STAFF RECOMMENDATION:

Staff recommend that City Council review the attached reports and prepare any questions for LCSO Staff.

BACKGROUND INFORMATION:

Sergeant Steve Frambes provides the City with both the LCSO City Report and the Contract Report for the previous month's activities. If the reports are provided in time for the agenda process, they will be attached as exhibits. If they are provided after that point, but prior to the meeting, then Staff will forward them via email to Council members and will print them in time for the meeting. (LCSO Reports not appearing in the Council Agendas will be provided in the Minutes for that meeting instead.) This process gives Council the chance to review responses and actions in relation to both criminal and non-criminal activities by LCSO deputies in town on a monthly basis.

LCSO Staff may not always be available to attend the meeting, therefore, if Council has any questions or concerns, they can save them for when a representative is available, or they can convey them to staff, who will find answers for them.

STAFF RECOMMENDATION:

Staff recommend that City Council listen to the presentation provided by Chief Larry Larsen, who hopes to be present at this meeting.

BACKGROUND INFORMATION:

Coburg Police Chief Larry Larson provides the City with quarterly statistics for traffic enforcement provided in Harrisburg. If the reports are provided in time for the agenda process, they will be attached as exhibits. If they are provided after that point, but prior to the meeting, then Staff will forward them via email to Council members and will print them in time for the meeting. (Reports not appearing in the Council Agendas will be provided in the Minutes for that meeting instead.)

This process gives Council the chance to review responses and actions in relation to both criminal and non-criminal activities by the Coburg Police Department on a quarterly basis. If a representative is not available, questioned can be conveyed by staff.

THE MATTER OF APPROVING RESOLUTION NO. 1260 STATING THE CITY OF HARRISBURG'S SUPPORT FOR TAX MEASURE 22-189

THIS AGENDA BILL IS DESTINED FOR: Agenda Work Session – October 26, 2021

BUDGET IMPACT		
COST	BUDGETED?	SOURCE OF FUNDS

STAFF RECOMMENDATION:

Staff recommends Council Approve Resolution No. 1260

BACKGROUND INFORMATION:

Sheriff Jim Yon submitted a letter (**Exhibit A**) to the City Council at the last City Council meeting asking for a resolution in support of the new Local Option Tax Levy for Law Enforcement Services. Tax Measure 22-189 shown in **Exhibit B**, would establish another 4-year tax levy, taxing Linn County citizens at \$2.98 per thousand, that replaces the old tax levy. This will result in a slight increase over the current tax levy being charged.

The request indicates that the current local tax levy supports 127 of the Sheriff's 190 employees, and therefore is necessary if the City wants the County to meet its contractual requirements as specified in the current IGA. (Intergovernmental Agreement).

Staff notes that the current agreement with Linn County expires on June 30, 2022. The City is in the 3rd year of the agreement, and is currently spending an annual amount of \$249,183, which provides the City with 275 hours per month of additional services in Harrisburg at \$75.51 per hour. The City anticipates that collective bargaining for LCSO is currently under way, as that collective bargaining is what our three-year City contract is based upon. The City meets on a quarterly basis with five other cities that Linn County provides additional services to. We anticipate that we will find out more about

the newest bargaining process from the Sheriff at the next meeting being held on December 2nd, 2021.

Harrisburg City Council,

For over 30 years, citizens in Linn County have been asked to support and have supported our law enforcement levy. The current levy is set to expire in June of 2022. The law enforcement levy funds 127 of my 190 employees at the Sheriff's Office. I'm asking for a fifteen-cent increase that will maintain our current services.

A "YES" vote means continued 24-hour patrols, our 230-bed jail, the 9-1-1 dispatch center, major crime investigations to include crimes against children. These are just a few of the services the Sheriff's Office provides our citizens of Linn County and the residents of Harrisburg.

We are committed to you the citizens of Harrisburg and the citizens of Linn County. Every day, we strive to "Keep the Peace with Dignity, Honesty, and Compassion". This will continue to keep our community a great place to live.

I am asking you for your support in the form of a resolution stating so. Without the levy, we would not have the staff to fulfil our law enforcement contract with you.

Thank you for your support!

