SUBJECT

Second Reading of Ordinance No. 015, Authorizing the Enterprise to Issue and Sale One or More Series of Tax-Exempt or Taxable Revenue Bonds, Providing for the Sources of Payment of the Bonds, and Providing Other Details Concerning the Bonds and the Enterprise's System.

EXECUTIVE SUMMARY

This Ordinance, unanimously adopted on First Reading on August 15, 2023, authorizes a bond issuance in the Light and Power Fund. This authorization will allow staff to issue bonds for projects in Light and Power and Connexion within the parameters as approved by the Enterprise Board in the Ordinance.

STAFF RECOMMENDATION

Staff recommends adoption of the Ordinance on Second Reading.

BACKGROUND / DISCUSSION

Overview

Both Light and Power and Connexion have additional capital needs in their systems. Staff are bringing forward two ordinances related to the issuance and appropriation of Electric and Telecommunication Enterprise revenue bonds. This authorization allows staff to make an issuance of bonds within the parameters laid out in the Ordinance. This also includes the ability for staff, with advice from the City's municipal finance advisor to issue both tax exempt and taxable bonds in the market. The principal, interest, maturity, and price are subject to change upon pricing late September within the proposed Bond Ordinance's parameters. The parameters allow for a reasonable range of market scenarios in the weeks that elapse between first and second readings and final pricing of the bonds.

Light and Power

Through the continued capital improvement plan, the Light and Power team have identified several areas needing investment. The primary use of the funds will be to build a new electrical substation in the northeast part of town. Help with additional costs due to supply chain issues with transformers. And help with additional annexation costs being faced by the utility. The Light and Power utility will also use some of these funds for additional work involving the replacement of parts of the electrical system that needs to be addressed throughout the system. In addition, some of the funds might be used in the future, subject to future Council appropriation, to prepay all or a portion of the load the City received in 2020 from Vectra

Bank to fund Light and Power's EPIC loan program that provides owners of residential property with financing for energy efficiency improvements to their properties.

Connexion

In March 2023, Council authorized the reimbursement of capital expenditures through the issuance of bonds. Connexion has now exhausted all currently available funds. Staff presented updated financial projections for Connexion at Council's January 10, 2023, work session. In that meeting, the capital project estimate was updated, reflecting a need to access approximately \$16.0 million additional capital to complete the network build-out and customer ramp-up by the end of 2024. An additional \$3.0 – \$5.0 million for excess operating expenses was also estimated to be needed. The maximum aggregate principal amount of the bonds issued for Connexion cannot exceed \$20,365,000.

The current estimate remains \$20.0 million, with capital additions totaling \$18.0 million and operating expense additions totaling \$2.0 million. A contingency reserve of \$2.5 million will be established with the balance of the premiums to provide leverage against unexpected supply chain and labor issues, as well as higher upfront capital needs arising from additional customer take rates and/or increased premise access costs.

Some of these proceeds are being proposed for a supplemental appropriation in Council Ordinance No. 104, 2023 ("Ordinance No. 104")

Structure

The bond issuance and structure are summarized as follows:

- Funding \$63.7M of gross proceeds, of which the City will use:
 - \$40.5M for Light and Power capital project costs (to be appropriated in Ordinance No. 104) and the potential payment of a bank loan for the EPIC program (to be appropriated in the future as needed)
 - \$22.5M for Connexion capital project and operating costs
 - \$18.0M for capital (to be appropriated in Ordinance No. 104)
 - \$2.0M for operating (to be appropriated in Ordinance No. 104)
 - \$2.5M for contingency (to be appropriated in the future as needed)
 - \$0.7M for issuance costs (to be appropriated in Ordinance No. 104)

CITY FINANCIAL IMPACTS

Staff is taking Ordinance No. 104 as a separate item to Council to appropriate most of the proceeds being authorized under this Ordinance. Additional information about the issuance is as follows:

Structure

As currently structured, the bonds have a 21-year maturity. Each utility will repay their share of the principal amount being used for their respective projects. The bonds will fund \$63.7M of gross proceeds. Funds will be used as follows:

The Paying Agent may make payments of interest on any Bond by such alternative means as may be mutually agreed to between the Owner of such Bond and the Paying Agent. If any Bond is not paid upon its presentation and surrender at or after its maturity or prior redemption, interest shall continue at its stated rate per annum until the principal thereof is paid in full. All such payments shall be made in lawful money of the United States of America.

Section 302. Execution of Bonds. The Bonds shall be executed in the name of the Enterprise by the manual or facsimile signature of the President, shall be sealed with the corporate seal of the Enterprise or a facsimile thereof thereunto affixed, imprinted, engraved or otherwise reproduced and shall be attested by the manual or facsimile signature of the Secretary. Any Bond may be signed (manually or by facsimile), sealed or attested on behalf of the Enterprise by any person who, at the date of such act, shall hold the proper office, notwithstanding that at the date of authentication, issuance or delivery, such person may have ceased to hold such office. The President and the Secretary may adopt as and for his or her own facsimile signature the facsimile signature of his or her predecessor in office in the event that such facsimile signature appears on any of the Bonds. Before the execution of any Bond, the President and the Secretary shall each file with the Colorado Secretary of State his or her manual signature certified by him or her under oath.

Section 303. Authentication Certificate. The authentication certificate upon the Bonds shall be substantially in the form and tenor provided in the form of the Bonds attached to this Ordinance as Exhibit A. No Bond shall be secured hereby or entitled to the benefit hereof, nor shall any Bond be valid or obligatory for any purpose, unless the certificate of authentication, substantially in such form, has been duly executed by the Paying Agent and such certificate of the Paying Agent upon any Bond shall be conclusive evidence that such Bond has been authenticated and delivered hereunder. The certificate of authentication shall be deemed to have been duly executed by the Paying Agent if manually signed by an authorized officer or employee of the Paying Agent, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds.

Section 304. Registration and Payment. The Paying Agent shall also act as registrar and transfer agent for the Bonds and shall keep or cause to be kept sufficient records for the registration and transfer of the Bonds, which shall at all times be open to inspection by the Enterprise. Upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said records, Bonds as herein provided. Except as provided in Section 306 and Section 1301 hereof, the Person in whose name any Bond shall be registered on the registration records kept by the Paying Agent shall be deemed and regarded as the absolute owner thereof for the purpose of making payment of the Debt Service Requirements thereof and for all other purposes; and payment of or on account of the Debt Service Requirements of any Bond shall be made only to the Owner thereof or such Person's legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitations provided herein. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid. The foregoing provisions of this Section are subject to the provisions of Section 307 hereof.

Section 305. Transfer and Exchange. Any Bond may be transferred upon the records required to be kept pursuant to the provisions of Section 304 hereof by the Person in whose name it is registered, in person or by such Person's duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer in a form

approved by the Paying Agent, duly executed. Whenever any Bond or Bonds shall be surrendered for transfer, the Paying Agent shall authenticate and deliver a new Bond or Bonds for a like aggregate principal amount and of the same maturity and interest rate and of any authorized denominations. The Bonds may be exchanged by the Paying Agent for a like aggregate principal amount of Bonds of the same maturity and interest rate and of other authorized denominations. The execution by the Enterprise of any Bond of any denomination shall constitute full and due authorization of such denomination and the Paying Agent shall thereby be authorized to authenticate and deliver such Bond.

The Paying Agent shall not be required to transfer or exchange (a) any Bond subject to redemption during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Bonds and ending at the close of business on the day such notice is mailed, or (b) any Bond so selected for redemption in whole or in part after the mailing of notice calling such Bond or any portion thereof for prior redemption except the unredeemed portion of Bonds being redeemed in part.

The Paying Agent shall require the payment by any Owner requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer, and may charge a sum sufficient to pay the cost of preparing each new Bond upon each exchange or transfer and any other expenses of the Enterprise or the Paying Agent incurred in connection therewith.

The foregoing provisions of this Section are subject to the provisions of Section 307 hereof.

Section 306. Bond Replacement. If any Bond shall have been lost, destroyed or wrongfully taken, the Enterprise shall provide for the replacement thereof in the manner set forth and upon receipt of the evidence, indemnity bond and reimbursement for expenses provided in City Code Section 8-41. Any such new Bond shall bear a number not previously assigned. The applicant for any such new Bond may be required to pay all expenses and charges of the Enterprise and of the Paying Agent in connection with the issuance of such Bond. All Bonds shall be held and owned upon the express condition that, to the extent permitted by law, the foregoing conditions are exclusive with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds, negotiable instruments or other securities.

Section 307. Book Entry.

A. Depository. Notwithstanding any contrary provision of this Ordinance, the Bonds initially shall be evidenced by one Bond for each maturity and interest rate in denominations equal to the aggregate principal amount of the Bonds of the same series, maturity and interest rate. Such initially delivered Bonds shall be registered in the name of "Cede & Co." as nominee for DTC. The Bonds may not thereafter be transferred or exchanged except:

(1) to any successor of The Depository Trust Company or its nominee, which successor must be both a “clearing corporation” as defined in Section 4-8-102(a)(5), C.R.S., and a qualified and registered “clearing agency” under Section 17A of the Securities Exchange Act of 1934, as amended; or

(2) upon the resignation of The Depository Trust Company or a successor or new depository institution under clause (1) or this clause (2) of this paragraph A, or a determination by the Board that The Depository Trust Company or such successor or a new depository institution is no longer able to carry out its functions, and the designation by the Board of another depository institution acceptable to the Board and to the depository institution then holding the Bonds, which new depository institution must be both a “clearing corporation” as defined in Section 4-8-102(a)(5), C.R.S., and a qualified and registered “clearing agency” under Section 17A of the Securities Exchange Act of 1934, as amended, to carry out the functions of The Depository Trust Company or such successor new depository institution; or

(3) upon the resignation of The Depository Trust Company or a successor or new depository institution under clause (1) above or designation of a new depository institution pursuant to clause (2) above, or a determination of the Board that The Depository Trust Company or such successor or new depository institution is no longer able to carry out its functions, and the failure by the Board, after reasonable investigation, to locate another depository institution under clause (2) to carry out such depository institution functions.

