Re: Township Coordinator's Report – September 2025

Parks:

Bennett Park & Water Trail Access Improvements Grant TF22-0107: The construction timeline has been updated, and we anticipate a Spring 2026 completion. An extension has been requested from the MDNR and they have forwarded an Agreement Amendment #2 for the Township Board's execution which will be included in the October 7, 2025 meeting packet.

The Hamburg Garden Club has provided a proposal for the Sensory Garden (near the playground) and is working on the Interpretive/Rain Garden (near the launch). Once the plans are finalized, we will forward the proposal and plant selection.

Playground equipment has been selected, and colors selected tie in with the Township branding, staying with the greens, blues, and orange, similar to our logo. It is my hope to create a mock-up of what is coming so we can install a sign at the entrance of West Park. This will be important not only to explain the delays, but also to drum up interest for others to step in and adopt future features. I plan to work with the Disability Network during the planning process in order to tap into their expertise and to ensure that our improvements are universally accessible.

You can find a link to the project plans on the Parks & Recreation home page here:

https://www.hamburg.mi.us/departments/parks_and_recreation/index.php

Or at the project page here:

https://www.hamburg.mi.us/departments/parks_and_recreation/learn_more_about_this_amazing_project_here!.php

The Wind Turbine bench artwork is complete and the Ribbon cutting was celebrated on September 10, 2025 at 3:30 p.m. Updates have been made to the project page on our website, which includes an Artist interview PDF.

https://www.hamburg.mi.us/departments/parks_and_recreation/mdnr_grant_-_wind_turbine_bench_with_art.php

The Lakelands Interpretive Nature Trail Project for Scout Kashian is complete, and the project page is in process. Once the final files are uploaded, I will start on the audio files which will be linked on the same page pending our website updates. I will be working with IT to ensure our site is easy to

use and complies with the ADA requirements for the April 2027 deadline. You can find the project page here:

https://www.hamburg.mi.us/departments/parks_and_recreation/lakelands_interpretive_nature_trail.php

Scout Cox has completed his renovation for the Scout Respite which can be found on the Lakelands Trail, west of Merrill Rd. I will be meeting with him to finalize his paperwork, and updates to his project page will be forthcoming. You can find the link here:

https://www.hamburg.mi.us/departments/parks_and_recreation/scout_trail_respite.php

I have not made any progress on the Park & Recreation Policies & Procedures, so anticipate it will be closer to the end of the year before I have a draft for the committee to look at. I plan to have suggested changes to the park fee schedule as well for the committee to deliberate and comment on.

With Sgt. Paul's retirement, I have been advised that our temporary representative will be Deputy Chief Nisenbaum.

Sunscreen Dispensers are on order and will be installed at Pickleball and Merrill Trailhead (or East Park Playground). I will monitor and if the residents like the addition we can add future dispensers to the adopt a feature program.

Parking lots were re-stripped this week with future plans to re-do/repair the paved surfaces.

ADA

Inspections will be completed as time allows. All updates will be made in the Transition Plan and made available to Township Board for their Budget review process each year for strategic planning.

I had a meeting with the Disability Network and they have offered to review plans for projects during the planning stages in order to provide suggestions prior to construction to ensure accessibility. This will help immensely as they can provide detailed plan reviews and letters of support for future grants we pursue if funding is not obtained.

We received a quote to have a vendor come in once a year to check all doors and adjust for compliant poundage and closure on an annual basis (semi-annual for external doors). I will be obtaining a few more quotes and presenting the bid tab to the Township Board for approval so we can proceed with checking off this transaction plan item for all Township buildings.

Grants:

- The 2022 Trust Fund Grant #TF22-0107 has been extended to Spring 2026.
- Recreation Passport Grant #RP-25-0097 Preliminary score has been received and supplemental documents are due 10/1/25.

- Trust Fund Grant #TF25-0213 Preliminary score has been received and supplemental documents are due 10/1/25.
- A HERO Grant is being pursued for outdoor recreation items at West Park. Cornhole features have been ordered for Village Trailhead and will be installed near horseshoe pits. Hamburg Pub has agreed to be our “library” for rental/use of supplies to play those games.
Note: Games will need to be placed at the Village Trailhead as well since Winkelhaus Park is not ADA Accessible. This property is leased. At the very least, we must provide features in both upper and lower areas.

Ordinances

All changes are uploaded as they are approved and can be found on the Ordinance home page listed under Adopted Ordinances Not Yet Codified:

This policy must be considered when hiring, promoting or transferring any employee.

Should relationships addressed within this policy be identified with either candidate for employment or, current employees the matter should be immediately reported to the Human Resource Director and the following policies and procedures will be followed:

The petty cash amount is established by the Township Board. One departmental employee must be designated as the "Petty Cash Custodian". This person will be responsible for the Department's petty cash balance.
2. Original requests for petty cash funds must be submitted to the Department Head for approval using the "Petty Cash Request/Replenishment Form".
3. There are two methods of withdrawing funds from petty cash:
 - a. The reimbursement method: Petty cash may be used to reimburse an individual for a purchase that was made using his/her personal funds. Upon presentation of an original receipt, vendor invoice, or other adequate documentation to support the expenditure, the petty cash custodian will reimburse the individual for the exact amount of the purchase.
 - b. The petty cash custodian may advance petty cash to an individual in anticipation of a purchase. Since the purchase has not yet been made at the time of the petty cash withdrawal, the amount withdrawn may vary from the amount of the actual purchase. Documentation must be submitted to the petty cash custodian within three days of purchase. If the actual expenditure is less than the amount advanced, the individual must return the excess cash together with valid documentation of the expenditure. If the actual expenditure was more than the amount advanced, the individual may be reimbursed for the excess amount after submitting adequate documentation to support the expenditure.
4. When the fund needs replenishing, the petty cash custodian will summarize all expenditures on the "Petty Cash Request/Replenishment Form". The total of all invoices and petty cash vouchers must equal the total of the summarized expenditures. The completed "Petty Cash Request/Replenishment Form" must be signed by the petty cash custodian and approved by the Department Head and submitted to the Accounting Department.
5. Once the Accounting Department has reconciled the activity, they will process the replenishment of the petty cash balance.
6. Petty cash should be secured at all times.

HAMBURG TOWNSHIP

ADMINISTRATIVE POLICIES & PROCEDURES MANUAL

7. A petty cash expenditure is no different from any other expenditure in that all withdrawals from petty cash must be supported by adequate vendor documentation and budgeted funds must be available for the purchase. The employee making the purchase must write on the receipt what was purchased and for what purpose.

