Flock will also provide Agency with the Documentation to be used in accessing and using the Services. Agency shall be responsible for all acts and omissions of Authorized End Users, and any act or omission by an Authorized End User which, if undertaken by Agency, would constitute a breach of this Agreement, shall be deemed a breach of this Agreement by Agency. Agency shall undertake reasonable efforts to make all Authorized End Users aware of the provisions of this Agreement as applicable to such Authorized End User’s use of the Services, and shall cause Authorized End Users to comply with such provisions. Flock may use the services of one or more third parties to deliver any part of the Services, including without limitation using a third party to host the Web Interface which makes the Services available to Agency and Authorized End Users. #### **2.4 Usage Restrictions.**

**a. Flock IP.** The purpose for usage of the Unit, Documentation, Services, support, and Flock IP are solely to facilitate gathering evidence that could be used in a lawful criminal investigation by the appropriate government agency and not for tracking activities that the system is not designed to capture (“*Permitted Purpose*”). Agency will not, and will not permit any Authorized End Users to, (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP, or attempt to do any of the foregoing, and Agency acknowledges that nothing in this Agreement will be construed to grant Agency any right to obtain or use such source code; (iii) modify, alter, tamper with or repair any of the Flock IP, or create any derivative product from any of the foregoing, or attempt to do any of the foregoing, except with the prior written consent of Flock; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Services or Flock IP; (vi) use the Services, support, Unit, Documentation or the Flock IP for anything other than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent or otherwise transfer or convey, or pledge as security or otherwise encumber, Agency’s rights under Sections 2.1, 2.2, or 2.3.

**b. Flock Hardware.** Agency understands that all Flock Hardware is owned exclusively by Flock, and that title to any Flock Hardware does not pass to Agency upon execution of this Agreement. Agency is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Notwithstanding the notice and cure period set for in Section 6.3, Agency agrees and understands that in the event Agency is found to engage in any of the restricted actions of this Section 2.4(b), all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination (without opportunity to cure) for material breach by Agency.

**2.5 Retained Rights; Ownership.** As between the Parties, subject to the rights granted in this Agreement, Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Agency acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Agency further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion. There are no implied rights.

**2.6 Suspension.** Notwithstanding anything to the contrary in this Agreement, Flock may temporarily suspend Agency's and any Authorized End User's access to any portion or all of the Flock IP or Flock Hardware if (i) Flock reasonably determines that (a) there is a threat or attack on any of the Flock IP; (b) Agency's or any Authorized End User's use of the Flock IP disrupts or poses a security risk to the Flock IP or any other Agency or vendor of Flock; (c) Agency or any Authorized End User is/are using the Flock IP for fraudulent or illegal activities; (d) Flock's provision of the Services to Agency or any Authorized End User is prohibited by applicable law; (e) any vendor of Flock has suspended or terminated Flock's access to or use of any third party services or products required to enable Agency to access the Flock IP; or (f) Agency has violated any term of this provision, including, but not limited to, utilizing the Services for anything other than the Permitted Purpose (each such suspension, in accordance with this Section 2.6, a "**Service Suspension**"). Flock will make commercially reasonable efforts, circumstances permitting, to provide written notice of any Service Suspension to Agency (including notices sent to Flock's registered email address) and to provide updates regarding resumption of access to the Flock IP following any Service Suspension. Flock will use commercially reasonable efforts to resume providing access to the Service as soon as reasonably possible after the event giving rise to the Service Suspension is cured. Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits) or any other consequences that Agency or any Authorized End User may incur as a result of a Service Suspension. To the extent that the Service Suspension is not caused by Agency's direct actions or by the actions of parties associated with the Agency, the expiration of the Term will be tolled by the duration of any suspension (for any continuous suspension lasting at least one full day) prorated for the proportion of cameras on the Agency's account that have been impacted.

## **2.7 Installation Services.**

**2.7.1 Designated Locations.** For installation of Flock Hardware, prior to performing the physical installation of the Units, Flock shall advise Agency on the location and positioning of the Units for optimal license plate image capture, as conditions and location allow. Flock may consider input from Agency regarding location, position and angle of the Units (each Unit location so designated by Agency, a "**Designated Location**"). Flock shall have final discretion on location of Units. Flock shall have no liability to Agency resulting from any poor performance, functionality or Footage resulting from or otherwise relating to the Designated Locations or delay in installation due to Agency's delay in confirming Designated Locations, in ordering and/or having the Designated Location ready for

installation including having all electrical work preinstalled and permits ready, if necessary. The deployment plan will confirm the Designated Location. After installation, any subsequent changes to the deployment plan (“*Reinstalls*”) will incur a charge for Flock’s then-current list price for Reinstalls, as listed in the then-current Reinstall Policy (available at <https://www.flocksafety.com/reinstall-fee-schedule>) and any equipment charges. These changes include but are not limited to camera re-positioning, adjusting of camera mounting, re-angling, removing foliage, camera replacement, changes to heights of poles, regardless of whether the need for Reinstalls related to vandalism, weather, theft, lack of criminal activity in view, and the like. Flock Safety shall have full discretion on decision to reinstall Flock Hardware.

