Agenda Bill
Harrisburg City Council
Harrisburg, Oregon

THE MATTER OF DISCUSSING THE LCSO-HARRISBURG CONTRACT
STAFF REPORT: NONE
ACTION: N/A – DISCUSSION ONLY

THIS AGENDA BILL IS DESTINED FOR: Regular Agenda

BUDGET IMPACT		
COST	BUDGETED?	SOURCE OF FUNDS
Unknown	Yes	General Fund – Contracted Services

STAFF RECOMMENDATION:
Staff recommends the City Council discuss moving forward with possible revisions to LCSO/HARRISBURG CONTRACT.

BACKGROUND INFORMATION:
Our current joint city/LCSO contract officially ended June 30, 22019. Since my appointment as Interim City Administrator I have had meetings with Lt. Duncan, Sheriff Yon and Sgt. Klein. In these meetings I discussed the possibility of the LCSO developing a baseline of crime and traffic stats. Such statistics would allow the City Council to have a comparison, over time and with other jurisdictions, of actual public safety results, rather than simply quantifying hours.

These conversations went well, and the LCSO is studying what statistics they could reasonably provide. I may or may not have a formal response from them prior to the Oct. 22nd City Council Work Session. Regardless, I think a discussion would be profitable for staff in order to determine City Council’s interest in possibly amending our current LCSO contract.

THIS AGENDA BILL IS SET FOR: OCTOBER 22 WORK SESSION AND POSSIBLE FORMAL APPROVAL OF A 2.4% RATE INCREASE AT THE 11/12/2019 CITY COUNCIL MEETING

BUDGET IMPACT		
COST	BUDGETED?	SOURCE OF FUNDS
N/A	N/A	N/A

STAFF RECOMMENDATION:
STAFF RECOMMENDS THAT CITY COUNCIL REVIEW THE ATTACHED DOCUMENTS (EXHIBITS 'A' & 'B,' SUPPLIED BY REPUBLIC SERVICES) AND COME PREPARED TO DISCUSS REPUBLIC SERVICES' PROPOSED RATE INCREASE.

BACKGROUND INFORMATION:

The City Council has previously expressed concerns over the proposed rate increase especially in light of the 5.7% rate increase that took place on Jan 1st of this year. For the past several years annual rate adjustments have been based on a weighted index of the changes in the prior year’s CPI-W, the cost of diesel, and the Coffin Butte tipping fee. These changes calculate out to the proposed 2.4% rate increase (please note that the actual contract does not require use of this rate adjustment formula)

The contract does grant the City Council the right to, “.....establish a different rate schedule...” than that proposed by the Franchisee (Republic). However there is no methodology outlined for such, other than the city council consider rates that are, “.....just, fair, reasonable...(and)... will take into consideration the cost of doing business....”(Section 20)

Contract termination requires 5-year advance notice, in writing (section 5) although contract amendments can be proposed every other year, including 2019 (section 5, para. 3)

It should be noted as well that Section 9. Franchise Fee, of the agreement, is no longer at the stated 4.5% but rather 6%. Republic Services proposes raising this fee to 7% without impacting customer rates.

MOTION (If necessary):

To recommend staff develop a resolution, to present at the Nov. 12, 2019 City Council meeting, approving a 2.4% rate increase as requested by Republic Services

ORDINANCE NO. 879

AN ORDINANCE RELATING TO SOLID WASTE MANAGEMENT IN THE CITY OF HARRISBURG, OREGON, GRANTING AN EXCLUSIVE SOLID WASTE MANAGEMENT FRANCHISE TO ALLIED WASTE SERVICES OF ALBANY-LEBANON, FIXING TERMS AND CONDITIONS OF THE FRANCHISE, AND REPEALING ORDINANCE NO. 625 AND ANY SUBSEQUENT ORDINANCES AMENDING ORDINANCE NO. 625.

