H) PUBLIC COMMENT FOLLOW-UP

I) COUNCILMEMBER REMOVAL OF ITEMS FROM CONSENT CALENDAR FOR DISCUSSION

CONSENT CALENDAR

The Consent Calendar is intended to allow Council to spend its time and energy on the important items on a lengthy agenda. Staff recommends approval of the Consent Calendar. Agenda items pulled from the Consent Calendar by either Council or the City Manager will be considered separately under their own Section, titled "Consideration of Items Removed from Consent Calendar for Individual Discussion." Items remaining on the Consent Calendar will be approved by Council with one vote. The Consent Calendar consists of:

- Ordinances on First Reading that are routine;
- Ordinances on Second Reading that are routine;
- Those of no perceived controversy;

This Ordinance, unanimously adopted on First Reading on May 19, 2026, requests an appropriation of \$80,074 in philanthropic revenue received through City Give. These miscellaneous gifts to various City departments support a variety of programs and services and are aligned with both the City's strategic priorities and the respective donors' designation.

In 2019, City Give, a formalized enterprise-wide initiative was launched to create a transparent, non-partisan governance structure for the acceptance and appropriations of charitable gifts.

This Ordinance, unanimously adopted on First Reading on May 19, 2026, appropriates \$1,511,782 of unanticipated grant revenue from the U.S. Department of Commerce for the Broadband Equity, Access and Deployment (BEAD) program. This is a pass-through grant managed by the Colorado Broadband Office with a required local match of \$531,167. This

appropriation is contingent upon execution of the associated grant agreement and includes a sunset date of December 31, 2026, if such agreement is not finalized.

4. **Second Reading of Ordinance No. 055, 2026, Making a Supplemental Appropriation for Grant Revenue from the State of Colorado Office of Economic Development and International Trade Creative Industries Division for the Fort Collins Creative District.**

This Ordinance, unanimously adopted on First Reading on May 19, 2026, appropriates \$7,500 of unanticipated grant revenue from the Colorado Office of Economic Development and International Trade's (OEDIT) Colorado Creative Industries (CCI) Division for the Fort Collins Creative District.

B. Second Reading of Ordinance No. 057, 2026, Amending Section 12-30 of the Code of the City of Fort Collins to Update the Residential Waste Collection Program to Add a Multi-Housing Variance.

These Ordinances, unanimously adopted on First Reading on May 19, 2026, update City Code to modify the Hauler Licensing Program to align with the new state Extended Producer Responsibility Program and to modify the Contracted Residential Waste Collection Program to include an additional variance option for owners of small multi-unit residences.

6. **Second Reading of Ordinance No. 060, 2026, Annexing the Property Known as the Peakview Annexation No. 2 to the City of Fort Collins, Colorado.**

This Ordinance, unanimously adopted on First Reading on May 19, 2026, annexes approximately 70 acres of land into the City of Fort Collins. The Peakview Annexation No. 2 is a 100% voluntary annexation located on the northeast corner of East Mulberry Street (State Highway 14) and Greenfields Drive intersection, within the East Mulberry Corridor and the Fort Collins Growth Management Area (the "GMA"). The site is made up of the Cooper Slough Hunting Club parcel along with Lots 1–5 and Outlot C of the Parkview PLD, which was recorded and approved in Larimer County (the "County") in 2022. The annexation meets all State of Colorado statutory requirements for voluntary annexation, including a contiguous perimeter of 54.50%, above the one-sixth (16.67%) minimum required by State statute. The annexation is within the East Mulberry Enclave and will be added and studied as part of the Threshold Report anticipated to be shared with City Council May 2026. The annexation is also consistent with the Intergovernmental Agreement for the GMA between the City and the County. There is a related agenda item for zoning on the property.

