**STAFF RECOMMENDATION:**

**Staff recommend that City Council review the attached reports and prepare any questions for LCSO Staff.**

BACKGROUND INFORMATION:

Sergeant Frambes will be providing the August 2025 **(EXHIBIT A)** and the September 2025 **(EXHIBIT B)** Linn County Sheriff Office City Reports this evening.

If the reports are provided in time for the agenda process, they will be attached as exhibits. If they are provided after that point, but prior to the meeting, then Staff will forward them via email to Council members and will print them in time for the meeting. (LCSO Reports not appearing in the Council Agendas will be provided in the Minutes for that meeting instead.) This process gives Council the chance to review responses and actions in relation to both criminal and non-criminal activities by LCSO deputies in town monthly.

#### **STAFF RECOMMENDATION:**

**Staff recommends normal discussion of any concerns that Council might have in relation to crime issues.**

#### **BACKGROUND INFORMATION:**

The Crime Comparison by Quarter Report (**Exhibit A**) has been updated by the addition of the 3<sup>rd</sup> Quarter of 2025. *Person Crimes* are the same as 1<sup>st</sup> Qtr. *Person Crimes* are more serious crimes. All four were assaults; one was due to a fight in the skatepark, there was a follow-up to a 'old' domestic disturbance between neighbors, which is being investigated; and one assault on a child by an adult, resulting in an assault 4, and criminal mistreatment 1.

*Property crimes* are down one from the previous quarter. They included a shoplifting incident, theft and criminal mischief for two people at the Voo, both of whom were trespassed following. A 27-year old was arrested for unauthorized use of a motor vehicle, and fleeing, or attempting to elude a police officer. Another caller was scammed out of \$750, when she was told she had a warrant out for her arrest. There was also a bike theft. While the property crimes show as 7 total, there were only 5 on the map, there is no further detail for the other two crimes.

*Drug/Alcohol Crimes* are 2 this quarter; both in relation to juveniles in different parts of town. *Traffic Offenses* are at 5. One was a hit and run crash in a parking lot, two DUI's again, and another hit and run at the corner of 6<sup>th</sup> & LaSalle St.

*All other offenses* is 14. This included a domestic violence incident, with investigation ongoing; a young man arrested for trespass, and contempt of court, an investigation in

relation to an 8 year old who wanted to harm himself and others (investigation ongoing and seizure of a firearm to protect the family), a person issued citations for driving uninsured, while suspended, failure to register a vehicle, and improper display of plates. (He was also arrested for an outstanding warrant for contempt of court). There was an illegal camping, offensive littering and criminal mischief 2; another person who was issued citations for driving uninsured and while suspended, who also got a criminal citation for an Albany Municipal Court Warrant for contempt. A dog owner was cited for dog as public nuisance, and a suspicious male at a church entered the building, and left a note, but caused no damage, and didn't steal anything. The information was documented. There was also another trespass and attempt of theft at the Dollar General.

*Arrests*, were more prolific this last quarter. There were 4 arrests for theft; 3 at businesses. 3 DUII arrests, including one with the hit and run at Smith & 3<sup>rd</sup>. Drug and alcohol offenses were the two juveniles, listed above. There was another person from Brownsville, who was arrested for the fight at the skatepark. There were 5 *all other arrests*. Most of *these other arrests* are based on outstanding warrants, and are the same as above in all other offenses.

*Citations* dropped slightly from 46 to 41 over the last quarter. *Total violations* were increased by 2. There were 4 *non-injury crashes*, and 2 *injury crashes*. *Moving violations* decreased, as did *equipment violations*. *People speeding* reduced by 1, and *License/insurance problems* increased to 33.

In the YTD Crimes compared to last year (**Exhibit B**, Page 4), Council can see that we still have less crime group entries than last year, with 146 to 164 last year at this time. Property crimes are down by five from last year, and person crimes are down by 6. All other offenses remains the same as last year.

Finally, looking at the Contract Cities Crime Report (**Exhibit B**, Page 5) at the end of the report, Harrisburg is still ahead of all other cities for crime, in terms of the current year to date, compared to last year. Our numbers, 107 this year, have exceeded those of last year at 102 at this same time. As Sergeant Frambes has reminded people in the past, one person may have six crimes, but each of those are in different categories, which throws off the numbers. We are the largest contract city, so it stands to reason that also with more hours than the other cities, that we have more crime YTD this year. Staff prefers to look at YTD compared to LYTD, in which we show as 18 less than the previous year.

STAFF RECOMMENDATION:

**Staff recommend that City Council listen to the presentation provided by Chief Larry Larsen, who hopes to be present at this meeting.**

BACKGROUND INFORMATION:

Coburg Police Chief Larry Larson provided the City with quarterly statistics for traffic enforcement and code enforcement services provided in Harrisburg (**Exhibit A**). If the reports are provided in time for the agenda process, they will be attached as exhibits. If they are provided after that point, but prior to the meeting, then Staff will forward them via email to Council members and will print them in time for the meeting. (Reports not appearing in the Council Agendas will be provided in the minutes.)

This process gives Council the chance to review responses and actions in relation to both criminal and non-criminal activities by the Coburg Police Department on a quarterly basis. If a representative is not available, questions can be conveyed by staff.