THE PEOPLE OF THE CITY OF HARRISBURG DO ORDAIN AS FOLLOWS:

Section 1. Short Title. This Ordinance shall be known as the “Solid Waste Management Ordinance” and may be so cited and pleaded and shall be cited herein as “this Ordinance.”

Section 2. Purpose, Policy and Scope.

1. In order to protect the health, safety, welfare and environment and to conserve energy and natural resources within the City; in order to provide for the opportunity to recycle, and to otherwise provide for solid waste management, it is declared to be the public policy of the City to regulate solid waste management to:
 - a. Carry out policies in ORS 459 and ORS 459A and to provide for the opportunity to recycle, taking advantage of a coordinated area-wide recycling collection service and promotion, education and marketing program;
 - b. Ensure safe, economical and comprehensive solid waste management service, including the efficient accumulation, storage, collection, transportation, and disposal or resource recovery of solid wastes;
 - c. Ensure rates that are just, fair, reasonable and adequate to provide necessary service to users; and,
 - d. Prohibit rate preference and other discriminatory practices which benefit one or a few users at an expense to other users of the service or the public.
2. Pursuant to ORS 459A.085, this Ordinance is adopted and the collection service franchise granted under this Ordinance is continued, extended and renewed. This action carries out the requirements of ORS 459A, the purposes of ORS 459.015 and the State Solid Waste Management Plan. This Ordinance is adopted under the municipal authority of the City.
3. The City presently has provided an exclusive franchise to Allied Waste Services of Albany-Lebanon. The City Council finds that it is necessary to continue to have an exclusive collection service franchise for the City, but that the present Ordinance needs to be updated.
4. No person shall accumulate, store, collect, transport, dispose of, or resource recover solid wastes or provide service, or offer to provide or advertise for such services, except in compliance with this Ordinance and with ORS Chapters 459 and 459A dealing with solid waste and with regulations of the Environmental Quality Commission.

Section 3. Definitions and Interpretation. The following definitions and interpretation apply to this Ordinance:

1. Specific Definitions:

- a. "City" means the City of Harrisburg and the area within its boundaries, including its boundaries as extended in the future. Where appropriate, it shall also mean city officials or city employees that are empowered to act on behalf of the City.
- b. "City Council" means the legislative body of the City.
- c. "Collection Vehicle" is any vehicle used to collect, transport or dispose of solid waste and recyclable materials.
- d. "Compaction" means the process by which material is shredded, manually compacted or mechanically compacted.
- e. "Compensation" includes:
 - (1) Any type of consideration paid for service including, but not limited to, rent, the proceeds from resource recovery, any direct or indirect provisions for the payment of money, goods, services or benefits by tenants, lessees, occupants, members, cooperatives, or similarly situated persons.
 - (2) The exchange of service between persons; and
 - (3) The flow of consideration from a person owning, possessing or generating solid waste to another person who provides services, or from a person providing services to another person owning, possessing or generating solid waste.
- e. "Council" means the legislative body of the City.
- f. "Dispose or Disposal" includes accumulation, storage, collection, transportation and disposal of solid wastes.
- g. "Franchise Collection" is a franchise to collect, transport, process, or recover solid waste and recyclable materials.
- h. "Franchise Disposal" is a franchise to create or maintain a disposal site.
- i. "Franchisee" means Allied Waste Services of Albany-Lebanon, or a subcontractor of such person.
- j. "Generator" means the person who produces the solid waste and recyclable material and places it for collection and disposal or processing. The term does not include a person who manages an intermediate function that results in alteration or compaction of the material after it has been produced by the generator and placed for collection and disposal or recovery.
- k. "Grantee" means the City.
- l. "Infectious Waste" means biological waste, cultures and stocks, pathological wastes and sharps as defined in ORS 459.386 and 459.387.
- m. "Incinerator" means a waste-to-energy facility specifically designed for the burning of solid, semi-solid or liquid combustible wastes, and the recovery of energy from said wastes.
- n. "Mixed Recyclables" means two or more recyclable materials collected together, that are not separated, and that are in the combination of materials allowed by the City.
- o. "Person" means an individual, corporation, association, firm, partnership, cooperative, trust, estate, joint partnership or other private legal entity.
- p. "Placed for collection" means Solid waste, recyclable materials or yard debris that has been placed by the generator for collection by the franchisee in accordance with the terms of this Ordinance.