B. Successor. In the case of a transfer to a successor of The Depository Trust Company or its nominee as referred to in clause (1) or (2) of paragraph A hereof, upon receipt of the outstanding Bonds by the Paying Agent together with written instructions for transfer satisfactory to the Paying Agent, a new Bond for each maturity and interest rate of the Bonds then outstanding shall be issued to such successor or new depository, as the case may be, or its nominee, as is specified in such written transfer instructions. In the case of a resignation or determination under clause (3) of paragraph A hereof and the failure after reasonable investigation to locate another qualified depository institution for the Bonds as provided in clause (3) of paragraph A hereof, and upon receipt of the outstanding Bonds by the Paying Agent, together with written instructions for transfer satisfactory to the Paying Agent, new Bonds shall be issued in authorized denominations as provided in and subject to the limitations of Sections 301, 304, and 305 hereof, registered in the names of such Persons, as are requested in such written transfer instructions; however, the Paying Agent shall not be required to deliver such new Bonds within a period of less than 60 days from the date of receipt of such written transfer instructions.

C. Absolute Owner. The Enterprise and the Paying Agent shall be entitled to treat the Owner of any Bond as the absolute owner thereof for all purposes hereof and any applicable laws, notwithstanding any notice to the contrary received by any or all of them and the Enterprise and the Paying Agent shall have no responsibility for transmitting payments or notices

to the beneficial owners of the Bonds held by The Depository Trust Company or any successor or new depository named pursuant to paragraph A hereof.

D. Payment. The Enterprise and the Paying Agent shall endeavor to cooperate with The Depository Trust Company or any successor or new depository named pursuant to clause (1) or (2) of paragraph A hereof in effectuating payment of the principal amount of the Bonds upon maturity or prior redemption by arranging for payment in such a manner that funds representing such payments are available to the depository on the date they are due.

E. Redemption. Upon any partial redemption of any maturity and interest rate of the Bonds, Cede & Co. (or its successor) in its discretion may request the Enterprise to issue and authenticate a new Bond or shall make an appropriate notation on the Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case the Bond must be presented to the Paying Agent prior to payment. The records of the Paying Agent shall govern in the case of any dispute as to the amount of any partial prepayment made to Cede & Co. (or its successor).

Section 308. Bond Cancellation. Whenever any Bond shall be surrendered to the Paying Agent upon payment thereof, or to the Paying Agent for transfer, exchange or replacement as provided herein, such Bond shall be promptly canceled in accordance with the customary practices of the Paying Agent and applicable retention laws.

Section 309. Negotiability. Subject to the provisions expressly stated or necessarily implied herein, the Bonds shall be fully negotiable and shall have all the qualities of negotiable paper, and the holder or holders thereof shall possess all rights enjoyed by the holders of negotiable instruments under the provisions of the Colorado Uniform Commercial Code.

Section 310. Resignation or Removal of Paying Agent. If the Paying Agent shall resign in accordance with the terms and provisions hereof and the Paying Agent Agreement or if the Enterprise shall determine to remove the Paying Agent, the Enterprise may, upon notice mailed to each Owner of Bonds at the addresses last shown on the registration books of the Enterprise, accept the resignation of the Paying Agent or remove the Paying Agent, as the case may be, and appoint a successor paying agent. Every such successor paying agent shall be a Commercial Bank. Any such resignation or removal shall become effective only on the appointment of a successor and acceptance by the successor of its duties hereunder and under the Paying Agent Agreement.

Section 311. Bond Form. Subject to the provisions of this Ordinance, each Bond shall be in substantially the form attached hereto as Exhibit A, with such omissions, insertions, endorsements and variations as to any recitals of fact or other provisions as may be required by the circumstances, be required or permitted by this Ordinance or the Sale Certificate, be consistent with this Ordinance or be necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto.

ARTICLE IV

REDEMPTION

Section 401. Optional Redemption. The Bonds shall be subject to redemption at the option of the Enterprise from any legally available funds on the dates, at the prices, and in the manner set forth in the Sale Certificate.

Section 402. Mandatory Sinking Fund Redemption. The Term Bonds, if any, shall be subject to mandatory sinking fund redemption at the times, in the amounts and at the prices provided in the Sale Certificate.

On or before the thirtieth day prior to each such sinking fund payment date, the Paying Agent shall proceed to call the Term Bonds, if any, as provided in the Sale Certificate (or any Term Bond or Term Bonds issued to replace such Term Bonds) for redemption from the sinking fund on the next December 1, and give notice of such call without further instruction or notice from the Enterprise.

At its option, to be exercised on or before the sixtieth day next preceding each such sinking fund Redemption Date, the Enterprise may (a) deliver to the Paying Agent for cancellation Term Bonds subject to mandatory sinking fund redemption on such date in an aggregate principal amount desired or (b) receive a credit in respect of its sinking fund redemption obligation for any Term Bonds of the same maturity and interest rate subject to mandatory sinking fund redemption on such date, which prior to said date have been redeemed (otherwise than through the operation of the sinking fund) and canceled by the Paying Agent and not theretofore applied as a credit against any sinking fund redemption obligation. Each Term Bond so delivered or previously redeemed will be credited by the Paying Agent at the principal amount thereof against the obligation of the Enterprise on such sinking fund date and such sinking fund obligation will be accordingly reduced. The Enterprise will on or before the sixtieth day next preceding each sinking fund Redemption Date furnish the Paying Agent with its certificate indicating whether or not and to what extent the provisions of (a) and (b) of the first sentence of this paragraph are to be availed with respect to such sinking fund payment. Failure of the Enterprise to deliver such certificate shall not affect the Paying Agent's duty to give notice of sinking fund redemption as provided in this paragraph.

Section 403. Partial Redemption. In the case of Bonds of a denomination larger than \$1,000, a portion of such Bond (\$1,000 or any integral multiple thereof) may be redeemed, in which case the Paying Agent shall, without charge to the owner of such Bond, authenticate and issue a replacement Bond or Bonds for the unredeemed portion thereof.

Section 404. Notice of Prior Redemption. Unless waived in writing by the Owner of a Bond to be redeemed, notice of redemption shall be given by the Paying Agent in the name of the Enterprise by mailing such notice at least thirty days and not more than sixty days prior to the redemption date, by first-class mail, postage prepaid, to the Owners of the Bonds to be

redeemed at their addresses as shown on the registration records, or in the event that the Bonds to be redeemed are registered in the name of DTC (or its designee), such notice may, in the alternative, be given by electronic means in accordance with the requirements of DTC. Notwithstanding the foregoing, the Paying Agent may provide notice of redemption by such alternative means as may be mutually agreed to between the Owner of the Bonds and the Paying Agent. Failure to give such notice to the Owner of any Bond, or any defect therein, shall not affect the validity of the proceedings for the redemption of any other Bonds. All such notices of redemption shall be dated and shall state: (i) the redemption date, (ii) the redemption price, (iii) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed, (iv) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and (v) if applicable, the place where such Bonds are to be surrendered for payment of the redemption price. Except as provided below, after such notice has been given in the manner provided herein, the Bond or Bonds called for redemption shall become due and payable on the designated redemption date, and upon presentation thereof the Enterprise shall pay the Bond or Bonds called for redemption. Installments of interest due on the redemption date shall be payable as provided in this Ordinance for the payment of interest. A certificate by the Paying Agent that a notice of redemption has been given as herein set forth shall be conclusive and receipt by the Owner of a notice of redemption shall not be a condition precedent to the redemption of that Bond. Unless waived by the Paying Agent, the Enterprise agrees to provide the Paying Agent with not less than 10 days' notice of any prior redemption.

Notwithstanding the provisions of this Section, any notice of redemption shall either (a) contain a statement that the redemption is conditioned upon the receipt by the Paying Agent on or before the Redemption Date of funds sufficient to pay the redemption price of the Bonds so called for redemption, and that if such funds are not available, such redemption shall be canceled by written notice to the Owners of the Bonds called for redemption in the same manner as the original redemption notice was given, or (b) be given only if funds sufficient to pay the redemption price of the Bonds so called for redemption are on deposit with the Paying Agent in the applicable fund or account.

All Bonds surrendered for redemption pursuant to the provisions of this Section shall be canceled and destroyed by the Paying Agent and shall not be reissued.

ARTICLE V

USE OF BOND PROCEEDS AND OTHER MONEYS

Section 501. Disposition of Bond Proceeds. When the Bonds have been duly executed by appropriate Enterprise officers and authenticated by the Paying Agent, the Enterprise shall cause the Bonds to be delivered to the Underwriters on receipt of the agreed purchase price. The Bonds shall be delivered in such denominations as the Underwriters shall direct, subject to the provisions of this Ordinance and the Sale Certificate, and the Paying Agent shall initially register the Bonds in such name or names as the Underwriters shall direct.

The net proceeds derived from the sale of the Bonds, upon the receipt thereof, shall be applied by the Enterprise as set forth in the Sale Certificate.

The Underwriters and any subsequent Owners of any of the Bonds are not responsible for the application or disposal by the Enterprise or by any of its officers, agents and employees of the moneys derived from the sale of the Bonds or of any other moneys herein designated.

Section 502. Project Fund. There is hereby created, and shall be held by the Enterprise, the special and separate account to be known as the “City of Fort Collins, Colorado, Electric Utility Enterprise Revenue Bonds, Series 2023 Project Fund.” Within the Project Fund, there is hereby created two subaccounts:

(i) a separate subaccount within the Project Fund to be known as the “Electric Utility Enterprise Revenue Bonds, Series 2023, Telecommunication Facilities and Services Project Account,” into which shall be deposited the amount received from the sale of the Bonds that are issued pursuant to the authority granted at the 2017 Election to finance the Telecommunication Facilities and Services Project, such amount to be set forth in the Sale Certificate; and

(ii) a separate subaccount within the Project Fund to be known as the “Electric Utility Enterprise Revenue Bonds, Series 2023, Electric Utility Services Project Account,” into which shall be deposited the amount received from the sale of the Bonds that are issued to finance the Electric Utility Services Project, such amount to be set forth in the Sale Certificate.

Except as otherwise provided herein, moneys on deposit in the Telecommunication Facilities and Services Project Account of the Project Fund shall be used solely for the purpose of paying the Costs of the Improvement Project attributable to the Telecommunication Facilities and Services Project and moneys on deposit in the Electric Utility Services Project Account of the Project Fund shall be used solely for the purpose of paying the Costs of the Improvement Project attributable to the Electric Utility Services Project. The expenditure of moneys on deposit in the Project Fund shall be subject to the tax covenants set forth in Section 929 of this Ordinance and

the Tax Compliance Certificate, and shall not be applied to the payment of working capital expenses except to the extent permitted by Section 929 of this Ordinance and the Tax Compliance Certificate. Moneys on deposit in the Project Fund may also be used and paid out by the Enterprise to defray the ongoing administrative Costs of the Improvement Project, including, without limitation, amounts to be paid to the Paying Agent, legal fees, and accounting fees. The Enterprise may defray any such administrative costs from time to time as Operation and Maintenance Expenses to the extent the moneys deposited in the Project Fund are insufficient therefor.

