcoThrift, which is a private tenant, and has been evaluated for possible disposition to Housing Catalyst. The current tenant's lease expires on September 30, 2026. City staff negotiated an Option Agreement with Housing Catalyst with the intention to convey 314 North Howes to Housing Catalyst at nominal consideration in support of affordable housing. On June 9, 2026, Housing Catalyst delivered Notice of Exercise of Option to Purchase Real Property to the City. The proposed Ordinance approves the execution of an agreement to facilitate disposition of 314 N. Howes Street to Housing Catalyst. The rationale for this proposal is outlined in the background and discussion section. The original Resolution is also attached to this Agenda Item Summary.

13. **Second Reading of Ordinance No. 099, 2026, Approving the Addition of Permitted Uses Associated with the Rigden Farm Sixth Filing Major Amendment and Final Development Plan FDP260002.**

This Ordinance, unanimously adopted on First Reading on July 21, 2026, presents an Addition of Permitted Uses (APU) and combined Major Amendment and Final Development Plan (FDP) which proposes to have pigs graze part of a tract owned by the Rigden Farm Homeowners Association (HOA). The applicant (AloTerra Restoration Services) proposes to use up to 15 pigs to eat the extensive seedbank of the troublesome weed, *Kochia scoparia* (kochia) in 0.8 acres of this 3.96-acre park space during the growing seasons for a two to five-year period. A Modification of Standard was requested to permit an electric fence associated with the pigs.

The Council's decision on the proposed APU is a quasi-judicial decision governed by the standards in the Land Use Code. If considered on the consent agenda, a public hearing is deemed to have been open and closed, with the only evidence considered being that set forth in the agenda item summary and the attachments thereto, including the staff report and public comment.

If the APU is pulled from the consent calendar, Council will conduct a public hearing pursuant to the Council Rules of Procedure. If Council votes down the Ordinance, a second motion formally stating denial of the application for the addition of a permitted use would be appropriate.

The site is located in the Low-Density Mixed-Use Neighborhood (LMN) zone district. The proposed land use, Farm Animals, is not a permitted use in the LMN district, so this proposal is subject to an Addition of Permitted Uses and Major Amendment with a Type 2 (Planning and Zoning Commission) hearing for a recommendation to City Council for a decision.

Staff has heard significant public comment on this proposal. While much of the feedback has been supportive of the pigs, some neighbors have grievances, citing previous problems with odor and noise, and a general lack of trust of the applicant team's abilities and intentions. In order to address these concerns, staff worked closely with the applicant to ensure robust noise and odor mitigation strategies in the Site and Management Plan. Staff and the applicant also worked to ensure the Site and Management Plan included animal husbandry procedures in alignment with recommendations from the Larimer Public Health Department and NOCO Humane.

On June 18, 2026, the Planning and Zoning Commission voted 5-1 to approve the Site and Management Plan (FDP260002) and 5-1 to approve the Modification of Standard for the electric fence. The Commission also voted 5-1 to recommend Council approval of the Addition of Permitted Use for the Farm Animals.

If this item is pulled from the Consent Calendar for individual discussion, under Section 2.d. of the Council Rules of Procedure, the hearing procedure for Addition of Permitted Uses applications would be as follows:

- (1) Announcement of item;
- (2) Consideration of any procedural issues;
- (3) Explanation of the application by City staff;
- (4) Presentation by the applicant and/or by the affected property owner (if not the applicant);
- (5) Public testimony regarding the application;
- (6) Rebuttal testimony by the applicant/property owner;
- (7) Councilmember questions of City staff, the applicant/property owner and other comments; and
- (8) Motion, discussion and vote by City Council.