1. **Safety** – Safety of principal is the foremost objective of the investment program. The primary objective of the Hamburg Township investment activities is the preservation of capital in the overall portfolio and the protection of investment principal.
2. **Diversification** – The investments shall be diversified or restricted by specific maturity dates, individual financial institution(s) or a specific class of securities as may be set forth by Board amendment to this policy and in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.

Further, it is specifically intended that an investment strategy that ensures short term (two years or less) versus longer term be followed.
4. **Return on Investment** – Subject to the foregoing constraints, Hamburg Township will strive to maximize the return on the investment portfolio. The portfolio shall be designed with the objective of obtaining a rate of return appropriate to existing budgetary and economic cycles, taking into account the investment risk constraints and cash flow characteristics of the portfolio.

6.4 Freedom of Information Act Requests

Updated by Board of Trustees xx/xx/xx

Pursuant to P.A. 1976 No. 442, as amended, and MCL 15.231, as amended (Freedom of Information Act – FOIA) Hamburg Township provides access to all Township public documents except those or portions of those exempt from release under FOIA. The policies and procedures herein are intended to implement the requirements of FOIA and the release of documents that exist at the time any requests for them are made.

All requests for copies of public documents or to review public documents must be in writing with the exception of the following:

1. Copies of assessment/tax records by the property owner of his/her own property.
2. Copies of assessment/tax records that are reasonable and readily available at the time of the request.
3. Copies of all current meeting agendas.
4. Copies of all current minutes.

HAMBURG TOWNSHIP

ADMINISTRATIVE POLICIES & PROCEDURES MANUAL

All written requests shall describe the public record or records requested sufficiently to enable the FOIA Coordinator to find said public record.

A written request ~~made by facsimile~~ submitted through the FOIA Portal, electronic mail, or other electronic transmission, is not logged as received by the FOIA Coordinator until one (1) business day after the electronic transmission is made. For a request to be considered a sufficient writing to satisfy the FOIA, it must contain the following:

1. The name, address and contact information (i.e. phone number, email address) of the requester.
2. A statement indicating that the requester will pay the costs allowable under the FOIA, or documentation that the requester is receiving public assistance or other facts showing inability to pay due to indigence.

Generally, oral requests for documents do not constitute a request under FOIA. However, if a citizen making an oral request is disabled, either temporarily or permanently, so that he/she is unable to make the request in writing, special accommodations must be made. It is the duty of the department receiving the request to write out the request for the citizen as an accommodation under American Disability Act (ADA). Once written, the request should be processed as a formal request under FOIA.

6.4(a) FOIA Coordinators - The Township Board shall appoint a FOIA Coordinator. The FOIA Coordinator may designate another individual(s) to act on his or her behalf in accepting and processing requests for the public body's public records, and in approving a denial pursuant to FOIA.

6.4(b) Processing - Often times a request for documents under FOIA will be received by the specific department. The request must be immediately turned over to the FOIA Coordinator for processing. The FOIA Coordinator in turn will request and receive from the appropriate departments, the requested documents together with a memorandum regarding the request, listing the staff time involved in retrieving ~~and redacting the documents~~. The FOIA Coordinator shall review the departmental response for both compliance with the Township policy and consistency with the Township's response to similar requests. Any required changes shall be immediately discussed with the responding department or, if appropriate, the Township Attorney. The responding department shall immediately make any changes directed by the Coordinator and provide the Coordinator with revised documents as may be necessary.

The department will provide the requested records to the FOIA Coordinator no later than four (4) days from receipt of the request. If this is not possible, the department shall notify the FOIA Coordinator immediately. The Coordinator will contact the requesting party and notify them of a 10-day extension of time to respond, if appropriate.

HAMBURG TOWNSHIP

ADMINISTRATIVE POLICIES & PROCEDURES MANUAL

If a department cannot provide a requested record because it does not exist, the FOIA Coordinator will be notified in writing immediately. If a record does not exist in the form requested, or if it is exempt under FOIA, the Coordinator will send a notice of denial, which contains the required appeal information (see Section 6.4(d)).

In the event the request is to view public documents, a monitor (Township staff person designated by the FOIA Coordinator) will be assigned. The requestor shall be notified of the scheduled day and time for the inspection.

6.4(c) Payment of Costs - The requester will be invoiced by the FOIA Coordinator for actual costs in filling the request. These costs are contained in the Administrative Fee Schedule. ~~(insert hyperlink)~~

Except as provided below, no fee shall be charged for searching, examining, reviewing, and deleting and separating exempt from non-exempt material unless failure to charge a fee would result in unreasonable high costs to the public body because of the nature of the request in the particular instance, such as, by way of example, cases requiring advice from legal counsel, additional staffing or other direct expenses not in the ordinary course of business. (If a FOIA request is made for an easily identified document consisting of a few standard size pages, labor for the search, examination, and making deletions under the FOIA would generally not present a case of unreasonably high costs to a public body. In such a case, the Legislature has directed that no charge be imposed. If a request for "any and all" documents as to a particular subject, requires a search of many boxes of records, including review for exempt material which must be or may be deleted (per Section 13 of the FOIA), and if that search, examination, and review involves numerous hours of labor, charges may be imposed to avoid the unreasonably high cost arising from the nature of that particular request.)

In any case where the estimated actual cost to Hamburg Township of responding to a request for a copy of a public record exceeds \$50.00, a good faith deposit equal to 1/2 of the estimated cost of such response shall be required prior to completing the request. The FOIA Coordinator shall be responsible for collecting the computed costs prior to the release of the requested documents.

A copy of a public record shall be furnished, without charge for the first \$20.00 of the fee for each request, to an individual who submits an affidavit that he or she is then receiving public assistance, or if not receiving public assistance, stating facts showing inability to pay the cost because of indigency.

If an individual has an outstanding FOIA bill, the information shall be turned over to the Accounting Department for collections proceedings. The Township cannot refuse to comply with subsequent FOIA requests due to an outstanding invoice.

HAMBURG TOWNSHIP

ADMINISTRATIVE POLICIES & PROCEDURES MANUAL

The Township Board may waive some or all of the costs as may be in the public interest because furnishing copies of the document(s) would be considered as primarily befitting the general public.

