INDIVIDUAL ITEMS FOR CONSIDERATION

7. Discussion, consideration, and possible action regarding a request to rezone *the property located at 1113 Wren St., Acres: 0.387, Tract: C7-11, Abst: A136, A136 MILAM CO SCH LD, TRACT C7-11 from B-2 (General Commercial District) to R-2 (Single and Two Family District)*
Pam Streeter, Chairman of the Planning and Zoning Commission, reported that the commission had thoroughly examined the zoning in the area. She explained that while at some point the zoning along Barnard Street had been changed from residential to business commercial, everything around and across the street from the property in question is residential. Therefore, changing this property to R-2 would not constitute spot zoning and would be in keeping with the current use of neighboring properties. The commission unanimously recommended approval of the rezoning.

David Dickens represented the project and explained that they were seeking to rezone from B-2 to R-2 to allow for single-family detached housing instead of attached housing. The plan is to build three individually detached single-family homes rather than a quadplex. They are working with Teresa at Texas Surveying to replat the lot into three lots to fit a 25-foot by 80-foot alley-load entry product.

Council member noted that there appeared to be issues with notification letters, with 13 out of 15 letters unconfirmed as received. It was clarified that proper notification had been provided through multiple channels, including posting on the property site, in the newspaper, and on the city website.

MOTION by George Freas and **SECOND** by Stuart Mann to rezone the property from a B-2 to an R-2
MOTION CARRIED by unanimous vote.

8. Discussion, consideration, and possible action regarding a request a Re-plat on the property located at 1113 Wren St, as submitted by Teresa McGee, Texas Surveying & Engineering, Inc, *Acres: 0.387, Tract: C7-11, Abst: A136, A136 MILAM CO SCH LD, TRACT C7-11*

Teresa McGee (104 South Walnut Street, Weatherford, TX) represented the owner and explained they were requesting three lots total. She noted they had requested variances on corner lot setbacks as well as frontage requirements. For R-2 zoning, 60 feet of frontage would be required, but they

have proposed 45, 45, and 49 feet. Similarly, the square footage requirement would be 6,000 square feet, which they fall slightly short of meeting.

David Dickens clarified that the proposed homes would be between 1,800 and 2,000 square feet and would cost approximately \$400,000 each. He noted that construction costs currently run about \$200 per square foot. The homes would be two stories with two-car garages accessed from the rear of Wren Street, with the front of the residences facing Barnard Street.

Ms. There was a discussion about an unidentified strip of land at the southwest corner of the property. McGee explained they could not discover who owned this strip, which might have been intended for widening Wren Street.

Council Member Freas expressed support for the project, noting that it would add the needed housing density in an established neighborhood. The Council discussed that while the homes might not be affordable for everyone, the city needs housing at all different levels.

MOTION by George Freas and **SECOND** by Candace Scholz to approve the replat. **MOTION CARRIED** by unanimous vote.

9. Discussion, consideration, and possible action regarding the recommendations for amending 14.02.005 Definitions

Pam Streeter with PNZ, went through with definitions that went through the commission. Artisan shop, formal definition. Assisted living facility: allow in private residence, need to have at least four(4) to be put under state regulations. Gun manufacturing: secondary definition in gunsmithing. Needs to have a defined difference. Notes on schedule of uses, ice cream truck, cannot stop within 200 feet of establishment unless a customer has waived you down, stop for 5 minutes, 7 am 5 pm, M-F, School Zone—definition of outdoor seating for restaurants.

MOTION by Lauri Mapes, **SECOND** by Rich Bruning, approve all definitions with the exception of changing the times to 7 am to 5 pm. **MOTION CARRIED** by unanimous vote

10. Discussion, consideration and possible action regarding the recommendations for amending Chapter 14 Appendix A, Schedule of Uses to include but not limited to Short Term Rentals allowed in the B-3 District

MOTION by Rich Bruning and **SECOND** by Lauri Mapes to approve the recommended schedule of use changes with the removal of the residential assisted living. **MOTION CARRIED** by a unanimous vote. Pam Streeter recommends not approving the schedule of uses change for the Assisted living as a specific use permit in all residential zones.

MOTION by Candace Scholz and **SECOND** by George Freas to do additional research regarding assisted living in a residential zone. **MOTION CARRIED** by unanimous vote.

11. Discussion, consideration, and possible action regarding an increase in trash rates for the City of Glen Rose
