Bob White Beach North – Road Improvement S.A.D. **First Public Hearing to Establish S.A.D.**

Information Packet:

Hamburg Township has been approached by residents living along a portion of the private roads, Bob White Beach Boulevard and Crescent Avenue, requesting that their roads be improved through a Township financed special assessment district. This project would consist of the establishment of a S.A.D. with the road improvements constructed by the Contractor hired by the property owners. Based upon property owner response, there are enough petitions to proceed with creating the district.

The following items have been included for the Board's review:

1. **Notice of First Public Hearing:**
 - A. Affidavit of Mailing
 - B. Hearing Cover Letter
 - C. Notice of Improvement Hearing – per Public Act 188 requirements
 - D. Mailing List of Property Owners included in S.A.D.
 - E. Revised Estimate of Cost for the proposed Road Improvement S.A.D.
 - F. Proposed Bob White Beach North Special Assessment Roll
 - G. Request to be Removed from Special Assessment District

2. **Project Resolution(s):**
 - **Resolution No. 3** – Resolution Approving Petitions, Project, Cost Estimates, Special Assessment District and Causing the Special Assessment Roll to be Prepared
 - **Resolution No. 4** – Resolution Acknowledging the Filing of the Bob White Beach Boulevard Special Assessment Roll, Scheduling a Hearing and Directing the Issuance of the Statutory Notices

NOTE: Resolution No. 4 will set the date and time for the second public hearing to be held to adopt the Assessment Roll. I am recommending that the 2nd public hearing be scheduled for **Tuesday, December 19th, 2023 beginning at 6:30 p.m.** to allow enough time for notice to be published in the newspaper as well as mailing individual notices to property owners.

The Bob White Beach North Road Improvement district will be included on the upcoming bond issue along with a number of other Road Improvement projects.

Re: **Bob White Beach North – Road Improvement Special Assessment District**
Notice of First Public Hearing

Dear Property Owner,

Enclosed is a copy of the Notice of Improvement Hearing to establish the Bob White Beach North road improvement special assessment district (SAD). Details of the proposed road work is described in the enclosed Notice. The proposed road rehabilitation project will be designed, scheduled and constructed by the property owners' designated Contractor(s).

The Township Board has scheduled the first public hearing for Tuesday, November 21st, 2023 to begin at 6:30 p.m. at the Township Offices located at 10405 Merrill Road. The purpose of the meeting is to discuss the desire to establish the district, the district boundaries and the estimated cost of the project. The estimated road improvement project cost is \$212,300.00 which will be split equally among 36 parcels in an assessment of \$5,897.23 per parcel plus interest charges under a ten (10) year bond re-payment schedule. Please be advised that the estimated cost per parcel has increased as a result of a property owner requesting to combine their multiple parcels into a single parcel. At this time, the estimated interest rate has been increased to 5.50% at the advice of our bond counsel based on current market conditions, however, this is only an estimate and the final interest rate will not be known until the bond to finance the road maintenance districts has been sold next year.

Any property owner or owners who wish to object to the SAD or to remove their support for the project must submit a letter in writing to the Township by the first public hearing on November 21st. Requests to rescind your signature(s) from the petition must also be received in writing prior to the end of the public hearing. Letters may be addressed to me or the Township Clerk, Michael Dolan, and mailed to Hamburg Township, P.O. Box 157, Hamburg, MI 48139. If after the first public hearing there is still enough support to move forward with establishing the special assessment district the Board will pass a resolution to schedule the 2nd public hearing for the purpose of discussing the Assessment Roll and adoption by the Township Board which will authorize the collection of the special assessments that will first appear on the December 1, 2024 tax bill.

If you would like to discuss the road improvement project before the public hearing please feel free to contact the Township Supervisor, Patrick J. Hohl, at (810) 231-1000 Ext. 202 or his direct line at (810) 222-1116 or via email at pathohl@hamburg.mi.us.

This letter is regarding the - Bob White Beach North – Road Improvement Special Assessment District

We are requesting that our property 15-27-401-014 be removed from this SAD. The reason for this request is we are the only property owners that are included in the SAD that do not utilize a driveway on Bob White Beach. All others listed in the SAD have a driveway on Bob White Beach.

