

Greeley City Council Agenda/Packet - June 20, 2023

City of Greeley Upgrades Meeting Management Portal

The City of Greeley Council meeting agenda and packet are now available on a new site.

To get to the site, visit greeleygov.com and click on the “City Meeting Portal” in the “Top Links” section of the page. You can access the portal directly by typing <https://greeleyco.portal.civicclerk.com> into your browser. Bookmarks to the previous portal should be updated.

The portal allows you the option to subscribe to emails to be notified of board, commission, and council meetings – with links to meeting minutes, agendas, and packets. If you were a previous subscriber in the old system, you will need to re-subscribe. Subscribers in the previous systems also received an email with instructions.

Stay Engaged

In-person and virtual attendance options are available for City Council work sessions and meetings. Council meetings are at 6 p.m. the first and third Tuesday of each month in City Council Chambers at City Center South, 1001 11th Avenue. Work sessions are 6 p.m. the second and fourth Tuesdays. Council meetings and work sessions are livestreamed on the city’s YouTube channel, www.youtube.com/Greeleygovernment. You can also tune in to council meetings on the city’s public access channel, GTV8, on Comcast Channel 8.

If you have any questions regarding the new meeting portal, please contact the Greeley City Clerk’s office at (970) 350-9740 or cityclerk@greeleygov.com.