Section 503. Completion of Improvement Project. When the portion of the Improvement Project that is being financed with the proceeds of the Bonds is completed in accordance with the relevant plans and specifications and all amounts due therefor, including all proper incidental expenses and all administrative Costs of the Improvement Project referred to in Section 502 hereof, are paid, or for which full provision is made, the Treasurer, to the extent permitted by the Tax Compliance Certificate, shall cause all surplus moneys remaining in the Project Fund, if any, except for any moneys designated in the certificate to be retained to pay any unpaid accrued costs or contingent obligations, to be transferred as follows: (a) to the Rebate Fund so as to enable the Enterprise to comply with Section 929 hereof, (b) if the Reserve Fund is created in the Sale Certificate, to the Reserve Fund to such extent as shall not cause the amount in the Reserve Fund to exceed the Reserve Fund Requirement, and (c) to the Bond Fund to the extent of any remaining balance of such moneys to be applied against the next principal payment or payments coming due on the Bonds. Nothing herein prevents the transfer from the Project Fund to the Bond Fund, at any time prior to the termination of the Project Fund, of any moneys which the Treasurer by certificate determines will not be necessary for the Improvement Project and will not be designated to be transferred to the Rebate Fund.

Section 504. Lien on Bond Proceeds. Until the proceeds of the Bonds deposited in the Project Fund are applied as herein provided, such Bond proceeds are subject to a lien thereon and pledge thereof for the benefit of the Owners of the Outstanding Bonds as provided in Section 601 hereof.

ARTICLE VI

ADMINISTRATION OF AND ACCOUNTING FOR NET PLEDGED REVENUES

Section 601. Pledge Securing Bonds. The Net Pledged Revenues are hereby pledged, and a lien thereon is hereby created, to secure the payment of the Debt Service Requirements of the Bonds on a parity with the lien thereon securing the payment of the Debt Service Requirements of the Parity Bonds and superior to the lien thereon securing the payment of the Debt Service Requirements of the Subordinate Obligations in accordance with the provisions of this Ordinance. All moneys and securities paid or to be paid to or held or to be held in the Bond Fund, the Project Fund and the Reserve Fund are hereby pledged, and a lien thereon is hereby created, to secure the payment of the Debt Service Requirements of the Outstanding Bonds only, subject to the right of the Enterprise to cause amounts to be withdrawn from the Project Fund to pay the Costs of the Improvement Project as provided herein. Amounts on deposit in the Rebate Fund shall not be subject to the lien and pledge of this Ordinance to secure the payment of the Bonds.

The pledge of the Net Pledged Revenues shall be valid and binding from and after the date of the delivery of the Bonds. The creation, perfection, enforcement, and priority of the pledge of revenues to secure or pay the Bonds as provided herein shall be governed by Section 11-57-208 of the Supplemental Act and this Ordinance. The revenues pledged for the payment of the Bonds, as received by or otherwise credited to the Enterprise, shall immediately be subject to the lien of such pledge without any physical delivery, filing, or further act. The lien of such pledge on the revenues pledged for payment of the Bonds and the obligation to perform the contractual provisions made herein shall have priority over any or all other obligations and liabilities of the Enterprise except any Outstanding Parity Bonds. The lien of the pledge of the Net Pledged Revenues as described in this section shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Enterprise (except as otherwise provided herein) irrespective of whether such parties have notice thereof.

Section 602. Light and Power Fund Deposits. So long as any of the Bonds shall be Outstanding, the entire Gross Pledged Revenues, upon their receipt from time to time by the Enterprise, shall be set aside and credited immediately to the special and separate account heretofore created by the City and known as the “Light and Power Fund.”

Section 603. Administration of Light and Power Fund. So long as any of the Bonds shall be Outstanding, the following payments shall be made from the Light and Power Fund, as provided in Sections 604 through 610 hereof.

Section 604. Operation and Maintenance Expenses. First, as a first charge on the Light and Power Fund, from time to time there shall continue to be held therein moneys sufficient to pay Operation and Maintenance Expenses, as they become due and payable, and thereupon they shall be promptly paid. For purposes of determining the amount of moneys that shall be held in

the Light and Power Fund to pay Operation and Maintenance Expenses, the Enterprise may take into consideration the proceeds of the Bonds, if any, that are on deposit in the Project Fund that will be applied to pay Operation and Maintenance Expenses. Any surplus remaining in the Light and Power Fund and not needed for Operation and Maintenance Expenses shall be used for other purposes of the Light and Power Fund as herein provided.

Section 605. Bond Fund. Second, from any remaining Net Pledged Revenues, there shall be credited each month, concurrently with each other and with amounts required to meet the Debt Service Requirements with respect to any Outstanding Parity Bonds, to the special and separate account hereby created and to be known as the “City of Fort Collins, Colorado, Electric Utility Enterprise Revenue Bonds, Series 2023, Bond Fund” (the “Bond Fund”) the following amounts:

A. **Interest Payments.** Monthly to the Bond Fund, commencing with the month immediately succeeding the delivery of any of the Bonds, an amount in equal monthly installments necessary, together with any moneys therein and available therefor, to pay the interest due and payable on the Outstanding Bonds on the next succeeding interest payment date.

B. **Principal Payments.** Monthly to the Bond Fund, commencing on the first day of the month immediately succeeding the delivery of any of the Bonds, or commencing on the first day of the month one year next prior to the first principal payment date of any of the Bonds, whichever commencement date is later, an amount in equal monthly installments necessary, together with any moneys therein and available therefor, to pay the next installment of principal (whether at maturity or on a mandatory redemption date) due on the Outstanding Bonds.

If prior to any interest payment date or principal payment date, there has been accumulated in the Bond Fund the entire amount necessary to pay the next maturing installment of interest or principal, or both, the payment required in paragraph A or B (whichever is applicable) of this Section 605 may be appropriately reduced; but the required annual amounts again shall be so credited to such account commencing on such interest payment date or principal payment date.

The moneys credited to the Bond Fund shall be used to pay the Debt Service Requirements of the Bonds then Outstanding, as such Debt Service Requirements become due, except as provided in Sections 608 and 1201 hereof.

The City is authorized to create a capitalized interest account within the Bond Fund. The amount to be deposited to any such capitalized interest account shall be set forth in the Sale Certificate.

Section 606. Reserve Fund. A Reserve Fund to secure the payment of the principal of and interest on the Bonds may be established pursuant to the Sale Certificate. In the event that a Reserve Fund is established, the following provisions shall apply. In the event that no Reserve Fund is established in the Sale Certificate, all references herein to the Reserve Fund and the Reserve Fund Requirement shall be of no force and effect.

In satisfaction of the Reserve Fund Requirement, upon delivery of the Bonds or at such time as required by the Sale Certificate, either proceeds of the Bonds, cash or a Reserve Fund Insurance Policy being provided by the Surety Provider, or any combination thereof, in the amount of the Reserve Fund Requirement shall be deposited in the special and separate fund hereby created and to be known as the “City of Fort Collins, Colorado, Electric Utility Enterprise Revenue Bonds, Series 2023, Reserve Fund.” The proceeds of the Bonds, cash or a Reserve Fund Insurance Policy shall be credited to Reserve Fund as provided in the Sale Certificate. Any Reserve Fund Insurance Policy shall be held by the Paying Agent. Any Reserve Fund Insurance Policy deposited to the credit of the Reserve Fund shall be valued at the amount available to be drawn or otherwise paid pursuant to such Reserve Fund Insurance Policy at the time of calculation. The Paying Agent shall maintain adequate records as to the amount available to be drawn at any time under the Reserve Fund Insurance Policy and as to the amounts, of which it has knowledge, of Policy Costs paid and owing to the Surety Provider. Such records shall be open to inspection and verification by the Surety Provider during business hours of the Paying Agent.

After the payments or deposits required by Sections 604 and 605 have been made or provided for (and except as provided in Section 607 and 608 hereof), and concurrently with any payments required to be made pursuant to any Parity Bond Ordinances with respect to any reserve funds which may be, but are not required to be, established thereby and concurrently with any repayment or similar obligations payable to any surety provider issuing any reserve fund insurance policy with respect to any Parity Bonds, from any moneys remaining in the Light and Power Fund there shall be credited to the Reserve Fund monthly, commencing on the first day of the month next succeeding each date on which the moneys accounted for in the Reserve Fund for any reason are less than the Reserve Fund Requirement, such amounts in substantially equal monthly payments on the first day of each month to re-accumulate the Reserve Fund Requirement by not more than 12 such monthly payments. If a Reserve Fund Insurance Policy is on deposit in the Reserve Fund to fund all or a part of the Reserve Fund Requirement, the amounts payable into the Reserve Fund pursuant to the immediately preceding sentence shall be paid by the Enterprise first to the Surety Provider to reimburse it for Policy Costs due and owing and second to replenish cash in the Reserve Fund. If there are insufficient Net Pledged Revenues to comply with the requirements of the first sentence of this paragraph, available Net Pledged Revenues shall be credited or paid to the Reserve Fund and to reserve funds which may be established by any Parity Bond Ordinances (or to the Surety Provider or any other surety provider issuing any reserve fund insurance policy with respect to any Parity Bonds) pro rata, based upon the aggregate principal amount of the Bonds and any such Parity Bonds then Outstanding. If there are insufficient Net Pledged Revenues to comply with the requirements of the first sentence of this paragraph and more than one Reserve Fund Insurance Policy is on deposit in the Reserve Fund, available Net Pledged Revenues credited to or paid to the Reserve Fund shall be applied to reimburse the Surety Provider and any other surety provider providing a Reserve Fund Insurance Policy pro rata, based upon the original amount available to be drawn on each.

The Reserve Fund Requirement shall be accumulated and, if necessary, re-accumulated from time to time, in the Reserve Fund from Net Pledged Revenues, except to the

extent other moneys are credited to the Reserve Fund, and maintained as a continuing reserve to be used, except as hereinafter provided in Sections 607, 608, 703 and 1201 hereof, only to prevent deficiencies in the payment of the Debt Service Requirements of the Bonds Outstanding from time to time from the failure to deposit into the Bond Fund sufficient moneys to pay such Debt Service Requirements as the same accrue and become due. Moneys on deposit in the Reserve Fund may also be applied to the defeasance of the Bonds and to the last principal payments due on the Bonds.