We have a storage pad for our RV located off Bob White Beach, but that is no different than all the other Pine Bluff homeowners that store things like we do. There are many off season pontoon boats stored off Bob White Beach. There are storage buildings and other items stored off Bob White Beach by Pine Bluff homeowners. These homeowners are not in the SAD. Therefore, out of fairness, we are requesting that our property be removed from the SAD or those properties be added to it. We have attached pictures of storage examples with parcel IDs.

Thank you for your action on our request.

(2) The proposed special assessment roll for the District (the “Roll”) has been prepared and is now on file in the office of the Township Clerk and is available at such office for public examination during the hours the Township Hall is regularly open to the public for business.

(3) The Township Board will conduct a public hearing beginning at 5:30 p.m., local time on Tuesday, December 19, 2023, at the Hamburg Township Hall, 10405 Merrill Road, Hamburg, Michigan to explain and answer questions pertaining to the Roll and to hear objections to the Roll. Any person objecting to the Roll must file his or her objections in writing before the close of the public hearing or within such additional time (if any) as the Township Board may grant.

(4) The owner or other person having an interest in property that is specially assessed is entitled to file a written appeal with the Michigan Tax Tribunal within 30 days after confirmation of the Roll. However, appearance and protest at the public hearing are required by law in order to appeal the special assessment to the Michigan Tax Tribunal. An owner or other party in interest or his or her agent may (1) appear and protest in person at the hearing or (2) file an appearance and protest by letter before the close of the hearing.

