Hamburg Township Aquatic Weed Control S.A.D.

Second Public Hearing to Establish the S.A.D. & Resolution to Adopt Assessment Roll

Information Packet:

Hamburg Township has received petitions from the property owners abutting or having deeded access to Gallagher Lake, Strawberry Lake, Long (Loon) Lake, Zukey Lake and a portion of the Huron River requesting to establish a special assessment district for the purpose of providing aquatic weed and algae control services for a 10-year period. After the first public hearing, it was determined that there was enough support to proceed with establishing the S.A.D.

- The maintenance district will be a “**self-funded**” S.A.D. that will pay for the services annually through an assessment on the winter tax bills.

The following items have been included for the Board’s review:

1. **Notice of Second Public Hearing:**

- A. Affidavit of Mailing

- C. Notice of Improvement Hearing – per Public Act 188 requirements
- D. Updated Estimate of Cost
- E. Supervisor’s Assessment Roll Certification
- F. Proposed Special Assessment Roll for the Aquatic Weed Control S.A.D.
- G. Letters of Objection to S.A.D.

Re: Hamburg Township – Aquatic Weed Control Special Assessment District
2nd Public Hearing Notice – August 16th, 2022 @ 6:00 P.M.

Dear Property Owner:

Enclosed please find the official Notice of the Second Public Hearing for the Hamburg Township – Aquatic Weed Control Special Assessment District. The meeting will be held on Tuesday, August 16, 2022 beginning at 6:00 p.m. at the Township Hall. The purpose of this meeting is to provide each property owner with the amount of their assessment for the proposed aquatic weed control district.

During the public hearing, the Board will answer questions and hear any objections pertaining to the Assessment Roll. Any person objecting to the Roll must file their objections in writing with the Township Clerk before the close of the public hearing. Please read the Notice carefully for further details regarding the statutory requirements to formally object to the Assessment Roll.

The amount of the assessment for the first year to establish the district shall be \$98.00 per parcel for those lots with deeded lake access, \$173.00 per parcel for waterfront lots, and \$3,000 and \$2,250, respectively, for the two marina properties located within the SAD. The district will run over a ten (**10**) year period with the annual assessment to be included on the property taxes. The actual assessment amount will vary each year depending upon the amount of services provided under the prior budget year. Any money left over in the fund will be applied toward the money needed each year to furnish the requested aquatic weed control treatment services. The assessment charge will appear annually on the winter tax bill.

The Assessment Roll is available for inspection at the Township Offices Monday through Friday from 8:00 a.m. to 5:00 p.m. for anyone who wishes to examine the Roll in its entirety. If you have any questions regarding the assessment for your individual property please feel free to contact me at (810) 231-1000 Ext. 210 or via email at bcampbell@hamburg.mi.us.

Sincerely,

Brittany K. Campbell
Hamburg Township Utilities Coordinator

Determination of Assessment Charges:

- (1) **Basic Charge** (\$98 per parcel): All residential properties within the SAD shall be assessed the Basic Charge, deeded lake access not abutting the waters.
- (2) **Waterfront Charge** (\$173 per parcel): Any residential property with any part of the parcel abutting the waters (lake, lagoon, canal) shall be assessed the Waterfront Charge.
- (3) **Lake Access Commercial Charge** (\$271 per parcel): Zoned commercial properties within SAD with lake access which are vacant.
- (4) **Waterfront Commercial Charge** (\$750 - \$3,750 per parcel): All waterfront commercial parcels within the SAD shall be assessed the Base Waterfront Commercial Charge of \$750. The total Waterfront Commercial Charge is determined by multiplying the Waterfront Commercial Charge by a factor number assigned based on the use of the parcel. Some commercial properties derive a greater benefit than others based on the parcel's use. Therefore, the following subcategories define the factor numbers for the commercial properties.

Subcategory	Factor Number
(a) Commercial property not abutting the water	1
(b) Commercial property abutting the water without dockage or boat launch	1
(c) Commercial property with boat launch only	2
(d) Commercial property with slips not providing overnight dockage	3
(e) Commercial property with overnight slips for overnight dockage (less than 50 slips)	4
(f) Commercial property with overnight slips for dockage (with more than 50 slips)	5

- (5) **Exemption:** Parcels that are contiguous to an assessed parcel with the same owner will be assessed once at the highest single parcel assessment level.