**2.7.2 Agency Installation Obligations.** Agency agrees to allow Flock and its agents reasonable access in and near the Designated Locations at all reasonable times upon reasonable notice for the purpose of performing the installation work. Although the Units are designed to utilize solar power, certain Designated Locations may require a reliable source of 120V AC power, as described in the deployment plan. In the event adequate solar exposure is not available Agency is solely responsible for providing a reliable source of 120V AC power to the Units, if necessary. Additionally, Agency is solely responsible for (i) any permits or associated costs, and managing the permitting process of installation of cameras or AC power; (ii) any federal, state or local taxes including property, license, privilege, sales, use, excise, gross receipts or other similar taxes which may now or hereafter become applicable to, measured by or imposed upon or with respect to the installation of the Hardware, its use (excluding tax exempt entities), or (iii) any other supplementary cost for services performed in connection with installation of the Hardware, including but not limited to contractor licensing, engineered drawings, rental of specialized equipment or vehicles, third-party personnel (i.e. Traffic Control Officers, Electricians, State DOT-approved poles, etc., if necessary), such costs to be approved by the Agency (“*Agency Installation Obligations*”). In the event that a Designated Location for a Unit requires permits, Flock will provide the Agency with a temporary alternate location for installation pending the permitting process. Once the required permits are obtained, Flock will relocate the Units from the temporary alternate location to the permitted location at no additional cost. Flock will provide options to supply power at each Designated Location. If Agency refuses alternative power supply options, Agency agrees and understands that Agency will not be subject to any reimbursement, tolling, or credit for any suspension period of Flock Services due to low solar. Flock will make all reasonable efforts within their control to minimize suspension of Flock Services. Any fees payable to Flock exclude the foregoing. Without being obligated or taking any responsibility for the foregoing, Flock may pay and invoice related costs to Agency if Agency did not address them prior to the execution of this Agreement or a third party requires Flock to pay. Agency represents and warrants that it has all necessary right title and authority and hereby authorizes Flock to install the Hardware at the Designated

Locations and to make any necessary inspections or tests in connection with such installation. Flock is not responsible for installation of Agency Hardware.

*2.7.3 Flock's Obligations.* Installation of any Flock Hardware shall be installed in a workmanlike manner in accordance with Flock's standard installation procedures, and the installation will be completed within a reasonable time from the time that the Designated Locations are confirmed. Following the initial installation of the Hardware and any subsequent Reinstalls or maintenance operations, Flock's obligation to perform installation work shall cease; however, for the sole purpose of validating installation, Flock will continue to monitor the performance of the Units for the length of the Term and will receive access to the Footage for a period of three (3) business days after the initial installation in order to monitor performance and provide any necessary maintenance solely as a measure of quality control. Agency understands and agrees that the Flock Services will not function without the Hardware. Labor may be provided by Flock or a third party. Flock is not obligated to install, reinstall, or provide physical maintenance to Agency Hardware.

*2.7.4 Security Interest.* Flock Hardware shall remain the personal property of Flock and will be removed upon the natural expiration of this Agreement at no additional cost to Agency. Agency shall not perform any acts which would interfere with the retention of title of the Hardware by Flock. Should Agency default on any payment of the Flock Services, Flock may remove Hardware at Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's rights to any damages Flock may sustain as a result of Agency's default and Flock shall have the right to enforce any other legal remedy or right.

**2.8 Hazardous Conditions.** Unless otherwise stated in the Agreement, Flock's price for its services under this Agreement does not contemplate work in any areas that contain hazardous materials, or other hazardous conditions, including, without limit, asbestos, lead, toxic or flammable substances. In the event any such hazardous materials are discovered in the designated locations in which Flock is to perform services under this Agreement, Flock shall have the right to cease work immediately in the area affected until such materials are removed or rendered harmless.

**2.9 Support Services.** Subject to the payment of fees, Flock shall monitor the performance and functionality of Flock Services and may, from time to time, advise Agency on changes to the Flock Services, Installation Services, or the Designated Locations which may improve the performance or functionality of the Services or may improve the quality of the Footage. The work, its timing, and the fees payable relating to such work shall be agreed by the Parties prior to any alterations to or changes of the Services or the Designated Locations ("**Monitoring Services**").

Subject to the terms hereof, Flock will provide Agency with reasonable technical and on-site support and maintenance services (“*On-Site Services*”) in-person or by email at [support@flocksafety.com](mailto:support@flocksafety.com). Flock will use commercially reasonable efforts to respond to requests for support.

**2.10 Special Terms.** From time to time, Flock may offer certain “Special Terms” related to guarantees, service and support which are indicated in the proposal and on the order form and will become part of this Agreement, upon Agency’s consent. To the extent that any terms of this agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

**2.10 Changes to Platform.** Flock may, in its sole discretion, make any changes to any system or platform that it deems necessary or useful to (i) maintain or enhance (a) the quality or delivery of Flock’s products or services to its Agency s, (b) the competitive strength of, or market for, Flock’s products or services, (c) such platform or system’s cost efficiency or performance, or (ii) to comply with applicable law.