6.4(d) Response - The initial response may be either grant or deny the requested documents or extend the time for response up to ten (10) business days. The response either granting or denying access in whole or in part to the requested documents must contain the following:

1. An invoice containing a detailed breakdown and backup of the charges to process the request.
2. Transmittal indicating where the requester may pick up the released documents and pay the appropriate costs. This transmittal shall also include the following statement: *"The Township does not warrant or guarantee the accuracy of the information provided. Rather, it provides the documents only to comply in good faith with the Michigan Freedom of Information Act, and not for any other purpose."*
3. If any aspect of the response is less than a full granting of the request, the final paragraph MUST be inserted exactly as follows:

"If you receive written notice that your request has been denied, in whole or in part, under Section 10 of the Freedom of Information Act, you may, at your option, either 1) submit to the Hamburg Township Clerk a written appeal that specifically states the word "appeal" and identifies the reason(s) for reversal for the disclosure denial; or 2) file a lawsuit in the circuit court to compel Hamburg Township's disclosure of the record. If, after judicial review, the circuit court determines that the Township has not complied with the Act, you may be awarded reasonable attorney's fees and damages as specified under the Act".

4. Material identified as exempt shall be forwarded to the requestor accompanied by a transmittal letter indicating the specific reasons why any material is not being disclosed together with the right to appeal or seek judicial review.

6.4(e) Appeals - Under the Act, the requesting person has the option of pursuing an appeal to the Hamburg Township Board or proceeding to circuit court. If the requesting person wants to appeal to the Township Board, the requester must submit a written appeal that specifically states the word "appeal" and identifies the reason or reasons for reversal of the denial. The Township Board is not considered to have received a written appeal until the first regularly scheduled meeting following submission of the appeal. Within ten days after receiving the written appeal, the Township Board must do one of the following:

1. Reverse the disclosure denial;
2. Issue a written notice to the requesting person upholding the disclosure denial;
3. Reverse the disclosure denial in part and issue a written notice to the requesting person upholding the disclosure denial in part; or

HAMBURG TOWNSHIP

ADMINISTRATIVE POLICIES & PROCEDURES MANUAL

4. Under unusual circumstances, issue a notice extending for not more than 10 business days the period during which the Township Board will respond to the written appeal. The Township Board is prohibited from issuing more than one extension for any particular appeal.

6.4(f) Document Storage - FOIA Documents ~~to be~~ released by the Coordinator shall be held for one year plus one day. If the requester fails to pay the amount due the Township, or fails to pick up the documents, the documents may be recycled, destroyed, or returned to the appropriate department.

6.4(g) Record Keeping - The FOIA Coordinator shall maintain a chronological file of all FOIA requests processed by him/her together with a copy of the document provided, response letter, and invoice. These files must be maintained for a period of one year and one day from the date of response.

Hamburg Township is committed to providing a safe and healthy workplace for all Township employees. The Personnel Policies and Procedures Manual is designed to acquaint you with information about working conditions, employee benefits and Township policies affecting your employment. As the Township continues to grow and as circumstances change, the need may arise and the Township reserves the right to change, delete, add to, deviate from, interpret or cancel, in whole or in part, any of the policies and benefits set forth in the Manual, in its sole discretion, at any time, with or without prior notice. This Manual supersedes and replaces all previous handbooks, policy manuals, rules, regulations, policies and procedures.

New and current employees are expected to maintain a continuing familiarity with the policies described in the Manual. Any employee who does not understand information contained in the Manual should seek clarification by contacting his/her supervisor or Human Resource Department.

2.0 EMPLOYMENT

2.1 Employee At-Will

Township employment is at-will. Accordingly, either you or the Township can terminate the employment relationship at any time, with or without cause, and with or without notice. This at-will employment relationship exists regardless of any other written statements or policies contained in this Manual or any other Township documents, or any verbal statements to the contrary.

No one except the Township Board can enter into an employment relationship or agreement that is contrary to at-will employment. To be enforceable, such relationship or agreement must be in writing, and signed by all members of the Township Board of Trustees or documented in the board meeting minutes.

2.2 Orientation

All new employees will complete the necessary tax withholding and group insurance forms. ~~Human Resources~~ The Accounting department will review policy and organizational matters, and the employee's Department Head will review job tasks. Each new employee will be issued a copy of the current Employee Manual and be required to sign a statement indicating he/she has received the Manual.

2.3 Physical Examination & Drug Testing

All candidates for employment will be required to undergo a pre-employment physical and drug screening prior to employment and after the employee is extended a conditional offer of employment all medical and drug testing results shall be maintained in the employee's confidential medical file.

The Township may require an employee undergo a job-related medical or physical examination to determine if the employee can perform the essential functions of the job following a leave for illness or injury, if the employee is having difficulty performing his or her job effectively, or if an employee's performance suggests there might be a medical problem which could result in the employee posing a direct threat to the health or safety of him/herself or others.

2.4 Length of Service

Length of service is a period of continuous and unbroken employment with the Township. Continuous length of service is not recognized until the employee successfully completes the six (6) month probationary period. At that time, the length of service will date back to the first day of work for the Township after his/her most recent hiring. A former employee who is re-employed will be considered a new employee. In the event the break in service is less than 60 days, the employee's prior length of service will be considered

HAMBURG TOWNSHIP

PERSONNEL POLICIES & PROCEDURES MANUAL

for purposes of determining leave time accumulation only.

Employment seniority/anniversary date is the date that the employee is hired as a full-time employee. Employees originally hired as part-time and converting to full-time status will be assigned the full-time hire date for seniority/anniversary purposes.

2.5 Loss of Service

An employee's employment shall end for any of the following reasons:

- a) Resignation;
- b) Discharge;
- c) Retirement;
- d) Failure to return to work after seven calendar days' notice of the recall from layoff;
- e) Failure to return to work at the expiration of an approved leave of absence; or
- f) Failure to notify employer of absence for three consecutive workdays.

Exceptions to the above policy may be made at the discretion of the Township Board.

2.6 Layoff and Recall

Should it become necessary to reduce the level of staffing for any reason, the Township Board will decide which positions are affected and which employees will be laid off. The Township Board must approve all layoffs. Employees to be laid off will have at least five business days' notice of the layoff or receive compensation in lieu of the five days.

2.7 Performance Reviews

All employees will be evaluated per the performance review procedure as defined in the Administrative Policies and Procedures Manual Section 3.8.

2.8 Personnel Records

An individual personnel file shall be maintained for each employee containing the application or resume, beneficiary designation forms, disciplinary action, record of promotion or transfer, letters of commendation, record of training, and other pertinent data.

These records are maintained by the ~~Human Resource and/or~~ Clerk's Department and are accessible through ~~the Human Resources Department, Deputy Clerk, and/or the employee's Department Head and others as determined by the Clerk~~ the Clerk or designee of the Clerk. In addition, any employee may request to see his/her file, generally not more than twice per calendar year. The file shall be reviewed in the presence of

HAMBURG TOWNSHIP

PERSONNEL POLICIES & PROCEDURES MANUAL

authorized personnel. Upon request, each employee shall also receive a copy of his/her personnel file. The Township may, at its choice, charge employees actual copying costs.