No payment need be made into the Reserve Fund at any time so long as the moneys and/or the Reserve Fund Insurance Policy therein equal not less than the Reserve Fund Requirement and there are no Policy Costs due and owing. Unless otherwise provided in the Sale Certificate, the Reserve Fund Requirement shall be re-calculated upon (i) any principal payment, whether at stated maturity or upon redemption, or (ii) the defeasance of all or a portion of the Bonds.

The Enterprise may at any time substitute (a) cash or Investment Securities for a Reserve Fund Insurance Policy or (b) a Reserve Fund Insurance Policy for cash or Investment Securities, so long as the amount on deposit in the Reserve Fund after such substitution is at least equal to the Reserve Fund Requirement. Notwithstanding the foregoing, no Reserve Fund Insurance Policy shall be deposited by the Enterprise in the Reserve Fund for such substitution unless the Enterprise has received an opinion of Bond Counsel to the effect that such substitution and the intended use by the Enterprise of the cash or Investment Securities to be released from the Reserve Fund will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes.

Section 607. Termination of Deposits. No payment need be made into the Bond Fund or the Reserve Fund, if any, if the amount in the Bond Fund and the amount in the Reserve Fund (exclusive of the amount available under a Reserve Fund Insurance Policy) total a sum at least sufficient so that all Bonds Outstanding are deemed to have been paid pursuant to Section 1201 hereof, in which case moneys therein (taking into account the known minimum gain from any investment of such moneys in Permitted Investments from the time of any such investment or deposit shall be needed for such payment which will not be designated for transfer to the Rebate Fund) shall be used (together with any such gain from such investments) solely to pay the Debt Service Requirements of the Outstanding Bonds as the same become due; and any moneys in excess thereof in those accounts and any other moneys derived from the Net Pledged Revenues or otherwise pertaining to the System may be used to make required payments into the Rebate Fund or in any other lawful manner determined by the Board.

Section 608. Rebate Fund. After any payments required to be made pursuant to Sections 604 and 605 have been made, and after any required transfers have been made to the Reserve Fund, if any, there shall be deposited into the special and separate account hereby created, and held by the Enterprise, and to be known as the “City of Fort Collins, Colorado, Electric Utility Enterprise Revenue Bonds, Series 2023, Rebate Fund” moneys in the amounts and at the times specified in the Tax Compliance Certificate so as to enable the Enterprise to comply with Section 929 hereof. Any such payments shall be made concurrently with any payments required

to be made pursuant to any Parity Bond Ordinances with respect to any rebate funds established thereby. Amounts on deposit in the Rebate Fund shall not be subject to the lien and pledge of this Ordinance. The Enterprise shall cause amounts on deposit in the Rebate Fund to be forwarded to the United States Treasury (at the address provided in the Tax Compliance Certificate) at the times and in the amounts set forth in the Tax Compliance Certificate.

If the moneys on deposit in the Rebate Fund are insufficient for the purposes thereof, the Enterprise shall transfer moneys in the amount of the insufficiency to the Rebate Fund from the Project Fund, the Bond Fund and the Reserve Fund, if any. Upon receipt by the Enterprise of an opinion of Bond Counsel to the effect that the amount in the Rebate Fund is in excess of the amount required to be contained therein, such excess may be transferred to the Light and Power Fund.

Section 609. Payment of Subordinate Securities. Subject to the provisions hereinabove in this Article, but subsequent to the payments required by Sections 604, 605 and 608 hereof and any required payments to the Reserve Fund, any moneys remaining in the Light and Power Fund may be used by the Enterprise for the payment of Debt Service Requirements of subordinate Securities, including reasonable reserves for such subordinate Securities and for rebate of amounts to the United States Treasury with respect to such subordinate Securities.

Section 610. Use of Remaining Revenues. After the payments hereinabove required to be made by Sections 602 through 609 hereof have been made or provided for in each month, any remaining Net Pledged Revenues in the Light and Power Fund shall be used, first, for any one or any combination of reasonably necessary purposes and in the Council’s discretion relating to the operation, improvement or debt management of the System and, second, to the extent of any remaining surplus, for any one or any combination of lawful purposes as the Council may from time to time conclusively determine.

Section 611. Budget and Appropriation of Sums. The sums required to make the payments specified in this Article VI shall be included in the budget and the annual, biennial, or supplemental appropriation ordinances or measures to be adopted or passed by the Council in each year while the Bonds, either as to principal or interest, are Outstanding and unpaid. No provision of any constitution, the Charter, the City Code, statute, ordinance, resolution, or other order or measure enacted before or after the issuance of the Bonds shall in any manner be construed as limiting or impairing the obligations of the City and the Enterprise to keep and perform the covenants contained in this Ordinance so long as any of the Bonds remain Outstanding and unpaid.

ARTICLE VII

GENERAL ADMINISTRATION

Section 701. Administration of Accounts. The special funds and accounts designated in Articles V and VI hereof shall be administered as provided in this Article (but not any account under Section 1201 hereof).

Section 702. Places and Times of Deposits. Except for the Costs of Issuance Fund, each of the special funds or accounts created or adopted herein shall be maintained by the Enterprise as a book account and kept separate and apart from all other funds or accounts of the Enterprise and the City as trust funds solely for the purposes herein designated therefor. For purposes of investment of moneys, nothing herein prevents the commingling of moneys accounted for in any two or more such funds or accounts pertaining to the Gross Pledged Revenue. Such funds or accounts shall be continuously secured to the fullest extent required or permitted by the laws of the State for the securing of public funds and shall be irrevocable and not withdrawable by anyone for any purpose other than the respective designated purposes of such funds or accounts. Each periodic payment shall be credited to the proper fund or account not later than the date therefor herein designated, except that when any such date shall not be a Business Day, then such payment shall be made on or before the next preceding Business Day. The Costs of Issuance Fund shall be held and maintained by the Paying Agent pursuant to the provisions of the Paying Agent Agreement.

Section 703. Investment of Moneys. Any moneys in the Light and Power Fund, the Project Fund, the Bond Fund, the Reserve Fund, if any, and the Rebate Fund and not needed for immediate use shall be invested or reinvested by the Treasurer in Permitted Investments. All such investments shall (a) either be subject to redemption at any time at a fixed value by the holder thereof at the option of such holder, or (b) mature not later than the estimated date or respective dates on which the proceeds are to be expended as estimated by the Treasurer at the time of such investment or reinvestment; provided that (1) Permitted Investments credited to the Reserve Fund shall not mature later than ten years from the date of such investment or reinvestment and (2) collateral securities of any Permitted Investments may have a maturity of more than five years from the date of purchase thereof. For the purpose of any such investment or reinvestment, Permitted Investments shall be deemed to mature at the earliest date on which the obligor is, on demand, obligated to pay a fixed sum in discharge of the whole of such obligations.

Section 704. Accounting for Investments. The Permitted Investments so purchased as an investment or reinvestment of moneys in any such account hereunder shall be deemed at all times to be a part of the account. Any interest or other gain from any investments and reinvestments of moneys accounted for in the Light and Power Fund, the Project Fund, the Bond Fund and the Rebate Fund shall be credited to such account, and any loss resulting from any such investments or reinvestments of moneys accounted for in the Light and Power Fund, the Project Fund, the Bond Fund, the Reserve Fund and the Rebate Fund shall be charged or debited to such fund.

Any interest or other gain from any investment or reinvestment of moneys accounted for in the Reserve Fund (a) shall be credited to the Rebate Fund or the Bond Fund, at the discretion of the Treasurer, if the amount credited to the Reserve Fund immediately after such credit to the Rebate Fund or the Bond Fund is not less than the Reserve Fund Requirement and (b) if the amount credited to the Reserve Fund is less than the Reserve Fund Requirement, shall be credited to the Reserve Fund (up to the amount of the deficiency).

No loss or profit in any account on any investments or reinvestments in Permitted Investments shall be deemed to take place as a result of market fluctuations of the Permitted Investments prior to the sale or maturity thereof. In the computation of the amount in any account for any purpose hereunder, except as herein otherwise expressly provided or for rebate purposes, as described in the Tax Compliance Certificate, Permitted Investments shall be valued at the cost thereof (including any amount paid as accrued interest at the time of purchase of the obligation); provided that any time or demand deposits shall be valued at the amounts deposited, in each case exclusive of any accrued interest or any other gain to the Enterprise until such gain is realized by the presentation of matured coupons for payment or otherwise.

Section 705. Redemption or Sale of Permitted Investments. The Treasurer shall present for redemption or sale on the prevailing market at the best price obtainable any Permitted Investments so purchased as an investment or reinvestment of moneys in the account whenever it shall be necessary in order to provide moneys to meet any withdrawal, payment or transfer from such account. Neither the Treasurer nor any other officer, employee or agent of the Enterprise shall be liable or responsible for any loss resulting from any such investment or reinvestment made in accordance with this Ordinance.

Section 706. Character of Funds. The moneys in any account designated in Articles V and VI hereof shall consist either of lawful money of the United States or Permitted Investments, or both such money and such Permitted Investments. Moneys deposited in a demand or time deposit account in a bank or savings and loan association, appropriately secured according to the laws of the State, shall be deemed lawful money of the United States.

Section 707. Payment of Debt Service Requirements. The moneys credited to any fund or account designated in Article VI hereof for the payment of the Debt Service Requirements of any Bonds shall be used without requisition, voucher, warrant, further order or authority (other than as contained herein), or any other preliminaries, to pay promptly the Debt Service Requirements of any Bonds payable from such fund or account as such amounts are due, except to the extent any other moneys are available therefor.

ARTICLE VIII

SECURITIES LIENS AND ADDITIONAL SECURITIES

Section 801. Lien. The Bonds shall constitute an irrevocable lien (but not necessarily an exclusive lien) upon the Net Pledged Revenues on a parity with the lien of the Net Pledged Revenues of the Parity Bonds and superior to the lien on the Net Pledged Revenues of the Subordinate Obligations.

