MESSAGE OF RELIGIOUS WELCOME

As many of you are aware, we customarily begin our meetings with an invocation. This prayer is intended for the benefit of the board members and is directed to them and not the audience. Those who deliver the invocation may reference their own religious faith as you might refer to yours when offering a prayer. We wish to emphasize, however, that members of all religious faiths are welcome, not only in these meetings, but in our community as well. The participation of all our citizens in the process of self-government will help our fine city best serve the good people who live here. Employees and audience members are welcome to pray or not pray, and this choice will have no bearing on any vote made by the board.