### 3. RESTRICTIONS AND RESPONSIBILITIES

**3.1 Agency Obligations.** Flock will assist Agency end-users in the creation of a User ID. Agency agrees to provide Flock with accurate, complete, and updated registration information. Agency may not select as its User ID a name that Agency does not have the right to use, or another person’s name with the intent to impersonate that person. Agency may not transfer its account to anyone else without prior written permission of Flock. Agency will not share its account or password with anyone, and must protect the security of its account and password. Agency is responsible for any activity associated with its account. Agency shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use the Services. Agency will, at its own expense, provide assistance to Flock, including, but not limited to, by means of access to, and use of, Agency facilities, as well as by means of assistance from Agency personnel, to the limited extent any of the foregoing may be reasonably necessary to enable Flock to perform its obligations hereunder, including, without limitation, any obligations with respect to Support Services or any Installation Services.

**3.2 Agency Representations and Warranties.** Agency represents, covenants, and warrants that Agency will use the Services only in compliance with this Agreement and all applicable laws and regulations, including but not limited to any laws relating to the recording or sharing of video, photo, or audio content. Although Flock has no obligation to monitor Agency’s use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of the foregoing.

#### 4. CONFIDENTIALITY; AGENCY DATA

4.1 **Confidentiality.** To the extent allowable by applicable FOIA and state-specific Public Records Acts, each Party (the “*Receiving Party*”) understands that the other Party (the “*Disclosing Party*”) has disclosed or may disclose business, technical or financial information relating to the Disclosing Party’s business (hereinafter referred to as “*Proprietary Information*” of the Disclosing Party). Proprietary Information of Flock includes non-public information regarding features, functionality and performance of the Services. Proprietary Information of Agency includes non-public data provided by Agency to Flock or collected by Flock via the Unit, including the Footage, to enable the provision of the Services, which includes but is not limited to geolocation information and environmental data collected by sensors built into the Units (“*Agency Data*”). The Receiving Party agrees: (i) to take the same security precautions to protect against disclosure or unauthorized use of such Proprietary Information that the party takes with its own proprietary information, but in no event will a party apply less than reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. Flock’s use of the Proprietary Information may include processing the Proprietary Information to send Agency alerts, such as when a car exits Agency’s neighborhood, or to analyze the data collected to identify motion or other events. The Disclosing Party agrees that the foregoing shall not apply with respect to any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party. Nothing in this Agreement will prevent the Receiving Party from disclosing the Proprietary Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order. For clarity, Flock may access, use, preserve and/or disclose the Footage to law enforcement authorities, government officials, and/or third parties, if legally required to do so or if Flock has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to: (a) comply with a legal process or request; (b) enforce this Agreement, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud or technical issues; or (d) protect the rights, property or safety of Flock, its users, a third party, or the public as required or permitted by law, including respond to an emergency situation. Agency hereby expressly grants Flock a non-exclusive, worldwide, perpetual, royalty-free right and license (during and after the term hereof) to disclose the Agency Data (inclusive of any Footage) to enable law enforcement monitoring against law enforcement hotlists as well as provide Footage search access to law enforcement for investigative purposes only. Flock may store deleted Footage in order to comply with certain legal obligations but such retained Footage will not be retrievable without a valid court order.

**4.2 Agency Data.** As between Flock and Agency, all right, title and interest in the Agency Data, belong to and are retained solely by Agency. Agency hereby grants to Flock a limited, non-exclusive, royalty-free, worldwide license to use the Agency Data and perform all acts with respect to the Agency Data as may be necessary for Flock to provide the Flock Services to Agency, including without limitation the Support Services set forth in Section 2.9 above, and a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify and distribute the Agency Data as a part of the Aggregated Data (as defined in Section 4.4 below). As between Agency and Non-Agency End Users that have prescribed access of Footage to Agency, each of Agency and Non-Agency End Users will share all right, title and interest in the Non-Agency End User Data. This Agreement does not by itself make any Non-Agency End User Data the sole property or the Proprietary Information of Agency. Flock will automatically delete Footage older than thirty (30) days. Agency has a thirty (30) day window to view, save and/or transmit Footage to the relevant government agency prior to its deletion.

**4.3 Feedback.** If Agency provides any suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the subject matter hereunder, Agency hereby assigns (and will cause its agents and representatives to assign) to Flock all right, title and interest (including intellectual property rights) with respect to or resulting from any of the foregoing.

