Good morning,

As you know, the deadline for the Mayor's Youth council application deadline is August 31st. We already have several applications and expect to have a great council this year. I would like to have the council selected and notified by September 5th or 6th.

Could we introduce the council and have them sworn in for the September Board of Alderman meeting like we did last year? Would this be September 12th at 6pm? If so, I would like to go ahead and get on the agenda.

Thanks in advance,

Julia

When you have a moment, will you look over and let me know if you have any questions.

It's longer than I had hoped but I tried to address any and every possible issue that could arise. I looked at other MYC bylaws from other cities and used those as a guide.

I'm not sure how this works but if this gets recommended to the Board of Alderman for approval, I need to be prepared to answer any questions right?

I'll send the official list later today.

Thanks  
Julia

RE: Purchase Order Error Bradshaw Crossing Repair

On 8/18/2023 the Public Works Department issued a purchase order (202300152) to purchase 8 tons of asphalt from ADCAMP Inc for the above referenced repair. The Mayor and Board of Alderman at its February meeting approved APAC as the lowest and best term bid at \$98.50 per ton (picked up at the plant). The asphalt was picked up at APAC. Therefore, we request to change the name and amount on this purchase order to reflect APAC in the amount of \$98.50 per ton totaling \$760.

This purchase order was not executed or delivered to ADCAMP.

Thank you for your consideration of my request. Please let me know if you have any questions.

RE: Unforeseen Circumstances

The city recently rented a steam roller from Puckett Rents to make street repairs on Bradfield Crossing. The cost of the steam roller was quoted at \$355.00 per day. We anticipated completing the job within one days' time, therefore according to policy did not require a purchase order (required for purchases over \$500.00). Both asphalt plants ran out of asphalt early during the day (Friday) requiring us to keep the roller through the weekend. Puckett then increased the charge to the City for a weekly fee of \$966.50 for the use of the roller and this was a circumstance not of our control. I apologize for any inconvenience and have documented appropriately.

Please contact me if you have any questions.

RE: Unforeseen Circumstances

The city recently purchased some bulk limestone from Holcim out of Canton, Ms. We anticipated the cost to be under \$500.00 not requiring a purchase order. The cost of the purchase was actually \$544.00 (inv # 718386121) in which case a PO is required. I apologize for any inconvenience and have documented appropriately.

Please contact me if you have any questions.

Lindsay Kellum, City Clerk: Oct. 17-20<sup>th</sup>  
Scott Maugh, Deputy City Clerk: Oct. 17-20<sup>th</sup>

I have held my reservation with the city’s travel credit card, but I would like to add this invoice to claims to cut a check and mail it ahead of time for both myself and my deputy clerk (for the total amount, with block rate applied, and after sales tax is removed). Would you please provide me with an invoice as soon as possible for both of our rooms, minus sales tax, so that I may add it to our 9/12 claims docket for approval of payment and to cut a check to mail for the total in advance of our stay?

Please let me know if you have any questions.

Lindsay

**Municipal Compliance Questionnaire**

As part of the municipality's audit, the governing authorities of the municipality must make certain assertions with regard to legal compliance. The municipal compliance questionnaire was developed for this purpose.

The following questionnaire and related certification must be completed at the end of the municipality's fiscal year and entered into the official minutes of the governing authorities at their next regular meeting.

The governing authorities should take care to answer these questions accurately. Incorrect answers could reduce the auditor's reliance on the questionnaire responses, resulting in the need to perform additional audit procedures at added cost.

**Information**

*Note: Due to the size of some municipalities, some of the questions may not be applicable. If so, mark N/A in answer blanks. Answers to other questions may require more than "yes" or "no," and, as a result, more information on this questionnaire may be required and/or separate work papers may be needed.*

**Subject:** Resolutions

Mayor Morrison,

Good afternoon! We spoke about a resolution objecting to the county re-zoning for Reunion Parkway for the next board meeting. I would also like to see a resolution opposing the new neighborhood that the county approved on Yandell Rd. I drive Yandell every morning going to feed and take care of our horses and the congestion is already out of control. The county has not done the citizens or the city any favors with the road infrastructure. This is going to exacerbate a huge problem that we already have with roads coming into Gluckstadt in addition to the extra strain on the schools in our area. The citizens in the area strongly object and have put forth a petition and I would like to see the city formally address the issue.