THE MATTER OF UPDATING THE LAND USE FEE SCHEDULE FOR VARIANCES AND MODIFICATIONS BY APPROVING RESOLUTION NO. 1311

STAFF REPORT:

- Exhibit A: Redlined Fee Schedule
- Exhibit B: Resolution No. 1311

ACTION:               **MOTION TO APPROVE RESOLUTION NO. 1311, “A RESOLUTION APPROVING AMENDMENTS TO THE HARRISBURG LAND USE FEE SCHEDULE FOR VARIANCES AND MODIFICATIONS”**

**THIS AGENDA BILL IS DESTINED FOR:** Work Session – Oct 28, 2025

| BUDGET IMPACT |           |                 |
|---------------|-----------|-----------------|
| COST          | BUDGETED? | SOURCE OF FUNDS |
| N/A           | Yes/No    | N/A             |

STAFF RECOMMENDATION:

**Staff recommends the City Council Adopt Resolution No. 1311**

BACKGROUND INFORMATION:

The Land Use Fee Schedule is based upon all the different types of land use processes that are allowed in Title 19 in the Harrisburg Municipal Code. Some of the newer land use processes have not yet been put through a live test. Suggested fee changes in this report are shown in red in **Exhibit A**.

When initially comparing the differences between a minor modification and a major modification, Staff didn’t think that the major modification would likely be used much. However, after reviewing it for a possible modification for a subdivision, in this case, Castleberry Crossing, Staff realized the level of complication and anticipates more staff time in terms of producing public hearing notices, public mailings, and staff reports. Therefore, staff suggests creating two fees based on Minor and Major Modifications.

Variances are one of the land use processes that resulted in less Staff time for a standard one item code variance, which is used for most types of residential applications. The fee of \$1,250 was overstated for these kinds of applications. All variances are Type III applications, requiring public noticing, and more complex staff reports. However, after working through a recent variance for a residential application in relation to only one code change, and one that had two, it’s definitely warranted to

create a tiered fee system. The first two fees for variances are based on residential applications. One requires more time from staff in processing than the other, allowing for a \$500 and \$750 fee structure. The variance fee for large site plans, subdivisions, and residential applications with six or more development code changes, all warrant the higher fee that is already in place at \$1,250. The resolution can be found in **Exhibit B**.

**Resolution No. 1311**

**A RESOLUTION APPROVING AMENDMENTS TO THE HARRISBURG  
LAND USE FEE SCHEDULE FOR VARIANCES AND MODIFICATIONS**

WHEREAS, the City of Harrisburg has the authority to charge fees for services it provides; and,

WHEREAS, the fees charged for land use actions should accurately reflect the cost to the City in terms of staff time, and public notice procedures; and,

WHEREAS, the City is updating the Fee for variances, and modifications that reflect changes to the Harrisburg Development Code.

NOW, THEREFORE, the City Council:

1. Adopts the Amended City Fee Schedule as shown in **Exhibit A**.
2. Supersedes Resolution No. 1295, only for Variance fees, and Modifications.

Adopted by the City Council of the City of Harrisburg, Oregon, on the 28<sup>th</sup> day of October, 2025.

**THE MATTER OF APPOINTING STEPHANIE TEGGE TO THE PLANNING COMMISSION FOR A TERM ENDING DECEMBER 31, 2027**

**STAFF REPORT:**

Exhibit A: Application for Stephanie Tegge

**ACTION: MOTION TO APPOINT STEPHANIE TEGGE TO THE PLANNING COMMISSION FOR A TERM ENDING DECEMBER 31, 2027**

**THIS AGENDA BILL IS DESTINED FOR:** Regular Agenda- October 28, 2025

| BUDGET IMPACT |           |                 |

STAFF RECOMMENDATION:

**Staff recommends the City Council appoint Stephanie Tegge to the Planning Commission.**

BACKGROUND INFORMATION:

Commissioner Joe Neely, who has served the Planning Commission since March of 2022, submitted his resignation in June of 2025. He graciously remained part of the committee until his replacement could be appointed. Staff is very appreciative to Commissioner Neely for his commitment and willingness to serve the Harrisburg Community.

Stephanie Tegge's application was received on October 9, 2025. As stated in her application (**Exhibit A**), she is interested in being on the Planning Commission because she wants to contribute to the thoughtful and balanced growth of our Community. Her background includes accounting/finance as well as real estate.

Are you a Harrisburg resident? Yes ☒ No ☐

Employment:

In which position are you interested?\*

Tell us why you would like to be included on the Board or Committee of your choice and what you will contribute:

I'm interested in joining the planning committee because I want to contribute to the thoughtful and balanced growth of our community. I believe good planning should consider not only current needs but also long-term financial sustainability, housing affordability, and the overall character of the area. With a background in accounting and finance, and experience in real estate, I understand how planning decisions affect both residents and local businesses. I'd like to be part of the process that ensures our community continues to develop responsibly and remains a great place to live and work.

Please list any schooling, hobbies, prior experience or any other information that would indicate how you would contribute to the Board or Committee.

With a background in accounting/finance as well as real estate, I'd bring a practical, numbers-based perspective to discussions, along with a real-world understanding of property, zoning, and development. I'm used to looking at both the financial and community sides of decisions, and I like finding solutions that make sense for everyone involved. I'm also a good listener and enjoy working with others toward common goals. My goal would be to help the committee make well-informed, balanced recommendations that reflect what's best for our town as a whole.

Please list a personal/professional reference that we may contact:

**THE MATTER OF A REQUEST FROM REPUBLIC SERVICES TO INCREASE RATES BY 2.4%, STARTING IN 2026.**

**STAFF REPORT:**

Exhibit A: Request from Republic Services

**ACTION: MOTION TO DIRECT THE CITY ADMINISTRATOR TO RETURN WITH A RESOLUTION ADOPTING A \_\_\_\_ RATE INCREASE AFTER DISCUSSION**

**THIS AGENDA BILL IS DESTINED FOR:** Work Session – October 28, 2025

| BUDGET IMPACT |           |                 |
|---------------|-----------|-----------------|
| COST          | BUDGETED? | SOURCE OF FUNDS |
| N/A           | Yes/No    | N/A             |

**STAFF RECOMMENDATION:**

**Staff recommends the City Council discuss, and if warranted, direct her to return with a resolution at the next City Council meeting.**

**BACKGROUND INFORMATION:**

Republic Services Municipal Manager Julie Jackson has submitted the annual request (**Exhibit A**) for a rate increase for Harrisburg consumers. The Refuse Index indicates that Harrisburg consumers should be paying a 2.4% increase at this time.

