**K. Mayor's Report**

Mayor Kudron thanked everyone in attendance, it's interesting what change can bring to our community, we are all so lucky to be in Grand Lake.

As we continue to work on our town's economy, we are missing middle class here as they can't afford to buy something in the community and there are very few rental options. We are starting to fill in those little pieces that are missing in order to make change. To bring new people to our town to start a comfortable life. Grand Lake is special and it should be a place of opportunity for others to come.

**L. Future Items for Consideration**