- q. "Processing" means an operation where collected materials are sorted, graded, cleaned, identified or otherwise prepared for end use markets.
 - r. "Public Place" includes any City-owned park, place or grounds within the City that is open to the public but does not include a street or bridge.
 - s. "Putrescible Material" is solid waste containing organic material that can decompose and may give rise to foul-smelling, offensive products or which is capable of providing food for birds and potential disease vectors, such as rodents and flies, including but not limited to bones, meat, meat scraps, fat, grease, fish, fish scraps, vegetables, fruit and food containers or products contaminated with food wastes, particles or residues.
 - t. "Recycling Opportunity" means recycling done in accordance with Chapter 459A of Oregon Revised Statutes, together with the regulations promulgated thereunder.
 - u. "Resource Recovery" is the process of obtaining useful material or energy resources from solid waste, including energy recovery, material recovery, recycling and reuse of solid waste.
 - v. "Rules" are rules promulgated by state agencies pursuant to ORS Chapter 459 and Chapter 459A.
 - w. "Sanitary Landfill" is a site operated in compliance with a permit issued by the Department of Environmental Quality for the disposal of solid waste by placing it in or upon land and covering it with earth or other approved cover material.
 - x. "Service" means collection service as defined by ORS 459.005(3) and which service includes the collection, transportation, disposal, reuse, recycling or other resource recovery of or from solid waste or recyclable materials or both, by franchisee for compensation.
 - y. "Service Area" is the geographical area in which service, other than operation of a disposal site, is provided by franchisee, and includes all area within the city limits of the City.
 - z. "Solid Waste" {See General Definitions}
 - aa. "Solid Waste Management" is the management of service.
 - bb. "Transfer Site or Transfer Facility" means a facility used as an adjunct to collection vehicles, a resource recovery facility, or a disposal site between the collection of the waste/solid waste and disposal site, including but not limited to a concrete slab, pit, building, hopper, railroad gondola or barge. Transfer site or transfer facility does not include a self-propelled, compactor-type solid waste collection vehicle into which scooters, pickups, small packers or other satellite collection vehicles dump collected solid waste for transport to a transfer site, disposal site, landfill, waste-to-energy facility, or resource recovery site or facility.
 - cc. "Waste" is material that is no longer wanted or usable by the source, the source generator or producer of the material, which material is to be disposed of or resource recovered by another person, and includes both source separated material and non-source separated materials.
2. General Definitions. The following terms shall have the meanings as they are defined in ORS 459.005 and 459A.005: "Collection Service," "Commercial," "Disposal Site," "Energy Recovery," "Franchise," "Hazardous Waste," "Household Hazardous Waste," "Material Recovery," "Recyclable Material," "Recycling," "Reuse," "Solid Waste," "Source Separate."

3. As used in this Ordinance, the singular number may include the plural and the plural number may include the singular.

Section 4. Rights Granted by Exclusive Franchise.