Republic Services chose to not charge Harrisburg customers with a rate increase last year. They did charge a 3.2% increase to Albany, Lebanon & Monroe in 2025, and Corvallis paid for an increase of 4.67%. The increase in 2024 was only 1%, but previously, Republic Services had asked for a 9% increase and was limited to 7.5% by the City Council. The table of rate increases since 2017 follows:

| Year of Increase | % of Increase       | Description                                                                                                                                                                       |

| 2024 | 1%   | Resolution No. 1286                                 |
| 2025 | None | Other Franchise cities were charged a 3.2% Increase |

Ms. Jackson also provided a small table of how much the 2.4% will affect most consumers on their monthly bill. (Please refer to **Exhibit A**).

Information about the changes to the recycling program for the State of Oregon was also included in her letter, along with an exhibit for what is now allowed in recycling materials. Staff have had to respond to the DEQ in relation to the DEQ's Recycling Modernization Act and is working with Republic Services on that program. Harrisburg has no centralized recycling services.

The City is appreciative that Republic Services helps with the City to provide a Community Clean-Up Day, which is held right before the 4<sup>th</sup> of July. They also provide trash cans and pick those up for free for the Fire Volunteers Pancake Breakfast held on the 4<sup>th</sup> of July.

The City Council does require in the franchise agreement that rates must be fair, just, reasonable, and sufficient to provide proper services to the public. They must also take into consideration consumers' general ability to pay such rates, and the rates charged by similar businesses. The Refuse Rate Index is the system that Republic Services put together based on the City Councils request to give a tangible reason behind the system of rate increases requested by Republic Services in the past.

The Franchise fee and revenue the City receives is based on a quarterly payment. The budget this year is \$48,750, and the City has received 51% of that at \$24,822 in this fiscal year. The franchise agreement allows for a fee equal to 4.5% of the gross revenue for services provided in the Harrisburg jurisdictional boundaries.

If the City Council would like Republic Services to provide additional information, we can request that at this time, or if they have no objection to the rate fee indicated in the request, Staff can return with a resolution at the next City Council meeting.

Mayor Duncan  
Harrisburg City Council  
City Staff

Dear Mayor Duncan, City Council and Staff,

Republic Services is pleased to serve the City of Harrisburg as your recycling and waste hauler. Some highlights from 2025 include:

- Implementation of the first phase of DEQ’s Recycling Modernization Act on July 1, 2025. This phase added materials to the list of items to recycle at the curb. We continue to work with DEQ to get ready for the next steps in 2026 and 2027.
- Continued enhanced Community Clean-up Day.
- Contributions of more than \$60,000 in cash and in-kind donations in Linn County, including support for the 4<sup>th</sup> of July Firefighters Breakfast in Harrisburg.

In this packet you will find information about the Refuse Rate Index for 2026. The index adjustment of 2.4% is calculated using the Consumer Price Index (CPI), Fuel Costs, and disposal costs. The resulting monthly increase for residential cart customers is:

|        |                |
|--------|----------------|
| \$0.60 | 20 Gallon Cart |
| \$0.68 | 32 Gallon Cart |
| \$0.85 | 64 Gallon Cart |
| \$1.02 | 90 Gallon Cart |

We look forward to your comments,

**BACKGROUND INFORMATION:**

The updated S&P Global Rating Report (**Exhibit A**) has been issued by Standard & Poor's Financial Services LLC. These ratings are used to assess the risk of providing credit to large corporations and government agencies. We have used it to receive favorable interest rates on bonds, and the current loan we are using through the Special Water Project Funds. The higher the rating, the less risk is associated with the organization.

We have held an A+ rating for several years. However, due to local economic factors outside of our control, we have been reduced to an A rating. The City of Harrisburg has a smaller and more limited economic base in relation to other cities in the county and nation. Another factor in the reduced rating was going from Modified Accrual to Modified Cash accounting. The city made this switch when the auditor advised the action due to new GASB regulations that affect local government auditing practices. The rest of our factors show positive and factors and place the City of Harrisburg in a stable financial environment.

## Research Update:

# Harrisburg, OR General Obligation Bond Rating Lowered To 'A' On Local Incomes, Accounting Method; Outlook Stable

September 15, 2025

## Overview

- S&P Global Ratings lowered its long-term rating to 'A' from 'A+' on the City of Harrisburg, Ore.'s full-faith-and-credit and general obligation (GO) bonds outstanding.
- The outlook is stable.
- The rating action reflects our view of the city's smaller and more limited economic base relative to peers. In addition, the rating downgrade follows the city's change in basis of accounting to modified cash from accrual in fiscal 2024, which weakens our view of its budgetary flexibility by reducing clarity and comparability around the amount of funds that are truly available.

## Rationale

### Security

The city's full faith, credit, and resources, including revenue from ad valorem property taxes within constitutional limitations, secure the full-faith-and-credit bonds.

The city's full faith and credit, including the obligation to levy ad valorem property taxes without limitation as to rate or amount, secures the GO bonds.

### Credit highlights

The rating reflects the city's modified cash-basis of accounting, below-average county income levels, small population, and low nominal available reserves. These weaknesses are offset by a trend of available general fund cash reserves averaging about 70% of operating revenue, with no intentions to spend down.

Harrisburg is located in Linn County in western Oregon and has a population of 3,706. It is approximately 22 miles north of Eugene and 52 miles south of Salem. Harrisburg provides a full

range of municipal services, including police protection, parks and recreation facilities, streets, planning, zoning, and general administration. In addition, the city operates water and sewer utility systems. The majority of its residents work within city limits. Assessed value (AV) has steadily grown in each of the past five years. According to management, there are several new subdivisions in development.