A separate confidential file will be kept for each employee which will contain medical related information, including doctors' notes, medical records, physical examination results, FMLA forms containing medical information, etc.

2.9 Personal Relationships in Employment

Per the Administrative Policies and Procedures Manual section 3.12(a) Nepotism Policy.

The employment of relatives can cause various problems including but not limited to charges of favoritism, conflicts of interest, family discord and scheduling conflicts that may work to the disadvantage of both the agency and its employees.

For the purpose of this policy the term "relative" shall include the following relationships: relationships established by blood, marriage or legal action. Examples include the employee's spouse, mother, father, son, daughter, sister, brother, mother-in-law, father-in-law, sister-in-law, brother-in-law, son-in-law, daughter-in-law, stepparent, stepchild, aunt, uncle, nephew, niece, grandparent, grandchild or cousin. The term also includes domestic partners (a person with whom the employee's life is interdependent and who shares a common residence) and a daughter or son of an employee's domestic partner.

It is the goal of Hamburg Township to avoid creating or maintaining circumstances in which the appearance or possibility of favoritism, conflicts or management disruption exist. Hamburg Township may allow existing personal relationships to be maintained or employ individuals with personal relationships to current employees under the following circumstances:

- Individuals may not work under the supervision of the same manager or department;
- They may not create a supervisor/subordinate relationship with a family member;
- They may not supervise or evaluate a family member;
- The relationship will not create an adverse impact on work productivity or performance;
- The relationship may not create an actual or perceived conflict-of-interest
- They may not audit or review in any manner the individual's work;
- They may not be eligible for employment as a department head if a member of the employee's immediate family (spouse, children, parents, grandparents, brothers, sisters, step family members, in-law family members) serves on the Board of Trustees.

No personal employee relationship covered by this policy will be allowed to be maintained,

HAMBURG TOWNSHIP

PERSONNEL POLICIES & PROCEDURES MANUAL

regardless of the positions involved, if it creates a disruption or potential disruption in the work environment, creates an actual or perceived conflict of interest or is prohibited by any legal or regulatory mandate.

This policy must be considered when hiring, promoting or transferring any employee.

Should relationships addressed within this policy be identified with either candidate for employment or, current employees the matter should be immediately reported to the Human Resource Director and the following policies and procedures will be followed:

- A determination will be made whether the relationship is subject to the agency's Nepotism policy based on the conditions described above.
- If the relationship is determined to fall within one or more of the conditions described in this policy the ~~Human Resource Director~~ **Township Clerk** in consultation with the affected employee supervisor and the Township Supervisor will attempt to resolve the situation through the transfer of one employee to a new position or identifying some other action (e.g., Supervisory reassignment) which will correct the conflict or issue identified. If accommodations are not feasible then, with affected employee suggestions, the ~~Human Resource Director~~ **Township Clerk** in consultation with the Township Supervisor shall determine which employee must resign in order to resolve the situation.

The agency reserves the right to exercise appropriate managerial judgment to take such actions as may be necessary to achieve the intent of this policy.

It is the responsibility of every employee to identify to the Human Resource Director any potential or existing personal relationship which falls under the definitions provided in this policy. Employees who fail to disclose personal relationships covered by this policy will be subject to disciplinary action up to and including the termination of employment.

4.10 Military Leave

If an employee is called to active military duty or to Reserve or National Guard training, or if an employee volunteers for the same, the employee should submit copies of his/her military orders to his/her supervisor as soon as is practicable. A military leave of absence without pay will be granted for the period of military service, in accordance with applicable federal and state laws. A reservist or a member of the National Guard will be granted time off without pay for required military training. Eligibility for reinstatement after military duty or training is completed, and entitlement to benefits during and after leave, is determined in accordance with applicable federal and state laws.

4.11 Family and Medical Leave Act

Hamburg Township complies with the Family Medical Leave Act (FMLA) of 1993, as amended. This Policy is not meant to be all inclusive and merely highlights the provisions of the FMLA, which are subject to detailed and specific regulations. The FMLA statute and regulations control in the event that there is any inconsistency between the statute or regulations and this policy. Employees who have worked for the Township for at least 12 non-consecutive months and who have worked at least 1,250 hours during the 12 months immediately preceding the request for leave are eligible for up to 12 weeks of unpaid leave under the Family Medical Leave Act for reasons allowed under the Act, including any of the following:

Birth and care of a newborn child or placement for adoption or foster care of child with the employee, within 12 months of the birth or placement.

Care of an immediate family member who has a serious health condition. An immediate family member is a spouse, child or stepchild, or the parent or parent-in-law of the employee.

An employee's own serious health condition that makes the employee unable to perform one or more of the essential functions of his or her job.

A qualifying exigency arising out of the fact that the employee's spouse, son, daughter or parent is a covered military member on "covered active duty."

Military Caregiver Leave of twenty-six weeks of leave during a single 12-month period is also available to care for a covered service member with a serious injury or illness if the eligible employee is the service member's spouse, son, daughter, parent or next of kin.

An employee may be required to provide 30 days' advance notice for Family Medical Leave that is foreseeable. Employees requesting leave for their own, or a covered family member's serious health condition will be required to provide medical certification to substantiate their leave request. The Township reserves the right to request periodic updates, a second or third opinion, or recertification, at any time. Any such second

HAMBURG TOWNSHIP

PERSONNEL POLICIES & PROCEDURES MANUAL

opinion examination shall be paid for by the Township. The Township may also request 30-day periodic reports from the employee's health care provider, or the health care provider of a covered family member. Failure to provide the requested certification or recertification in a reasonable time, may result in the leave being determined to be an unauthorized leave and may subject the employee to disciplinary action.

In the event that an employee takes leave under the Family and Medical Leave Act, the employee is entitled to return to his/her position, or in the event that position has been filled, to an equivalent position with equivalent pay, benefits, seniority and responsibilities.

Family Medical Leave is unpaid, unless the employee has available paid leave time to use. Employees are expected to exhaust all paid leave while taking Family Medical Leave, prior to taking unpaid Family Medical Leave. Family Medical Leave time will run concurrently with worker's compensation leave, leave covered by disability insurance, and/or use of paid leave during eligibility for FMLA leave. Paid and unpaid leave pursuant to the FMLA will be counted against the employee's FMLA entitlement where the employee is FMLA eligible.

In circumstances where the employee does not request FMLA leave, the Township may deem an employee's absence to be Family Medical Leave where appropriate.