1. Subject to the conditions and reservations contained in this Ordinance, and to further the purpose, policy and scope as stated in Section 2. of this Ordinance, the City hereby continues the exclusive right, privilege and franchise granted to Allied Waste Services of Albany-Lebanon to provide service to residents and persons located within the City, and to use the City streets with the City for said purpose, and to charge service fees from residents and persons within the City for whom service is provided. The Franchisee shall have all other rights, privileges and franchises necessary or incidental to the business of providing such service. The boundaries of the City are those in effect as of the effective date of this Ordinance, and any area that may be hereafter annexed to the City. No other person shall provide service for compensation or offer to provide or advertise for the performance of such service to any owner, tenant, lessee, member or occupant of any real property in the City.
2. Nothing in this Ordinance shall:
 - a. Prohibit any person from engaging in the collection of source separated materials for resource recovery or recycling for the purpose of raising funds for a charitable, civic or benevolent activity after notice to the Franchisee and permission from the Franchisee or the Council, providing said person or organization is not organized or operated for any solid waste management purpose.
 - b. Prohibit any person from transporting solid wastes produced by themselves if the loading and operation of the vehicle containing the solid waste or wastes prevents the contents from dropping, sifting, leaking or otherwise escaping onto public rights-of-way or property adjacent thereto, and if such material will be disposed of or resource recovered pursuant to all applicable laws, ordinances and regulations of federal, state or local government units having jurisdiction. Solid waste produced by a tenant, lessee, member, occupant or person other than the owner of the occupied, leased, or licensed premises shall be considered to be produced by such tenant, licensee, member, occupant or person and not by the landlord or property owner, and shall not be collected or transported by the owner or manager or landlord of the facility being rented, leased or for which a membership benefit may accrue.
 - c. Prohibit any person from contracting with the state or a federal agency to provide service to such agency under a written contract with such agency.
 - d. Prohibit any person from providing service for hazardous waste, as defined herein, if they comply with all rules and regulations related to the collection, transportation and disposal of hazardous waste.

Section 5. Franchise Term. The rights, privileges and collection franchise herein granted shall be considered as a continuing five (5) year franchise, subject to termination as follows:

1. Unless grounds exist for suspension, modification or revocation of the franchise under Section 12. of this Ordinance, the franchise granted under this Ordinance shall be considered to have a continuing five (5) year term. As time passes, the franchise shall continue to be considered to be five (5) years in duration unless the City notifies the Franchisee in writing of its intent to terminate the franchise. Upon the giving of such Notice of Termination, the franchise shall then terminate five (5) years from the date of the written Notice of Termination.

2. In the event Franchisee desires to terminate the franchise, it shall give the City not less than two (2) years written notice to the City. In the event of a voluntary termination of the franchise, the City shall have a right and option to purchase all or a portion of the equipment of the Franchisee at a price to be agreed upon between the parties. If the parties cannot agree upon the purchase price, then it shall be submitted to arbitration. If the parties cannot agree on an arbitrator, then each party will select one arbitrator and the two arbitrators shall select a third. The three arbitrators shall then determine a fair and equitable price.
3. The City shall have the right, at the end of every two (2) year period, to review any of the terms of this franchise and to work with Franchisee to implement the modifications desired by the City (including an adjustment in the franchise fee), taking into account the technological and economical feasibility of such modifications, and allowing compensation to Franchisee in the rates for any increased cost of service due to such modifications.

Section 6. Public Works and Improvements Not Affected by Franchise. The City reserves the right to:

1. Construct, install, maintain and operate any public improvement, work or facility.
2. Do any work that the City may find desirable on, over or under any street, bridge or public place; and
3. Vacate, alter or close any street, bridge or public place.

Section 7. Safety Standards and Work Specifications.

1. The equipment and facilities of the Franchisee shall at all times be maintained in a safe, substantial and workmanlike manner.
2. For the purpose of carrying out the provisions of this section, the City may provide such specifications relating thereto as may be necessary or convenient for public safety or the orderly development of the City. The City may amend and add to such specifications from time to time, taking into account the technological and economical feasibility of said changes and allowing compensation to Franchisee in the rates for any increased cost of said changes.

Section 8. Location and Relocation of Facilities. The Franchisee may maintain business facilities within the City if areas are properly zoned for that purpose, but not a disposal site.

Section 9. Franchise Fee.