Property tax revenue accounts for about 55% of operating revenue and franchise taxes account for 28%. The city has posted mostly positive operating results in recent audited fiscal years. The city expects a small surplus for fiscal 2025 of approximately \$66,000, which it will add to its available reserves. The fiscal 2026 budget shows a deficit of 10.5% of operating revenues, or \$204,220 on a conservative basis, and includes a one-time transfer-out of approximately \$176,000 to its water fund. According to management, fiscal 2026 could see stronger results given the conservative nature of its revenue-and-expenditure assumptions and absence of plans to spend down available general fund reserves. We note that the city plans to issue \$3.5 million in water bonds supported by water utility revenues and does not expect to transfer any additional funds to its water fund from the general fund.

Overall, we believe the city will be able to maintain its financial performance and available reserve trend given its conservative budgetary practices, with realistic assumptions, and lack of plans to use general fund cash reserves.

The 'A' rating further reflects our view of the city's:

- Small local economic base with incomes below both county and U.S. averages.
- Mostly positive general fund operating results and a small surplus estimated for fiscal 2025, according to management, and modified cash-basis available reserves that have been averaging approximately 70% of revenue and at 73% for fiscal 2024, or a little over \$1 million.
- Management profile that includes the use of trend analysis and gathering of available external and internal sources to build assumptions, with quarterly updates providing an opportunity to course-correct; some long-term financial and capital planning; an informal goal to maintain a minimum of three months, or 25% ending general fund balance, but lacking formal policies, such as for debt management and investment.
- Manageable debt profile and liabilities profile, with high total current cost but mild exposure to fluctuations in pension contributions due to the city's funding approach (for more information on our view of Oregon's pension profile, see "[Pension Spotlight: Risk-Sharing Plans Help Manage Budgetary Stress For Five U.S. States](#)," Oct. 3, 2024).
- For more information on our institutional framework assessment for Oregon municipalities, see "[Institutional Framework Assessment: Oregon Local Governments](#)," Sept. 11, 2024. We have adjusted our scoring to reflect the city's modified cash basis reporting practices.

## Environmental, social, and governance

We view the city as having elevated environmental risks, including earthquakes and inland flooding, that could affect the tax base. In our analysis, we view social and governance factors as neutral.

## Outlook

The stable outlook reflects our view that, given the absence of plans to spend down, the city will maintain available reserves, positioning it well to weather some short-term budgetary volatility.

## Downside scenario

We could lower the rating if the city experiences a sustained operational imbalance or materially spends down available general fund reserves without a credible plan to restore them.

## Upside scenario

We could raise the rating if our view of the city's financial transparency materially improves, and if local income levels and available reserves nominally improve to levels that are comparable with those of higher-rated peers.

The ratings appearing below the new issues represent an aggregation of debt issues (ASID) associated with related maturities. The maturities similarly reflect our opinion about the creditworthiness of the U.S. Public Finance obligor's legal pledge for payment of the financial obligation. Nevertheless, these maturities may have

different credit ratings than the rating presented next to the ASID depending on whether or not additional legal pledge(s) support the specific maturity's payment obligation, such as credit enhancement, as a result of defeasance, or other factors.

THE MATTER OF REVIEWING A PERMIT FOR THE 2025 LIGHT PARADE

STAFF REPORT:

MOTION TO APPROVE THE 2025 LIGHT PARADE PERMIT,  
SUBJECT TO THE CONDITIONS OF APPROVAL

THIS AGENDA BILL IS DESTINED FOR: Work Session – October 28, 2025

STAFF RECOMMENDATION:

Staff recommends that the City Council approve the 2025 Light Parade Permit

BACKGROUND INFORMATION:

The Tri-County Chamber of Commerce is planning on holding the 2025 annual Light Parade on December 6, 2025. The Parade Theme this year is *A Charlie Brown Christmas*.

The parade starts at Harrisburg Elementary, heads east on Smith to 9<sup>th</sup>, then turns north on 9<sup>th</sup> to Territorial Street, west on Territorial to 3<sup>rd</sup> Street, south on 3<sup>rd</sup> Street to Smith Street, and east on Smith St., back to the staging area.

The lineup and staging area is on Smith St., from 4<sup>th</sup> to 9<sup>th</sup>, on 6<sup>th</sup> St., and at the elementary parking area. Staging starts at 6:00 pm. A complete Parade Permit Application including the route, and the applicant’s required signature is shown in **Exhibit A**.

The applicant asks to borrow the City’s street barricades, as it does every year. The city has limitations on the number of signs we have, as what everyone sees during the 4<sup>th</sup> of July are the ones that the City rents, and the Harrisburg Community 4<sup>th</sup> of July Association pays for. The applicant indicates that 4 deputies will be assisting during the parade this year; Staff has also asked Coburg to cover one or two of the busiest intersections other than 3<sup>rd</sup> St.

The City will be holding our normal Santa Event following the parade this year; we’d love to have more volunteers if any of you are available.

## DISCUSSION

### Noise:

Parades generally produce a fair amount of noise. Subsection (e) of HMC 9.20.030 allows for the City Council to grant a permit for noise generated from general entertainment, such as a parade. Based on this provision, and the fact that the applicant will obtain a parade permit, the noise generated from the parade is acceptable.

### Traffic:

The parade route includes several public streets, which will be used by those participating in the parade. According to the applicant, the parade is anticipated to last between one and one and a half hours and is scheduled to begin at 7:00pm. Traffic will likely be negatively affected during this period. No special measures or mitigation are being proposed by the applicant or required by the City. The parade does follow a portion of Hwy 99E/3<sup>rd</sup> St. and the applicant will be required to obtain a permit from ODOT prior to commencement of the parade. **(Condition 1)**.