Thanks,  
Jayce

CITY CLERK

August 25, 2023

Governor Tate Reeves of Mississippi  
P. O. Box 139  
Jackson, MS 39205

Dear Governor Reeves:

I am a member of the Concerned Citizens of Madison County, MS. We are reaching out to you for assistance with a new development proposed for our area. We have two primary concerns, the builder, and the existing Infrastructure.

The Madison County Board of Supervisors recently approved the development of a new subdivision off the Yandell Road and Old Canton Road Corridor, behind the Deerfield Golf Club Community. This project was introduced by Nick Gullette and Carl Sanberg to the board of Supervisors for approval in March, and they failed to disclose the builder, D R Horton.

On July 3, 2023, a concerned citizen from Madison County attended the Board of Supervisors Meeting and informed the Board Members the builder was D R Horton. Each member asked, "who is D R Horton". Many in our communities independently researched D R Horton and learned this builder has a proven history of building inferior homes. There are multiple lawsuits filed against D R Horton and there is currently a Class Action lawsuit filed in Louisiana from residents in Baton Rouge. In addition, there have been lawsuits filed from residents of Alabama, South Carolina, and other states. The problems being reported in these lawsuits include roofs caving in, water leaks inside the homes from poor plumbing, sewage backing up in the tubs and sinks, windows and doors falling off, electrical issues, unlevel walls, cabinets and counters not installed correctly or unlevel, sub-par materials, poor workmanship and most notable is the black mold "**aspergillus/penicillium**", thus causing children to **contract asthma**. Sanford, South Carolina refused to allow D R Horton to build in the area, because of their history. **Please Stop D R Horton from Constructing Homes in Madison County and Mississippi. Protect Mississippians!**

Newswire reported in an article April 20, 2018, I believe regarding the South Carolina Lawsuit; "*D R Horton has a dubious warranty through a third party that excludes notable issues such as building code violations and incomplete construction items. D R Horton itself does not directly warranty any part of the construction of the new homes it sells*". How very alarming the lack of warranty-remedies for buyers.

The proposed development of homes "The Express Line Package" by D R Horton will most definitely affect the property values of surrounding subdivisions and this is most concerning to all the residents in this area. Also, D R Horton finances all the homes they sell, (buyers are not given a choice) and buyers are allowed to roll-over the downpayments and closing costs into the monthly mortgage. This sounds very predatory. There is an arbitration clause in the closing documents, which limits the buyers' remedies through the judicial court system.

This development will also have multiple homes set aside as rental properties. Recalling a comment made in the Northside Sun, I believe Nick Gullette stated they must abide by the Fair Housing Act and build a percentage of rental homes. We don't believe this to be true, as we have several neighborhoods that did not build rental homes in their subdivisions. Assuming D R Horton receives Federal Funds for financing these homes, thus possibly building Section-8 housing, and this will most definitely cause our property values to plummet. We have asked the Madison County Board of Supervisors to disallow D R Horton from constructing these homes. However, many of us believe their "initial rubber stamping" of the preliminary plat may prevent them from rescinding their vote. We have also learned the board members do not plan on finalizing their vote on this development until after the November election. We have initiated an On-Line Petition to try and stop this development as well as to inform the citizens across Madison County. We currently have approximately 3,000 signatures as of this date.

Our second issue is the infrastructure. The Yandell Road and Old Canton Road Corridor has seen multiple developments over that last several years without seeing any improvements to the infrastructure. Yandell Road and Old Canton remain two lanes, except for a small portion of Yandell Road being 3 lanes at the red light-intersection at Highway 51. Approximately \$3.6 million has been allocated to widen Yandell Road from Westfallen Drive to Madison Crossing Elementary (approximately a 2-mile-long expansion) this will not alleviate the traffic issues. Our roads and bridges are in such poor condition because they are not designed to handle the large number of automobiles, school buses and large trucks. The morning and evening commute is an absolute nightmare for most residents as well as for the two fire stations located on Yandell road. Travel time on Yandell road to Highway 51, a 7-mile commute for many can take 30 to 45 minutes to reach Highway 51. Many of us have witnessed the difficulties of the emergency services (ambulances and the fire trucks) trying to leave their driveways to go on an emergency call. A traffic delayed response by medical emergency personnel could cost someone their life.

We have not reached out to our School Board to address the overcrowding of our school system and what effects this expansion will have. By copy of this letter, I am asking Sam Kelly, President of Madison County School Board and Mayor Morrison IV of Gluckstadt for their input.

