Proposed Land Sale and Business Subsidy SE 7th Avenue Distribution, LLC

September 28, 2023

Project Background

- **SE 7th Ave. Distribution, LLC (Developer), a Minnesota limited liability company related to L&M Supply Inc., filed an application for Business Assistance requesting Tax Increment Financing (TIF) and a City tax abatement. The City Council will be giving final consideration to this request on September 25.**

GREDA Land Pricing Policy

- The adopted *Grand Rapids Economic Development Authority Land Pricing Policy* provides a set of directions for all property leased or sold by GREDA.
- The Policy allows GREDA to recognize the scale of benefit to be provided to the community by a project proposed for development on GREDA property. The scale of benefit is measured in multiple areas, including:
 - Ratio of public to private investment, job creation, wage level of jobs to be created, the amount of private investment and building construction, likelihood the project will spur additional unsubsidized spin-off development and the extent to which the project.
- The result of the evaluation of these criteria for the proposed L&M Supply Distribution Center project, qualifies for a reduction in price or write down, under Section 6b of the Policy, of 50%.

GREDA Land Pricing Policy

GREDA contracted with the Wellson Group to engage the private landowners and negotiate the purchase of their property. Those purchase agreements were approved by GREDA at the August 10 meeting. (The purchase of the property from the Airport will be covered under a separate purchase agreement pending FAA approval. The appraised value of the 4.3-acre portion of the Airport parcel is shown below.

Parcel No.	Owner	Purchase Price
91-033-1410	Moyer	\$275,000
91-033-1430	Karpen	\$410,000
91-033-4120	Mimar Development, LLC	\$288,010
91-033-1406 (split)	City (Airport)	\$58,000
		\$1,031,010

The amount of the proposed land write down discount (business subsidy) will range between \$717,160 and \$515,505, depending upon whether the 50% discount is applied to the actual purchase price or the County assessed value (\$627,700) is used as the base price.

Public Hearing

Minnesota state statute requires that the Grand Rapids Economic Development Authority hold a public hearing to both consider the sale of land and to consider granting a business subsidy.

Actions to be considered at a future date in the near term will be approval of:

- 1. A Development Assistance Agreement between the City, SE 7th Avenue Distribution, LLC and GREDA; and**
- 2. Purchase Agreements between GREDA and SE 7th Ave. Distribution, LLC for the three parcels being purchased by GREDA from the private landowners and for the City (Airport) parcel.**

Questions?

REQUEST FOR GRAND RAPIDS EDA ACTION

AGENDA DATE: September 28, 2023

STATEMENT OF ISSUE: Conduct a public hearing to consider approval of a Purchase and Development Agreement with and conveyance of property to Itasca County Habitat for Humanity.

PREPARED BY: Rob Mattei, Executive Director

BACKGROUND:

Previously, GREDA accepted a Letter of Intent from the Itasca County Habitat for Humanity for the purchase of two parcels in the GREDA residential plat of Forest Lake Addition. The offer within the LOI was to purchase each lot for the price of \$6,300, for a total of \$12,600.

The price offered by Habitat matches the per lot price within the GREDA resolution of support for the sale and development of 8 additional single-family homes by the Itasca County HRA. This price was established by dividing the assigned value of the entire site of the former elementary school by 22 lots within the plat.

Habitat will be working with Logam Homes, the HRA contractor, to construct the shell of one two-bedroom home and one 3-bedroom home. Habitat will finish the interior and exterior of the homes. These homes will have the same floor plan as the homes currently being built by Logam for the HRA.

The economic benefit of this project is to provide much-needed housing to accommodate our current and expanding workforce and to create additional tax base in the City.

RECOMMENDATION:

Conduct a Public Hearing to consider entering into a purchase and development agreement between GREDA and Itasca County Habitat for Humanity.

Public Hearing protocol:

- State the purpose of the public hearing.
- Verify that legal notice of the public hearing has been made.
- Staff will present the background.

- Entertain a motion to open the public hearing.
- Request public input on the proposed agreement either in favor, or in opposition, and ask that any person from the public wishing to make a statement state their name and address for the record.
- After public input is received, entertain a motion to close the public hearing portion.
- Close the public hearing, give final consideration to the agreement, and entertain any motion to amend the terms, or motions to approve or disapprove of the agreement in its original or amended form.