Under some circumstances, employees may take intermittent FMLA, which means taking leave in blocks of time or by reducing the normal weekly or daily schedule. FMLA leave may be taken intermittently when it is medically necessary to care for a seriously ill family member, or because the employee is seriously ill and unable to work. If the need for intermittent leave is foreseeable based on planned medical treatment, the employee is responsible for scheduling the treatment in a manner that does not unduly disrupt the Township's operations, subject to the approval of the health care provider. In such cases, the Township may also transfer the employee temporarily to an alternative job (if available) that better accommodates recurring periods of leave than the employee's regular job.

Leave for birth or adoption (including foster care placement) must conclude within twelve months of the birth or adoption. When leave is taken for birth or adoption, the use of intermittent leave is subject to the Township's approval.

The Township shall calculate the twelve (12) month period during which the employee is entitled to FMLA leave by a "rolling" year. Each request for a FMLA leave will be evaluated based on the amount of the FMLA leave taken in the twelve (12) month period prior to the start of the new requested leave.

HAMBURG TOWNSHIP

PERSONNEL POLICIES & PROCEDURES MANUAL

The Township's obligation to continue to maintain health benefits will stop if and when the employee informs the Township of the intent not to return at the end of the leave, or if the employee fails to return at the end of the FMLA leave. Benefits that operate on an accrual basis will not accrue during any period of unpaid leave under this policy. Seniority will not accrue during any period of unpaid leave under this policy. Use of FMLA will not result in the loss of any benefit that accrued before the employee leave began. Any FMLA leave will not be counted as a break in service for purposes of vesting or eligibility to participate in a benefit program.

This Social Media Policy incorporates all other Township policies including those governing discrimination, harassment, and ordinary ethical obligations. Violation of Township Policies in any way, including through the use of social media, may lead to disciplinary action up to and including termination of employment.

HAMBURG TOWNSHIP

PERSONNEL POLICIES & PROCEDURES MANUAL

Individuals using Township resources, including but not limited to, Township provided email and instant messaging tools, computer equipment, internet, or other information systems, or network(s) have no expectation of privacy except where applicable law provides differently. No Township employee or individual official has the authority to verbally provide any expectation of privacy contrary to this written policy.

The Township Board of Trustees adopts the following guidelines regarding use of social media:

1. Be Honest About Who You Are

Transparency is important when using social media. Posting anonymously should be avoided. When the conversation relates to the Township, or its business, the fact that you are associated with the Township may be relevant to conversations, even if you are not an official spokesperson. You need to disclose your relationship with the Township whenever you participate in these discussions.

2. Township Resources

Township computers, internet and other communication tools are not to be used for accessing social media or participating in online conversations. Social networking activities must not interfere with an employee's primary job responsibilities. Employees are prohibited from the personal use of online and/or electronic resources during work hours. This includes but is not limited to the personal use of social media.

Individuals who post on any Township Facebook or Twitter page must abide by this policy and all other Township Policies, including those regarding ethics and those that prohibit harassment.

3. Treat Everyone with Respect

The Township expects you to abide by the same standards of behavior both in the workplace and in your social media communications. Do not use ethnic or other slurs, profanity, personal insults, defamatory or harassing communication. Do not engage in any communication that would not be acceptable in the workplace.

4. Make it Clear that Stated Views are Your Own and Correct Your Mistakes

Make sure that, even when you have identified yourself as working for the Township, you are clear that your views and opinions are your own and not those of the Township. Also correct your mistakes, and do not alter previous posts without indicating that you have done so.

HAMBURG TOWNSHIP

PERSONNEL POLICIES & PROCEDURES MANUAL

5. Use Common Sense and Good Judgment

You are personally responsible for your words and actions, both online and offline. Your posts can potentially tarnish the image and damage the reputation of the Township or infringe on the rights of someone else. Although you have the right to express yourself, that does not mean that there are not consequences.

6. Respect Proprietary Information Content, Trademark and Copyright Laws

Always cite and obtain permission when quoting someone else. Make sure that photos, music, video or other content that you are sharing is legally sharable or that you have the owner's permission. If you are unsure, do not share it. Do not inappropriately incorporate Township logos, or other information in your posts.

7. The Internet is a Public Space that Remembers

Consider the fact that everything that you post on the internet is public. Assume that any member of the public may read every post, no matter how secure you believe that a site may be.

Search engines and other technologies make it virtually impossible to take something back. Consider the fact that everything that you post to the internet is potentially discoverable by anyone. Keep in mind that the technology makes it both virtually impossible to completely delete something and also incredibly easy to send what you have done to millions of other viewers. Make sure that you mean what you say and will have no regrets about what you have said or done online if an unintended viewer sees it.

Information disseminated through social media can be discoverable in litigation, even if not done during work hours or on Township computers or devices. Litigation holds and document preservation notices may be issued and distributed to appropriate employees and officials in the event of litigation and/or investigations. Such litigation holds and document preservation notices apply to all relevant hard copy and electronic information. If the content of a social media communication is relevant, regardless of whether it is a Township record or non-business record, that communication must be preserved until the hold is lifted.

8. Respect Confidentiality

You may not use social media to disclose Township confidential information. Protecting the confidential information of Township employees, officials, residents, and others is important.

HAMBURG TOWNSHIP

PERSONNEL POLICIES & PROCEDURES MANUAL

Third party social media services use servers that are outside of the Township's control and may pose a security risk. Do not access these through Township supplied communication devices or internet, and do not use these to conduct Township business.

Do not divulge confidential or private information gained by reason of your association with the Township. Hurt feelings, damaged relationships, and lawsuits are reasonably foreseeable consequences of bringing others into an online setting without their permission.

9. Personnel

Supervisors should not use social media to comment on a subordinate employee's job performance.

10. Proper Procedures

Complaints made on social media are not official complaints. All complaints that an employee intends to lodge or bring forward pursuant to policy must be done through the proper channels.

11. Report Violations or Concerns

Employees who see something on a social networking site that violates Township Policies or indicates that another employee may have a propensity toward violence, may injure others, or is harassing another employee, should report this to the Human Resource Department.

12. Questions

As with all other Township Policies, employees who have questions regarding this policy should contact the office of the Human Resource Department.

Violators Subject to Disciplinary Action

Any violation of this Policy by any employee may result in disciplinary action up to and including termination and civil or criminal liability. The Township reserves the right to provide any information it has about your use of the Township's electronic devices to law enforcement, administrative or regulatory agencies or other third parties.

7.7 Equal Employment Opportunity

Hamburg Township is an equal opportunity employer. It is the Township's policy that all decisions affecting employment are made without regard to an individual's race, color, religion, marital status, familial status, veteran status, age, sex, sexual orientation, gender identity, height, weight, national origin, disability or other protected classification

All medical information received by the township in connection with a request for accommodation will be treated confidentially.