We sincerely hope you are willing to offer your assistance to the residents and many of your supporters along the Yandell Road-Old Canton Road Corridor. We look forward to hearing from you.

Sincerely,

Regina L. Edwards

**RESOLUTION OF THE MAYOR AND BOARD OF ALDERMEN OF THE CITY OF GLUCKSTADT, MISSISSIPPI, OPPOSING THE APPROVAL OF WOODGATE SUBDIVISION**

WHEREAS, the Madison County Board of Supervisors recently approved the preliminary plat for Woodgate Subdivision located East of North Old Canton Road and South of Yandell Road; and

WHEREAS, the preliminary plat for Woodgate Subdivision consists of 594 lots on of 255 acres of land; and

WHEREAS, the addition of Woodgate Subdivision will greatly increase the already existing problems with traffic congestion on Yandell Road and roads into and out of the City; and

WHEREAS, the current road infrastructure is insufficient to handle the increased traffic which will result from the development of the neighborhood, exacerbating the existing problem created by the condition of the roads; and

WHEREAS, the development of the neighborhood will put an unneeded strain on the schools in the area, and the citizens in the area have put forth a petition stating their strong objection to the approval of the neighborhood; and

WHEREAS, the Mayor and Board of Aldermen find it necessary to state formally the City’s opposition to the development of the new Woodgate Subdivision as

**MEMORANDUM**

---

**TO:** Mayor & Board of Alderman

**FROM:** Chris Buckner, Public Works Director

**DATE:** 08/29/2023

**SUBJECT:** Purchase of Kubota Zero Turn Mower

---

We are requesting that the Mayor and Board of Alderman consider purchasing a Kubota zero turn mower from Diviney Equipment in the amount of \$12,545.18 with a state contract number of 8200067336. We also received a bid from Hartley Equipment for an Ex-Mark Lazer Z in the amount of \$11,998.00 with no state contract number. I am recommending the Kubota Zero Turn mower as the lowest and best bid for the following reasons:

1. It has a larger fuel tank for longer running times.
2. The Kubota mower is a heavier mower (200lbs).
3. While we have no experience with maintenance requirement on the Kubota, we have had excessive breakdowns of our Ex-Mark that we have in service.

Thank you for your consideration of our request. Please contact me if you have any questions.

2. The City and County entered into a Cooperation Agreement regarding the funding of certain road improvements located within the City on April 17, 2023, in which the City agreed to assume the work necessary to undertake the improvements and the County agreed to reimburse the City for expenses associated with the improvements up to a maximum of Three Hundred Twenty-Five Thousand Dollars (\$325,000.00).
3. The total cost of the improvements was Two-Hundred Seventy-Five Thousand Four-Hundred Sixty-Nine Dollars and Sixty Cents (\$275,469.60) leaving Forty-Nine Thousand Five-Hundred Thirty Dollars and Forty Cents (\$49,530.40) remaining from the Three Hundred Twenty-Five Thousand Dollars (\$325,000.00).

**NOW, THEREFORE, FOR AND IN CONSIDERATION OF THE ABOVE AND THE MUTUAL BENEFITS ACCRUING TO THE CITY AND COUNTY, THE CITY AND COUNTY DO HEREBY AGREE AS FOLLOWS:**

**Section 1. Duration:** This Agreement shall be in force and effect until terminated in accordance with the provisions of Section 3 herein.

**Section 2. Purpose:** The purpose of this Agreement is to define the respective responsibilities of the City and County, as regards to the financing and completion of the Project, as defined above.

**Section 3. Organization and Statutory Authority:** There will be no separate legal or administrative entity created pursuant to this Agreement. The City is authorized by §21-37-3 MS Code of 1972 (Annotated), and the County is authorized by §19-3-41 MS Code of 1972 (Annotated) to exercise and to carry out the powers, authorities, and responsibilities to be exercised by each of them pursuant to the terms of this Agreement. **Section 4. Financing, Staffing and Supplying:** The Project will be undertaken and financed by the City, and upon completion, the City will thereafter assume responsibility for maintenance and

The City will complete work on the Project not later than December 31, 2024, with a final invoice to the County submitted not later than January 31, 2025, and payment made as set forth above. Any portion of the Project not completed or invoiced within this time frame will not be eligible for reimbursement of the County's share of the Project.

**Section 5. Post-Project Responsibilities:** Upon completion of the Project, responsibilities for maintenance and upkeep of the improved roads will be the responsibility of the City.