REQUIRED ACTION: If GREDA finds it advisable to enter into the attached agreement, they should pass a motion adopting the attached resolution approving the purchase and development contract with and conveyance of property to Itasca County Habitat for Humanity.

(i) Any proposed transferee shall have the qualifications and financial responsibility, solely in the reasonable judgment of Seller, necessary and adequate to fulfill the obligations undertaken in this Agreement by Buyer as to the portion of the Property to be transferred; and

(ii) Any proposed transferee, by instrument in writing satisfactory to Seller and in form recordable in the public land records of Itasca County, Minnesota, shall, for itself and its successors and assigns, and expressly for the benefit of Seller, have expressly assumed all of the obligations of Buyer under this Agreement as to the portion of the Property to be transferred and agreed to be subject to all the conditions and restrictions to which Buyer is subject as to such portion; provided, however, that the fact that any transferee of, or any other successor in interest

whatsoever to, the Property, or any part thereof, shall not, for whatever reason, have assumed such obligations or so agreed, and shall not (unless and only to the extent otherwise specifically provided in this Agreement or agreed to in writing by Seller) deprive Seller of any rights or remedies or controls with respect to the Property, the Minimum Improvements or any part thereof or the construction of the Minimum Improvements; it being the intent of the parties as expressed in this Agreement that (to the fullest extent permitted at law and in equity and excepting only in the manner and to the extent specifically provided otherwise in this Agreement) no transfer of, or change with respect to, ownership in the Property or any part thereof, or any interest therein, however consummated or occurring, and whether voluntary or involuntary, shall operate, legally, or practically, to deprive or limit Seller of or with respect to any rights or remedies on controls provided in or resulting from this Agreement with respect to the Property that Seller would have had, had there been no such transfer or change. In the absence of specific written agreement by Seller to the contrary, no such transfer or approval by Seller thereof shall be deemed to relieve Buyer, or any other party bound in any way by this Agreement or otherwise with respect to the Property, from any of its obligations with respect thereto; and

(iii) Any and all instruments and other legal documents involved in effecting the transfer of any interest in this Agreement or the Property governed by this subsection E. shall be in a form reasonably satisfactory to Seller.

(3) If the conditions described above in paragraph (2) of this Section are satisfied, then the Transfer will be approved and Buyer shall be released from its obligations under this Agreement with respect to the portion of the Property that is transferred, assigned, or otherwise conveyed. The provisions of this paragraph (3) apply to all subsequent transferors; and

(4) Upon issuance of the Certificate of Completion, Buyer may transfer or assign the Minimum Improvements and/or Buyer's rights and obligations under this Agreement with respect to such property without the prior written consent of Seller.

F. Buyer, and its successors and assigns, agrees that it will use the Minimum Improvements only as part of its affordable housing program whereby it will construct a single-family dwelling on each Lot that will be sold to an owner-occupant. **The covenants in this paragraph run with the land, survive both delivery of the Deed and issuance of the Certificate of Completion for the Minimum Improvements, and shall remain in effect for five years after the date of the Deed.**

15. Revesting Title in Seller upon Happening of Event Subsequent to Conveyance to Buyer. In the event that subsequent to conveyance of the Property or any part thereof to Buyer and prior to receipt by Buyer of the Certificate of Completion for of the Minimum Improvements, Buyer, subject to Unavoidable Delays (as hereafter defined), fails to carry out its obligations

with respect to the construction of the Minimum Improvements (including the nature and the date for the commencement and completion thereof), or abandons or substantially suspends construction work, and any such failure, abandonment, or suspension shall not be cured, ended, or remedied within 30 days after written demand from Seller to Buyer to do so, then Seller shall have the right to re-enter and take possession of the Property and to terminate (and revert in Seller) the estate conveyed by the Deed to Buyer, it being the intent of this provision, together with other provisions of the Agreement, that the conveyance of the Property to Buyer shall be made upon, and that the Deed shall contain a condition subsequent to the effect that in the event of any default on the part of Buyer and failure on the part of Buyer to remedy, end, or abrogate such default within the period and in the manner stated in such subdivisions, Seller at its option may declare a termination in favor of Seller of the title, and of all the rights and interests in and to the Property conveyed to Buyer, and that such title and all rights and interests of Buyer, and any assigns or successors in interest to and in Lot or the Property, shall revert to Seller, but only if the events stated in this Section have not been cured within the time periods provided above.