(2) The proposed special assessment roll for the District (the "Roll") has been prepared and is now on file in the office of the Township Clerk and is available at such office for public examination during the hours the Township Hall is regularly open to the public for business.

(3) The Township Board will conduct a public hearing beginning at 6:00 p.m., local time on Tuesday, August 16, 2022, at the Hamburg Township Hall, 10405 Merrill Road, Hamburg, Michigan to explain and answer questions pertaining to the Roll and to hear objections to the Roll. Any person objecting to the Roll must file his or her objections before the close of the public hearing or within such additional time (if any) as the Township Board may grant.

(4) The owner or other person having an interest in property that is specially assessed is entitled to file a written appeal with the Michigan Tax Tribunal within 30 days after confirmation of the Roll. However, appearance and protest at the public hearing are required by law in order to appeal the special assessment to the Michigan Tax Tribunal. An owner or other party in interest or his or her agent must file an objection in writing with the Township Clerk before the close of the hearing.

The Township Board will maintain a record of the persons who appear and protest at the hearing. If the hearing is terminated or adjourned for the day before a party is provided the opportunity to be heard, a party whose appearance was so recorded shall be considered to have protested the special assessment in person.

This notice is given by order of the Hamburg Township Board.

Revised 7/28/2022

Determination of Assessment Charges:

Item 1.

- (1) **Basic Charge** (\$98 per parcel): All residential properties within the SAD shall be assessed the Basic Charge, deeded lake access not abutting the waters.
- (2) **Waterfront Charge** (\$173 per parcel): Any residential property with any part of the parcel abutting the waters (lake, lagoon, canal) shall be assessed the Waterfront Charge.
- (3) **Lake Access Commercial Charge** (\$271 per parcel): Zoned commercial properties within SAD with lake access which are vacant.
- (4) **Waterfront Commercial Charge** (\$750 - \$3,750 per parcel): All waterfront commercial parcels within the SAD shall be assessed the Base Waterfront Commercial Charge of \$750. The total Waterfront Commercial Charge is determined by multiplying the Waterfront Commercial Charge by a factor number assigned based on the use of the parcel. Some commercial properties derive a greater benefit than others based on the parcel's use. Therefore, the following subcategories define the factor numbers for the commercial properties.

Subcategory	Factor Number
(a) Commercial property not abutting the water	1
(b) Commercial property abutting the water without dockage or boat launch	1
(c) Commercial property with boat launch only	2
(d) Commercial property with slips not providing overnight dockage	3
(e) Commercial property with overnight slips for overnight dockage (less than 50 slips)	4
(f) Commercial property with overnight slips for dockage (with more than 50 slips)	5

- (5) **Exemption:** Parcels that are contiguous to an assessed parcel with the same owner will be assessed once at the highest single parcel assessment level.

Total Parcel Count:

383 Parcels at \$98.00 - Basic charge, parcels with deeded lake access not abutting the waters.

582 Parcels at \$173.00 - Waterfront charge, those properties abutting the waters.

2 Parcels at \$3,000.00 (Parcel #15-21-400-007) and \$2,250.00 (Parcel #15-22-300-068) - Waterfront Commercial charge, those commercial properties abutting the waters.

Hamburg Township – Aquatic Weed Control Special Assessment District

P.O. Box 157

To Whom It May Concern

I am opposed to the Aquatic Weed Control Special Assessment District.

I have paid over \$600 for weed control over the past few years.

No weed cutter or killer came close to the north east end of Zukey Lake.

I have had my property for over 75 years. We have more weeds after three years of weed control than we have ever had.

Sincerely

Donna Cook

Hi Marybeth,

Thank you for your email. I hope you and Jeff are doing well. I will forward your email to the Township Clerk and to Brittany as a letter of objection to the Aquatic Weed SAD for all four parcels.

Hello Pat,

We want to be sure you know that we (2 parcels) and my elderly mom (2 parcels) are opposed to being asked to pay for the weed control SAD in the Huron chain of lakes. We don't use it, and don't see it - although we hear the partying people more than we care for. Our subdivision, White Lodge, stated to us that they have already registered a 'no' vote on our behalf, but it occurred to me that I should probably follow up individually.

Thank you,
 Marybeth Miller
