

Meeting Minutes
Planning & Zoning Commission – City of Glen Rose, Texas
October 23, 2024

1) Call to Order

- a) The meeting was called to order to 5:30 pm by Chairperson, Pam Streeter
- b) Pledge of Allegiance
- c) Roll Call: Absent: Larry Cremean, Rex Miller Present: Greg Clanton, William Green, and Pam Streeter were in attendance. Additionally, Staff members Jodi Holthe & Larry Allen were present. A quorum was present.

2) Workshop

- a) Chapter 10.06.004 Parkland Dedication to accommodate commercial development language
 - i) After much discussion and feedback, the decision was made to suggest the following chart

Acreage	Fee
For every $\frac{1}{4}$ acre up to 1 acre	\$1050 per $\frac{1}{4}$ acre
Anything over 1 acre would then be charged at	\$300 per $\frac{1}{4}$ acre

These numbers were looked at against Starbucks which was .624 acres meaning the fee would have been \$3150; Whataburger at 1.015 acres = \$4500; Taco Bell at .774 acres would have been = \$3150 and the car wash would have = \$4500. When looked at in comparison to our residential development, these are fair and in discussion with commercial location finders – these are very reasonable.

b) Specific Use Permits

- i) We readdressed the specific use permit ordinance and updated it to allow a SUP to follow the property in commercial and follow the owner if residential with some caveats – see Appendix 1

3) Having no further business before the commission the meeting was adjourned at 6:58pm

Appendix 1

- 1) Standards: The SUP provides a means for developing certain uses in a way the specific use will be compatible with adjacent property and consistent with the character of the neighborhood.
- 2) SUP is granted to the ownership of each real property. Any change in ownership may result in a SUP no longer being valid. See paragraph 12 for exceptions.
- 3) The use regulations for each use in Division 14.02, Appendix A state whether an SUP is required for a use to be permitted in a zoning district. The SUP requirement for use in a zoning district does not constitute authorization or assurance that the use will be permitted. Each SUP application must be evaluated as to its probable effect on the adjacent property and the community welfare and may be approved or denied as the findings indicate appropriately. Each SUP must be granted by the city council by a separate ordinance.
 - A. The city council shall not grant an SUP for use except upon a finding that the use will:
 - i) complement or be compatible with the surrounding uses and community facilities.
 - ii) contribute to, enhance, or promote the welfare of the area of request and adjacent properties.
 - iii) not be detrimental to the public health, safety, or general welfare; and
 - iv) conform in all other respects to all zoning regulations and standards.
 - B. The granting of an SUP has no effect on the uses permitted as of right and does not waive the regulations of the underlying zoning district.
 - C. The city council may impose reasonable conditions upon the granting of an SUP consistent with the purposes stated in this chapter.
 - D. The applicant shall post the SUP ordinance in a conspicuous place on the property, except where a use has no interior building space (for example, a private street or alley use).
- 4) An applicant or owner of real property within the notification area may appeal the decision of the city council to the board of adjustments. An appeal must be requested in writing within 10 days after the decision of the city council. Appeal to the city council is the final administrative remedy available.
 - A. A time limit may be imposed as a condition upon the granting of an SUP. If a time limit has been imposed, the SUP automatically terminates when the time limit expires. Except as otherwise provided in Subsection (c), the applicant shall go through the procedures outlined above in Paragraphs (1) and (2) to renew an SUP.[12. Automatic Renewals](#)
 - A. *As part of an SUP ordinance or ordinance amendment, the city council may declare that an SUP is eligible for automatic renewal pursuant to this subsection. Automatic renewal is an alternative to the standard method of renewing an SUP by amending the SUP ordinance. In order for automatic renewal to occur, the property owner or his representative must file a complete application for automatic renewal with the council after the 120th day but before the 180th day before the expiration of the current SUP time period. If a fee is required, the application is not considered "filed" until the fee is paid.*
 - B. *Automatic renewal does not result in an amendment to the SUP ordinance. An applicant seeking to change the SUP conditions or to otherwise amend the SUP ordinance must go through the procedures outlined in Subsection 3.*

- C. *An application for automatic renewal must be filed with the council on a form furnished by the city for that purpose. As part of the application, the property owner or his representative shall state that all existing SUP conditions have been complied with, and that no changes to the conditions or other SUP ordinance provisions are being requested. This must be done at the time of application.*
- D. *After the deadline for filing written protests has passed, the director shall review the conditions of the SUP and determine whether the conditions have been met. If the director determines that the conditions have not been met, he shall forward the application to the city plan commission and city council for further action.*
- E. *Any SUP granted in a residential zone (R1, R2, R2M, R3, R4) may apply for automatic renewals with the following exceptions. SUP are granted to the owner of the property, if the property changes ownership, the new owners must apply for an SUP to continue operating the property with the specific use permit.*
- F. Any SUP granted in a business or industrial district may apply for automatic renewals with the following exceptions, if the real property is sold and the intended use of the real property is to change, the SUP revoked. However, if the real property is sold and the intended use of the real property is to remain AS-IS, then the SUP will be extended to the new ownership with a ownership change application that does not require a hearing before city council. (i.e. a property that currently operates as a retail store that sells clothing under store name XYZ, is sold and the new owners continue to operate the store as XYZ, the SUP in place will remain. If the new owners decide to operate a grocery store instead of the clothing store, the SUP will be cancelled.)
- G. "Further action" as that term is used in Paragraphs (D) means that the city shall schedule the application for public hearings before both the city planning and zoning commission and the city council. Notice of the public hearings must be given as would be required by law for a change in zoning district classification. The city planning and zoning commission shall make a recommendation to the city council regarding the proposed renewal based on staff reports, field inspections, and the evidence presented at its public hearing
- H. In connection with an application that has been forwarded to Council by the director pursuant to Paragraph (D) the city council may
 - (a) pass an amending ordinance to repeal the SUP's eligibility for automatic renewal, or to supplement, remove, or amend any of the conditions or other provisions in the SUP ordinance; or
 - (b) take no action and thereby allow the SUP to automatically renew as a matter of law.
 - (c) No renewal or expiration of an SUP may occur while the application is pending before the city plan commission or city council. If the application is pending at the end of the current time period stated in the SUP ordinance, the time period shall be extended as a matter of law until:
- I. the day following the next succeeding official agenda meeting of the city council after the council makes its final decision on the application; or
- J. if the council votes to pass an amending ordinance, until the effective date of the amending ordinance.
 - (a) The renewal of an SUP eligible for automatic renewal occurs as a matter of law at the end of the current time period as stated in the SUP ordinance, or as extended pursuant to Paragraph A. Unless otherwise specified in the SUP ordinance, an automatic renewal is for the same time period as the immediately preceding time period [excluding, if applicable, extensions pursuant to Paragraph A.

- (b) An SUP that is automatically renewed pursuant to this subsection may continue to be automatically renewed in perpetuity so long as the owner or his representative continues to timely file the applications for automatic renewal required under Paragraph (1). Failure to timely file this application during any renewal period renders the SUP ineligible for further automatic renewal. The city council may, however, reinstate the SUP's eligibility for future automatic renewals as part of a new SUP ordinance or ordinance amendment.
- (c) This subsection does not impair the ability of the city plan commission or city council to call a public hearing on its own motion for the purpose of passing an amending ordinance to repeal an SUP's eligibility for automatic renewal, or to supplement, remove, or amend any of the conditions or other provisions in an SUP ordinance.