1. In consideration of the franchise granted by this Ordinance, the Franchisee shall pay to the City an amount equal to four percent (4%) through December 31, 2009, then four and one-half percent (4.5%) from and after January 1, 2010, of the gross revenue from service provided by Franchisee to residents and persons within the City. For the purpose of determining the franchise fee, uncollectible debts shall be deducted in computing gross revenue.
2. The franchise fee required by this section shall be due for each calendar year on a quarterly basis, and payments are to be made within thirty (30) days of the end of each calendar quarter.
3. The Franchisee shall furnish to the City with each payment of franchise fee required by this section, a written statement, under oath, and executed by an officer of Franchisee, showing the amount of gross revenue of the Franchisee within the City for the period covered by the payment, computed on the basis set out in Subsection 1. of this section. If the Franchisee fails to pay the entire amount of compensation

due the City through error or otherwise, the difference due the City shall be paid by the Franchisee within fifteen (15) days from discovery of the error or determination of the correct amount. Any overpayment to the City, through error or otherwise, shall be offset against the next payment due from the Franchisee.

4. Acceptance by the City of any payment due under this section shall not be deemed to be a waiver by the City of any breach of this franchise occurring prior thereto, nor shall the acceptance by the City of any such payments preclude the City from later establishing that a larger amount was actually due or from collecting any balance due to the City.

Section 10. Franchisee Responsibility.

1. The Franchisee shall:
 - a. Dispose of solid waste and waste collected at a disposal site, waste-to-energy facility or transfer site or facility approved by the Department of Environmental Quality, or resource recover the solid waste and waste, both in compliance with Chapters 459 and 459A of Oregon Revised Statutes, and regulations promulgated thereunder.
 - b. Provide the opportunity to recycle in accordance with Chapter 459A of Oregon Revised Statutes, together with the regulations promulgated thereunder.
 - c. Provide sufficient collection vehicles, containers, facilities, personnel and finances to provide all types of necessary service, or subcontract with others to provide certain types of specialized service in accordance with this Ordinance.
 - d. Respond to any written complaint on service.
 - e. Provide and keep in force public liability insurance in an amount that is not less than the greater of:
 - (1) Two million dollars of combined single limit coverage for bodily injury and property damage, or
 - (2) The minimum requirements of the Oregon Tort Claims Act in ORS 30.270.
 - f. Provide a certificate of insurance to the City wherein the City is an additional named insured and that provides information confirming that the insurance limits required above have been met.
2. The Franchisee shall not:
 - a. Give any rate preference to any person, locality or type of solid waste service. This paragraph shall not prohibit uniform classes of rates based upon length of haul, time of haul, type or quantity of solid waste handled and location of customers, so long as such rates are reasonably based upon costs of the particular service and are approved by the Council in the same manner as other rates, nor shall it prevent Franchisee from volunteering service at reduced cost for a charitable, community, civic or benevolent purpose.
 - b. Transfer this franchise or any portion thereof to other persons without the prior written consent of the City Council, which consent shall not be unreasonably withheld. The City Council shall approve the transfer if the transferee meets all applicable requirements met by the original franchise holder. A pledge of this franchise shall be considered as a transfer for the purposes of this subsection.

Section 11. Books, Records and Inspection.

1. The Franchisee shall maintain accurate books and records reflecting the business transacted and the gross receipts received. Generally accepted methods of accounting shall be followed.

2. The Franchisee shall, at reasonable times that are during regular business hours, permit inspection of its facilities, equipment, personnel and records by City to determine compliance with this franchise.
3. If the City examines Franchisee's books and records and finds an error in its favor which results in their being due to the City \$500 or more in additional franchise fees, Franchisee shall pay the reasonable cost of such examination.
4. The books and records shall be maintained and made available for inspection at Franchisee's main office for a period of six (6) years.

Section 12. Suspension, Modification or Revocation of Franchise.

1. Willful violation of this Ordinance, or failure of Franchisee to comply with a written notice from the City to provide necessary service or to otherwise comply with the provisions of this Ordinance, after a reasonable opportunity to comply, shall be grounds for modification, revocation or suspension of the franchise.
2. After written notice from the City that such grounds exist, the Franchisee shall have thirty (30) days from the date of giving such notice in which to comply or to request a public hearing before the City Council. Said written notice may be delivered to Franchisee personally, electronically or by United States mail to Franchisee's business address. In the event of a public hearing, the Franchisee and other interested persons shall have an opportunity to present information and testimony in oral or written form.
3. Notwithstanding the preceding paragraph, in the event the City finds an immediate and serious public health or safety issue to exist for which Franchisee is responsible, City may, without a public hearing, reduce the amount of time for Franchisee to correct the concern or the City may correct the concern and charge the costs of correcting it to Franchisee.
4. If Franchisee fails to comply within the specified time or fails to comply with the order of the City Council entered upon the basis of findings, the City Council may suspend, modify or revoke the franchise.