**4.4 Aggregated Data.** Notwithstanding anything in this Agreement to the contrary, Flock shall have the right to collect and analyze data that does not refer to or identify Agency or any individuals or de-identifies such data and other information relating to the provision, use and performance of various aspects of the Services and related systems and technologies (including, without limitation, information concerning Agency Data and data derived therefrom). For the sake of clarity, Aggregated Data is compiled anonymous data which has been stripped of any personal identifying information. Agency acknowledges that Flock will be compiling anonymized and/or aggregated data based on Agency Data input into the Services (the “*Aggregated Data*”). Agency hereby grants Flock a non-exclusive, worldwide, perpetual, royalty-free right and license (during and after the Service Term hereof) to (i) use and distribute such Aggregated Data to improve and enhance the Services and for other development, diagnostic and corrective purposes, other Flock offerings, and crime prevention efforts, and (ii) disclose the Agency Data (both inclusive of any Footage) to enable law enforcement monitoring against law enforcement hotlists as well as provide Footage search access to law enforcement for investigative purposes only. No rights or licenses are granted except as expressly set forth herein. Flock shall not sell Agency Data or Aggregated Data.

## 5. PAYMENT OF FEES

**5.1a Wing Fees.** For Wing products, the Agency will pay Flock the first Usage Fee and the Implementation Fee (as described on the Order Form attached hereto, together the “*Initial Fees*”) as set forth on the Order Form on or before the 30th day following the Effective Date of this Agreement. Flock shall have no liability resulting from any

delay by the Agency in installing the Embedded Software on the Agency Hardware. If applicable, Agency shall pay the ongoing Usage Fees set forth on the Order Form with such Usage Fees due and payable thirty (30) days in advance of each payment period. All payments will be made by either ACH, check, or credit card.

**5.1b Falcon Fees.** For Falcon products during the Initial Term, Agency will pay Flock fifty percent (50%) of the first Usage Fee, the Implementation Fee and any fee for Hardware (as described on the Order Form attached hereto, together the “Initial Fees”) as set forth on the Order Form on or before the 30th day following receipt of initial invoice after Effective Date. Upon commencement of installation, Flock will issue an invoice for twenty-five percent (25%) of the Initial Fees, and Agency shall pay on or before 30<sup>th</sup> day following receipt of invoice. Upon completion of installation, Flock will issue an invoice for the remaining balance and Agency shall pay on or before 30<sup>th</sup> day following receipt of final invoice. Flock is not obligated to commence the Installation Services unless and until the first payment has been made and shall have no liability resulting from any delay related thereto. For a Renewal Term, as defined below, Agency shall pay the entire invoice on or before the 30<sup>th</sup> day following receipt of invoice.

**5.2 Changes to Fees.** Flock reserves the right to change the fees or applicable charges and to institute new charges and fees at the end of the Initial Term or any Renewal Term, upon sixty (60) days’ notice prior to the end of such Initial Term or Renewal Term (as applicable) to Agency (which may be sent by email). If Agency believes that Flock has billed Agency incorrectly, Agency must contact Flock no later than sixty (60) days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Inquiries should be directed to Flock’s Agency support department. Agency acknowledges and agrees that a failure to contact Flock within this sixty (60) day period will serve as a waiver of any claim Agency may have had as a result of such billing error.

**5.3 Invoicing, Late Fees; Taxes.** Flock may choose to bill through an invoice, in which case, full payment for invoices issued in any given month must be received by Flock thirty (30) days after the mailing date of the invoice. If Agency is a non-tax exempt entity, Agency shall be responsible for all taxes associated with Services other than U.S. taxes based on Flock’s net income.

## 6. TERM AND TERMINATION

**6.1a Wing Term.** Subject to earlier termination as provided below, the initial term of this Agreement shall be for the period of time set forth on the Order Form (the “*Initial Term*”). The Term shall commence upon execution of this Agreement. *Following the Initial Term, unless otherwise indicated on the Order Form, this Agreement will*

*automatically renew for successive renewal terms of the greater of one year or the length set forth on the Order Form (each, a “**Renewal Term**”, and together with the Initial Term, the “**Service Term**”) unless either party gives the other party notice of non-renewal at least thirty (30) days prior to the end of the then-current term.*

**6.1b Falcon Term.** Subject to earlier termination as provided below, the initial term of this Agreement shall be for the period of time set forth on the Order Form (the “**Initial Term**”). The Term shall commence upon first installation and validation of a Unit. *Following the Initial Term, unless otherwise indicated on the Order Form, this Agreement will automatically renew for successive renewal terms for the length set forth on the Order Form (each, a “**Renewal Term**”, and together with the Initial Term, the “**Service Term**”) unless either party gives the other party notice of non-renewal at least thirty (30) days prior to the end of the then-current term.*

**6.2 Termination for Convenience.** At any time during the agreed upon Term, an Agency not fully satisfied with the service may self-elect to terminate this Agreement for convenience. Termination for convenience will result in a one-time fee of \$500 per Flock Hardware. Upon termination for convenience, a refund will be provided for Falcon Cameras, prorated for any fees for the remaining Term length set forth previously. Agency will remain liable to pay the full outstanding fees for any Wing product on the effective date of termination of that Order Form. Flock will invoice, and Agency will pay, any unbilled fees and any unpaid fees covering the remainder of the term of that Order Form had it not been terminated. Termination for convenience of the Agreement by the Agency will be effective immediately. Flock will provide advanced written notice and remove all Flock Hardware at Flock’s own convenience, within a commercially reasonable period of time upon termination.

