Message:

Dear Ms. Katon,

I am writing to formally express my interest in filling the vacant seat on the Georgia Select Board which opened as Paul Jansen has moved to New York before the end of his term. I am interested in filling his seat until the next election in March of 2026.

I have lived in the town of Georgia since 1991 and currently reside at 302 Ledge Hill Drive with my husband, Joseph Nasca. I have more time available now that I am retired from teaching at Albany College of Pharmacy's Colchester campus. We also sold the pediatric practice last year to Dr. Mike Visker, a business I helped run for 18 years.

I currently volunteer at Northwestern Medical Center, serve as recording secretary for the NMC Auxiliary and on the NMC Board of Incorporators. I am active in various community events through Ascension Parish.

In the past I served as a trustee for the Georgia Library and on the Franklin County Home Health board.

As a member of our community, I am eager to contribute my skills and experience to support the town's success.

I am happy to discuss the opening and answer any questions you may have.

Sincerely,

Judy Nasca

Attn: Selectboard Vacancy

Dear Chairperson Senna and Members of the Selectboard,

I am writing to express my interest in being considered for appointment to the Town of Georgia Selectboard. As a resident of Georgia for 10 years, I care deeply about the well-being and future of our community, and I would be honored to contribute my time, experience, and energy in service to our town.

In my professional experience, I have gained skills in budgeting, project management, task prioritization, and corporate governance, which I believe would be valuable in helping the board address both immediate needs and long-term strategizing. I am particularly committed to transparent communication with residents and maintaining town infrastructure. I would bring a collaborative, thoughtful approach to board deliberations.

The Selectboard plays a critical role in guiding town policies and ensuring responsive local government. Should I be appointed, I would work diligently to listen to residents, weigh diverse perspectives, and make balanced decisions in the best interest of the entire community.

Thank you for considering my application. I would welcome the opportunity to discuss my background and enthusiasm for this role further.

Sincerely,

Tessa Collette