Section 13. Interruption or Termination of Service. The Franchisee shall not terminate service to any or of its customers unless:

1. The street or road access is unavoidably blocked through no fault of the Franchisee and there is no reasonable alternate route or routes to serve all or a portion of its customers; but in either event, the City shall not be liable for any such blocking of access; or
2. Adverse weather conditions or other access conditions render providing service unduly hazardous to persons or equipment providing such service, or if such interruption or termination is caused by an act of God or a public enemy, or
3. A customer has not paid for services rendered within 30 days of the mailing of the bill or otherwise complied with the provisions of Section 21 of this Ordinance.

Section 14. Collection Facilities. The Franchisee may maintain facilities in the City where its customers may pay their bills for service during normal business hours.

Section 15. Supplying Maps Upon Request. The Franchisee shall maintain on file at an office in Oregon maps and operational data pertaining to its operations in the City. The City may inspect the maps and data at any time during business hours. Upon request of the City, the Franchisee shall furnish to the City, without charge, and on a current basis, maps showing the places of collection and routes of transportation of the Franchisee's motor vehicles in the City.

Section 16. Indemnification. The Franchisee shall indemnify and save harmless the City and its officers, agents and employees from any and all loss, cost and expense arising from damage to property and/or injury to or death of persons due to any wrongful or negligent act or omission of the Franchisee, its agents or employees or due to exercising the rights, privileges and franchise hereby granted.

Section 17. Assignment of Franchise and Subcontracts.

1. This franchise shall not be assigned or transferred without the written consent of the City, which approval shall not be denied without cause. If assigned or transferred, this franchise shall be binding upon and inure to the benefit of the successors, legal representatives and assigns of the Franchisee.
2. The Franchisee may subcontract with others to provide a portion of the service if the Franchisee does not have the necessary equipment. Such a subcontract shall not relieve Franchisee from meeting the service standards or other requirements specified in this franchise.

Section 18. Remedies Not Exclusive When Requirement Waived. All remedies and penalties under this Ordinance, including termination of the franchise, are cumulative and the recovery or enforcement of one is not a bar to the recovery or enforcement of any other such penalty or remedy. The remedies and penalties contained in this Ordinance, including termination of the franchise, are not exclusive and the City reserves the right to enforce the penal provisions of the Ordinance or resolution and to avail itself of any and all remedies available at law or in equity. Failure to enforce shall not be construed as a waiver of a breach of any term, condition or obligation imposed upon the Franchisee by or pursuant to this Ordinance. A specific waiver of a particular breach of any term, condition or obligation imposed upon the Franchisee by or pursuant to this Ordinance shall not be a waiver of any other or subsequent or future breach of the same or of any other term, condition or obligation, or a waiver of the term, condition or obligation itself.

Section 19. Annexation. Subject to ORS 459.085(3), Franchisee reserves all rights to serve any and all areas annexed to the City.

Section 20. Rates and Charges. The Franchisee shall submit to the City a schedule of rates for its customers and those rates are subject to approval by Resolution by the City. The City may approve those rates if they are not unreasonable and are not substantially higher than those charged generally under similar service requirements and for the same and similar quality of service, or the City may establish a different rate schedule. In establishing rates or in considering rate increases or decreases, the City must find that the rates will be just, fair, reasonable and sufficient to provide proper service to the public and will take into consideration the cost of doing business by the Franchisee, the ability of the customer to pay such rates and the rates charged by a similar business. In determining the appropriate rates to be charged by the Franchisee, the Council shall consider:

1. The cost of performing the service provided by the Franchisee.
2. The anticipated increase or decrease in the cost of providing this service.
3. The need for equipment replacement and the need for additional equipment to meet the service needs, or technological changes.
4. Compliance with federal, state or local laws or regulations.

