VISION STATEMENT

We envision a distinctive community:

- *That prospers while and by protecting its natural resources;*
- *With a sustainable economy and infrastructure that assures public health and safety while promoting personal development and initiative; and*
- *Where all members take social responsibility and actively participate in decision making affecting growth, development, regulation and enforcement; and*
- *In which people retain a closeness with and caring for each other individually and collectively while working together to accomplish community goals and preserve community traditions.*
