VISION STATEMENT

We envision a distinctive community:

- That prospers while and by protecting its natural resources;*
- With a sustainable economy and infrastructure that assures public health and safety while promoting personal development and initiative; and*
- Where all members take social responsibility and actively participate in decision making affecting growth, development, regulation and enforcement; and*
- In which people retain a closeness with and caring for each other individually and collectively while working together to accomplish community goals and preserve community traditions.*
