Grand Rapids Area Community Foundation

THIS AGREEMENT, dated this _____ day of _____, 20__ is made to establish the the Grand Rapids Area Human Rights Fund (the “Fund”) within the Grand Rapids Area Community Foundation (the “Foundation”). With this agreement, Human Rights Committee (the “Donor”) makes an irrevocable gift of \$_____ to The Grand Rapids Area Community Foundation (the “Foundation”), a 501(c)(3) organization authorized to receive and hold charitable funds in accordance with its charter and bylaws. This is to be used to establish a fund at the Foundation to be known as the Grand Rapids Area Human Rights Fund (“the Fund”). The purpose of the Fund is to support organizations, initiatives, and community-led efforts that uphold human rights and promote dignity and respect for individuals and families in the Grand Rapids, Minnesota area, with an emphasis on education, awareness, and constructive community engagement.

1. The Fund will be identified, as described above, by the Foundation in all relevant literature, reports, promotional material and public documents.
2. The Fund will be subject to the Articles of Incorporation and Bylaws of the Foundation, as they may amend them from time to time.
3. The Fund is designated to meet charitable needs in the community and surrounding area of the Greater Itasca Area.
4. Distributions from the Fund shall be consistent with the exempt purposes of the Foundation. The Foundation board shall have the power to modify any restriction or condition on the distribution of funds for any specified charitable purposes or to specified organizations if in the sole judgment of the board, (without the approval of any trustee, custodian or agent), such restriction or condition becomes, in effect, unnecessary, incapable of fulfillment or inconsistent with the charitable needs of the community or area served.

5. It is the intent of the donor that the Fund be considered nonendowed and distributions from the Fund may be made in any amount not to exceed the balance of the Fund.
4. Gifts may be added to the Fund anytime. The Foundation may commingle the assets of the Fund with the assets of other funds held by the Foundation, provided the separate identity of the Fund will be maintained and distribution from the Fund will be clearly identified as such to the grantees.
5. It is intended that the Fund will be continued as long as the need for the Fund exists, and assets are held in the Fund for its purposes.
6. The governing board of the Foundation shall have final authority and discretion as to the investment and reinvestment of the assets of the Fund as part of the Foundation Investment Portfolio.
7. The Foundation will provide all routine accounting, and reporting to the Minnesota Attorney General and Internal Revenue Service regarding the Fund. The Foundation shall be entitled to reasonable compensation for management of the Fund in accordance with their regular fee schedule. The administrative fee for a nonendowed fund is 2% annually (calculated .50% quarterly) with a minimum annual fee of \$250.
8. The Fund will be the property of the Foundation held by it in its corporate capacity and will not be deemed a trust fund held by it in a trustee capacity. It is intended the Fund will be a component fund of the Community Foundation and that nothing in the Agreement will affect the status of the Foundation as an organization described in Sections 509(a)(1) and 170(b)(1)(A)(vi) of the Internal Revenue Code. This Agreement will be interpreted in a manner consistent with the foregoing intention and to conform to any applicable requirements of the Internal Revenue Code and IRS Regulations.

Item 3.

Summary Description of Goals and Activities

ORDINANCE REVIEW

The Commission will conduct a comprehensive review of city ordinances related to human rights to clarify the HRC's role and ensure alignment with current city regulations. This review will help commissioners better understand their authority, responsibilities, and the scope of their work in protecting human rights within the community. The ordinance review will provide a framework for future decision-making and help define how the Commission can most effectively serve the community within its legal mandate.

FAIR HOUSING ACT SUPPORT

The Commission will support the development of a work group to explore fair housing issues and possible panel discussions or other community engagement opportunities within Itasca County. This activity aims to increase awareness of fair housing rights, identify housing discrimination concerns, and provide education to community members about their rights and responsibilities under fair housing laws. The work group may partner with local housing authorities, advocacy organizations, and community stakeholders to create meaningful dialogue and resources around housing equity.

PRESENTATIONS TO OUTSIDE ORGANIZATIONS (QUARTERLY)

The Commission will conduct quarterly presentations to outside organizations such as schools, service clubs (Rotary, Lions, etc.), faith communities, and civic groups. These presentations will raise community awareness about the HRC's role, educate audiences about human rights and protected classes, provide outreach to diverse community segments, and create opportunities to listen to community concerns. Each presentation will be tailored to the specific audience and may include information about discrimination prevention, the complaint process, and available resources. This activity supports the vision themes of Community Awareness, Education/Outreach, and Listening to Community.

STORY STITCH EVENT

Story Stitch is a community dialogue facilitation methodology that creates safe spaces for people to share personal stories and build understanding across differences. The Commission will either facilitate a Story Stitch event directly or bring in trained facilitators to lead this community conversation. This event will provide an opportunity for community members to share their lived experiences related to identity, discrimination, belonging, and human rights. Through storytelling and guided dialogue, participants will build empathy, discover common ground, and strengthen community connections. This activity aligns with the vision themes of Education/Outreach, Our Role, and Listening to Community.