Section 802. Equality of Bonds. The Bonds and any Parity Bonds from time to time Outstanding are equitably and ratably secured by a lien on the Net Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Net Pledged Revenues regardless of the time or times of the issuance of the Bonds and any other such Parity

Bonds, it being the intention of the Board that there shall be no priority among the Bonds and any such Parity Bonds regardless of the fact that they may be actually issued and delivered at different times, except that (a) moneys in the Project Fund, the Bond Fund and the Reserve Fund, if any, shall secure only the Bonds and the moneys in any project fund, bond fund, reserve fund or similar funds established for other Parity Bonds shall secure only such Parity Bonds; and (b) other Parity Bonds may have a lien on Net Pledged Revenues on a parity with the lien thereon of the Bonds even if no reserve fund is established for such Parity Bonds or a reserve fund is established but with a different requirement as to the amount of moneys (or the value of a reserve fund insurance policy with respect to such Parity Bonds) required to be on deposit therein or the manner in which such reserve fund is funded or the period of time over which such reserve fund is funded.

Section 803. Issuance of Parity Bonds. The Enterprise and the City shall be authorized to issue Parity Bonds provided that the following conditions are satisfied:

A. Current on Payments; No Event of Default. The Enterprise is current in all payments required to have been accumulated in the Bond Fund and the Reserve Fund as required herein and in any Parity Bond Ordinances, and no Event of Default has occurred and is continuing hereunder.

B. Historic Earnings Test. The Net Pledged Revenues for any 12 consecutive months out of the 18 months preceding the month in which such proposed Parity Bonds are to be issued are at least equal to the sum of 125% of the Combined Maximum Annual Debt Service Requirements of the Outstanding Bonds, all Outstanding Parity Bonds and such additional Parity Bonds proposed to be issued.

C. Adjustment of Gross Pledged Revenues. In any computation under paragraph B of this Section, the amount of the Gross Pledged Revenues for the applicable period shall be decreased and may be increased by the amount of loss or gain conservatively estimated by an Independent Accountant, Independent Engineer or the Treasurer, as the case may be, which results from any changes, which became effective not less than 60 days prior to the last day of the period for which Gross Pledged Revenues are determined, in any schedule of fees, rates and other charges constituting Gross Pledged Revenues based on the number of users during the applicable period as if such modified schedule of fees, rates and other charges shall have been in effect during such entire time period. However, the Gross Pledged Revenues need not be decreased by the amount of any such estimated loss to the extent the Independent Accountant, the Independent Engineer or the Treasurer estimates the loss is temporary in nature or will be offset within a reasonable temporary period by an increase in revenues or a reduction in Operation and Maintenance Expenses not otherwise included in the calculations under this Section, and estimates any loss under this sentence will not at any time materially and adversely affect the Enterprise's apparent ability to comply with the rate maintenance covenant stated in Section 921 hereof without modification because of any restrictive legislation, regulation or other action under the police power exercised by any governmental body.

D. Reduction of Annual Requirements. The respective annual Debt Service Requirements (including as such the required amount of any prior redemption premiums due on any Redemption Date) shall be reduced to the extent such Debt Service Requirements are scheduled to be paid in each of the respective Fiscal Years with moneys held in trust or in escrow for that purpose by any Trust Bank, including the known minimum yield from any investment in Federal Securities and any bank deposits, including any certificate of deposit.

E. Consideration of Additional Expenses. In determining whether or not additional Parity Bonds may be issued as aforesaid, consideration shall be given to any probable increase (but not reduction) in the Operation and Maintenance Expenses of the System as estimated by the Treasurer that will result from the expenditure of the funds proposed to be derived from the issuance and sale of the additional securities; but the Treasurer may reduce any such increase in Operation and Maintenance Expenses by the amount of any increase in revenues or any reduction in Operation and Maintenance Expenses resulting from the Capital Improvements to which such expenditure relates and not otherwise included in the calculations under this Section, if the Treasurer also opines that any such increase in revenues or reduction in any increase in Operation and Maintenance Expenses will not materially and adversely affect the Enterprise's apparent ability to comply with the rate maintenance covenant stated in Section 921 hereof without modification because of any restrictive legislation, regulation or other action under the police power exercised by any governmental body.

F. Refunding of Parity Bonds. In the case of additional Parity Bonds issued for the purpose of refunding less than all of the Bonds and other Parity Bonds then Outstanding, compliance with Sections 803.B., 803.C., 803.D. and 803.E. shall not be required (unless by the provisions of any Parity Bond Ordinances authorizing the issuance of other Outstanding Parity Bonds) so long as the Debt Service Requirements on all Bonds and other Parity Bonds Outstanding after the issuance of such additional Parity Bonds in each Bond Year does not exceed the Debt Service Requirements on all Bonds and other Parity Bonds Outstanding prior to the issuance of such additional Parity Bonds in each Bond Year.

Section 804. Certification of Revenues. A written certificate or written opinion by the Treasurer under Section 803.B. that such annual revenues, when adjusted as hereinabove provided in paragraphs C, D, and E of Section 803 hereof, are sufficient to pay such amounts, as provided in paragraph B of Section 803 hereof, shall be conclusively presumed to be accurate in determining the right of the Enterprise to authorize, issue, sell and deliver additional securities on a parity with the Bonds.

Section 805. Subordinate Securities Permitted. Nothing herein prevents the Enterprise from issuing additional Securities payable from all or a portion of the Net Pledged Revenues and having a lien thereon subordinate, inferior and junior to the lien thereon of the Bonds.

Section 806. Superior Securities Prohibited. Nothing herein permits the Enterprise or the City to issue additional Securities payable from all or a portion of the Net Pledged Revenues and having a lien thereon prior and superior to the lien thereon of the Bonds.

ARTICLE IX

PROTECTIVE COVENANTS

Section 901. General. The Enterprise hereby covenants and agrees with the Owners of the Bonds from time to time, and makes provisions which shall be a part of its contract with such Owners, which covenants and provisions shall be kept by the Enterprise or the City continuously until all of the Bonds have been fully paid or discharged.

Section 902. Performance of Duties. The City, acting by and through its officers or otherwise, shall faithfully and punctually perform, or cause to be performed, all duties with respect to the Gross Pledged Revenues and the System required by the Constitution and laws of the State, the Charter, the City Code and the various ordinances of the City and the Enterprise, including, without limitation, the making and collection of reasonable and sufficient fees, rates and other charges for services rendered or furnished by or from the use of the System, as herein provided, and the proper segregation of the proceeds of the Bonds and of any securities hereafter authorized and the Gross Pledged Revenues and their application from time to time to the respective accounts provided therefor.

Section 903. Contractual Obligations. The Enterprise or the City shall perform all contractual obligations undertaken by it under any agreements relating to the Bonds, the Gross Pledged Revenues, the Project, or the System, or any combination thereof.

Section 904. Further Assurances. At any and all times the Enterprise or the City shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, deliver and file or record all and every such further instruments, acts, deeds, conveyances, assignments, transfers, other documents and assurances as may be reasonably necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, the Net Pledged Revenues and other moneys and accounts hereby pledged or assigned, or intended to be so pledged or assigned, or which the Enterprise or the City may hereafter become bound to pledge or to assign, or as may be reasonable and required to carry out the purposes of this Ordinance and to comply with any instrument of the Enterprise or the City amendatory thereof, or supplemental thereto. The Enterprise and the City, acting by and through its respective officers, or otherwise, shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Net Pledged Revenues and other moneys and accounts pledged hereunder and all the rights of every Owner of any Bond hereunder against all claims and demands of all Persons whomsoever.

Section 905. Conditions Precedent. Upon the date of issuance of the Bonds, all conditions, acts and things required by the Federal or State Constitution, the Charter, the City Code, the Supplemental Act, this Ordinance, or any other applicable law to exist, to have happened

and to have been performed precedent to or in the issuance of the Bonds shall exist, have happened, and have been performed; and the Bonds, together with all other obligations of the Enterprise or the City, shall not contravene any debt or other limitation prescribed by the State Constitution.

Section 906. Efficient Operation and Maintenance. The City shall at all times operate the System properly and in a sound and economical manner; and the City shall maintain, preserve and keep the same properly or cause the same to be so maintained, preserved and kept, with the appurtenances and every part and parcel thereof in good repair, working order and condition, and shall from time to time make or cause to be made all necessary and proper repairs, replacements and renewals so that at all times the operation of the System may be properly and advantageously conducted. All salaries, fees, wages and other compensation paid by the City in connection with the maintenance, repair and operation of the System shall be fair and reasonable.

Section 907. Rules, Regulations and Other Details. The City, acting by and through its officers, shall establish and enforce reasonable rules and regulations governing the operation, use and services of the System. The Enterprise or the City shall observe and perform all of the terms and conditions contained in this Ordinance, and shall comply with all valid acts, rules, regulations, orders and directions of any legislative, executive, administrative or judicial body applicable to the System, the Enterprise or the City, except for any period during which the same are being contested in good faith by proper legal proceedings.

Section 908. Payment of Governmental Charges. The Enterprise or the City shall pay or cause to be paid all taxes and assessments or other governmental charges, if any, lawfully levied or assessed upon or in respect of the System, or upon any part thereof, or upon any portion of the Gross Pledged Revenues, when the same shall become due, and shall duly observe and comply with all valid requirements of any governmental authority relative to the System or any part thereof, except for any period during which the same are being contested in good faith by proper legal proceedings. Neither the Enterprise nor the City shall create or suffer to be created any lien upon the System, or any part thereof, or upon the Gross Pledged Revenues, except the pledge and lien created by this Ordinance for the payment of the Debt Service Requirements of the Bonds and except as herein otherwise permitted. The Enterprise or the City shall pay or cause to be discharged or shall make adequate provision to satisfy and to discharge, within 60 days after the same shall become payable, all lawful claims and demands for labor, materials, supplies or other objects which, if unpaid, might by law become a lien upon the System, or any part thereof, or the Gross Pledged Revenues; but nothing herein requires the Enterprise or the City to pay or cause to be discharged or to make provision for any such tax, assessment, lien or charge, so long as the validity thereof is contested in good faith and by appropriate legal proceedings.

Section 909. Protection of Security. The Enterprise and the City and their officers, agents and employees shall not take any action in such manner or to such extent as might materially prejudice the security for the payment of the Debt Service Requirements of the Bonds, the Parity Bonds, and any other securities payable from the Net Pledged Revenues according to the terms thereof. No contract shall be entered into nor any other action taken by which the rights of any Owner of any Bond or other security payable from Net Pledged Revenues might be

prejudicially and materially impaired or diminished, provided that nothing herein shall prevent the City from granting any franchise or license to any provider of Telecommunication Facilities and Services.