**6.3 Termination.** Notwithstanding the termination provisions in Section 2.4(b), in the event of any material breach of this Agreement, the non-breaching party may terminate this Agreement prior to the end of the Service Term by giving thirty (30) days prior written notice to the breaching party; provided, however, that this Agreement will not terminate if the breaching party has cured the breach prior to the expiration of such thirty (30) day period. Either party may terminate this Agreement, without notice, (i) upon the institution by or against the other party of insolvency, receivership or bankruptcy proceedings, (ii) upon the other party's making an assignment for the benefit of creditors, or (iii) upon the other party's dissolution or ceasing to do business. Upon termination for Flock’s material breach, Flock will refund to Agency a pro-rata portion of the pre-paid fees for Services not received due to such termination.

**6.5 No-Fee Term.** For the Term of this Agreement, Flock will provide Agency with complimentary access to ‘hot-list’ alerts, which may include ‘hot tags’, stolen vehicles, Amber Alerts, etc. (“**No-Fee Term**”). In the event a Non-Agency End User grants Agency access to Footage and/or Notifications from a Non-Agency End User Unit, Agency will have access to Non-Agency End User Footage and/or Notifications until deletion, subject to the thirty (30) day retention policy. Non-Agency End Users and Flock may, in their sole discretion, leave access open. The No-Fee

Term will survive the Term of this Agreement. Flock, in its sole discretion, can determine not to provide additional No-Fee Terms or can impose a price per No-Fee Term upon thirty (30) days' notice. Agency may terminate any No-Fee Term or access to future No-Fee Terms upon thirty (30) days' notice.

6.6 **Survival.** The following Sections will survive termination: 2.4, 2.5, 3, 4, 5 (with respect to any accrued rights to payment), 5.4, 6.5, 7.4, 8.1, 8.2, 8.3, 8.4, 9.1 and 10.5.

## **7. REMEDY; WARRANTY AND DISCLAIMER**

7.1 **Remedy.** Upon a malfunction or failure of Flock Hardware or Embedded Software (a "*Defect*"), Agency must notify Flock's technical support as described in Section 2.9 above. If Flock is unable to correct the Defect, Flock shall, or shall instruct one of its contractors to repair or replace the Flock Hardware or Embedded Software suffering from the Defect. Flock reserves the right in their sole discretion to refuse or delay replacement or its choice of remedy for a Defect until after it has inspected and tested the affected Unit provided that such inspection and test shall occur within seventy-two (72) hours after Agency notifies the Flock of a known Defect. In the event of a Defect, Flock will repair or replace the defective Unit at no additional cost. In the event that a Unit is lost, stolen, or damaged, Agency may request that Flock replace the Unit at a fee according to the then-current Reinstall Policy (<https://www.flocksafety.com/reinstall-fee-schedule>). Agency shall not be required to replace subsequently lost, damaged or stolen Units, however, Agency understands and agrees that functionality, including Footage, will be materially affected due to such subsequently lost, damaged or stolen Units and that Flock will have no liability to Agency regarding such affected functionality nor shall the Usage Fee or Implementation Fees owed be impacted. Flock is under no obligation to replace or repair Hardware.

7.2 **Exclusions.** Flock will not provide the remedy described in Section 7.1 if Agency is found to have misused the Flock Hardware, Agency Hardware or Embedded Software in any manner.

7.3 **Warranty.** Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Upon completion of any installation or repair, Flock shall clean and leave the area in good condition. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of other causes beyond Flock's reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

7.4 **Disclaimer.** THE REMEDY DESCRIBED IN SECTION 7.1 ABOVE IS AGENCY 'S SOLE REMEDY, AND FLOCK'S SOLE LIABILITY, WITH RESPECT TO DEFECTIVE EMBEDDED SOFTWARE. THE FLOCK

DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED “AS IS” AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. THIS DISCLAIMER OF SECTION 7.4 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6, OR IF NO STATE IS MENTIONED IN SECTION 10.6, BY THE LAW OF THE STATE OF GEORGIA.

**7.5 Insurance.** Flock will maintain commercial general liability policies with policy limits reasonably commensurate with the magnitude of Flock’s business risk. Certificates of Insurance can be provided upon request.

**7.6 Force Majeure.** Flock is not responsible nor liable for any delays or failures in performance from any cause beyond its control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, acts or omissions of third-party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes, weather conditions or acts of hackers, internet service providers or any other third party or acts or omissions of Agency or any Authorized End User.

**8. LIMITATION OF LIABILITY; NO FEE TERM; INDEMNITY**

**8.1 Limitation of Liability.** NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL HARDWARE AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY, INCOMPLETENESS OR CORRUPTION OF DATA OR FOOTAGE OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND FLOCK’S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE OR IDENTIFY AND/OR CORRELATE A LICENSE PLATE WITH THE FBI DATABASE; (D) FOR ANY PUBLIC DISCLOSURE OF PROPRIETARY INFORMATION MADE IN GOOD FAITH; (E) FOR CRIME PREVENTION; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE FEES PAID AND/OR PAYABLE BY AGENCY TO FLOCK FOR THE SERVICES UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRIOR TO THE ACT OR

OMISSION THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN THE EVENT OF AN EMERGENCY, AGENCY SHOULD CONTACT 911 AND SHOULD NOT RELY ON THE SERVICES. THIS LIMITATION OF LIABILITY OF SECTION 8 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6, OR IF NO STATE IS MENTIONED IN SECTION 10.6, BY THE LAW OF THE STATE OF GEORGIA.

