Public participation is welcome in the following ways:

- Attend in person. Please refrain from attending in person if you are not feeling well.

Include the agenda item or agenda item number in the subject line, and include the name of the commenter and either an address or whether the commenter is a city resident. Written communication received by that time will be shared with the City Commission and appropriate City staff for consideration during the agenda item and before final vote on the matter; and, will be so noted in the official record of the meeting.
- Call-in. Call in during specific public comment periods at [406-761-4786](tel:406-761-4786). Please note that the call in option may not be the most ideal option as there is a time delay between what is being aired/streamed and the live meeting, and there may be significant waiting times depending on how many calls are in the queue. Public would need to watch the meeting through the viewing methods listed above and call in when prompted by the Mayor. Calls will be taken in the order in which they are received.