For the purposes of this Agreement, the term "Unavoidable Delays" means delays beyond the reasonable control of Buyer as a result thereof which are the direct result of strikes, other labor troubles, prolonged adverse weather or acts of God, fire or other casualty to the Minimum Improvements, litigation commenced by third parties which, by injunction or other similar judicial action, directly results in delays, or acts of any federal, state or local governmental unit (other than Seller in exercising its rights under this Agreement) which directly results in delays. Unavoidable Delays shall not include delays in Buyer's obtaining of permits or governmental approvals necessary to enable construction of the Minimum Improvements by the dates such construction is required under this Section of this Agreement.

16. Resale of Reacquired Property; Disposition of Proceeds. Upon the reversion in Seller of title to and/or possession of the Property or any part thereof as provided in Section 15 of this Agreement, Seller shall apply the Purchase Price paid by Buyer under Section 4 of this Agreement as follows:

- (a) First, to reimburse Seller for all costs and expenses incurred by Seller, including but not limited to proportionate salaries of personnel, in connection with the recapture, management, and resale of the Property (but less any income derived by Seller from the Property in connection with such management); all taxes, assessments, and water and sewer charges with respect to the Property; any payments made or necessary to be made to discharge any encumbrances or liens existing on the Property thereof at the time of reversion of title thereto in Seller or to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of Buyer, its successors or transferees; any expenditures made or obligations incurred with respect to the making or completion of the Minimum Improvements or any part thereof on the Property or part thereof; and any amounts otherwise owing Seller by Buyer and its successor or transferee; and

- (b) Second, to reimburse Buyer for the balance of the Purchase Price remaining after the reimbursements specified in Paragraph (a) above. Such reimbursement shall be paid to Buyer upon delivery of an executed, recordable quit claim deed to the Property by Buyer to Seller.

17. **Time is of the essence for all provisions of this Agreement.**
18. **Notices.** All notices required herein shall be in writing and delivered personally or mailed to the address shown at Section 1 of this Agreement and, if mailed, are effective as of the date of mailing. Each party may update their address for purposes of notice in accordance with the provisions of this Section.
19. **Minnesota Law.** This Agreement shall be governed by the laws of the State of Minnesota.
20. **No Broker Involved.** Seller and Buyer represent and warrant to each other that there is no broker involved in this transaction with whom it has negotiated or to whom it has agreed to pay a broker commission. Buyer agrees to indemnify Seller for any and all claims for brokerage commissions or finders' fees in connection with negotiations for purchase of the Property arising out of any alleged agreement or commitment or negotiation by Buyer, and Seller agrees to indemnify Buyer for any and all claims for brokerage commissions or finders' fees in connection with negotiations for purchase of the Property arising out of any alleged agreement or commitment or negotiation by Seller.
21. **Specific Performance.** This Agreement may be specifically enforced by the parties, provided that an action is brought within one year of the date of alleged breach of this Agreement.
22. **No Remedy Exclusive.** No remedy herein conferred upon or reserved to Seller or Buyer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.
23. **Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Buyer acknowledges that it may only assign its rights under this Agreement pursuant to Section 14 of this Agreement, and that no assignment of this Agreement will relieve the assigning party of primary liability for the performance of its obligations hereunder.
24. **Complete Agreement.** This is the final Agreement between the parties and contains their entire agreement and supersedes all previous understandings and agreements, oral or written, relative to the subject matter of this Agreement. This Agreement may be amended only in a writing dated subsequent to the date of this Agreement and duly executed by all parties.