Section 910. Prompt Payment of Bonds. The Enterprise shall promptly pay the Debt Service Requirements of the Bonds at the places, on the dates and in the manner specified herein, in the Sale Certificate and in the Bonds according to the true intent and meaning hereof.

Section 911. Use of Funds and Accounts. The funds and accounts described herein shall be used solely and only for the purposes described herein.

Section 912. Other Liens. Other than as provided herein, there are no liens or encumbrances of any nature whatsoever on or against the System, or any part thereof, or on or against the Net Pledged Revenues on a parity with or superior to the lien thereon of the Bonds.

Section 913. Corporate Existence. The City shall maintain its corporate identity and existence so long as any of the Bonds remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities, duties and immunities of the City and is obligated by law to operate and maintain the System and to fix and collect the Gross Pledged Revenues as herein provided without adversely and materially affecting at any time the privileges and rights of any Owner of any Outstanding Bond.

Section 914. Disposal of System Prohibited. Except for the use of the System and services pertaining thereto in the normal course of business, or as provided in Section 915 hereof, neither all nor a substantial part of the System shall be sold, leased, mortgaged, pledged, encumbered, alienated or otherwise disposed of, until all the Bonds have been paid in full, as to all Debt Service Requirements, or unless provision has been made therefor, or until the Bonds have otherwise been redeemed, including, without limitation, the termination of the pledge as herein authorized; and the City shall not dispose of its title to the System or to any useful part thereof, including any property necessary to the operation and use of the System and the lands and interests in lands comprising the sites of the System.

Section 915. Disposal or Leasing of Unnecessary Property. The City at any time and from time to time may sell, exchange, lease or otherwise dispose of any property constituting a part of the System that is (i) not useful in the construction, reconstruction or operation thereof, or (ii) which shall have ceased to be necessary for the efficient operation of the System, or (iii) which shall have been replaced by other property of at least equal value, or (iv) which is not currently being utilized by the City, including without limitation, the leasing of dark fibers of the System. Any proceeds of any such sale, exchange, lease or other disposition received that is not used to replace such property so sold, exchanged, leased or otherwise disposed of, shall be deposited by the City in the Light and Power Fund or into a special book account for the betterment, enlargement, extension, other improvement and equipment of the System, or any combination thereof, as the City may determine; provided that any proceeds of any such lease of the System shall be deposited by the City as Gross Pledged Revenues in the Light and Power Fund.

Section 916. Competing System. Nothing herein shall prevent the City from granting any franchise or license to any provider of Telecommunication Facilities and Services.

Section 917. Loss From Condemnation. If any part of the System is taken by the exercise of the power of eminent domain, the amount of any award received by the City as a result of such taking shall be paid into the Light and Power Fund or into a capital improvement account pertaining to the System for the purposes thereof, or, applied to the redemption of the Outstanding Bonds and any Outstanding Parity Bonds relating thereto, all as the City may determine.

Section 918. Employment of Managers and Engineers. If the Enterprise defaults in paying the Debt Service Requirements of the Bonds, the Parity Bonds, or any other securities payable from the Net Pledged Revenues promptly as the same become due, or an Event of Default has occurred and is continuing, or if the Net Pledged Revenues in any Fiscal Year fail to equal at least the amount of the Debt Service Requirements of the Outstanding Bonds, Parity Bonds, and any other securities (including all reserves therefor specified in the authorizing proceedings, including, without limitation, this Ordinance) payable from the Net Pledged Revenues in that Fiscal Year, the Enterprise or the City shall retain a firm of competent managers and engineers skilled in the operation of such facilities to assist the management of the System so long as such default continues or so long as the Net Pledged Revenues are less than the amount hereinabove designated in this Section.

Section 919. Budgets. The Council and officials of the City shall biennially and at such other times as may be provided by law prepare and adopt a budget pertaining to the System.

Section 920. Reasonable and Adequate Charges. While the Bonds remain Outstanding and unpaid, the fees, rates and other charges due to the City for the use of or otherwise pertaining to and services rendered by the System to the City, to its inhabitants and to all other users within and without the boundaries of the City shall be reasonable and just, taking into account and consideration public interests and needs, the cost and value of the System, the Operation and Maintenance Expenses thereof, and the amounts necessary to meet the Debt Service Requirements of all Bonds, the Parity Bonds, and any other securities payable from the Net Pledged Revenues, including, without limitation, reserves and any replacement accounts therefor.

Section 921. Adequacy and Applicability of Charges. There shall be charged against users of service pertaining to and users of the System, except as provided by Section 922 hereof, such fees, rates and other charges so that the Gross Pledged Revenues shall be adequate to meet the requirements of this and the preceding Sections hereof. Such charges pertaining to the System shall be at least sufficient so that the Gross Pledged Revenues annually are sufficient to pay in each Fiscal Year:

A. **Operation and Maintenance Expenses.** An amount equal to the annual Operation and Maintenance Expenses for such Fiscal Year that are payable from the Gross Pledged Revenues,

B. Principal and Interest. An amount equal to 125% of the Debt Service Requirements on the Bonds and any Parity Bonds then Outstanding payable from the Net Pledged Revenues in that Fiscal Year (excluding the reserves therefor), and

C. Deficiencies. All sums, if any, due and owing to meet then existing deficiencies pertaining to any fund or account relating to the Gross Pledged Revenues or any securities payable therefrom.

Section 922. Limitations Upon Free Service. No free service or facilities shall be furnished by the System, except that the City shall not be required to pay for any use by the City of any facilities of the System, including Telecommunication Facilities and Services, for municipal purposes. If the City chooses, in its sole discretion, to pay for its use of the System, all the income so derived from the City shall be deemed to be income derived from the operation of the System, to be used and to be accounted for in the same manner as any other income derived from the operation of the System.

Section 923. Collection of Charges. The City shall cause all fees, rates and other charges pertaining to the System to be collected as soon as is reasonable, shall reasonably prescribe and enforce rules and regulations or impose contractual obligations for the payment of such charges, and for the use of the System, and shall provide methods of collection and penalties, to the end that the Gross Pledged Revenues shall be adequate to meet the requirements of this Ordinance and any other ordinance supplemental thereto.

Section 924. Procedure for Collecting Charges. All bills for services or facilities furnished or served by or through the System shall be rendered to customers on a regularly established basis. The fees, rates and other charges due shall be collected in a lawful manner, including, without limitation, discontinuance of service.

Section 925. Maintenance of Records. So long as any of the Bonds and any Parity Bonds payable from the Gross Pledged Revenues remain Outstanding, proper books of record and account shall be kept by the City and the Enterprise, separate and apart from all other records and accounts.

Section 926. Audits Required. The City, annually following the close of each Fiscal Year, shall order an audit for the Fiscal Year of the books and accounts pertaining to the System to be made forthwith by an Independent Accountant and order an audit report showing the receipts and disbursements for each fund or account pertaining to the System and the Gross Pledged Revenues. All expenses incurred in the making of the audits and reports required by this subsection may be regarded and paid as Operating Expense.

Section 927. Accounting Principles. System records and accounts, and audits thereof, shall be currently kept and made, as nearly as practicable, in accordance with the then generally accepted accounting principles, methods and terminology followed and construed for utility operations comparable to the System, except as may be otherwise provided herein or

required by applicable law or regulation or by contractual obligation existing on the effective date of this Ordinance.

Section 928. Insurance and Reconstruction. Except to the extent of any self-insurance, the City shall at all times maintain with responsible insurers fire and extended coverage insurance, worker’s compensation insurance, public liability insurance and all such other insurance as is customarily maintained with respect to utilities of like character against loss of or damage to the System and against loss of revenues and against public and other liability to the extent reasonably necessary to protect the interests of the City, the Enterprise and of each Owner of a Bond. If any useful part of the System shall be damaged or destroyed, the City shall, as expeditiously as may be possible, commence and diligently proceed with the repair or replacement of the damaged property so as to restore the same to use. The proceeds of any such insurance shall be payable to the City and (except for proceeds of any use and occupancy insurance) shall be applied to the necessary costs involved in such repair and replacement and to the extent not so applied shall (together with the proceeds of any such use and occupancy insurance) be deposited in the Light and Power Fund by the City as revenues derived from the operation of the System. If the costs of such repair and replacement of the damaged property exceed the proceeds of such insurance available for the payment of the same, moneys in the Light and Power Fund shall be used to the extent necessary for such purposes, as permitted by Section 610 hereof.

Section 929. Tax Covenant. The City and the Enterprise covenant for the benefit of the Owners of the Bonds that it will not take any action or omit to take any action with respect to the Bonds, the proceeds thereof, any other funds of the City or the Enterprise or any facilities financed or refinanced with the proceeds of the Bonds if such action or omission (i) would cause the interest on the Bonds to lose its excludability from gross income for federal income tax purposes under Section 103 of the Tax Code, (ii) would cause interest on the Bonds to become a specific preference item for purposes of federal alternative minimum tax under the Tax Code, except as such interest is taken into account in determining the annual adjusted financial statement income of applicable corporations (as defined in Section 59(k) of the Tax Code) for the purpose of computing the alternative minimum tax imposed on corporations, or (iii) would cause interest on the Bonds to lose its exclusion from Colorado taxable income or Colorado alternative minimum taxable income under present State law.

In furtherance of this covenant, the City and the Enterprise agree to comply with the procedures set forth in the Tax Compliance Certificate with respect to the Bonds.

The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the Bonds until the date on which all obligations of the City and the Enterprise in fulfilling the above covenant under the Tax Code and Colorado law have been met. Notwithstanding any provision of this Section, if the City or the Enterprise shall obtain an opinion of nationally recognized bond counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the tax-exempt status of interest on the Bonds, the City or the Enterprise, as the case may be, may conclusively

rely on such opinion in complying with the requirements of this Section, and the covenants hereunder shall be deemed to be modified to that extent.

Section 930. Continuing Disclosure. The Enterprise shall comply with the provisions of the Continuing Disclosure Certificate. Any failure by the Enterprise to perform in accordance with this Section shall not constitute an Event of Default under this Ordinance, and the rights and remedies provided by this Ordinance upon the occurrence of an Event of Default shall not apply to any such failure. The Paying Agent shall not have any power or duty to enforce this Section. No Owner of a Bond shall be entitled to damages for the Enterprise’s non-compliance with its obligations under this Section.