Sheriff Jim Yon

FOUR YEAR LAW ENFORCEMENT LOCAL OPTION TAX LEVY

LINN

COUNTY ELECTIONS

Question 20 words which plainly phrases the chief purpose of the measure.

Shall Linn County support enhanced public safety services by levying \$2.98 per \$1,000 assessed value beginning 2022 for four years? This measure may cause property taxes to increase more than three percent.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

Measure replaces current law enforcement levy (expiring June 2022), and continues operational and capital funding for law enforcement services for an additional four years. This levy maintains, and enhances, existing public safety services, with revenues funding operations of the Sheriff's Office (76%), criminal prosecution (10%), plus juvenile offender supervision and detention (14%).

Maintain:

- Patrol and investigations, 24-hours per day, and prosecution of property and person crimes, especially homicides;
- Victims' assistance for all crime victims;
- Juvenile programs reducing crime;
- Operation of 230-bed Jail facility, reducing the number of prisoners released early.

Added:

- Renovate and upgrade female housing in Jail, and 9-1-1 Communications Center;
- Improve digital forensic services and technology;
- Increase mental health crisis response, in partnership with mental health professionals, helping people in crisis connect with medical assistance;
- Enhance and promote Emergency Preparedness initiatives for wildfires, flooding and severe weather.

In 2021, typical homeowners with an assessed value (not market value) of \$185,000 would pay \$551.30 annually, an increase of \$27.75 per year from the current rate.

This four year levy would produce, at a tax rate of \$2.98 per \$1,000 assessed value, an estimated total of \$147,463,473.00 from the following estimated annual authorizations to levy: \$35,379,523.00 in 2022; \$36,352,460.00 in 2023; \$37,352,153.00 in 2024; and \$38,379,337.00 in 2025.

A "YES" VOTE APPROVES LINN COUNTY'S LAW ENFORCEMENT LEVY.

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.

4-YEAR LAW ENFORCEMENT LOCAL OPTION TAX LEVY**

WHEREAS, the Linn County Sheriff submitted a request to the Harrisburg City Council at the City Council Meeting held on October 12, 2021, asking for a Resolution supporting Tax Measure 22-189, a 4-Year Law Enforcement Local Option Tax Levy; and,

WHEREAS, without the support of a new 4-year tax levy, the Sheriff's Office would not be able to fulfill the contract requirements as specified through the current IGA (Intergovernmental Agreement) with Linn County providing Harrisburg with additional law enforcement hours on an annual and monthly basis; and,

WHEREAS, Tax Measure 22-189 replaces the previous levy, which expires on June 30, 2022, and represents a tax of \$2.98 per thousand; and,

WHEREAS, the City Council conceded at the meeting on October 12, 2021, that they could therefore support the levy request and were willing to supply a resolution to that effect;

NOW, THEREFORE, the Harrisburg City Council, does hereby find, declare and resolve that it does support the request of the Linn County Sheriff, and supports the new tax levy that is outlined in Linn County Tax Measure 22-189, captioned as a 4-Year Law Enforcement Local Option Tax Levy.

THE MATTER OF ESTABLISHING AN AD-HOC COMMITTEE TO STUDY LAW ENFORCEMENT OPTIONS FOR THE CITY OF HARRISBURG

STAFF REPORT:

Exhibit A: Police Research Spreadsheets

Exhibit C: Coburg Contract

ACTION: THE MAYOR WILL ESTABLISH THE LAW ENFORCEMENT OPTIONS AD-HOC COMMITTEE, AS WELL AS WHO WILL SERVE ON IT.

THIS AGENDA BILL IS DESTINED FOR: Agenda Work Session – October 26, 2021

STAFF RECOMMENDATION:

Staff recommends the Mayor establish an Ad-Hoc Committee

BACKGROUND INFORMATION:

The City Council has had discussions over many years about the possibilities of establishing our own police department. The City has been told in the past that it would likely cost well over a million to have our own department.

Over the last year a few community members have repeatedly asked the City Council to consider establishing our own Police Department, and the City Council has told the community that we will look at the possibilities of establishing our own department, or at changing our current contracts to provide us with more monthly services.

Almost all City Council members have expressed a wish to be included in the discussion in relation to law enforcement services. However, for public outreach purposes, it would make sense for some of the initial research to be completed by the ad-hoc committee, and to have the findings brought back to the City Council in a future session.