5. The Franchisee's investment, the value of the business and the necessity that the Franchisee have a reasonable operating margin and rate of return on revenue.
6. The public interest in assuring reasonable rates to enable the Franchisee to provide efficient and beneficial service to the residents and other users of the service.
7. The local wage scales, cost of management, facilities, and disposal fees and charges.
8. Any profit or cost savings resulting from recycling and resource recovery, and any additional costs resulting from recycling and resource recovery.
9. Any increase or decrease in the franchise fee charged by the City.
10. Rates in other cities for similar service.
11. Any other information deemed necessary for a rate review and adjustment.

Section 21. Public Responsibility. Both the Franchisee and the public shall comply with ORS Chapters 459 and 459A and regulations promulgated pursuant thereto, including those regulations issued by the Department of Environmental Quality and the Workers' Compensation Board. The following requirements shall pertain to service under this Ordinance:

1. Each person in the City shall dispose of their putrescible solid waste and wastes in an approved manner at least every seven (7) days or at more frequent intervals where necessary to prevent the creation of health hazards, rodent harborage or sustenance, vector production or sustenance, or public nuisance.
2. If a customer uses a roller cart designed for mechanical collection, the customer shall use only receptacles furnished by the Franchisee and the loaded weight of the receptacles shall comply with the manufacturer's specifications.
3. All carts designed for mechanical solid waste collection and all carts and containers designed for mechanical recyclable materials collection shall be placed at the curb or roadside by the customer prior to the time of collection.
4. If a customer uses a garbage can designed for manual collection, no garbage can shall exceed 32 gallons in size and shall not weigh more than 60 pounds gross loaded weight. Only round garbage cans shall be used, and cans shall be tapered so that they are larger at the top, and cans shall have handles at the top and a place for a handhold at the bottom.
5. Sunken refuse cans or containers shall not be installed or used.
6. To protect against injury to employees of the Franchisee, and to protect against rodent and fire dangers, cans shall be rigid and of material that will not split or crack in cold weather.
7. Customers shall provide safe access to the pickup point so as not to jeopardize the persons or equipment supplying service or the motoring public.
8. Stationary compactors for handling solid waste or recyclable materials shall comply with applicable federal and state safety regulations. No stationary compactor or other container or drop box shall be loaded so as to exceed the safe loading design limit or operation limit for collection vehicles used by Franchisee. A person who wishes service for a compactor that such person is going to acquire, shall acquire a compactor approved by the Franchisee that is compatible with the equipment of the Franchisee or the equipment the Franchisee is willing to acquire.
9. Customers shall take appropriate action to ensure that hazardous materials, chemicals, paint, corrosive materials, infectious waste or hot ashes are not put into a cart, container or drop box. When materials or customer abuse, fire, or vandalism causes excessive wear or damage to a cart, container or drop box, the cost of repair or replacement may be charged to the customer.

10. Any person who receives service shall be responsible for the payment for that service. The landlord of any premises impliedly consents to the provision of service to the tenant thereof, and shall be responsible for payment for the service if the tenant does not pay.
11. The following additional billing policies shall apply:
- a. There shall be a pro-rate credit allowed on the regular monthly charge for service which is cancelled for three weeks or more, but none shall be allowed for service which is cancelled for less than three weeks.
 - b. The Franchisee may deny solid waste collection service to non-owner occupants of property unless payment therefore has been guaranteed in advance by the property owner, or unless a satisfactory cash deposit or advance payment has been made by said non-owner occupant.
 - c. The Franchisee may charge a late fee or a service-interrupt fee in accordance with the Resolution setting forth rates to be charged to customers by Franchisee, as approved by the City from time to time.

