- 1. First Reading of Ordinance No. 076, Acting as the Ex-Officio Board of Directors of General Improvement District No. 1, Approving the Fiscal Year 2023 Budget, Determining and Fixing the Mill Levy for Fiscal Year 2023, Directing the Secretary of the District to Certify Such Levy to the Board of County Commissioners of Larimer County, and Making the Fiscal Year 2023 Annual Appropriation for General Improvement District No. 1.**

The Ordinance appropriates fund in the amount of \$313,275 from ongoing revenue for the operation of the GID 2023.

Rachel Rogers, Senior Specialist for Economic Sustainability discussed the history and accomplishments of the GID No. 1 including the Oak Street Plaza renovations that will carry over into 2023 and ongoing sidewalk and paver repairs. Also presented was the continued work on the Capital Improvement Plan, sidewalk and curb replacements and forestry and parks improvements in downtown. Rogers indicated the Capital Improvement Plan will be presented to the Board in the Spring.

Being no public comment, President Arndt request Boardmember comment. Boardmember Ohlson requested clarification of the holiday lights cost and the contribution from the Downtown Development Authority. Rogers explained the total cost is \$125,000 with \$90,000 from the GID

and \$35,000 from the Downtown Development Authority (DDA). Josh Birks, Deputy Sustainability Director, further explained that the DDA absorbed a small portion of the Downtown Business Association, specifically marketing costs and not the holiday lighting contribution which is why the Board contribution increased.

Vice-President Francis moved, seconded by Boardmember Canonico, to approve Ordinance No. 076.

The motion carried 6-0.

STAFF RECOMMENDATION

Staff recommends adoption of the Ordinance on Second Reading.

BACKGROUND / DISCUSSION

In the 1970's, Downtown leaders recognized the need to improve the identity and appearance of the main street to enhance the area as a business and commercial area. Adequacy of parking was also recognized as a growing need.

In 1976, property owners in the district petitioned for the formation of a general improvement district. Council then formed General Improvement District No. 1 (GID) as enabled by the City's home rule authority and State law (C.R.S. §31-25-601, et seq.) to fund parking, pedestrian, and street beautification improvements in the Downtown commercial area. The City Council serves as the Governing Board of the GID, as per statute.

The GID is a major factor in the look and feel of Downtown's public spaces today. The concentration of streetscape improvements funded largely from the GID has had a dramatic impact on the appearance and attraction of the downtown area. College Avenue in the downtown area has developed a very special image and visual richness that is highly appreciated by both businesses within the district and visitors.

Staff in several departments collaborate in administering the GID, providing planning, management, financial, engineering, operations, and maintenance services. Key departments are Economic Health Office, Engineering, Parking Services, Parks, and Finance.

The GID’s proposed fiscal year 2023 budget is attached as Exhibit A to the Ordinance.

2023 Annual Fiscal Appropriation

\$90,000	For transfer payment to Parks for downtown Holiday Lighting (in Parks Offer 55.1)
\$75,000	To be used for priority sidewalk and curb replacements in the downtown area.
\$50,000	To be used for work related to Parks and Forestry work in the Downtown area.
\$25,000	To be used for work related to capital improvements and capital maintenance in the Downtown area not included in the priority sidewalk and curb replacements.
\$37,000	For residential property tax rebate program.
\$30,075	For other operating expenses (personnel, utilities, etc.).
\$6,200	For Larimer County Treasurer's fee for collecting the property tax
<hr/>	
\$313,275	TOTAL 2023 Expenses

Priority Sidewalk And Curb Replacements

Engineering, Economic Health and DDA staff will do walk-throughs of the downtown GID throughout the year to identify priority intersections and paver work for the GID during the year with the highest safety risk and greatest need for repair.

Forestry and Parks Improvements

GID will continue to work with Forestry and Parks on priorities in downtown. These include replacement of tree grates, removal and replacement of trees when needed, and the downtown flower and landscape program.

In addition to the above work, the GID team will be working on a financial Capital Investment Plan with the intention of presenting it to the GID Board in the Spring 2023.

Capital Investment Plan

In 2022 the GID staff reached out to GID businesses and property owners with a survey about the future priorities of the GID. In addition, folks were invited to an in-person presentation on September 9, 2022.

Next Steps for the capital investment plan (CIP) include:

- Review information from survey and outreach session and summarize for GID Team.
- Work with City staff to finalize projects for Plan.
- Submit CIP recommendations to GID Board in Spring 2023.
 - Projects and programs to be funded 2024-2028
 - Potential expansion of GID #1 boundaries to include the River District and/or the west side of Jefferson St. from College to Mountain.

CITY FINANCIAL IMPACTS

This Ordinance includes the GID's annual appropriation for 2023 at \$313,275. This item also sets the GID mill levy for 2023 at 4.924 mills for taxes payable in 2023, which will generate approximately \$310,000 for fiscal year 2023. The mill levy remains unchanged from previous years. Additional 2023 revenue includes automobile specific ownership taxes and interest earnings which together are projected to be \$53,504 in fiscal year 2023. As of December 31, 2021, the GID's reserve balance is \$507,963 (2021 Comprehensive Annual Financial Report). The anticipated reserve balance at the end of 2022 is forecast at about \$585,000. The 2023 proposed budget would bring the forecasted reserves at the end of 2023 to about \$635,000. Part of reserve funds will ultimately be used for capital improvement projects to be outlined in the 2024-2028 CIP.

This assistance from the GID ensures that the Fort Collins downtown area continues to be the best it can be, the jewel of the City.

BOARD / COMMISSION / COMMITTEE RECOMMENDATION

None.

PUBLIC OUTREACH

The GID carried out public outreach in 2022 for the GID's Capital Investment Plan through a survey and an in-person event.