### Insurance:

The applicant is required to obtain insurance in the amount of \$1M, that covers as additional insured's the City of Harrisburg. ODOT also requires insurance coverage asking the same. This will be supplied by the applicant when it becomes available after their renewal date of November 24<sup>th</sup> **(Condition 2)** The applicant is asked to provide the City with the new certificate at that time, listing the City as an additional insured.

### Trash and Debris:

Parades will typically generate trash or other debris that may be left on City streets or sidewalks. It shall be the responsibility of the applicant to ensure that no trash or debris generated from the parade is left on any City street, sidewalk, or private property **(Condition 3)**.

### Time and Duration:

As noted above, the parade is scheduled to begin at 7:00pm on December 6, 2025. While it is anticipated that the parade will last no more than 2 hours, there is always an unknown for how many people may join in the festivities. Therefore, the parade permit issued by the City shall be from 6:00 pm until 9:30 pm, on December 6, 2025. **(Condition 4)**.

### Parade Route and Participation:

The applicant has submitted a parade route: The parade route will begin at the elementary school and proceed east on Smith St. until 9<sup>th</sup> Street to Territorial Street. It will thence proceed west to 3<sup>rd</sup> St. (Hwy 99E), turning south onto Smith Street, and then heading east on Smith before returning to the Elementary School area. The parade shall be limited to the route approved by the City Council **(Condition 5)**. The applicant estimates that there will be roughly 100 participants in the parade. The number of participants and parade route are acceptable. The parade participants range from walkers to drivers of the floats and other vehicles.

The parade route passes over both the UPRR and the PWNR tracks. The applicant has provided the City with the UPRR event code of 2025-10-21-394UPN, and has also notified the PNWR/GWRR Company. The applicant is encouraged to contact the railroads on the date of the parade to verify and remind them of the parade.

## CONCLUSION

The proposed parade is consistent with the provisions in the Harrisburg Municipal Code, and, as conditioned, will ensure that any adverse impacts to the public and City's infrastructure are mitigated.

## RECOMMENDED ACTION

The City Council is requested to review the parade permit application materials, evaluate the request against the applicable municipal code provisions, and decide whether to:

1. Approve the request as proposed;
2. Approve the request, as revised by the City Council; or,
3. Deny the request.

Based on the information provided by the applicant, and the applicable municipal code provisions, staff recommends the City Council approve the request, subject to conditions of approval. The motion is at the top of this staff report.

## CONDITIONS OF APPROVAL

1. **The applicant shall obtain approval from ODOT for the proposed parade and provide documentation to the City of the approval, prior to the commencement of the parade.**
2. **The applicant shall provide the City with the certificate of liability insurance with the City listed as additional insured.**
3. **The applicant shall be responsible to remove any trash or debris on the City street or sidewalks generated by the parade and its participants.**
4. **The parade shall be held on December 6, 2025, between the hours of 6:00 and 9:30 pm.**
5. **The parade shall be limited to the route approved by the City Council.**

The Tri-County Chamber of Commerce is requesting the use of the following streets to hold our 34<sup>th</sup> Annual Light Parade in Harrisburg on Saturday, December 6, 2025.

Line up Staging is on Smith Street between 4<sup>th</sup> and 9<sup>th</sup> Streets and in the Elementary and Middle School parking lots. Dispersal is via 9<sup>th</sup> at the end of parade.

Parade Route (map attached)

The parade goes north on 9<sup>th</sup> to Territorial Street, west on Territorial to 3<sup>rd</sup> Street, south on 3<sup>rd</sup> Street to Smith Street, east on Smith Street to 9<sup>th</sup> Street, and back to the staging area.

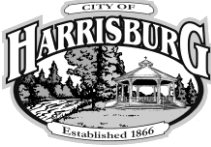

We ask for the closure of these streets for the safety of the participants and attendees, as well as for the **City to put out the City's road closure signs and barricades along route** for us to put in place.

I have requested a permit from ODOT for use of Highway 99 during the event. I have also requested a certificate of coverage from our insurance carrier. Both will be forwarded to the City upon receipt.

Thank you for your consideration. Please feel free to contact me with any questions at the Chamber office at 541-998-6154 or my cell phone at 541-321-3413.

## **Harrisburg Parade Permit Application**

The City of Harrisburg requires a Parade Permit for any type of parade that may disrupt or interfere with traffic that uses the public right-of-way that consists of ten or more persons, or five or more vehicles. HMC 10.05.270 specifies the requirements for applying for a parade permit.

Your application must be received a minimum of 30 days prior to the date of the parade unless special circumstances exist.

**Applicant:** Tri-County Chamber of Commerce

**Contact Information:** Rhonda Giles, Executor Director

Address: 355 W 6<sup>th</sup> Ave Junction City, OR 97448

Email & Phone: [director@tri-countychamber.com](mailto:director@tri-countychamber.com) 541-998-6154

**Type of Parade:** 34th Annual Light Parade

**Date:** Saturday, December 6, 2025

**Staging Location & Dispersal Points:** Staging is on Smith Street between 4<sup>th</sup> and 9<sup>th</sup> Streets, and in the Elementary and Middle School parking lots. Dispersal is via 9<sup>th</sup> at the end of parade.

**Route:**

- ☒ Please provide a map of the proposed route. The staging and dispersal points should be included, as well as the location of any Linn County Deputies if required by ODOT.

**Estimated number of participants (persons, vehicles, and animals):** 50-75 entries consisting of floats, vehicles, and some walking groups. There may be some animal entries. Roughly 100 people are in the Harrisburg parade between drivers, walkers, and people riding on the floats.

**Start and End Time:** 7:00 pm to 9:00 pm (staging begins at 6:00 pm)

If the proposed route of the parade crosses Hwy 99E (3<sup>rd</sup> St), then an approved parade permit from the State Department of Transportation (ODOT) will be required prior to the date of the parade.