Section 22. Severability. Any finding by any court of competent jurisdiction that any portion of this franchise is invalid shall not invalidate any other provision of this franchise.

Section 23. Penalties. In addition to any other remedies specified herein or available by law, a violation of the provisions of this Ordinance shall be punishable by a fine of up to \$1,000 for each day the violation continues.

Section 23. City Enforcement.

The City, through its appropriate officers, shall take all appropriate steps within the power of the City to protect the exclusive right and interest hereby given to the Franchisee and shall cooperate in all particulars with the Franchisee in protecting such exclusive right and shall, if deemed necessary, pass such additional ordinances as may be required to make the franchise exclusive and to enforce such ordinances by administrative, civil or criminal action as necessary to obtain compliance with said ordinances. Unless otherwise specified in this Ordinance, any action authorized or required to be taken by the City may be taken by the Council or by an authorized employee of the City.

Section 24. Repeal. Ordinance Number 625 is hereby repealed.

Section 25. Acceptance and Effective Date. The Franchisee shall, within thirty (30) days from the date this Ordinance is passed by the City Council, file with the City its written, unconditional acceptance of this franchise and, if the Franchisee fails to do so, this Ordinance shall be void. If the Franchisee accepts this franchise, the effective date of this Ordinance shall be thirty (30) days after the Ordinance is signed by the Mayor.

PASSED BY THE COUNCIL at a regular meeting on the 13TH day of MAY, 2009.

This report provides information necessary to calculate the Refuse Rate Index effective January 1, 2020. This calculation is based on the Consumer Price Index, fuel pricing and disposal cost. Based on these factors, the increase for 2020 will be calculated at 2.4%, or an average of 59¢ per residential account per month.

In addition, you will find current information on recycling. We are not requesting additional rates for recycling but want to make sure the City has the most up to date information as the recycling industry continues to evolve locally and around the world.

We are proud to partner with the City of Harrisburg and appreciate your comments and suggestions as you review this document. Feel free to contact me with questions.

Agenda Bill
Harrisburg City Council
Harrisburg, Oregon

THE MATTER OF APPROVING PAYMENT OF LONGEVITY PAY TO SOON TO BE RETIRED EMPLOYEE PATSY VANLEEUVEN.

STAFF REPORT: NONE

ACTION: MOTION TO AUTHORIZE THE FINANCE OFFICER TO PAY \$1,500 TO PATSY VANLEEUVEN.

THIS AGENDA BILL IS DESTINED FOR: Regular Agenda

BUDGET IMPACT		
COST	BUDGETED?	SOURCE OF FUNDS
\$1,500	Yes	GENERAL FUND –PERSONNEL SERVICES

STAFF RECOMMENDATION:

Both the CR/ACA and Finance Officer propose that the Council authorize payment of longevity pay to retiring employee Patsy VanLeeuwen.

BACKGROUND INFORMATION:

Patsy VanLeeuwen will retire after 29 years and 7 months of employment with the City of Harrisburg, at the end of the month of October. The City couldn't have asked for a better person to be the front-line representative who works with the citizens of our town. Patsy's voice and face are recognizable to hundreds of people; her demeanor is always open and friendly. She started with the City in 1990, when the utility billing system was mostly handwritten, and has successfully weathered all the changes that staff have thrown in her direction over the years.

Chapter 114 of the Harrisburg Employee Manual states that longevity pay is in part, for thanking employees for their faithful and lengthy service. It's unusual in this day and age to find employees who stay with an employer for a period of 30 years, and staff would like to thank Patsy for all of her hard work, and perseverance.

Technically, she wouldn't be eligible for the longevity pay unless she worked through the end of March 2020. Staff are requesting that the Council allow the payment of the full \$1,500 that she would have earned next year, on her last day of employment with the City. The \$1,500 is budgeted within Personnel Services, for payment in this fiscal year.

MOTION: *I move to authorize the finance officer to pay \$1,500 in longevity pay to Patsy VanLeeuwen on her last day of employment.*
