Please describe your interest in serving on this board/commission?
As a lifetime Great Falls resident, I take pride in the community's ongoing growth and development. I believe a strong airport is key to the north-central Montana region's long-term success. Recruiting professionals from outside the state to work at businesses such as our local financial institutions and healthcare organizations requires us to offer convenient, affordable flights so that moving to Great Falls doesn't translate into having limited access to visit one's friends and relatives out-of-state. As an avid personal traveler and businessperson in the community, I believe I could contribute to the airport authority board in meaningful ways, ensuring that the Great Falls International Airport is as strong as it can be.

Please describe your experience and/or background which you believe qualifies you for service on this board/commission?
In my role as a financial advisor, I have spent several years closely monitoring the economics of the airline industry. My profession, combined with the fact that I was raised in Great Falls, have also afforded me the opportunity to be well-connected with the community as a whole, keeping my finger on the pulse of the community's sentiment towards the airport. In my personal life, I travel extensively, utilizing the Great Falls International Airport as my home base. Most importantly, my passion for community development and growth are unparalleled, and I believe those traits would be of great value to the airport authority.