- ☒ I have applied for the Parade permit from ODOT. Please provide a copy of the ODOT application with this parade permit application.
- ☐ I have received the approved permit from ODOT and will supply a copy to the City with this application.

The applicant is responsible for contacting law enforcement in order to arrange for deputies to assist with the parade. ODOT parades permits generally require law enforcement to sign the permit and requires them to be at the main detour points on the highway. After obtaining their signature and approval of the ODOT Parade Permit, you must schedule a time to contact them, in order to arrange for scheduling for the parade. Harrisburg contracts out for our law enforcement; we use the Linn County Sheriff's Office (LCSO) for those services. The office number LCSO is 541-967-3950.

### **Rail Safety Procedures**

**If the proposed route of the parade crosses either of the railroad tracks, then you are required to notify both UPRR and PWN of the crossing 30-days prior to your event.**

**UPRR:** Notify UPRR online at online at [www.UP.com/NotifyUP](http://www.UP.com/NotifyUP) a minimum of 30 days ahead of the event. Obtain event code: 2025-10-21-394UPN.

- ☒ I have contacted UPRR to notify them of the date, time, and route for the parade. I have included the event code above.
- ☒ I have assigned contact information for the day of the parade to one of the parade organizers. This person will be responsible for contacting UPRR on the day of the event.

**PWN:** Call the Director of Dispatch at 1-503-365-7717. (General Dispatch Station is 1-503-480-7784) Send maps and reports for parade to Steven Yoder, and to a general mailbox for PWN: [pw-trainmasters@gwrr.com](mailto:pw-trainmasters@gwrr.com).

- ☒ I have contacted PWN to inform them of the route, date, and time of the event.

We highly encourage you to find general rail safety information on-line at [www.oli.org](http://www.oli.org).

**By signing below, you are hereby indicating that you will abide by the City's ordinances and will comply with all requirements of HMC Chapter 10.05, and any supplemental Conditions of Approval that may be assigned to said parade permit.**

### **10.05.270 Parade permit.**

1. Application for a parade permit shall be made to the City Recorder at least 30 days before the date of the parade unless the time limit is waived by the City Council.
2. The application shall be signed by the person designated as chairperson of the parade and shall include the following:
  - a. The name and address of the person responsible for the parade.
  - b. The date of the parade.
  - c. The desired route, including assembling and dispersal points.
  - d. The number of persons, vehicles and animals that will participate.
  - e. The proposed starting and ending time.
  - f. The appropriate permit has been received from the State Department of Transportation if the parade crosses or uses Hwy 99E. [Ord. 907 § 4, 2012; Ord. 906 § 1, 2012.]

### **10.05.280 Issuance or denial of permit.**

1. The City Recorder shall issue a parade permit conditioned on the applicant's written agreement to comply with the terms of the permit unless the City Council finds that:
  - a. The time, route and size of the parade will disrupt the movement of other traffic to an unreasonable extent.
  - b. The parade is of a size or nature that requires the diversion of so great a number of law enforcement officers to properly police the line of movement and contiguous areas that allowing the parade would deny reasonable law enforcement protection to the jurisdiction.
  - c. The parade will interfere with another parade or other activity for which a permit has been issued.
  - d. Information contained in the application is found to be false or a material detail is omitted.
  - e. The applicant refuses to agree to abide by or comply with all conditions of the permit.
2. If one or more of the conditions listed in subsection (1) of this section, other than subsection (1)(e) of this section, exists, the City Council may include provisions in the permit that are necessary to alleviate the conditions, including but not limited to:
  - a. Requiring an alternate date.
  - b. Requiring an alternate route.
  - c. Restricting the size of the parade.

3. The City Recorder shall notify the applicant of the decision within five days after receipt of the application. [Ord. 907 § 4, 2012; Ord. 906 § 1, 2012.]

### **10.05.290 Parade offenses.**

1. No person shall unreasonably interfere with a parade or a parade participant.
2. No person shall operate a vehicle that is not part of a parade between the vehicles or persons in the parade. [Ord. 907 § 4, 2012; Ord. 906 § 1, 2012.]

### **10.05.300 Permit revocable.**

The City Recorder may revoke a parade permit if circumstances clearly show that the parade no longer can be conducted consistent with public safety. [Ord. 907 § 4, 2012; Ord. 906 § 1, 2012.]

The Tri-County Chamber of Commerce has scheduled our 34th Annual Light Parade in Harrisburg for the evening of December 6, 2025. The parade will begin at 7:00 pm and lasts about one hour or less.

The parade goes north on 9<sup>th</sup> to Territorial Street, west on Territorial to 3<sup>rd</sup> Street, south on 3<sup>rd</sup> Street to Smith Street, east on Smith Street to 9<sup>th</sup> Street, and back to the staging area.

The lineup and staging area is on Smith Street from 5<sup>th</sup> Street to 9<sup>th</sup> Street and on 9<sup>th</sup> Street from the north end of the high school parking lot to Territorial Street starting at 6:00 pm.

I am requesting a permit to allow us to cross Highway 99 during the parade. The Linn County Sheriff will be stationed on Highway 99 to assist in the closure.

We have four deputies for the evening. Two of them will be controlling traffic in two spots on the highway, with the other two at the front and back of the parades. We also have parade monitors throughout the route for safety. We also have the normal detour route with signs that we use during the 4th of July for any vehicles that want to bypass the parade for the very little time we are on the highway.

I have enclosed an Application and Permit to Occupy or Perform Operations Upon a State Highway.

Thank you for your consideration in this matter. Please feel free to contact me with any questions at the Chamber office at 541-998-6154.