- Verbal harassment includes comments that are offensive or unwelcome regarding a person's national origin, race, color, religion, age, sex, sexual orientation, gender identity, pregnancy, disability, genetic information, marital status, height, weight, or other protected classification, including epithets, slurs and negative stereotyping.

HAMBURG TOWNSHIP

PERSONNEL POLICIES & PROCEDURES MANUAL

- Nonverbal harassment includes distribution, display, or discussion of any written or graphic material that ridicules, denigrates, insults, belittles, or show hostility, aversion or disrespect toward an individual or group because of national origin, race, color, religion, age, sex, sexual orientation, gender identity, pregnancy, disability, marital status, height, weight or other protected status.
- Physical harassment, violence and bullying is strictly prohibited as discussed elsewhere in the Township Policy Manual.

Sexual harassment

Sexual harassment is a form of unlawful employment discrimination under Title VII of the Civil Rights Act of 1964 and is prohibited under Hamburg Township's anti-harassment policy. According to the Equal Employment Opportunity Commission (EEOC), sexual harassment is defined as "unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when, submission to or rejection of such conduct is used as the basis for employment decisions, or such conduct has the purpose or effect of, creating an intimidating, hostile or offensive working environment".

Sexual harassment occurs when unwelcome sexual advances, requests for sexual favors, or other verbal communication or physical conduct of a sexual nature:

- Is made explicitly or implicitly or condition of employment, or
- Is used as a basis for an employment decision, or
- Unreasonably interferes with an employee's work performance or creates an intimidating, hostile or otherwise offensive working environment.

Sexual harassment may take different forms. The following examples of sexual harassment are intended to be guidelines and are not exclusive when determining whether there has been a violation of this policy.

- Verbal sexual harassment includes innuendoes, suggestive comments, jokes of a sexual nature, sexual propositions, lewd remarks and threats; requests for any type of sexual favor (this includes repeated, unwelcome requests for dates); and verbal abuse or "kidding" that is oriented toward a prohibitive form of harassment, including that which is sexual nature and unwelcome.
- Nonverbal sexual harassment includes the distribution, display or discussion of any written or graphic material, including calendars, posters and cartoons that are sexually suggestive or show hostility toward an individual or group because

HAMBURG TOWNSHIP

PERSONNEL POLICIES & PROCEDURES MANUAL

of sex; suggestive or insulting sounds; leering; staring; whistling; obscene gestures; content in letters, notes, facsimiles, emails, photos, text messages, tweets, and internet postings; or other forms of communication that are sexual in nature and offensive.

- Sexual harassment may also be physical in nature and includes unwelcome, unwanted physical contact, including touching, tickling, pinching, patting, brushing up against, hugging, cornering, kissing, fondling, and forces sexual intercourse or assault.

Courteous, mutually respectful, pleasant, noncoercive interactions between employees that are appropriate in the workplace and acceptable to and welcomed by both parties are not considered to be harassment, including sexual harassment.

Consensual Romantic or Sexual Relationships

Hamburg Township *prohibits* romantic or sexual relationships between a manager or other supervisory employee and **an employee who reports directly or indirectly to that person**, because such relationships tend to create compromising conflicts of interest or the appearance of such conflicts. In addition, such a relationship may give rise to the perception by others that there is favoritism or bias in employment decisions affecting the staff employee. Moreover, given the uneven balance of power within such relationships, consent by a staff member is suspect and may be viewed by others, or at a later date by the staff member, as having been given as the result of coercion or intimidation. The atmosphere created by such appearances of bias, favoritism, intimidation, coercion or exploitation undermines the spirit of trust and mutual respect that is essential to a healthy work environment. If there is such a relationship, the parties need to be aware that one or both may be moved to a different department or other actions may be taken.

If any employee of Hamburg Township enters into a consensual relationship that is romantic or sexual in nature with an employee who reports directly or indirectly to that employee, or if one of the parties is in a supervisory capacity in the same department in which the other party works, the parties *must notify* the HR director or the department supervisor, or Township Supervisor. Because of potential issues regarding quid pro quo harassment, Hamburg Township has made *reporting mandatory*. *This requirement does not apply to employees who do not work in the same department or parties where neither one supervises or otherwise manages responsibilities over the other.*

HAMBURG TOWNSHIP

PERSONNEL POLICIES & PROCEDURES MANUAL

Once the relationship is made known to Hamburg Township, the Township Board will review the situation with the Human Resources director, considering all facts (reporting relationship between the parties, effect on co-workers, job titles of the parties, etc.), and will determine whether one or both parties need to be moved to another job or department. If it is determined that one party must be moved and there are jobs in other departments available for both, the parties may decide who will be the one to apply for a new position. If the parties cannot amicably come to a decision, or the party is not chosen for the position to which he or she applied, the HR director, Department Head, and Township Supervisor will decide which party will be moved. That decision will be based on which move will be least disruptive to the organization as a whole. If no other jobs are available for either party, the parties will be given the option of terminating their relationship or resigning.

Retaliation

No hardship, loss, benefit or penalty, may be imposed on an employee in response to:

- Filing, or responding to a bona fide complaint of discrimination or harassment.
- Appearing as a witness in the investigation of a complaint.
- Serving as an investigator of a complaint.

Lodging a bona fide complaint will in no way be used against the employee or have an adverse impact on the individual's employment status. However, filing groundless or malicious complaints is abuse of this policy and will be treated as a violation.

Any person who is found to have violated this aspect of the policy will be subject to discipline up to and including termination of employment.

Confidentiality

All complaints and investigations are treated confidentially to the extent possible, and information is disclosed strictly on a need -to-know-basis. The identity of the complainant is usually known to the parties involved during investigation, and the HR director will take adequate steps to ensure that the complainant is protected from retaliation during and after the investigation. All information pertaining to a complaint or investigation under this policy will be maintained in secure files within the HR department.

HAMBURG TOWNSHIP

PERSONNEL POLICIES & PROCEDURES MANUAL

Complaint procedure

Hamburg Township has established the following procedure for lodging a complaint of harassment, discrimination or retaliation. The Township will treat all aspects of the procedure confidentially to the extent reasonably possible.

