A public hearing may be recessed and continued any time after the hearing has commenced. Section 1.11.5.6.C of the UDC states if a postponement or continuance of a public hearing is to a specific date and time no later than 60 days from the first or most recent hearing, the announcement of the postponement of continuance at the public hearing in which the application has been postponed or continued by the Planning and Zoning Commission shall be sufficient notice and no additional notice is required. However, the Planning and Zoning Commission may direct staff to re-notify postponed or continued applications for which public hearings have not yet commenced.

ITEMS FOR INDIVIDUAL CONSIDERATION

PUBLIC HEARING

Members of the public may address the Commission on items listed on the agenda under Public Hearing Items. Persons wishing to address the Commission must first complete a request to speak card. A person may also use the request to speak card to indicate his or her support or opposition to a case without speaking. Cards may be picked up at the desk by the entrance to the City Council Chambers and may be deposited at the desk or given to a staff member. Speaking time is generally limited to five minutes per speaker. Per the by-laws of the Planning and Zoning Commission, the applicant and those favoring the request shall have a maximum of 30 minutes, including rebuttal, to present their arguments for the request. Those in opposition to a request shall have a maximum of 30 minutes to present their arguments against the request. When a large group is present, it is encouraged that representatives be appointed to speak for the group so that redundant testimony is minimized. MESSAGE OF RELIGIOUS WELCOME

As many of you are aware, we customarily begin our meetings with an invocation. This prayer is intended for the benefit of the board members and is directed to them and not the audience. Those who deliver the invocation may reference their own religious faith as you might refer to yours when offering a prayer. We wish to emphasize, however, that members of all religious faiths are welcome, not only in these meetings, but in our community as well. The participation of all our citizens in the process of self-government will help our fine city best serve the good people who live here. Employees and audience members are welcome to pray or not pray, and this choice will have no bearing on any vote made by the board.