ARTICLE X

PRIVILEGES, RIGHTS AND REMEDIES

Section 1001. Owners’ Remedies. Each Owner of any Bond shall be entitled to all of the privileges, rights and remedies provided or permitted in this Ordinance, and as otherwise provided or permitted by law or in equity or by any statutes, except as provided in Sections 202 through 206 hereof, but subject to the provisions herein concerning the pledge of and the covenants and the other contractual provisions concerning the Gross Pledged Revenues and the proceeds of the Bonds.

Section 1002. Right to Enforce Payment. Nothing in this Article affects or impairs the right of any Owner of any Bond to enforce the payment of the Debt Service Requirements due in connection with such Person’s Bond or the obligation of the Enterprise to pay the Debt Service Requirements of each Bond to the Owner thereof at the time and the place expressed in the Bond.

Section 1003. Events of Default. Each of the following events is hereby declared an “Event of Default:”

A. **Nonpayment of Principal.** Payment of the principal of any of the Bonds is not made when the same becomes due and payable, either at maturity or by proceedings for prior redemption, or otherwise;

B. **Nonpayment of Interest.** Payment of any installment of interest on any of the Bonds is not made when the same becomes due and payable;

C. **Cross Defaults.** The occurrence and continuance of an “event of default,” as defined in any Parity Bond Ordinance;

D. **Failure to Reconstruct.** The Enterprise unreasonably delays or fails to carry out with reasonable dispatch the reconstruction of any part of the System which is destroyed or damaged and is not promptly repaired or replaced (whether such failure promptly to repair the same is due to impracticability of such repair or replacement or is due to a lack of moneys therefor

or for any other reason), but it shall not be an Event of Default if such reconstruction is not essential to the efficient operation of the System;

E. Appointment of Receiver. An order or decree is entered by a court of competent jurisdiction with the consent or acquiescence of the City appointing a receiver or receivers for the System or for the Gross Pledged Revenues and any other moneys subject to the lien to secure the payment of the Bonds, or if an order or decree having been entered without the consent or acquiescence of the City is not vacated or discharged or stayed on appeal within 60 days after entry; and

F. Default of Any Other Provision. The City or the Enterprise defaults in the due and punctual performance of any other of the representations, covenants, conditions, agreements and other provisions contained in the Bonds or in this Ordinance on its part to be performed (other than Section 930 hereof), and such default continues for 60 days after written notice specifying such default and requiring the same to be remedied is given to the City and Enterprise specifying the failure and requiring that it be remedied, which notice may be given by the Paying Agent in its reasonable discretion and shall be given by the Paying Agent at the written request of the Owners of not less than 25% in aggregate principal amount of Bonds then Outstanding. The Paying Agent shall not be required to take notice or be deemed to have notice of any such defaults under the Bonds or this Ordinance, except for defaults arising from failure to make any required payments to the Paying Agent or defaults of which the Paying Agent has actual knowledge, unless the Paying Agent is specifically notified in writing of such default by the City, Enterprise, or the Owners of 25% in aggregate principal amount of the Bonds then Outstanding. Except as otherwise expressly provided herein, the Paying Agent shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of a default thereunder.

Section 1004. Remedies for Defaults. Upon the happening and continuance of any Event of Default, the Owner or Owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding, including, without limitation, a trustee or trustees therefor, may proceed against the City and the Enterprise and its agents, officers and employees to protect and to enforce the rights of any Owner of Bonds under this Ordinance by mandamus or by other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained herein or in an award of execution of any power herein granted for the enforcement of any proper legal or equitable remedy as such Owner or Owners may deem most effectual to protect and to enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of any Owner of any Bond, or to require the City or the Enterprise to act as if it were the trustee of an expressed trust, or any combination of such remedies. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Owners of the Bonds. Neither the Enterprise nor the City shall be liable for incidental, punitive, exemplary or consequential damages, or for lost profits, whether direct or indirect. Acceleration shall not be a remedy upon the happening or continuance of any Event of Default. Notwithstanding

the foregoing provisions of this Section, nothing in this Ordinance shall act as or be deemed to be a waiver by the Enterprise or the City of the Colorado Governmental Immunity Act, Title 24, Article 10, C.R.S., as now or hereafter amended.

Section 1005. Receiver's Rights and Privileges. Any receiver appointed in any proceedings to protect the rights of such Owners hereunder, the consent to any such appointment being hereby expressly granted by the City and the Enterprise, may enter and may take possession of the System, may operate and maintain the same, may prescribe fees, rates and other charges, and may collect, receive and apply all Gross Pledged Revenues arising after the appointment of such receiver in the same manner as the City itself might do.

Section 1006. Rights and Privileges Cumulative. The failure of any Owner of any Outstanding Bond to proceed in any manner herein provided shall not relieve the Enterprise, or any of its officers, agents or employees of any liability for failure to perform or carry out any duty, obligation or other commitment. Each right or privilege of any such Owner (or trustee thereof) is in addition and is cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any Owner shall not be deemed a waiver of any other right or privilege thereof.

Section 1007. Duties upon Defaults. Upon the happening of any Event of Default, the Enterprise and the City shall do and perform all proper acts on behalf of and for the Owners of Bonds to protect and to preserve the security created for the payment of the Bonds and to ensure the payment of the Debt Service Requirements promptly as the same become due. While any Event of Default exists, except to the extent it may be unlawful to do so, all Gross Pledged Revenues shall be paid into the Bond Fund and into bond or similar funds established for any Parity Bonds then Outstanding, pro rata based upon the aggregate principal amount of the Bonds and Parity Bonds then Outstanding. If the Enterprise or the City fails or refuses to proceed as in this Section provided, the Owner or Owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding, after demand in writing, may proceed to protect and to enforce the rights of the Owners of the Bonds as hereinabove provided, and to that end any such Owners of the Outstanding Bonds shall be subrogated to all rights of the Enterprise and the City under any agreement, lease or other contract involving the System or the Gross Pledged Revenues entered into prior to the effective date of this Ordinance or thereafter while any of the Bonds are Outstanding.

ARTICLE XI

AMENDMENT OF ORDINANCE

Section 1101. Amendment of Ordinance Not Requiring Consent of Bond Owners. The Enterprise may, without the consent of or notice to the Owners of the Bonds, adopt such ordinances supplemental hereto (which amendments shall thereafter form a part hereof) for any one or more or all of the following purposes:

- A. to add to the covenants and agreements of the Enterprise or the City in this Ordinance contained other covenants and agreements thereafter to be observed;
- B. to subject to the covenants and agreements of the Enterprise and the City in this Ordinance additional System revenues, to be defined and treated as Gross Pledged Revenues, for the purpose of providing additional security for the Bonds and any Parity Bonds;
- C. in connection with the provision of a Reserve Fund Insurance Policy subsequent to the issuance of the Bonds;
- D. to provide for the appointment of a new Paying Agent;
- E. to make such provisions for the purpose of curing any ambiguity or of curing or correcting any formal defect or omission in this Ordinance, or in regard to questions arising under this Ordinance, as the Enterprise may deem necessary or desirable, and which shall not materially adversely affect the interests of the Owners of the Bonds;
- F. in order to preserve or protect the excludability from gross income for federal income tax purposes of the interest allocable to the Bonds;
- G. To designate a trustee for the owners of the Bonds, to transfer custody and control of the Gross Pledged Revenues to such trustee, and to provide for the rights and obligations of such trustee;
- H. To cause this ordinance to comply with the Trust Indenture Act of 1939, as amended from time to time; or
- I. To effect any such other changes hereto which do not materially adversely affect the interests of the Owners of the Bonds.

Section 1102. Amendment of Ordinance Requiring Consent of Bond Owners. Exclusive of the amendatory ordinances covered by Section 1101 hereof, this Ordinance may be amended or modified by ordinances or other instruments duly adopted by the Enterprise, without receipt by it or any additional consideration, but with the written consent of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding at the time of the

adoption of such amendatory ordinance, provided that no such amendatory ordinance shall permit:

- A. Changing Payment. A change in the maturity or in the terms of redemption of the principal of any Outstanding Bond or any interest thereon without the consent of the Owner of each Bond adversely affected thereby; or
- B. Reducing Return. A reduction in the principal amount of any Bond or the rate of interest thereon without the consent of the Owner of each Bond adversely affected thereby; or
- C. Prior Lien. The creation of a lien upon or a pledge of revenues ranking prior to the lien or to the pledge created by this Ordinance, except as otherwise permitted by this Ordinance, without the consent of the Owners of all Bonds Outstanding; or
- D. Modifying Amendment Terms. A reduction of the principal amount or percentages of Bonds, or any modification otherwise affecting the description of Bonds, otherwise changing the consent of the Owners of Bonds, which may be required herein for any amendment hereto, without the consent of the Owners of all Bonds Outstanding; or
- E. Priorities Among Bonds or Parity Bonds. The establishment of priorities as among Bonds issued and Outstanding under the provisions of this Ordinance or as among the Bonds and other Parity Bonds, without the consent of the Owners of all Bonds Outstanding; or
- F. Partial Modification. Any modifications otherwise materially and prejudicially affecting the rights or privileges of the Owners of less than all of the Bonds then Outstanding, without the consent of the Owners of all Bonds Outstanding.

Whenever the Board proposes to amend or modify this Ordinance under the provisions of this Section 1102, it shall cause notice of the proposed amendment to be mailed to the Owners of all Outstanding Bonds at their addresses as the same last appear on the registration records maintained by the Paying Agent. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory Ordinance is on file with the Secretary for public inspection.

Section 1103. Time for and Consent to Amendment. Whenever at any time within one year from the date of the completion of the notice required to be given by Section 1102 hereof there shall be filed in the office of the Secretary an instrument or instruments executed by the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed amendatory ordinance or other instrument described in such notice and shall specifically consent to and approve the adoption of such ordinance or other instrument, thereupon, but not otherwise, the Board may adopt such amendatory

ordinance or instrument and such ordinance or instrument shall become effective. If the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, at the time of the adoption of such amendatory ordinance or instrument, or the predecessors in title of such Owners, shall have consented to and approved the adoption thereof as herein provided, no Owner of any Bond whether or not such Owner shall have consented to or shall have revoked any consent as herein provided shall have any right or interest to object to the adoption of such amendatory ordinance or other instrument or to object to any of the terms or provisions therein contained or to the operation thereof or to enjoin or restrain the City from taking any action pursuant to the provisions thereof. Any consent given by the Owner of a Bond pursuant to the provisions thereof shall be irrevocable for a period of six months from the date of the completion of the notice above provided for and shall be conclusive and binding upon all future Owners of the same Bond during such period. Such consent may be revoked at any time after six months from the completion of such notice, by the Owner who gave such consent or by a successor in title, by filing notice of such revocation with the Secretary, but such revocation shall not be effective if the Owners of a majority in aggregate principal amount of the Bonds Outstanding as herein provided, prior to the attempted revocation, shall have consented to and approved the amendatory instrument referred to in such revocation.

