AGENDA ITEM TITLE:

Planning Commission Membership

BACKGROUND:

The Planning Commission currently has one formal vacancy (Alger Strom). Included in the packet are three applications for consideration for membership.

Commissioner Tom Butch has recently communicated that, due to ongoing medical reasons, he is uncertain when he may be able to return. He has also expressed understanding if the Commission feels it is necessary to appoint a new member in his place to ensure continuity and consistent participation. Given Commissioner Butch's extended absences and his thoughtful acknowledgment of the situation, I recommend considering one of the candidates seeking office to fill his seat at this time. This decision would allow the Commission to move forward with its work while respecting Commissioner Butch's circumstances and contributions to date.

Good morning and Happy Monday!

I attached my application for the Planning Commission vacancy. Although I have no education or experience in zoning, I believe my wide range of other experiences may be useful, as I do my best to sponge the wisdom and experience of the current commissioners.

As you will see in the attached .pdf, my penmanship also lacks experience and education, but improves slightly after lunch time.

Thanks for taking the time to review my application!

Exploring a Social District in Gladstone

The City of Gladstone is excited to explore the possibility of establishing a social district in our downtown area. Social districts create a vibrant, communal space where patrons of licensed establishments can enjoy alcoholic beverages within designated common areas.

What is a Social District?

Social districts, authorized by Michigan law in 2020, allow communities to designate specific areas where beverages purchased from licensed establishments can be enjoyed outdoors. Drinks must be served in special marked cups, and district boundaries are clearly defined and maintained to ensure safety and enjoyment for all.

Social districts were introduced during the COVID-19 pandemic to support local

businesses and provide safe, outdoor gathering spaces. They've since become popular across Michigan, enhancing downtown atmospheres and encouraging tourism.

What's Next for Gladstone?

Gladstone is in the exploratory phase of implementing a social district, with a proposed boundary stretching along Delta Avenue from 8th St to 11th St, including the Farmers Market Square. No decisions have been made yet, and community feedback is vital to shaping this initiative.

We invite you to learn more about social districts and share your thoughts as we explore this opportunity to bring added vibrancy to our downtown.