Sincerely,

Rhonda Giles, Executive Director

**All checked (√) provisions apply.**

## **WORKSITE**

1. Permittee must call for utility locates before digging ("Call Before You Dig") 1-800-332-2344 per Oregon Administrative Rules (Chapter 952, Division 1). You may be held liable for damages. Pre-marking of excavation areas is required.
- √2. Permittee shall have a copy of this permit and all attachments at the work site. They shall be available to the District Manager or representative at their request.
3. Permittee shall acknowledge, in writing, receipt and review of Oregon Administrative Rules (Chapter 734, Division 55) governing miscellaneous facilities and operations on the highway right of way as the governing provisions of this permit or agreement. Copies of this rule may be obtained from any district maintenance office.
- √4. Permittee shall review the Oregon Administrative Rules (Chapter 734 Division 55) governing miscellaneous facilities and operations on the highway right of way as the governing provisions of this permit or agreement. Web Site: [http://arcweb.sos.state.or.us/rules/OARS\\_700/OAR\\_734/734\\_055.html](http://arcweb.sos.state.or.us/rules/OARS_700/OAR_734/734_055.html).
5. Access control fence must be maintained during construction and restored to its original or better condition after construction is complete.
- √6. The Permittee shall not use state highway right of way to display advertising signs or merchandise of any kind.
- √7. The stopping and parking of vehicles upon state highway right of way for the maintenance of adjoining property or in furtherance of any business transaction or commercial establishment is strictly prohibited.
8. All grass and small brush within the work area shall be rotary or flail mowed to ground level prior to the beginning of work to facilitate clean up. Disturbed areas shall be reseeded with grass native to the area in an appropriate seeding time.
- √9. The spreading of mud or debris upon any state highway is strictly prohibited and violation shall be cause for immediate cancellation of the permit. Clean up shall be at the applicant's expense. The highway shall be cleaned of all dirt and debris at the end of each work day, or more frequently if so determined by the District Manager or representative.

10. Permittee shall replace any landscape vegetation or fences that are destroyed. Any damage that is not fully recovered within 30 days (weather permitting) shall be replaced by ODOT at the expense of the Permittee. A "plant establishment" shall be understood to be part of the planting work to assure satisfactory growth of planted materials. The plant establishment period will begin when the original planting and all landscape construction has been completed and approved. The length of the establishment period will be one calendar year or as defined in the permit Special Provisions.
11. Permittee shall install and maintain landscaped area. Planting shall be limited to low-growing shrubs, grass or flowers that do not attain sufficient height to obstruct clear vision in any direction. The Oregon Department of Transportation (ODOT) shall have the right to remove said landscaping at any time such removal may appear to be in the public interest, without liability or loss, injury, of damage or any nature whatsoever.

### **TRAFFIC**

- √12. During construction or maintenance, the work area shall be protected in accordance with the current Manual on Uniform Traffic Control Devices, (MUTCD), Federal Highway Administration, US Department of Transportation, and the Oregon Department of Transportation supplements thereto. Flaggers must have a card or certificate indicating their completion of an approved work zone traffic control course. All traffic control devices shall be maintained according to the American Traffic Safety Services Association (ATSSA), Quality Standards for Work Zone Traffic Control Devices handbook.
13. Permittee shall provide a detailed traffic control plan for each phase of the work, showing signs and cones. Plans shall be reviewed and approved by Oregon Department of Transportation in advance of construction or maintenance.
14. All damaged or removed highway signs shall be replaced by the permittee. Installation shall be according to MUTCD standards or ODOT specifications, and shall be completed as soon as possible but no later than the end of the work shift.
15. No lane restrictions are permitted on the roadway during the hours of darkness, on weekends, or between 6:00 AM and 9:00 AM, or 4:00 PM and 7:00 PM (Monday thru Thursday off by noon on Friday) without prior approval by ODOT.
16. Traffic control with lane restrictions are permitted on the roadway with the following guidelines:  
See attached EXHIBIT: DISTRICT 4 LANE RESTRICTIONS, 02/26/2018.

### **DRAINAGE**

17. On-site storm drainage shall be controlled within the permitted property. No blind connections to existing state facilities are allowed.
18. Excavation shall not be done on ditch slopes. Trench excavation shall either be at ditch bottom or outside ditch area. (Minimum depth at bottom of ditch shall be 36 inches; minimum depth outside of ditch shall be 42 inches).
19. Only earth or rock shall be used as fill material and shall slope so as not to change or adversely affect existing drainage. Fine grade and seed the finished fill with native grasses to prevent erosion.

20. A storm drainage study stamped by an Oregon Registered Professional Engineer (PE) is required. The study must meet standards of the National Pollution Discharge Elimination Systems (NPDES) when any of the following conditions apply:
- Whenever a four inch pipe is inadequate to serve the developed area,
  - development site is one quarter acre or larger in size, OR contributes one half cubic feet per second OR directly or indirectly affects state facilities,
  - or as directed by the District Manager or representative.
  - An advance deposit for ODOT hydrology reviews may be required.
21. Permittee shall provide on-site retention for storm water runoff that exceeds that of the undeveloped site.
22. All water discharged to an ODOT drainage system must be treated prior to discharge. All requests for connection to an ODOT storm system must meet any requirements of the National Pollutant Discharge Elimination System (NPDES). This may include local jurisdiction approval of on-site water quality treatment facilities and/or development of an operation and maintenance plan for any on-site water quality treatment facility, as determined by local jurisdiction

