5. PUBLIC PARTICIPATION AND CONSENT AGENDA

This portion of our meeting is set aside for City Council to listen to comments from the public about items not on tonight's agenda, or items that appear on the Consent Agenda. Consent Agenda items are those for which all conditions or requirements have already been met, and they are typically approved with a single motion, without separate discussion.

We welcome and value your input. To help maintain a welcoming, respectful, and productive environment, we ask that there be no clapping, cheering, booing, jeering, or sign-holding. This helps ensure that everyone… regardless of their viewpoint… feels comfortable sharing their thoughts.

Each speaker will have three minutes, and we ask that you begin by giving your name and whether or not you live in the City. If you have any materials you'd like to share with Council, please hand them to our City Clerk, Deb Woods, so that they can be entered into the public record and distributed appropriately.

While Council will not respond during this portion of the meeting, ***please know that we are listening*** *- and we greatly appreciate you taking the time to participate in this important process. All City Council members' contact information is available on the City's website, so if anyone would like to have further discussion, please feel free to reach out to any one of us.*

LEGISLATIVE – Legislative public hearings are held when the City Council is considering an item that establishes legislation such as an ordinance amending or establishing laws of the city.

QUASI-JUDICIAL – Quasi-judicial public hearings are held when the City Council is acting in a judicial or judge like manner and a person with a legitimate interest is entitled to an impartial decision made on the basis of information presented and laws in effect.