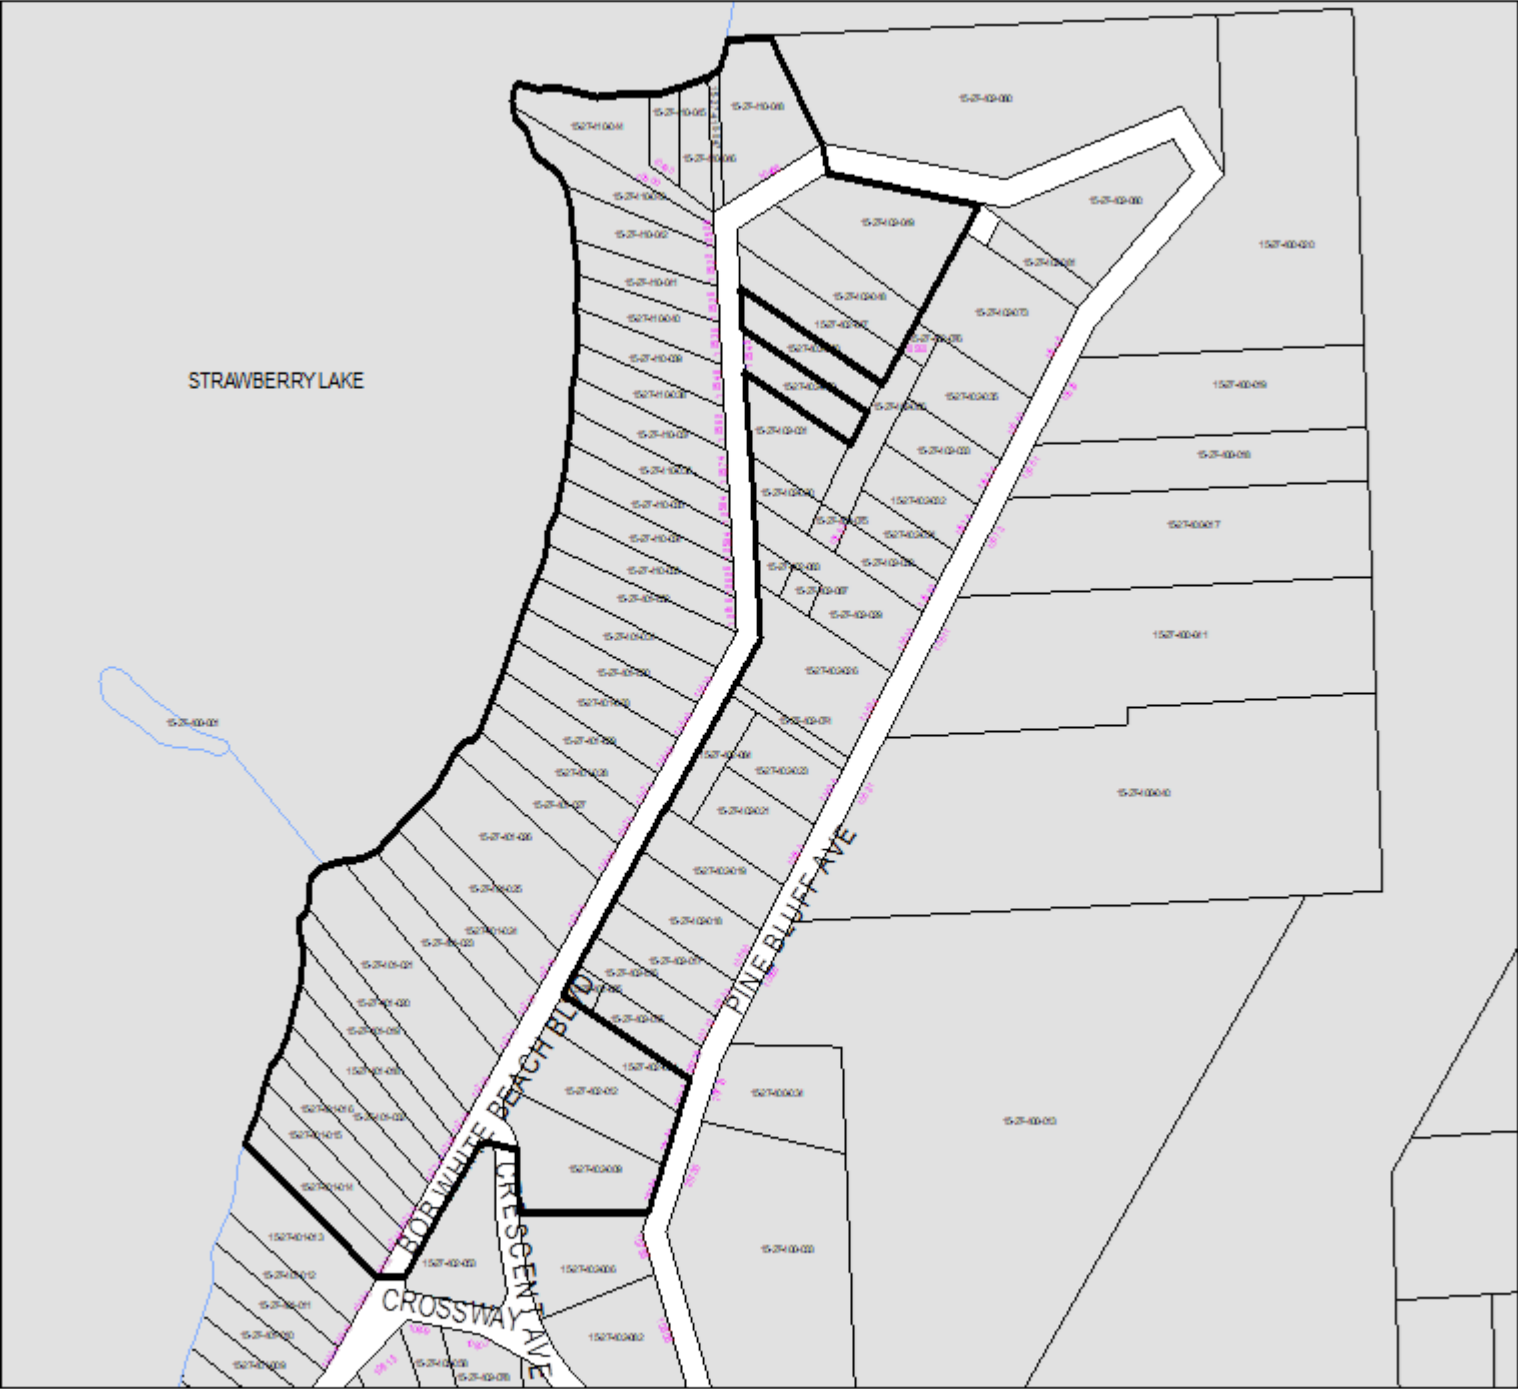

The Township Board will maintain a record of the persons who appear and protest at the hearing. If the hearing is terminated or adjourned for the day before a party is provided the opportunity to be heard, a party whose appearance was so recorded shall be considered to have protested the special assessment in person.

This notice is given by order of the Hamburg Township Board.