BRAVER ANGELS EVENT

Braver Angels is a national organization dedicated to bridging political divides and fostering constructive dialogue across ideological differences. The Commission will either facilitate a Braver Angels workshop or bring in certified Braver Angels facilitators to lead a community event. This structured dialogue will help participants understand different perspectives, reduce contempt and hostility, and find common ground despite political or ideological differences. The event will contribute to building a more cohesive community where diverse viewpoints can coexist respectfully. This activity supports Education/Outreach, Our Role, and Listening to Community vision themes.

QUARTERLY WORKPLAN & BUDGET REVIEW

The Commission will conduct quarterly reviews of its work plan progress and budget expenditures to ensure accountability, transparency, and effective use of resources. These reviews will allow commissioners to assess which activities are meeting their goals, identify any needed adjustments to priorities or approaches, track spending against the annual budget, and ensure alignment with the Commission's vision themes. Regular review creates opportunities for learning, course correction, and strategic planning. This activity reflects the Commission's commitment to responsible stewardship of public resources and effective governance as outlined in Article 10 of the Commission By-Laws.

COMMUNITY EVENT PARTICIPATION & VOLUNTEER ENGAGEMENT

The Commission will actively participate in and volunteer at established community events throughout the year to increase HRC visibility, demonstrate collaboration with community partners, and engage directly with diverse community members. Target events include Stomp on Stigma (mental health awareness), Pride celebrations (LGBTQ+ support), Soup on the Street (food security and homelessness), Indigenous People's Day, and other community gatherings as opportunities arise. Through this hands-on engagement, commissioners will staff information tables, distribute educational materials about human rights protections, assist with event logistics, and engage in conversations with community members about discrimination and available resources. This visible presence helps vulnerable populations feel uplifted and supported while educating the broader community about human rights. The Commission remains open to participating in additional community events that align with its mission and vision themes. This activity supports Community Awareness, Collaboration, and Listening to Community vision themes.

COMMISSIONER TRAINING AND EDUCATION (ONGOING)

Actions or decisions by the Grand Rapids Human Rights Commission to provide freedom from discrimination require knowledge about the types of prohibited discrimination and ways in which these types of discrimination may occur in employment, housing, real property, public accommodations, public services, education, and unfounded charges (City of Grand Rapids Rules, Division 6 Sec 2-301). The Commission plans to identify and support commissioner training opportunities and activities throughout the year. This may include approaches such as outside speakers, presentation or event sponsorship, community meetings, interviews, identifying and sharing of pertinent news articles or reports, and/or other methods. Commissioner training and education will be an ongoing objective and activity that strengthens the Commission's capacity to serve the community effectively.

Notes:

During the year, adjustments may be made to reflect changes in costs, changes in priorities, changes in format or delivery methods, or identification of human rights concerns that were not identified in compiling the preceding list but which the Commission feels need to be addressed. Examples include:

- a. Possible adjustments could occur due to identifying new or incidental human rights concerns related to protected groups and areas from the [Minnesota Human Rights](#) and other state statutes and regulations:

Human Rights at Home:

THE ROLE OF THE CITY OF GRAND RAPIDS
HUMAN RIGHTS COMMISSION

Human Rights Matter Here

- Human rights are everywhere – they show up in housing, schools, jobs, public spaces, and daily interactions.
- Minnesota has one of the strongest Human Rights Acts in the country - **EVERY PERSON** is covered and protected
- Our city ordinance mirrors that law because rights only matter if they are known, understood, and accessible locally.
- A Human Rights Commission exists to help bring visibility, accessibility, and meaning to law in every day community life.

Our Legal Foundation

- Established May 24, 2004 under City Code Division 2-V-6.
- One of 5 local City commissions north of the metro
- We are a 9-member Commission
 - All-volunteer
 - Appointed by City Council.
 - Three-year terms, renewable
- Role is education, awareness, listening, and advising
- Not an enforcement or investigative body

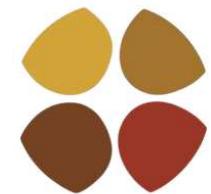

Our mission is to promote a community of harmony and respect for the rights and dignity of all

Our Purpose

- Recognize and prevent discrimination and inequalities in the daily life of the community

Funding Reality

- Historically, the City has provided modest but meaningful support (e.g., \$7,500 in recent years).
- 2026 is the first year in recent memory with no allocated funding, due to fiscal constraints and the goal of a 0% levy following federal cuts.
- The work continues – but partnership, collaboration, and community support matter more than ever.
