CITY COUNCIL WORK SESSION 6:00 PM

A) CALL MEETING TO ORDER

B) ITEMS FOR DISCUSSION

1. Staff Report for Riverside Community Solar Project.

The purpose of this item is to provide an update to Council related to the equipment failure at the Riverside Community Solar Project. The large solar array on Riverside Avenue has not been generating electricity since August 20, 2023. Panel owners, which are local community members who have monetarily invested in this project, are not receiving bill credits and power is not being released back to the grid.

2. Development of the 2025-2026 Budget.

The purpose of this item is to review the revenue and expense assumptions included in the 2025-2026 City Manager's Recommended Budget, which will be delivered to Council and available to the public on August 30, 2024. This work session will also provide an overview of the emerging budget themes in the City's biennial budget, a 2050 Tax update, and a brief summary of the online budget resources and public engagement tools available.

3. Highlight Current Capital Projects in the City.

The purpose of this item is to discuss some of the current capital projects in the City, across several service areas, that impact City Strategic Objectives and Council Priorities. The intent of this item is to give an update of our current capital projects during the construction season and make this an annually scheduled update going forward.
