

The May 7, 2025 meeting was called to order at 2:00 pm by Town Supervisor Tollisen in the A. James Bold Meeting Room with the following members present:

Kevin J. Tollisen, Supervisor
Paul L. Hotaling, Councilman
John P. Wasielewski, Councilman - Excused
Jeremy W. Connors, Councilman - Excused
Eric A. Catricala, Councilman
Kelly L. Catricala, Town Clerk
Lyn A. Murphy, Town Attorney
Cathy L. Drobny, Deputy Town Attorney

PLEDGE OF ALLEGIANCE and MOMENT OF SILENCE

Supervisor Tollisen: Welcome to our only afternoon Town Board Meeting, and we do this to say thank you to all our Seniors and thank you to all our seniors that are at the meeting today. Please plan on staying after the meeting to have a special treat provided by the Town of Halfmoon. We do have a special presentation this afternoon, always at the afternoon meeting in May, we ask our Superintendent, Dr. Robinson to come and say a few words on behalf of Shenendehowa Schools. Superintendent, welcome, we are glad you are here with us, please come up.

PRESENTATION: DR. L. OLIVER ROBINSON, SUPERINTENDENT OF SHENENDEHOWA CENTRAL SCHOOL DISTRICT, 2025-2026 SCHOOL BUDGET.

Dr. Robinson: Thank you Supervisor Tollisen, it is always a pleasure to join you and to give you an update on the school budget. I have with me here today, Dr. Cecily Wilson-Turner, and we enjoy coming to the Town of Halfmoon, not only for the treats, but because the Town Board has always been welcoming to us, and I would like to thank the entire board for that. I will be retiring at the end of this school year, so after 30 plus years with 20 at Shen, I will be starting the next chapter. This is my twentieth time here reporting on the budget, and our focus is the same, that the new school year will be as good or better than the school year before, keeping in mind the tax implications to our community. The budget we put out this year is around 4.4 percent increase, and the tax implication for most will be flat. The budget vote will be on May 20th with the first referendum being the budget, the second, a vote on the purchase of buses. I am waiting to hear from the State about mandates on the electric buses, as we are looking to purchase two additional electric buses. The last and certainly not the least, we have three seats on the Board of Education for re-election, with two incumbents running. We urge you to come out and vote, the voting will be held at the Gowana Middle School on May 20th, and if you cannot make it out to the polls, as for an Absentee Ballot. Many forget that these are available and to ask for one. So please ask for one to exercise your civic responsibility. The last piece I would like to talk about is that we will be celebrating our 75th anniversary of Shenendehowa Central School District. The celebration will take place on Saturday May 17th and will be from 10:00 am to 3:00 pm. with a wide variety of activities. The Halfmoon Town Historian, Lynda Bryan, has been involved in helping us with gathering that wonderful history. It's going to be a great time. I am going to end as I started, I want to thank you all, it has been a pleasure coming here the past 20 years, and these are the things I will miss most about my job. If anyone has questions, I would be happy to answer them at this time.

Supervisor Tollisen: Hearing from no one, I would like to thank Superintendent Robinson and congratulate him on his next chapter. Don't be a stranger!

Councilman Hotaling: Dr. Robinson, I would like to thank you for your dedication and being open-minded when coming here to speak, and I would like to wish you the best on your next chapter.

Dr. Robinson: Thank you, I appreciate that.

Why finance?

- Lower Upfront Costs. Get the products you need without impacting cash flow. Preserve your working capital and existing credit line.
- Flexible Payment Terms. 100% financing with no money down, payment deferrals and payment schedules that match your company's business cycles.
- Predictable, Low Monthly Payments. Pay over time. Lease payments are fixed and can be tailored to your budget levels or revenue streams.
- Technology Refresh. Keep current technology with minimal financial impact or risk. Add-on or upgrade during the lease term and choose to return or purchase the equipment at end of lease.
- Bundle Costs. You can combine hardware, software, and services into a single transaction and pay for your software licenses over time! We know your challenges and understand the need for flexibility.

General Terms and Conditions:

This quote is not legally binding and is for discussion purposes only. The rates are estimate only and are based on a collection of industry data from numerous sources. All rates and financial quotes are subject to final review, approval, and documentation by our leasing partners. Payments above exclude all applicable taxes. Financing is subject to credit approval and review of final equipment and services configuration. Fair Market Value leases are structured with the assumption that the equipment has a residual value at the end of the lease term.

SUBJECT: Creation of Appropriations

A resolution is necessary to create the following budget amendment of appropriations and revenues in the Special Revenue Fund for engineering fees for on-site quality inspections. These funds are developer’s monies held in escrow by the Town in a regular checking account and used for the payment of costs for that particular project. This resolution is necessary to comply with proper accounting procedures as set forth by NYS Department of Audit and Control.