Section 1104. Unanimous Consent. Notwithstanding anything in the foregoing provisions contained, the terms and the provisions of this Ordinance, or of any ordinance or instrument amendatory thereof, and the rights and the obligations of the City, the Enterprise and the Owners of the Bonds may be modified or amended in any respect upon the adoption by the Council and upon the filing with the Secretary of an instrument to that effect and with the consent of the Owners of all the then Outstanding Bonds, such consent to be given in the manner provided herein Section 1103 hereof; and no notice to Owners of Bonds shall be required as provided in Section 1102 hereof, nor shall the time of consent be limited except as may be provided in such consent.

Section 1105. Exclusion of Bonds. At the time of any consent or of other action taken hereunder the Enterprise shall furnish to the Secretary a certificate, upon which the Secretary may rely, describing all Bonds to be excluded for the purpose of consent or of other action or any calculation of Outstanding Bonds provided for hereunder, and, with respect to such excluded Bonds, the Enterprise shall not be entitled or required with respect to such Bonds to give or obtain any consent or to take any other action provided for hereunder.

Section 1106. Notation on Bonds. Any of the Bonds delivered after the effective date of any action taken as provided in Section 1102, or Bonds Outstanding at the effective date of such action, may bear a notation thereon by endorsement or otherwise in form approved by the Board as to such action; and if any such Bonds so executed and delivered after such date does not bear such notation, then upon demand of the Owner of any Bond Outstanding at such effective date and upon presentation of his Bond for such purpose at the principal office of the City, suitable notation shall be made on such Bond by the Secretary as to any such action. If the Board so determines, new Bonds so modified as in the opinion of the Board to conform to such action shall be prepared, executed and delivered; and upon demand of the Owner of any Bond then

Outstanding, shall be exchanged without cost to such Owner for Bonds then Outstanding upon surrender of such Outstanding Bonds.

Section 1107. Proof of Instruments and Bonds. The fact and date of execution of any instrument under the provisions of this Article, the amount and number of the Bonds held by any Person executing such instrument, and the date of such Person's holding the same may be proved as provided by Section 1302 hereof.

Section 1108. Copies of Supplemental Ordinances to Rating Agencies. Copies of any supplemental or amendatory ordinance shall be sent by the Enterprise to the Rating Agencies then maintaining a rating on the Bonds at least 10 days prior to the effective date thereof.

ARTICLE XII

DEFEASANCE

Section 1201. Defeasance. When all Debt Service Requirements of the Bonds have been duly paid, the pledge and lien and all obligations hereunder shall thereby be discharged and the Bonds shall no longer be deemed to be Outstanding within the meaning of this Ordinance. There shall be deemed to be such due payment when the Enterprise or the City has placed in escrow or in trust with a Trust Bank, located within or without the State, moneys or Federal Securities, or both, in an amount sufficient (including the known minimum yield available for such purpose from Federal Securities in which such amount wholly or in part may be initially invested) to pay all Debt Service Requirements of the Bonds as the same become due. The Federal Securities shall become due prior to the respective times at which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the Enterprise or the City and such bank at the time of the creation of the escrow or trust, or the Federal Securities shall be subject to redemption at the option of the Owner thereof to assure such availability as so needed to meet such schedule. Nothing herein shall be construed to prohibit a partial defeasance of the Outstanding Bonds in accordance with the provisions of this Section 1201.

The release of the obligations of the Enterprise under this Section shall be without prejudice to the right of the Paying Agent to be paid reasonable compensation for all services rendered by it hereunder and all its reasonable expenses, charges and other disbursements incurred on or about the administration of and performance of its powers and duties hereunder.

Upon compliance with the foregoing provisions of this Section with respect to all Bonds then Outstanding, this Ordinance may be discharged in accordance with the provisions of this Section but the liability of the Enterprise in respect of the Bonds shall continue; provided that the Owners thereof shall thereafter be entitled to payment only out of the moneys or Federal Securities deposited with the Trust Bank as provided in this Section.

ARTICLE XIII

MISCELLANEOUS

Section 1301. Provisions Relating to Bond Insurance. If the Sale Certificate provides that the Bonds will be insured by a Bond Insurance Policy, the following provisions shall apply notwithstanding anything to the contrary in this Ordinance:

A. Except as provided in Section 1102, the Bond Insurer is hereby deemed to be the sole holder of the Bonds insured by it for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the holders of the Bonds insured by it are entitled to take pertaining to defaults and remedies.

B. Upon a payment default with respect to the Bonds, the Bond Insurer shall be entitled to appoint a receiver for the Net Pledged Revenues.

C. The Bond Insurer is hereby deemed to be a third party beneficiary to this Ordinance.

D. The rights of the Bond Insurer to direct or consent to Enterprise or bondholder actions under this Ordinance shall be suspended during any period in which the Bond Insurer is in default in its payment obligations under the Bond Insurance Policy (except to the extent of amounts previously paid by the Bond Insurer and due and owing to the Bond Insurer) and shall be of no force or effect in the event the Bond Insurance Policy is no longer in effect or the Bond Insurer asserts that the Bond Insurance Policy is not in effect or the Bond Insurer shall have provided written notice that it waives such rights.

E. Amounts paid by the Bond Insurer under the Bond Insurance Policy shall not be deemed paid for purposes of this Ordinance and shall remain Outstanding and continue to be due and owing until paid by the Enterprise in accordance with this Ordinance. This Ordinance shall not be discharged unless all amounts due or to become due to the Bond Insurer have been paid in full or duly provided for.

F. The Bond Insurer shall, to the extent it makes any payment of principal of or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Bond Insurance Policy.

Section 1302. Evidence of Bond Owners. Evidence of any request, consent or other instrument which this Ordinance may require or may permit to be signed and to be executed by the Owners of any Bonds may be in one or more instruments of similar tenor and shall be signed or shall be executed by each such Owner in person or by his or her attorney appointed in writing. Proof of the execution of any such instrument or of an instrument appointing any such attorney, or the holding by any Person of the Bonds shall be sufficient for any purpose of this Ordinance (except as otherwise herein expressly provided) if made in the following manner:

A. Proof of Execution. The fact and the date of the execution by any Owner of any Bonds or such Person's attorney of such instrument may be established by a certificate, which need not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the President or Treasurer of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he or she purports to act, that the individual signing such request or other instrument acknowledged to him or her the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer; the authority of the individual or individuals executing any such instrument on behalf of a corporate Owner of any securities may be established without further proof if such instrument is signed by an individual purporting to be the president or vice president of such corporation with a corporate seal affixed and attested by an individual purporting to be its secretary or an assistant secretary; and the authority of any Person or Persons executing any such instrument in any fiduciary or representative capacity may be established without further proof if such instrument is signed by a Person or Persons purporting to act in such fiduciary or representative capacity; and

B. Proof of Holdings. The amount of Bonds held by any Person and the numbers, date and other identification thereof, together with the date of such Person's holding the Bonds, shall be proved by the registration records maintained by the Paying Agent.

Section 1303. Business Days. If the date for making any payment or the last date for performance of any act or the exercising of any rights, as provided in this Ordinance, shall not be a Business Day, such payment may be made or act performed or right exercised on the next succeeding Business Day, with the same force and effect as if done on the nominal date provided in this Ordinance, and no interest shall accrue for the period after such nominal date.

Section 1304. Parties Interested Herein. Nothing herein expressed or implied confers any right, remedy or claim upon any Person, other than the Enterprise, the Board, the City, the Council, the Paying Agent, the Owners of the Bonds and the Owners of any Parity Bonds or other securities payable from the Net Pledged Revenues when reference is expressly made thereto. All the covenants, stipulations, promises and agreements herein contained by and on behalf of the Enterprise and the City shall be for the sole and exclusive benefit of the Enterprise, the Board, the City, the Council, the Paying Agent, the Owners of the Bonds and the Owners of any such other securities in the event of such a reference.

Section 1305. Electronic Signatures; Electronic Transactions. The President, the Secretary, the Treasurer and all other employees and officials of the Enterprise that are authorized or directed to execute any agreement, document, certificate, instrument or other paper in accordance with this Ordinance (collectively, the "Authorized Documents") are hereby authorized to execute Authorized Documents electronically via facsimile or email signature. Any electronic signature so affixed to any Authorized Document shall carry the full legal force and effect of any original, handwritten signature. This provision is made pursuant to Article 71.3 of Title 24, C.R.S., also known as the Uniform Electronic Transactions Act. It is hereby determined that the transactions described herein may be conducted and related documents may be stored by electronic

means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

Section 1306. Repealer. All ordinances, resolutions, bylaws, orders, and other instruments, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any ordinance, resolution, bylaw, order, or other instrument, or part thereof, heretofore repealed.

Section 1307. Severability. If any section, subsection, paragraph, clause or other provision of this Ordinance shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability thereof shall not affect any of the remaining sections, subsections, paragraphs, clauses or provisions of this Ordinance.

SUBJECT

Resolution No. 002 Determining that the Enterprise’s Revenue Bonds, Series 2023, Shall be Sold by Public Sale.

EXECUTIVE SUMMARY

The purpose of this item is to determine the method of sale that will be used for the Electric Utility Enterprise’s Series 2023 Revenue Bonds.

STAFF RECOMMENDATION

Staff recommends adoption of Resolution.

BACKGROUND / DISCUSSION

The Board of the Electric Utility Enterprise has authorized by its Ordinance No. 015 the issuance of its Series 2023 Revenue Bonds. The Ordinance provides how the Board is to decide the method of sale to be used for the Bonds. The Board’s determination is whether the Bonds should be sold at public sale (competitive bid) or by a negotiated sale and is to be determined by a resolution of the Board. This Resolution is the Board’s determination that the sale will occur by public sale. Staff has worked closely with the City’s Municipal Advisor to determine public sale as being the best option for the sale.

CITY FINANCIAL IMPACTS

Staff and the Municipal Advisor believe public sale will result in the best overall deal for the Series 2023 Revenue bonds and generate the lowest interest rate for overall payback.

BOARD / COMMISSION / COMMITTEE RECOMMENDATION