25. **Severability.** If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions herein will remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby, so long as the economic or legal substance of the agreements contemplated herein are not affected in any manner materially adverse to any party. Upon such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to affect the original intent of the parties.
26. **Partnership or Joint Venture.** Nothing in this Agreement shall be construed or interpreted as creating a partnership or joint venture between the parties relative to the Lots or the Property.
27. **No Merger of Representations, Warranties.** All representations and warranties contained in this Agreement shall not be merged into any instruments or conveyance delivered at Closing, and the parties shall be bound accordingly.
28. **Recording.** This Agreement shall be filed of record with the property office of the Itasca County Registrar of Titles and/or Office of County Recorder, as pertains to the Property.
29. **Conflict of Interests.** Seller and Buyer, to the best of their respective knowledge, represent and agree that no member, official, or employee of either Seller or Buyer shall have any personal interest, direct or indirect, in this Agreement, nor shall any such member, official, or employee participate in any decision relating to the Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is directly or indirectly interested. No member, official, or employee of Seller or Buyer shall be personally liable to the other party, or any successor in interest, in the event of any default or breach by Seller or Buyer, or for any amount which may become due to Seller or Buyer or successor or on any obligations under the terms of this Agreement.
30. **Provisions Not Merged With Deeds.** None of the provisions of this Agreement are intended to or shall be merged by reason of any deed transferring any interest in the Property and any such deed shall not be deemed to affect or impair the provisions and covenants of this Agreement.

In witness of the foregoing, the parties have executed this Agreement on the year and date written above.

REQUEST FOR GRAND RAPIDS EDA ACTION

AGENDA DATE: September 28, 2023

STATEMENT OF ISSUE: Consider approval of a Commercial Building Improvement Loan with Kreklow Enterprises for improvements to the Kreklow Dental Clinic at 510 NW 2nd Ave.

PREPARED BY: Rob Mattei, Executive Director

BACKGROUND:

Dr. Gretchen Kreklow and Jason Kreklow, the owners of Kreklow Dental located in the Central Business District at 510 NW 2nd Ave. have applied for a Commercial Building Improvement Loan of \$40,000 to support improvement to their facility.

The planned improvements to Kreklow Dental, totaling \$226,000, involve roofing, selective interior demolition, interior plumbing (including a new bathroom), electrical and communications upgrades, HVAC upgrades, drywall and casework.

These proposed improvements will also allow them to bring in another much needed dentist into their practice.

As you'll recall, the CBIL can provide up to \$40,000 per project or 75% of the total project cost, whichever is less. The CBIL program provides these funds at a 2% interest rate, amortized over a 20-year periods with a balloon payment at the end of year five.

GREDA is funding CBIL program loans, currently, through a Blandin Foundation Program Related Investment non-recourse note and, thus the principal and interest collected from these loans are paid to the Blandin Foundation.

Commissioners Sholom Blake and Wayne Bruns have reviewed this application with staff and have recommended approval of this loan.

RECOMMENDATION:

REQUIRED ACTION: Pass a motion approving a Commercial Building Improvement Loan with Kreklow Enterprises for improvements to the Kreklow Dental Clinic at 510 NW 2nd Ave.

REQUEST FOR GRAND RAPIDS EDA ACTION

AGENDA DATE: September 28, 2023

STATEMENT OF ISSUE: Consider approval of a Downtown Mandated Building Improvement Loan with Kreklow Enterprises for improvements to the Kreklow Dental Clinic at 510 NW 2nd Ave.

PREPARED BY: Rob Mattei, Executive Director

BACKGROUND:

As previously stated, the renovation of the Kreklow Dental Clinic at 510 NW 2nd Ave. involves the construction of mandated building upgrades to the front entryway and bathrooms that amount to \$55,300 of additional cost to the owners.

These improvements are qualified expenses under the recently established GREDA program for Downtown Mandated Building Improvement Loans. As you will recall, this Program is designed to lessen the impact of these additional improvement costs, by providing up to \$50,000 per project in a deferred loan with forgiveness over a ten-year term.

Under the terms of the GREDA policy for this Program, Kreklow Enterprises' request for \$50,000 of Program funds for this project was also reviewed by Commissioners Blake and Bruns.

They have recommended approval of the request.

RECOMMENDATION:

REQUIRED ACTION: Pass a motion approving a Downtown Mandated Building Improvement Loan with Kreklow Enterprises for improvements to the Kreklow Dental Clinic at 510 NW 2nd Ave.