- a) Complaints should be submitted as soon as possible after an incident has occurred, preferably in writing. The HR Director may assist the complainant in completing a written statement or, in the event an employee refuses to provide information in writing, the HR director will dictate the verbal complaint. A complaint may be initiated by bringing it to the Department Head, Township Human Resources, or any Township Official.
- b) Upon receiving the complaint or being advised by a department supervisor that violation of this policy may be occurring, the HR director will notify the Township Supervisor and review the complaint with the Township's legal counsel.
- c) The Township Supervisor and/or HR Director will initiate an investigation to determine whether there is a reasonable basis for believing that the alleged violation of this policy occurred. The investigation may be done by the HR Director, or another designated investigator, at the discretion of the Township Supervisor, however, if the complaint originates within a department that operates under a collective bargaining agreement (CBA), that investigation will follow the CBA investigation protocols.
- d) If necessary, the complainant and the respondent may be separated during the course of the investigation, either through internal transfer or administrative leave.
- e) The investigator will interview the complainant, the respondent and any witnesses to determine whether the alleged conduct occurred.
 - 1) Upon conclusion of an investigation, either the HR Director, or the designated investigator, will submit a written report of findings to the Township Supervisor. If it is determined that a violation of this policy has occurred, the HR Director will recommend appropriate disciplinary action to the Board for final approval.
- f) If the investigation is inconclusive or if it is determined that there has been no violation of policy, but potentially problematic conduct may have occurred, the HR director, or the investigator, may recommend appropriate preventative or remedial action.

HAMBURG TOWNSHIP

PERSONNEL POLICIES & PROCEDURES MANUAL

- g) Township Board will review the summary report, discuss results of the report with the HR director and the Investigator as appropriate and decide what action, if any, will be taken.
- h) Once a final decision is made by the Township Board, the HR director, or his or her designee, will meet with the complainant and the respondent separately and notify them of the findings of the investigation. If disciplinary action is to be taken, the respondent will be informed of the nature of the discipline and how it will be executed.

7.10 Dress Code

Employees are expected to wear clothing appropriate for the nature of their position and the type of work performed.

Employees are expected to present a neat, professional appearance and are not permitted to wear ripped or disheveled clothing, athletic wear, suggestive or similarly inappropriate clothing.

Employees should consult their immediate supervisor if they have a question about what constitutes appropriate clothing.

7.11 Drug & Alcohol Prohibition and Testing

The Township takes drug and alcohol abuse, serious and is committed to providing a substance free workplace for its employees. Substance abuse of any kind is inconsistent with the behavior expected of our employees, subjects all employees and visitors to our facilities to unacceptable safety risks, and undermines our ability to operate effectively and efficiently.

The Township reserves the right to require an employee to submit to a test for illegal drugs, controlled substances or alcohol when there is a reasonable suspicion, or a reasonable basis, to believe that an employee may be or may have been, under the influence of alcohol or substance that adversely affects safety, or has rendered the employee incapable of performing his/her assigned duties.

Reasonable suspicion determinations will be based on specific, articulable observations, including but not limited to the employee's appearance, behavior, speech or body odors. For drug testing, the observations may also include indications of the chronic and withdrawal effect of drugs. Employees may be required to submit to return to duty, or fitness for duty, testing, and employees who test positive may be required to submit to

follow up testing. Refusal to submit to a drug or alcohol test may result in disciplinary action up to and including termination of employment.

The Township recognizes alcohol and drug abuse as a potential health, safety and security problem. The Township expects all employees to assist in maintaining a work environment free from the effects of alcohol, drugs or other intoxicating substances. Compliance with this Substance Free Policy is a condition of employment, and violations of the policy may lead to discipline and/or termination of employment.

All employees are prohibited from engaging in the unlawful manufacture, possession, use, distribution, or purchase of illicit drugs, alcohol or other intoxicants, as well as the misuse of prescription drugs on Township premises or anytime and anyplace during working hours. While we cannot control your behavior off the premises on your own time, we certainly encourage you to behave responsibly and appropriately at all times. All employees are required to report to their jobs in appropriate mental and physical condition, ready to work.

Substance abuse is an illness that can be treated. Employees who have an alcohol or drug abuse problem are encouraged to seek appropriated professional assistance. You may contact your immediate supervisor, Department Head, or the Human Resource Director for assistance in seeking help to address substance abuse, and for help to determine coverage available under the Township's medical insurance plan.

When work performance is impaired, admission to or use of treatment or other programs does not preclude appropriate action by the Township.

Any violator of this substance abuse policy will be subject to disciplinary action up to and including termination of employment.

The major purpose of any disciplinary actions is to correct the problem, prevent recurrence, and prepare the employee for satisfactory service in the future.

Violation of Township's policies or procedures, failure to follow oral or written directions, rules, regulations or unsatisfactory job performance may result in disciplinary action ranging from a verbal warning, written warning, written reprimand, suspension without pay, to immediate termination of employment at the discretion of the Township, depending on the nature of the violation and the facts in the particular case. Progressive discipline is not required. The employee will receive a written notification of the discipline and the same will be recorded in the personnel file of the employee. DATE: September 25, 2025

AGENDA ITEM TOPIC: MDNR Trust Fund Grant #TF22-0107 – Bennett Park Renovations and Huron River Water Trail Access – Updated Agreement for Execution – Amendment 2
Number of Supporting Documents: 2

Requested Action

Approval of the Agreement Amendment #2 entered into between the Michigan Department of Natural Resources and Hamburg Township under grant number TF22-0107, which extends the project period completion date from 8/31/25 to 8/31/26, and to direct the Clerk to sign and date Agreement Amendment #2 as provided in the packet.

Background

The project has been delayed awaiting playground equipment (April 2026) and the pre-fabricated canoe launch (October 2025). The original signed agreement listed a completion date of 8/31/25 which must be extended as required in the grant documents on file with the Michigan Department of Natural Resources (MDNR).

The MDNR Trust Fund Agreement Amendment #2 has been enclosed in the packet, along with an updated timeline from our contractor L.J. Construction, Inc. As a reminder, Amendment #1 deleted the drinking fountain as a scope item as it was part of the original plans for a restroom. When it was determined that the building wasn't old enough to qualify for renovation under the MDNR guidelines, the grant coordinator requested that the restrooms be removed, however, the drinking fountain was missed, causing the need for the amendment which the Board approved in April of 2025.

AGENDA ITEM TOPIC: Grinder Pump Part Purchase Request.

Number of Supporting Documents: **02**

Requested Action

- Motion to approve the purchase of up to \$80,000 in grinder pump parts from DuBois Cooper.

Background

E-One, the manufacturer of our grinder pumps, informed us yesterday that they have stopped manufacturing parts for the 2000 series of grinder pumps. The 2000 series comprise over 70% of the roughly 3,000 grinder pumps we have in the ground. A good number of the parts are interchangeable with the current Extreme series; however, some big-ticket items such as motor assemblies and switches are not. E-One has stated that there are parts left in inventory, but their stock of some items, like motors and switches, will be depleted more quickly than other items. I'm requesting approval to purchase a large quantity of parts that are not interchangeable with the current series. This will give us a good supply of the parts for the winter while also giving us time to evaluate alternatives from a different supplier.

