CITY OF FROSTBURG

Monthly Report: Community Development Department

For the Month of: June 2024

Submitted by: Bethany Fife, Director of Community Development; Jamie Klink, Planner; Mary Gracie, Rental Housing Program Coordinator; Jay Hovatter, Code Enforcement Officer

Permits

Please see attached permit report.

Rental Housing

- First round of Rental Property Inspections sent to property owners.
- RH Coordinator assisted property owners with general zoning inquiries.
- Emailed copies of rental license and receipts for 2024 to property owners.
- Spoke with several tenants due to tenant landlord issues and referred tenants to Tenant/Landlord helpline with successful help for issues for tenants. Also handled issues through emails to tenants and landlords with great success.
- Owner and Agent information was provided to the Frostburg Police Department when requested. Updated spreadsheet sent to both Police Department and Fire Department
- Mailing address updates were made for property owners who needed them.
- Attended Landlord meeting at HRDC in Cumberland with guest from Legal Aid.
- Newly owner-occupied properties have been updated from rental status.
- Continued effort is being made to obtain all delinquent rental registrations and letters sent to owners about being posted in July of properties being uninhabitable.
- New rental property owners were provided RH materials.
- Owner and Agent list was provided to citizens who requested assistance with housing in Frostburg.
- Combined effort for compliance was made with Code Enforcement with non-compliant properties.
- Confirmation of outstanding registration issues were given by RH and CE per our Finance Department's request.
- Updates have been made to systems to reflect property transfers and changes. Pending changes will be updated upon confirmation from Finance.

Code Enforcement

- Detailed code enforcement action reports are attached. Please note that the Phone Call/Emails in the Activity Report reflect calls and emails from complainants, property owners, and/or tenants related to code enforcement matters.

Boards and Commissions

- *Historic District Commission* – The Historic District Commission met on June 10, to review proposals for a fence installation at 46 Depot Road, a roof replacement at 17 Frost Avenue, and a fence installation at 287 E. Main Street. The 46 Depot Road and 17 Frost Avenue proposals were unanimously approved; however, due to the absence of the applicant, the 287 E. Main Street proposal was tabled until the next scheduled meeting. Additionally, staff approvals were discussed for a mortar repair project at 83 E. Main Street and a commercial projection sign at 105 E. Main Street.
- *Planning Commission* – The Frostburg Planning Commission met on June 12, to discuss the potential merging of 25 Centennial Street and 157 First Street across a public right-of-way in order for the owner to construct a garage which would meet zoning requirements. After discussion, the Commissioners felt that the proposal should go before the Board of Zoning Appeals and voted unanimously to give a favorable recommendation to the garage project. Additionally, staff gave an update on MD House Bill 805, which concerns the restrictions on cannabis licensee locations. Staff stated that they are still awaiting guidance from the State regarding the regulations. Related to the MD House Bill 805 discussion, staff presented a GIS map showing the possible locations within the City that a cannabis dispensary could be located. Staff also gave an update on the Comprehensive Plan and also discussed the hiring of a Planning Intern for the summer.
- *Board of Zoning Appeals* – The Board of Zoning Appeals did not meet in June due to a lack of applications received.
- *Green Team* – The Green Team did not meet in June.

Director's Report:

Planning, Economic Development, & Current Projects:

Phase II of development at the Edible Arboretum is underway. Areas have been marked to accommodate a blueberry patch and a “no mow” wildflower meadow, which will be planted later this spring. An outdoor sink and prep table have been delivered, and a small area near the entrance will be graded and graveled to create a more welcoming entryway. These projects are being completed by the Edible Arboretum Steering Committee with assistance from the Parks & Rec Department.

4 additional pet waste stations have been delivered and will be placed around town. One station has been installed at Mount Pleasant Park, and three additional stations are scheduled to be installed near Mountain Ridge High School, near the intersection of Ormand Street and High Street, and on Wood Street.

The final site plan for the O’Reilly Auto Parts retail store was reviewed and approved by the Planning Commission at their August meeting. The building permit has been issued, and construction has begun.

The building permit for a major renovation of the Nickel Building (former location of the Au Petit Paris restaurant) has been released and construction is actively taking place.

The Community Development Director submitted a grant application to the Maryland Department of Housing and Community Development for Strategic Demolition funds. If

awarded, these funds will be used to support demolition of the existing blighted structures on North Water Street, acquisition of the last remaining privately-owned structure on North Water Street, and site work to accommodate future construction of townhomes.

Community Development staff have been collaborating with staff from Allegany County's Economic Development department to create a "redevelopment district," which would incentivize the rehabilitation of major structures in the downtown district and the creation of upper-story housing. Adam Strott submitted an SDF grant application to support this initiative.

On the Radar:

- Subdivision and Land Use Regulations rewrite/update
- Comprehensive Plan & Housing Element – RFP being prepared related to a full rewrite of the 10-year Comprehensive Plan, a document required by state law
- Glendening signage project
- Development of an address assignment policy