**8.2 Additional No-Fee Term Requirements.** IN NO EVENT SHALL FLOCK’S AGGREGATE LIABILITY, IF ANY, ARISING OUT OF OR IN ANY WAY RELATED TO THE COMPLIMENTARY NO-FEE TERM AS DESCRIBED IN SECTION 6.5 EXCEED \$100, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE. Parties acknowledge and agree that the essential purpose of this Section 8.2 is to allocate the risks under the No-Fee Term described in Section 6.5 and limit potential liability given the aforementioned complimentary service, which would have been substantially higher if Flock were to assume any further liability other than as set forth herein. Flock has relied on these limitations in determining whether to provide the complimentary No-Fee Term. The limitations set forth in this Section 8.2 shall not apply to claims or damages resulting from Flock’s other obligations under this Agreement.

**8.3 Responsibility.** Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable (if at all) only for the torts of its own officers, agents, or employees that occur within the scope of their official duties. Agency will not pursue any claims or actions against Flock’s suppliers.

**9. RECORD RETENTION**

**9.1 Data Preservation.** The Agency agrees to store Agency Data in compliance with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules. As part of Agency’s consideration for paid access and no-fee access to the Flock System, to the extent that Flock is required by local, state or federal law to preserve the Agency Data, Flock will notify Agency of the requirement and applicable retention period, and Agency agrees to preserve and securely store this data on Flock’s behalf so that should Flock be legally compelled by judicial or government order, Flock may retrieve the data from Agency upon demand.

**10. MISCELLANEOUS**

10.1 **Severability.** If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect and enforceable.

10.2 **Assignment.** This Agreement is not assignable, transferable or sublicensable by Agency except with Flock's prior written consent. Flock may transfer and assign any of its rights and obligations, in whole or in part, under this Agreement without consent.

10.3 **Entire Agreement.** This Agreement, together with the Order Form(s), the then-current Reinstall Policy (<https://www.flocksafety.com/reinstall-fee-schedule>), and Deployment Plan(s), are the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both parties, except as otherwise provided herein. None of Agency's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected.

10.4 **Relationship.** No agency, partnership, joint venture, or employment is created as a result of this Agreement and Agency does not have any authority of any kind to bind Flock in any respect whatsoever.

10.5 **Governing Law; Venue.** This Agreement shall be governed by the laws of the State in which the Agency is located. The parties hereto agree that venue would be proper in the chosen courts of the State of which the Agency is located. The parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.

10.6 **Publicity.** Upon prior consent from Agency, Flock has the right to reference and use Agency’s name and trademarks and disclose the nature of the Services provided hereunder in each case in business and development and marketing efforts, including without limitation on Flock’s website.

10.7 **Export.** Agency may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in FAR section 2.101, the Services, the Hardware, the Embedded Software and Documentation are “commercial items” and according to DFAR section 252.2277014(a)(1) and (5) are deemed to be “commercial computer software” and “commercial computer software documentation.” Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

10.8 **Headings.** The headings are merely for organization and should not be construed as adding meaning to the Agreement or interpreting the associated Sections.

10.09 **Authority.** Each of the below signers of this Agreement represent that they understand this Agreement and have the authority to sign on behalf of and bind the organizations and individuals they are representing.

10.10 **Notices.** All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by facsimile or e-mail; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested.

A respondent, by submitting a proposal, represents that:

- A. The respondent has read and understands the RFP and the proposal is made in accordance therewith, and:

- B. The respondent is familiar with the local conditions under which the awarded contractor and the proposed products must perform. The respondent possesses the capabilities, resources, and personnel necessary to provide efficient and successful service to the City, and:

Before submitting a proposal, each respondent shall make all investigations and examinations necessary to ascertain site conditions and requirements affecting the full performance of the contract and to verify any representations made by the City upon which the respondent will rely. If the respondent receives an award because of its proposal submission, failure to have made such investigations and examinations will in no way relieve the respondent from its obligations to comply in every detail with all provisions and requirements of the contract, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim by the respondent for additional compensation or relief. All proposals must clearly and with specific detail, note all deviations to the exact requirements imposed upon the respondent by the specifications. Such deviations must be stated on the Proposal Form; otherwise, the City will consider the subject proposals as being made in strict compliance with said specifications to respondents, the respondent being held, therefore, accountable and responsible. Respondents are hereby advised that the City will only consider proposals that meet the exact requirement imposed by the specifications; except, however, said proposals may not be subject to rejection where, at the sole discretion of the City, the stated deviation is considered to be equal or better than the imposed requirement and where said deviation does not destroy the competitive character of the RFP process by affecting the amount of the proposal such that an advantage or benefit is gained to the detriment of the other respondents.