To start the process, and inform Council of some of the basics, Staff has put together a spreadsheet (**Exhibit A**) that outlines police agencies in our regional area. Oakridge and Toledo are both comparable in size to Harrisburg, and in fact, are included in wage

analysis comparisons. They are good communities for us to compare ourselves to. Please note that information available for Coburg, and for Oakridge, are both previous fiscal years, while the other three are current 2021-2022 budgets.

It's important for a City to know how much certain items cost. Therefore, in **Exhibit A**, Council will also find some of the budget line items for materials and services in each police department. Every City does things differently. Some of the cities are lumping liability costs in the general fund, and don't break it out into materials and services in the police fund. Others have contracted services listed in different sections of their budget. Also, some cities are better than others in reporting their information on-line. Staff has the entire police budgets for the cities used in this research and will be providing more in-depth information to the City Council and ad-hoc committee in the future.

Council will find that the information for our existing contracts for law enforcement is also included in the worksheet shown in **Exhibit A**. Technically, the City contracts for 1.78 FTEs at the cost of \$279,200 a year. The contract for both LCSO (**Exhibit B**) and Coburg (**Exhibit C**) expire on June 30, 2022, and the City will be negotiating with both in the future, after determining how to move forward in upcoming discussions in relation to this subject.

Finally, a cost analysis for a first-year police department is being shared with the City Council on the 3rd spreadsheet shown in **Exhibit A**. This is based upon the information available through research of other cities budgets. Obviously, this information is extremely variable. For instance, if we chose to establish our own department, we could decide to add bodycams in the future, rather than starting that way. Staff chose to budget for a quality police department the way it should ideally be set up from the beginning.

The cost analysis clearly shows that establishing our own police department would not be feasible with the funds we currently have available. After making budget cuts to come up with an additional \$200,000 for streets, Staff does not have any recommendations on where else these funds could come from and suggests that it is far more economical for the City to add hours to our current contracts, rather than to establish our own department. The benefits of having our own department, is simply that we could have 100% of their time spent in Harrisburg and would be able to direct policy to focus on what is most important to the City.

The information shown with this staff report will be shared again at the first ad-hoc committee. Staff will also be bringing reports and information that is available from different agencies, including handouts from the US Department of Justice on Guidelines for Starting and Operating a New Police Department, Budgeting in Small Police Agencies, and other information and handouts.

Columns do not include every line item from the Police Fund budgets from each City. Costs have been combined in many cases. Because every City budgets differently, it's very hard to determine a comparison. One City may list dispatch services, while another one, that we know has dispatch, doesn't include that specific line item, and lumps it in a different location.

Prior to any payments being made under this subparagraph, the City Administrators shall review the time involved in the investigation and jointly agree on the additional amount of compensation which should be due.
3. **ADDITIONAL HOURS:** Additional hours may be requested by Harrisburg to cover special events or patrols. - e. Provide a written report to Harrisburg on or before the 10th day of each month following the end of the quarter setting forth the actual number of calls for service and number of citations and arrests for the previous quarter. In addition, Coburg shall furnish Harrisburg a summary traffic survey, not later than June 30, 2021, documenting the type, frequency and severity of traffic violations noted by Coburg officers and/or traffic survey equipment. The Coburg Police Chief will work with the Harrisburg staff to define the scope and delivery of a traffic survey. If the traffic survey scope and delivery is outside of the allocated 35 hours then the City of Coburg will be reimbursed for the additional hours at the standard hourly charge established in Section 2 (a) of this agreement.
- g. Prosecution of misdemeanors and infractions in Harrisburg Municipal Court as set forth in Section 6 of this Agreement. The Harrisburg Municipal Court normally convenes on the second Wednesday of every

Coburg will reasonably endeavor to provide these services to the best of its ability, subject to availability of personnel and other limiting factors. These services will not be counted towards the 25 monthly hours and Coburg shall be reimbursed at the average hourly rate established in Section 2 (a) of this agreement.
6. **PERSONNEL:** The rendition of such service, standards of performance, the discipline of officers, and other matters incident to the performance of such services and control of personnel so employed shall remain solely with the City of Coburg.