**Section 6. Termination, Disposition or Property:** This Agreement will terminate December 31, 2024. At the termination of the Agreement any property owned by the City and County, respectively, shall remain their property. The finished Project shall be dedicated to the City. DISTRICT MANAGER  
ALABAMA – MISSISSIPPI DISTRICT

August 23, 2023

Honorable Walter C. Morrison IV  
Mayor, City of Gluckstadt  
343 Distribution Drive  
Madison, MS 39110-8744

Dear Mayor Morrison:

This letter is in response to your request for a ZIP Code Boundary Review for the city of Madison, MS with regards to deliveries in Gluckstadt.

The ZIP Code system was created and designed to provide an efficient postal distribution and delivery network. ZIP Codes are closely linked to factors, such as, mail volume, delivery area size, geographic location, and topography, but not necessarily to municipal or perceived community identification. The general stability of ZIP Codes are essential to prompt and accurate distribution of the mail.

While the Postal Service must be guided by concerns for service and efficiency, it does appreciate the identity and addressing concerns of local communities. In response to increasing requests for ZIP Code and place name changes, the Postal Service has developed a uniform review process. In reviewing your request, you have not mentioned any issues or problems with mail delivery. The deliveries you have indicated are already delivered by the Madison, MS Post Office. ZIP Codes are used for mail delivery, not generating revenue or setting up jurisdictional boundaries. A part of this review process is to examine the growth management of business and residential delivery points.

From an economic and operational standpoint, honoring this request is not feasible at this time. The movement of full or partial delivery routes would require the creation of new routes, special route inspections, and the additional cost in operations of implementing these changes, thereby, adding significant cost to maintain delivery of the mail at a time when we have no existing delivery problems.

We can offer you the ability to use Gluckstadt, instead of Madison, as a preferred last line for the deliveries within your city limits. You would need to provide us that list so we can implement that for you if you choose to go this route. If so, the area would maintain the current ZIP Code, but, for example, the address would be:

Current: Madison, MS 39110  
Alternate: Gluckstadt, MS 39110

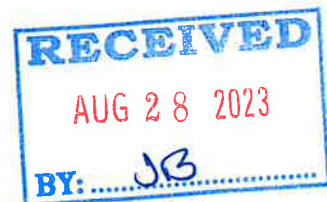

ZIP Code requests can be submitted once every ten years. If you feel that circumstances have changed after this time period has passed, you can make another request.

Appeals of this decision must be made within 45 days of the issuance of the District Manager's final decision and submitted to:

MANAGER, RURAL DELIVERY  
U.S. POSTAL SERVICE  
475 L'ENFANT PLAZA SW RM 7416

June Martindale

Ok that sounds great.

Yeah, on the insurance. I would suggest to the board that changing every so often is a problem with insurance companies, payroll and employees. Insurance companies will tend to raise the rates on you because they know if they are picked it will only be for a year or two and not a long-term relationship. The obvious for payroll and the employees never know what they have if it constantly changing. The board also needs to take in consideration what you have to do/payroll. They aren't there doing it and they don't know the hassle of changing and setting up everything. I could understand if they were getting complaints but why try to fix something if it isn't broken.

Do I need to come up to the board meeting in September? Do I need to requote anything. The dental and vision are on rate holds so I really don't know what I could do but I will do it.

Just let me know whenever you get a chance.

Have a good weekend.

I will have to check to see what the board said in the minutes on this, as I believe they wanted to revisit this annually; although I agree that it would be a pain to do so, unfortunately, that is at their discretion.

I am out of the office today but will let you know early next week what I can find on the subject. If you would like to go ahead and put a tentative date down for open enrollment, please send me a few. We also have 3 new employees coming on over the next week that may need to meet with you per the usual – Janet can set them up with you and AFLAC.

Re: Blue Cross & Blue Shield Renewal Options  
Renewal effective date **November 1, 2023**

Attached for review is the renewal from Blue Cross Blue Shield, the overall increase for your groups BCBS medical renewal is +7.1% effective November 1, 2023. I have included renewal options for your review.

The renewal change will be effective as of **November 1, 2023**; If you desire to make benefit changes, this change will need to be completed no later than **October 12, 2023**, please see the attached alternate plans.

We have also attached the Delta Dental options that will replace the current Blue Cross dental that is no longer going to be available at your renewal. I have attached both summaries of

**Important notes:**

**BCBS Centers of Excellence:**

When a Member receives Specialty Services at a Center of Excellence Network Provider, only the Network facility and the Network Physician surgeon performing the covered Specialty Service will be paid at the higher co-insurance level.