This RFP does not commit the City to award a contract. The City shall not be responsible for any cost or expense which may be incurred by the respondent in preparing and submitting the proposal called for in this RFP, or any cost or expense incurred by the respondent prior to the execution of a contract agreement. It is the City's intent to award a contract to the respondent(s) deemed most advantageous to the City in accordance with the evaluation criteria specified elsewhere in this RFP. The City reserves the right, however, to conduct post-closing discussions with any respondent who has a realistic possibility of contract award including, but not limited to, a request for additional information, competitive negotiations, and best and final offers.

### **Presentations by Respondents**

- A. The City, at its sole discretion, may ask individual respondents to make oral presentations and/or demonstrations without charge to the City.
- B. The City reserves the right to require any respondent to demonstrate to the satisfaction of the City that the respondent has

the fiscal and managerial abilities to properly furnish the services proposed and required to fulfill the contract. The demonstration must satisfy the City and the City shall be the sole judge of compliance.

Respondents are cautioned not to assume that they will be asked to make a presentation and should include all pertinent and required information in their original proposal package.

## **SUBMITTAL REQUIREMENTS**

Proposals shall include all of the information solicited in this RFP, and any additional data that the respondent deems pertinent to the understanding and evaluating of the proposal. Proposals shall be organized, and sections tabbed, in the following order. The respondent should not withhold any information from the written response in anticipation of presenting the information orally or in a demonstration, since oral presentations or demonstrations may not be solicited.

### **Minimum Specifications**

The specifications listed are the minimum required performance specifications for this RFP. They are not intended to limit competition nor specify any particular respondent, but to ensure that the City received quality services.

**FY23 HOMELAND SECURITY GRANT PROJECT DESCRIPTION**

The Mississippi Office of Homeland Security Grant Program (HSGP) is provided by Federal grant funds to assist local, state, and tribal efforts in obtaining the resources required to support the National Preparedness Goal, mission areas and core capabilities to build a culture of preparedness. All grant programs funded will help the State of Mississippi in the prevention, preparation, protection, and response to acts of terrorism.

These efforts will be coordinated through the grants and operation programs, along with training and exercises developed during the grant year. All programs will utilize risk assessments, data, and community knowledge to target and deploy resources that are community and state-wide threats and hazards.

## **FEMA Standard Terms and Conditions**

### **FISCAL YEAR 2023 FEMA STANDARD TERMS AND CONDITIONS**

[<https://www.fema.gov/fact-sheet/fiscal-year-2023-fema-standard-terms-and-conditions>]

Release Date: Mar 8, 2023

FEMA standard terms and conditions are updated each fiscal year (FY). This Fact Sheet displays the FEMA standard terms and conditions for FY 2023. These standard terms and conditions apply to all non-disaster financial assistance awards funded in FY 2023.

#### **1. Environmental Planning and Historic Preservation (EHP) Review**

DHS/FEMA funded activities that may require an Environmental Planning and Historic Preservation (EHP) review are subject to the FEMA EHP review process. This review does not address all federal, state, and local requirements. Acceptance of federal funding requires the recipient to comply with all federal, state and local laws.

DHS/FEMA is required to consider the potential impacts to natural and cultural resources of all projects funded by DHS/FEMA grant funds, through its EHP review process, as mandated by: the National Environmental Policy Act; National Historic Preservation Act of 1966, as amended; National Flood Insurance Program regulations; and any other applicable laws and executive orders. General guidance for FEMA's EHP process is available on the DHS/FEMA Website [<https://www.fema.gov/grants/guidance-tools/environmental-historic>]. Specific applicant guidance on how to submit information for EHP review depends on the individual grant program and applicants should contact their grant Program Officer to be put into contact with EHP staff responsible for assisting their specific grant program. The EHP review process must be completed before funds are released to carry out the proposed project; otherwise, DHS/FEMA may not be able to fund the project due to noncompliance with EHP laws, executive orders, regulations, and policies.

If ground disturbing activities occur during construction, applicant will monitor ground disturbance, and if any potential archaeological resources are discovered the applicant will immediately cease work in that area and notify the pass-through entity, if applicable, and DHS/FEMA.

#### **2. Applicability of DHS Standard Terms and Conditions to Tribes**

The DHS Standard Terms and Conditions are a restatement of general requirements imposed upon recipients and flow down to sub-recipients as a matter of law, regulation, or executive order. If the requirement does not apply to Indian tribes or there is a federal law or regulation exempting its application to Indian tribes, then the acceptance by Tribes of, or acquiescence to, DHS Standard Terms and Conditions does not change or alter its inapplicability to an Indian tribe. The execution of grant documents is not intended to change, alter, amend, or impose additional liability or responsibility upon the Tribe where it does not already exist.

#### **3. Acceptance of Post Award Changes**

In the event FEMA determines that changes are necessary to the award document after an award has been made, including changes to period of performance or terms and conditions, recipients will be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate recipient acceptance of the changes to the award. Please call the FEMA/ GMD Call Center at (866) 927-5646 or via e-mail to: ASK-GMD@fema.dhs.gov if you have any questions.