This purchase is currently within budget, as \$300,000 has been allocated toward this line item for the fiscal year. However, we are very likely to exceed that amount by year end. If that were to occur, we can curtail spending on other line items and/or use money from reserves if need be.

NEW BUSINESS

1. **Request to extend Site Plan Approval (GPUD 24-0001)** Crossing at Lakeland Trail for one year.

Vice Chair Muir opened the public meeting to David so he could give an update to the Planning Commissioners regarding this site plan approval case extension. He stated that the PC gave Final Site Plan Approval on October 23, 2024, and the applicant is seeking a year extension due to some projects that have come up. David said that this project is anticipated to break ground this coming spring. He reminded the commissioners that our ordinance requires that the PC make a recommendation, one way or the other, forwarding such recommendations onto the Township Board for their final approval. We are looking for this extension to go for one year to October 2026.

Commissioner Leabu asked David if there was a limit to how many extensions can be issued for a site plan approval. David said that there is no limit to the number of extensions that can be given. Trustee Hughes and Commissioner Priebe discussed site plan extension ordinance language but came to an agreement in favor of David's response.

Bob Langan, the developer, was asked to come to the podium to answer Commissioner Leabu's questions. Bob stated that all his development projects are stalled right now because the banks aren't lending the amount of proceeds that people need to get their projects off the ground. He said that this is a new development that began at 2pm today when the Federal Reserve dropped the borrowing rates. Bob said they have allocated funds for both of his development projects. This funding is already established and in place right now. He said he is retooling his budgets and their proformas, along with the Federal Reserve behaving as it should, they would be able to get the amount of money needed to match their financial needs. Bob said he might need to resubmit all their financing in November as they retool their proforma forcing them to extend their construction timelines projections. He said they don't control the banks, but they feel confident in the way things are shaping up. He said that this is how he makes his living, so he has no intention of stalling on this project.

Commissioner Hamlin read that such extension requests shall be accompanied by a schedule for the commencement of this building project. Bob stated that he has a construction schedule in hand with him, but he is not sure how reliable they are. He said that they have a phase one land development starting in May 2026. Bob said he could email this schedule to David so he could share it with the commissioners. Bob walked over to David and handed him his paper copy of the schedule. Vice Chair

Muir asked if his South Lyon project was on this same schedule. Bob said that the S. Lyon Project is ahead of this project in terms of permits. Bob said they have the South Lyon permits and have already cleared the land there. He said they are currently stopped because they can't get an adequate financing package from the bank. He stated that they can start both building projects at the same time next year, if needed.

Bob said he bought and owns this Hamburg Township property. Trustee Hughes asked if Bob has cleared or graded the vacant land yet. He said no. Trustee Hughes stated that the surrounding neighbors are likely hoping that he will never develop this land. Commissioner Leabu said that there were residents out there looking forward to this development to allow them to stay in this area. Bob said that financing is his key hurdle right now. Vice Chair Muir said that a quarter percent drop was huge. Bob said the Federal Reserve has never dropped a quarter of a percent and then stopped. He continued that they have always had at least 75 basis points. He said the financial leaders are telling us to expect another quarter of a point drop. We feel confident in our chances of a submission. Trustee Hughes said that these financial individuals are saying that there will be two more before the end of the year. Bob agreed that there might be two more cuts, by the end of this year. Bob stated that if everything doesn't go sideways, they should be able to start building this coming spring.

Trustee Hughes and Commissioner Leabu discussed the previous builder proposal project failing. Bob stated that he knew the sellers and that they never made a living off developing their properties. Hughes continued that they had told the PC board that they couldn't get financing because the banks didn't think Hamburg Township needed any apartments. Commissioner Leabu said according to McKenna, based on the township's population ten years ago, that the township was about 300 apartments short. Bob said that every single community needs a certain baseline of rental properties and/or multifamily owner rental properties. Currently, Hamburg doesn't have that right now. Leabu said that younger people are having a problem investing \$300,000 to \$500,000 into a new home on the lake. Trustee Hughes said that builders need a lower interest rate. She continued that senior citizens who are living off their investments might want to rent but would not look favorably at a 0.002% on their investments. Bob said that there is a give and take with this market, and he reminded the commissioners that home buyers want a lower interest rate. They want to be able to afford to buy a home. Investors and bond buyers who rely on the money market accounts are not happy with this rate decrease either. Commissioner Leabu said that he hopes that Bob can move forward and build some apartments to broaden the township's ability to draw people to the community. Bob said that they have a building company that earns money by building these communities. They also have an ownership company that wants to own more of these communities. Bob said that they are not happy to have to wait on this development until next year. Vice Chair Muir asked Bob if they have their own construction crew. He said yes. They utilize a self-performing construction and development crew on these building projects. Their main company is a general contracting business. Bob said that they won the Southeast Michigan Builder's Association "Multi-family Builder of the Year Award" last year. The commissioners congratulated him. Bob said that they did work in South Lyon, Genoa and Lansing this year. Bob said that this is what they do for a living.

Approval motion made by Commissioner Hamlin, seconded by Commissioner Priebe, that the planning commission recommend the Township Board grant a 12-month extension for project GPUD 24-0001 (The Crossing at Lakelands Trail). The PC members had a discussion on what date to make the 12-month

extension begin and end. David stated that the Township Board's approval at their next meeting would set this extension's beginning and ending dates.

Voice Vote: Ayes (5); Absent (1) Commissioner Mariani and Chair Muck

VOTE: MOTION CARRIED

Bob thanked the commissioners for this extension. David let Bob know that this extension would go to the Township Board at their first meeting in October 2025. He said he would send him an email reminder.

ZONING ADMINISTRATOR'S REPORT:

David let the commissioner know there are no agenda items for next month's PC meeting. He said that they might have several agenda items for November 2025.

He let everyone know that the Village Center Master Plan Working Group starts meeting tomorrow at 9am. David said the working group consisted of PC Commissioners John Hamlin, Victor Leabu, (Township Supervisor) Jason Negri, (Member at Large) Craig Masserant, and David. David said that they will establish a timeline and set parameters on how they will approach this VC master plan review. He said that he will keep the PC board members updated monthly on their progress.

Commissioner Hamlin asked David when the Rezoning of the park land on both sides of Merrill for public use would be on the agenda. David said that this item will be on the November 2025 meeting agenda. Hamlin asked what the current zoning of this park land currently was. David said it was currently zoned as private residential RA. This rezoning change will help the township apply for needed park grants. David said he is waiting for the MDNR to get back to the parks department, ensuring that there will be no issue with this rezoning.

ADJOURNMENT

Approval motion was made by Trustee Hughes, seconded by Commissioner Leabu, to adjourn at 7:19 pm.
