

THE CITY OF FROSTBURG

Green Team Meeting Minutes

Wednesday, October 30, 2024 at 4:00 PM

Frostburg Municipal Center Meeting Room 100
37 S. Broadway, Frostburg, MD 21532

1. Call to Order

The meeting was called to order at 4:03 PM.

2. Old Business

3. New Business

A. Food Waste Reduction Initiatives

Ardon Hall, owner of the Clean Compost facility that recently opened just outside City limits, was present at the meeting to discuss his operations. There will be additional discussions about food waste reduction initiatives at next month's Green Team meeting.

B. MRHS Green School Slideshow

Gillian Myers, student representation from Mountain Ridge High School's Green Team, presented a slideshow about MRHS's sustainability initiatives as part of their Green School certification.

C. "Listen, Lead, and Share" Forum

Nina Forsythe shared information about the "Listen, Lead, and Share" forum coming up in February. More details will be shared once the program is finalized.

4. Discussion Items

A. November & December Meeting Schedule

Because Bethany will be out of town on the November meeting date, and the December meeting falls on Christmas Day, the group discussed modifying the meeting schedule for the remainder of the year. Bethany will distribute a survey to determine the meeting date.

B. Other Discussion Items from Attendees

1. The Allegany County Master Gardeners will hold their annual Seed Exchange on March 29 from 10 AM-1PM. They asked if the Green Team would be willing to host a garden supply swap during the event, as this was a well-received addition to the 2024 event.

2. The Frostburg Library will host a Puzzle and Games swap on Saturday, January 11. This was the most popular of the "Buy Nothing, Give Freely" offshoot events, and the Library is expecting a large turnout this year.

5. Adjournment