7. **Second Reading of Ordinance No. 061, 2026, Amending the Zoning Map of the City of Fort Collins and Classifying for Zoning Purposes the Property Included in the Peakview Annexation No. 2 to the City of Fort Collins, Colorado, and Approving Corresponding Changes to the Residential Neighborhood Sign District Map and Lighting Context Area Map.**

This Ordinance, unanimously adopted on First Reading on May 19, 2026, places initial zoning on approximately 70 acres of land included in the Peakview Annexation No. 2. The proposed zoning, as recommended by staff and the Planning and Zoning Commission (Commission), places approximately 29.49 acres into the Medium Density Mixed-Use Neighborhood Zone District (MMN), approximately 26.92 acres into the General Commercial Zone District (CG), and

approximately 13.35 acres into the Industrial Zone District (I). Staff also recommends placement of the property into the Residential Neighborhood Sign Zone District (RNS) and the LC2 Lighting Context Area. Approval of the CG zoning is conditional and includes two conditions agreed upon by the applicant and City staff that ensure the General Commercial area functions consistently with the neighborhood-serving commercial intent of the East Mulberry Corridor Plan. The first condition limits purely residential uses within the CG zoning for a period of five years from the date of annexation approval, or until a grocer between approximately 10,000 and 70,000 square feet is under construction within a 1.5-mile radius of the subject property, whichever occurs first. The second condition requires that future development on the CG-zoned land contribute to a cohesive, visually integrated, and functionally linked development pattern with the adjacent Mulberry and Greenfields PUD commercial core (Bloom Filing Nine) and surrounding MMN areas.

This item is a quasi-judicial matter and if it is considered on the discussion agenda it will be considered in accordance with the procedures described in Section 2(d) of the Council’s Rules of Meeting Procedures adopted in Resolution 2024-148.

The purpose of this item is to request an appropriation of \$250,000 from the Conservation Trust Fund (“CTF”) Reserves to Park Planning & Development for planning efforts to create a Conceptual Framework Plan (the “Plan”) for the Foothills Multi-Use Site (the “Site”), which will build upon the community’s priorities for the Site as identified in the November 2025 ballot initiative. This plan will inform future design and construction of the Site’s uses and features. The scope of work will include preparation of an existing conditions report, a comprehensive programming list, and a near-term management plan, with a final deliverable of a Plan that will guide future development of the Site.

9. **First Reading of Ordinance No. 063, 2026, Approving an Intergovernmental Agreement and Appropriating Prior Year Reserves and Unanticipated Grant Revenue from the Colorado Energy Office for the Fleet Zero Grant Program.**

The purpose of this item is to appropriate \$245,000 of unanticipated grant revenue from the Colorado Energy Office (CEO) Fleet Zero grant program to install fleet Electric Vehicle (EV) charging stations at specific City of Fort Collins facilities. This item also appropriates \$295,300 to meet required match under the grant program and to fund total costs for installation of the EV charging stations.

10. **First Reading of Ordinance No. 064, 2026, Appropriating Unanticipated Grant Revenue from the Colorado Division of Criminal Justice for Restorative Justice Services.**

The purpose of this item is to appropriate \$35,120 of unanticipated grant revenue from the Colorado Division of Criminal Justice Juvenile Diversion fund awarded for the period of July 1, 2026 – June 30, 2027, to support the Restorative Justice programming provided by Conflict Transformation Works (CTW). This appropriation is contingent upon execution of the associated grant agreement and includes a sunset date of December 31, 2026, if the agreement is not finalized.

11. First Reading of Ordinance No. 065, 2026, Authorizing the Conveyance of One Permanent Easement on Meadow Springs Ranch.

The purpose of this item is to authorize the conveyance of one easement of approximately 2.37 acres (the "Easement"), being a portion of City property presently known as Meadow Springs Ranch, for the construction and installation of a wind gen-tie (generation-tie) corridor. The purpose of this item is to amend City Code to update and modernize the organizational structure of the City, including the creation of Transportation Services as a new service area, consolidation of Sustainability and Planning and Development functions, renaming of the Financial Services, clarification of City Manager authority over organizational structure, and other related Code revisions to align terminology and reporting relationships with current operations.

These Ordinances, unanimously adopted on First Reading on May 19, 2026, amend provisions of the City Code to align the City's penalty framework and related procedures with recent Colorado Supreme Court decisions in In re People v. Camp and In re People v. Simons as phase 1 of the Municipal Court sentencing Code update.

These decisions clarify that municipalities may not impose penalties that exceed those authorized under state law for substantially similar conduct. The proposed amendments establish a sentencing structure consistent with state law, ensure that municipal penalties do not exceed applicable state limits, and improve clarity within the Code.

The Municipal Court and City Prosecutor's Office have been operating in compliance with these decisions since they were published. The proposed amendments formalize current practice and provide clear guidance moving forward.