#### **4. Disposition of Equipment Acquired Under the Federal Award**

Therefore, for awards with an approved budget where the federal share is greater than the simplified acquisition threshold (currently \$250,000), you may not transfer funds among direct cost categories, programs, functions, or activities without prior written approval from FEMA where the cumulative amount of such transfers exceeds or is expected to exceed ten percent (10%) of the total budget FEMA last approved.

For purposes of awards that support both construction and non-construction work, FEMA is utilizing its discretion under 2 C.F.R. section 200.308(h)(5) [<https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200/subpart-D/section-200.308>] to require the recipient to obtain prior written approval from FEMA before making any fund or budget transfers between the two types of work.

### Audit Requirements

53. Law enforcement, state, local, non-profit agencies funded with Federal funds administered by the MOHS for the purpose of grant activity must comply with the following (2 CFR§200.501):
- (a) *Audit required.* A non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single or program-specific audit conducted for that year in accordance with the provisions of this part.
  - (b) *Single audit.* A non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with §200.514 Scope of audit except when it elects to have a program-specific audit conducted in accordance with paragraph (c) of this section.
  - (c) *Program-specific audit election.* When an auditee expends Federal awards under only one Federal program (excluding R&D) and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the auditee, the auditee may elect to have a program-specific audit conducted in accordance with §200.507 Program-specific audits. A program-specific audit may not be elected for R&D unless all the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a sub recipient, approves in advance a program-specific audit.
  - (d) *Exemption when Federal awards expended are less than \$750,000.* A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in §200.503 Relation to other audit requirements, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO).
  - (e) *Federally Funded Research and Development Centers (FFRDC).* Management of an auditee that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity for purposes of this part.
  - (f) *Sub-Recipients and Contractors.* An auditee may simultaneously be a recipient, a sub recipient, and a contractor. Federal awards expended as a recipient, or a sub recipient are subject to audit under this part. The payments received for goods or services provided as a contractor are not Federal awards. Section §200.330 Sub recipient and contractor determinations sets forth the considerations in determining whether payments constitute a Federal award or a payment for goods or services provided as a contractor.
  - (g) *Compliance responsibility for contractors.* In most cases, the auditee's compliance responsibility for contractors is only to ensure that the procurement, receipt, and payment for goods and services comply with Federal statutes, regulations, and the terms and conditions of Federal awards. Federal award compliance requirements normally do not pass through to contractors. However, the auditee is responsible for ensuring compliance for procurement transactions which are structured such that the contractor is responsible for program compliance or the contractor's records must be reviewed to determine program compliance. Also, when these procurement transactions relate to a major program, the scope of the audit must include determining whether these transactions follow Federal statutes, regulations, and the terms and conditions of Federal awards.
  - (h) *For-profit sub recipient.* Since this part does not apply to for-profit sub recipients, the pass-through entity is responsible for establishing requirements, as necessary, to ensure compliance by for-profit sub recipients. The agreement with the for-profit sub recipient must describe applicable compliance requirements and the for-profit sub recipient's compliance responsibility. Methods to ensure compliance for Federal awards made to

for-profit sub recipients may include pre-award audits, monitoring during the agreement, and post-award audits. See also §200.331 Requirements for pass-through entities.

### **Monitoring**

54. Pursuant to Federal guidelines (2 CFR§200.328-329), the State has developed a plan for evaluating all projects. Each Sub-Recipient may be required to have at least one (1) on-site monitoring visits during the grant year. All written documents will be reviewed to determine progress, problems, and reimbursements of the project. The State evaluates all subrecipient's risk of noncompliance with Federal statutes, regulations and the terms and conditions of the sub-award for the purpose of determining the appropriate level of sub-recipient monitoring.
55. Management will evaluate audit findings, questioned costs and corrective action plans. # SCOPE OF WORK

With the installation of twelve (12) license plate readers (LPR), the Gluckstadt Police Department will contribute to the prevention of, protection against, response to and recovery from weapons of mass destruction, domestic attacks, and foreign terrorism.

These systems collect and share data of known and suspected criminal populations. LPR data collection is the process of capturing and storing information from passing vehicles, such as license plate numbers, vehicle make and model, location, and time stamps. LPRs can collect thousands of license plates per minute, which can be useful for finding suspicious, lost, or stolen vehicles rapidly. LPR data can also reveal the speed and direction a subject travelled based on triangulation, and historical travel data may be derived by aggregating the data over time.

The positioning of these systems is critical to monitoring suspected criminal activity entering and leaving the City of Gluckstadt. LPRs alert officers by using cameras to capture images of license plates and compare them with databases of vehicles of interest, such as stolen cars or cars associated with outstanding warrants. When a match is found, the ALPR system sends an alarm to the officer via dispatch or a mobile application, indicating the plate number, the reason for the alert, and the location and time of the scan. This way, the officer can quickly identify and locate the vehicle of interest and take appropriate action.

Criminal or suspect lists are refreshed throughout the day to update data.