Other network professional covered services to include Anesthesia; it will pay to the network provider at co-insurance level.

**Blue Primary Care Network Providers:**

Blue Cross & Blue Shield of Mississippi is partnering with **“Blue Primary Care Network Providers”** and clinics across the state to serve as your **“home”** for every care need from the sniffles or sprains to annual check-ups and management of health risk like blood pressure, cholesterol and blood sugar.

**Your Blue Primary Care Home** can also provide wellness coaching support for reaching health goals and care coordination guidance when specialty care is needed.

**October** is your group’s open enrollment period. For those employees and/or dependents that did not elect coverage during their initial enrollment opportunity, this open enrollment period would be their opportunity to enroll

in the group coverage. Should they choose not to enroll they will, again, be excluded from participation until open enrollment next year, 2024, unless they experience a qualifying event (i.e.) birth of a child, loss of coverage, marriage, divorce, etc.

If no benefit changes, simply return this letter by fax, email or by mail stating “no change” with your initials. **Should you have any questions or concerns, please give us a call.**

**We (MGM) would like to review other ancillary benefit options available through our office i.e. Critical Illness, Life, Dental and Vision. If you would like our office to do a review of your other benefits please call 601-982-2580, so that you can request additional information or if you have any questions.**

Thank you,

Good morning Lindsay,

I hope y'all had a great holiday! I wanted to circle back with you on your last email. Nelson and I know each other so that's perfect. I would never want to try and take business from a friend when they are doing a good job. He and I spoke, and he helped me identify some gaps in what y'all are currently offering. I am going to look at a few different options for y'all.

That said, one of those will be y'all's health insurance. Could you send me your current plan design and what the rates are please? This will make sure I am looking at appropriate options and if they are more expensive, then I won't waste your time by presenting them.

Also, please let me know what time and where I should be on the 12th.

Regards,

Adam

Attached you will find an employee census report pulled from our payroll system; I have removed SSNs for identity protection purposes.

This is the best we can do for you right now given our extremely busy schedule. To be fully transparent, this will also be provided to other insurance vendors who wish to submit a proposal to the board at the upcoming September 12<sup>th</sup> meeting ahead of open enrollment.

Hi Adam,

Our schedule is full up this week prepping for our board agenda and FY24 proposed budget and tax levy / public hearing.

The best I can tell you is to put a proposal together for the city on the benefits you offer and request to be put on the agenda to pitch to our board at the 9/12 meeting; as you can imagine we have many insurance sales representatives who are wanting the city's business and this is the only fair way to allow for all to have a chance at the opportunity; the decision is solely up to the board concerning insurance carriers for the city.

Please advise if you would like to get on the agenda.

Good afternoon –

Today I picked up the FY 2021 Justice Assistance Grant (JAG) award package. This project will fund four (4) electronic ticketing systems for \$10,000.00. The items are four (4) each of laptops, printers, DL scanners, printers, mounts, cables, paper, and dongles. There is no local match. Good afternoon –

The FY 2022 Byrne JAG funding opportunity has opened. The budget is \$7000.00 with a 25% local match of \$1750.00. It is a six month grant period from November 1, 2023 – April 30, 2024. This funding is specific to basic police needs. The application is for five (5) body cameras. An award will pay for the purchase of the cameras only. The last quote was at \$1370.00 each. I will ask for \$1400.00 each for a total of five.

The due date for the application is September 29<sup>th</sup>. I ask that this item be placed on the next agenda. The funding entity is Public Safety Planning Division of MDPS.

Small grants like JAG serve to fill in the gaps of larger projects. Five more body cams will cover the officers who are without this technology.

SELLER specifically rejects and objects to BUYER issuance of any unilateral order not in full compliance and agreement with these SELLER Terms and Conditions of Sale, except if expressly agreed to in writing by SELLER.

Good Morning, Mayor –

I met with Excel from the Mississippi Department of Health this past Friday. She has proposed a \$5000.00 grant for a one-year period. It would fund a stipend for coordinator for the proposed Mayoral Health Council and some funds for the city. The coordinator would work directly with her and lead a small council of volunteers. Attached are the associated deliverables.

Excel relayed to me that she has spoken with you previously on this matter. She will present the contract once the attached document is reviewed and any changes are made.
