Heather Dunsmore

Vice Chair Jared Waite

Tony Heinlein

STAFF PRESENT

Doug Bergstrom, Zoning Administrator

Kollene Caspers, Zoning Clerk

GUESTS PRESENT

Emily Johnson

2. ADDITIONS, DELETIONS, OR CHANGES TO THE AGENDA

3. DISCUSSION

A. Town Plan Analysis, by Section

- Michael Allen, ReGrowth, is working on the new Town Plan updates and will send prior to the next meeting. He is also looking to schedule a meeting with Northwest Regional Planning to get the needed area data to add to the Town Plan.
- S. Brown provided a Highway & Public Works handout for the Planning Commission. S. Brown made a few edits and updates with the Commission members to submit to ReGrowth.
- J. Waite will get the edits to his latest documents to submit to ReGrowth.

- C. Cross will forward the updates he has made on community resources for ReGrowth.
- H. Dunsmore has sent the updates to her sections to D. Bergstrom, who has forwarded everything to ReGrowth for inclusion in the new Town Plan.
- S. Brown has sent links to documents to add to the Town Plan to ReGrowth, she will continue to work on the History of Georgia section.
- S. Brown asked H. Dunsmore to pare down the Senior services section of the Town plan in terms of bussing for Senior Care.

B. Bike and Pedestrian Path Grant

- VTrans Federal Aid Bicycle & Pedestrian Path Grant Program Guide, the grant is due on June 14, 2024. This grant aims to make transportation easier for people and connect to area businesses. Georgia is more likely to have money allocated for the Grant if we can connect identified high density neighborhoods to businesses and services via a new path (for example, Ballard Road at Lauras Woods to the Medical facility, Dollar General, Georgia Market, Creemee stand and the Park & Ride Bus Station at Skunk Hill Road.)
- This grant will only fund one side of the road. The Planning Commission will have to determine which side of Ballard Road will be easier to install the path, in consideration of trees and both above and below ground utility lines.
- The grant application can refer to the proposed multi-use subdivisions projects in the South Village, as additional future housing, businesses, and also new sidewalks to connect to the path.
- The Planning Commission went through the Project Criteria to apply for the grant, would like to address community needs in the application.
- The Planning Commission will apply for a sidewalk grant, and not for the shared use path; this will allow children to still use the path for bikes but will dissuade adult bikers from using the path. This will render more pedestrian use for the new sidewalks.
- Town of Georgia will have to update the current Sidewalk Policy; and refer to the Georgia South Village Bicycle and Pedestrian Feasibility Study from 2012. Information provided in this document has changed little since 2012, but for the costs of paving.
- Prior to applying for the grant, the Town will need to get assistance from a local engineer to estimate paving costs. This estimate is needed before the June 14th deadline. The Zoning office will reach out to local engineers.
- There is an informational meeting via Zoom for the grant on May 15, 2024 at 10am- 11:30 a.m.
- The Planning Commission will need to go to the Selectboard for the 20% of funds needed to complete the sidewalk project. The next Selectboard meeting will be on May 13th, followed by the next Planning Meeting on May 14th.
- D. Bergstrom will work with the Public Works Director to get more information on a potential paving estimate.

4. APPROVAL OF MINUTES

A. Planning Meeting Minutes: April 9, 2024

Motion to approve with minor changes.

Motion made by Cross, Seconded by Vice Chair Waite.

Voting Yea: Chair Brown, Cross, Dunsmore, Vice Chair Waite, Heinlein
