3) Aerials/Photo

# 5. NEW BUSINESS/PUBLIC COMMENT

# 6. ADJOURNMENT

### IN ACCORDANCE WITH PUBLIC ACT 267 (OPEN MEETINGS ACT) POSTED AND COPIES GIVEN TO NEWSPAPERS

The City of Grosse Pointe Woods will provide necessary, reasonable auxiliary aids and services, such as signers for the hearing impaired, or audio tapes of printed materials being considered at the meeting to individuals with disabilities. All such requests must be made at least five days prior to a meeting. Individuals with disabilities requiring auxiliary aids or services should contact the City of Grosse Pointe Woods by writing or call the City Clerk's office, 20025 Mack Plaza, Grosse Pointe Woods, MI 48236 (313) 343-2440 or Telecommunications Device for the Deaf (TDD) 313 343-9249.

# CITY OF GROSSE POINTE WOODS MEMORANDUM

#### Date: April 20, 2022

#### To: Mayor and City Council

#### From: Frank Schulte, City Administrator Shawn Murphy, Treasurer/Comptroller

#### Re: Proposed 2022-2023 Budget-Revised

The U.S. Department of Treasury issued a Final Rule on The Coronavirus State and Local Fiscal Recovery Funds, a part of the American Rescue Plan that became effective on April 1, 2022. The Final Rule offers a standard allowance for revenue loss of up to \$10 million, delivers broader flexibility and greater simplicity in the program.

The City has been awarded \$1,611,220 and this award amount falls within the allowable standard allowance. By selecting the standard allowance, the City may use the amount awarded for governmental services, with streamlined reporting requirements.

Administration met with the Finance Committee on Thursday, April 14, 2022 to discuss the proposed changes to the FY 2022-2023 budget and recommended the funds be used towards governmental services.

The original proposed 2022-2023 budget included the following allocation of funds:

Employee Recognition Bonus	\$ 87,750
Public Safety Improvement-Locker Rooms	\$ 80,000
Municipal Court Improvements	\$ 45,000
Hampton Road Improvements	\$ 660,000
Total Budget FY 22-23	\$ 872,750
Remaining Funds Available	\$ 732,028

The revised proposed 2022-2023 budget includes the following allocation of funds:

Employee Recognition Bonus	\$ 87,750
Public Safety Wages-Governmental	
Services	\$1,523,470
Total Budget FY 22-23	\$1,611,220
Remaining Funds Available	-0-

Please see the attached American Rescue Plan information that outlines the funds awarded to the City and the revisions made to the FY 2022-2023 Budget.

Please let us know if you have any questions.

Thank you.

Frank Schulte City Administrator

# MEMORANDUM

TO:	Frank Schulte, City Administrator Jim Kowalski, Director of Public Services
FROM:	Scott Lockwood, Consulting City Engineer
DATE:	April 20, 2022
SUBJECT:	Mack and Vernier Intersection Improvements AEW Project No. 0160-0455

Per our discussion over the past several months there have been a number of proposed improvements to the Mack and Vernier intersection which initially stemmed from a request from Wayne County on potential cost share projects using American Rescue Plan Act(ARPA) funds. The proposed scope and funding sources has expanded as we have researched crash data and observed vehicular and pedestrian movements (particularly during morning and afternoon rush hour/school start and end times).

#### Improvement Summary

Highlights of the proposed improvements include:

- 1. Replace all signals with new black mast arm signals
- 2. Improve pedestrian crossings including new push buttons and improved striping of crossings
- 3. Remove direct left movements at the intersection (I.e. all lefts will be Michigan lefts)
- 4. Provide a larger center island and landscaping
- 5. Reconfigure and re-landscape median islands west of Mack Avenue
- 6. Improvements to Sunningdale Park Drive by providing
  - a. A new black mast arm signal
  - b. A dedicated left turn lane for westbound Vernier onto Sunningdale Park
  - c. A new pedestrian crossing at Sunningdale Park
  - d. Removing the westbound Vernier turnaround just west of Sunningdale park

Attached is a schematic drawing of the proposed revisions.

#### **Community Support**

The proposed improvements will improve vehicular movements at the intersection. More importantly, the proposed improvements will greatly improve safety of

pedestrians(particularly school children) crossing the intersections at Mack and Vernier and Sunningdale Park.

Several years ago Grosse Pointe Public Schools (GPPS) had a study completed to identify ways to improve the safety of their students' commute to school. The recommended proposed improvements coincide with improvements identified in the GPPS study. We have met with GPPS and they will be pursuing Safe Routes to School grants to help offset the cost of the project. They have also provided a letter of support for the project.

We have met with traffic officials from Wayne County and they are in full support of the proposed project and will be providing a letter of support.

#### Cost Summary

Following is a cost estimate with breakdown by potential funding sources:

Total Project Cost	\$1,750,000	
Wayne County (ARPA)	\$660,000	*
GPW	\$340,000	*
Safety Grant	\$750,000	

\* Wayne County and GPW amounts are subject to reduction if GPPS successfully receive Safe Routes to Schools funding, max available \$440,000.

#### Recommendation

The cost information above is based on successful acquisition of an MDOT Safety Grant. \$750,000 is the maximum amount allowed for a Safety Grant. Based on traffic counts, accident data, amount of pedestrian traffic (mostly school children) and the antiquated signals and turning movements at the existing intersection we feel this is a very good application for Safety Grant funding. The next application for Safety Grants are due May 1, 2022. If approved, it is anticipated this project would be completed Summer, 2024. We will complete the application on behalf of the City for a cost of \$2,000.

Mr. Frank Schulte, City Administrator City of Grosse Pointe Woods 20025 Mack Plaza Drive Grosse Pointe Woods, Michigan 48236

Reference: Vernier and Mack Safety Grant Application

Dear Mr. Schulte:

The purpose of this letter is to express the support of the Grosse Pointe Public School System (GPPSS) for the proposed signal upgrade at the intersection of Mack Avenue and Vernier Road from diagonal span to mast arm with signal phasing improvements and upgrade in turn movements using typical Michigan lefts in lieu of direct lefts. In addition, GPPSS supports the new signal installation at the intersection of Vernier Road and Sunningdale Park Drive.

It is understood these projects are being submitted for an MDOT Safety Program Grant by the City of Grosse Pointe Woods. Proposed improvements are also included in the GPPSS Safe Routes to Schools Study and are very much in line with the GPPSS vision for making our students' commute safer.

Please feel free to contact me if you require additional information.

Sincerely,

Dr. M. Jon Dean Superintendent
