#### A. 7 Frost Avenue - Demolition

I have studied the application and all relevant documents and presentation related to this case, and I am familiar with the property in question. I find that:

The proposed demolition [is/is not] compatible with the neighborhood because there [is/is not] a maintenance of rhythm of building masses to spaces between them along the street.

Based on these findings, I move to [approve/disapprove] the proposal because the demolition of the structure [is/is not] compatible with the neighborhood, pursuant to Section 4.1.J.2.e.