#### **EXCAVATION/CONSTRUCTION**

- √23. The following ODOT documents and any supplements and subsequent revisions thereto, where applicable and not otherwise superseded by the permit language herein, but only to the extent that they provide standards and performance requirements for work to be performed under the permit, shall be incorporated for use in the permit: "Oregon Standard Specifications for Construction (2018)" and relevant Metric Standard Drawings. ODOT shall have authority over acceptance of all materials and workmanship performed under this permit as stated in Section 00150.00 of the "Oregon Standard Specifications for Construction (2015)." For additional Supplemental and Special Provisions please refer to: <http://www.odot.state.or.us/techserv/roadway/specs/home.htm>. Standard Specification books is available on this site.
24. Open cutting of pavement is allowed in areas specifically approved by District Manager or representative.
25. Trench backfill shall be according to the attached typical drawing, marked as Exhibit \_\_\_\_\_.
26. Open cutting of the highway is allowed with construction in accordance with OAR 734-55-0100. All excavation in paved areas shall be backfilled and the roadway surface patched before the end of each shift. In special cases where steel plates are allowed, in sections of highway that are under 35 MPH, plates may be secured by a road plate securing device, or the plate may be ground, inlaid, and pinned. In sections of highway that have speeds greater than 35 MPH, all plates will be required to be ground, inlaid, and pinned. The permittee shall be fully responsible for monitoring and maintenance of steel plating. Any steel plating that will be in the highway roadway for longer than 14 days must be approved by the District Manager or by an ODOT representative.

27. Compaction tests shall be required for each open cut per Oregon Standard Specification for Construction. Compaction tests shall be conducted once for every 300 lineal feet per lift of continuous trench according to the Manual of Field Test Procedures (MFTP), published by ODOT. Percent Compaction shall be 95%. At the discretion of the District Manager or representative, results of compaction test shall be provided to District Manager or representative at applicants' expense.
28. Control Density Fill (CDF) shall be used as surface backfill material in place of crushed rock in open trenches that impact the travel portions of the highway. A  $\frac{3}{4}$ "-0, or 1"-0 rock will be used for the aggregate. The amount of cement used shall not exceed 3.0% of the total mixture's weight. Maximum compressed strengths must not exceed 250 pounds per square inch (psi).
29. Surface restoration shall be a minimum of eight inches of hot asphalt-concrete (AC), compacted in two inch lifts, or match existing pavement depth, whichever is greater. Sand-seal all edges and joints.
30. All aggregate shall conform to Oregon Standard Specification for Construction, Section 02630 - Base Aggregate.
31. Any area of cut or damaged asphalt shall be restored in accordance with the included attachment "drawing supplied by the applicant. For a period of two years following the patching of paved surface, permittee shall be responsible for the condition of permittee's pavement patches, and during that two year period shall repair to District Manager or representative satisfaction any of the patches which become settled, cracked, broken, or otherwise faulty.
32. An overlay to seal an open-cut area shall be completed prior to the end of the construction season, or when minimum temperature allows per "Oregon Standard Specification for Construction" and any subsequent revisions thereto. Typical overlay shall be 1.5 inches deep and cover the affected area from edge of pavement to edge of pavement, and taper longitudinally at a fifty feet to one inch (50' : 1") ratio. Taper may be adjusted by the District Manager as required. For a period of two years following this patching of the surface, the permittee shall be responsible for the condition of said pavement patches, and during that time shall repair to the District Manager or representative's satisfaction any of the patches which become settled, cracked, broken or otherwise faulty.
33. Highway crossings shall be bored or jacked. Bore pits shall be located behind ditch line or in areas satisfactory to the District Manager. Unattended pits shall either be protected by a six-foot fence, backfilled, or steel plated and pinned.
34. Permittee shall install a "tracer wire" or other similar conductive marking tape or device, if installing any non-conductive, unlocatable underground facility, in order to comply with Oregon Utilities Coordination Council (OUCC), per OAR 952-01-0070 (6).
35. Trench backfill outside of ditch line or in approved areas can be native soil compacted at optimum moisture in twelve inch layers to 90% or greater of the maximum density.
36. Native material that is found to be unsatisfactory for compaction shall be disposed of off the project and granular backfill used.

37. Trench backfill in rock slope or shoulder shall be crushed 1"-0 or ¾"-0 size rock compacted at optimum moisture in eight-inch layers. Compaction tests shall be conducted according to the Manual of Field Test Procedures (MFTP), published by ODOT. Percent compaction shall be 95%. At the discretion of the District Manager or representative, results of compaction tests shall be provided to District Manager or representative at applicant's expense.
38. Where excavation is on fill slope steeper than a two to one (2:1) ratio, slope protection shall be provided using four-inch size rock laid evenly to a minimum depth of twelve inches.
39. No more than 300 feet of trench longitudinally along the highway shall be left open at any one time and no trench shall be left in an open condition overnight (during non work hours).
40. Areas of disturbed cut and fill slopes shall be restored to a condition suitable to the District Manager or representative. Areas of erosion to be inlaid with an acceptable riprap material.
41. All underground utilities shall be installed with three-foot or more of horizontal clearance from existing or contract plans guardrail posts and attachments. All non-metallic water, sanitary and storm sewer pipe shall have an electrically conductive insulated Number 12-gauge copper tracer wire the full length of the installed pipe using blue wire for water and green for storm and sanitary sewer piping.
42. Any area of cut or damaged concrete shall be restored in accordance with the attached Typical Section-Pipe Section under sidewalk.
43. Utility markers and pedestals shall be placed as near the highway right-of-way line as practical. In no case shall pedestals and line markers be located within the highway maintenance area.
44. No cable plowing is allowed within the lateral support of the highway asphalt (i.e. at six feet lower than the edge of the asphalt, no plowing within nine feet of the edge of the asphalt).
45. Review by ODOT Bridge Engineers is required for all proposed bridge and structure attachments and for utility or any facilities to be installed within sixteen feet of bridge foundations, supports, walls or related, or within the influence zone of bridge facilities.

**Miscellaneous:**

46. Permittee shall be responsible and liable for (1) investigating presence/absence of any legally protected or regulated environmental resource(s) in the action area; (2) determining any and all restrictions or requirements that relate to the proposed actions, and complying with such, including but not limited to those relating to hazardous material(s), water quality constraints, wetlands, archeological or historic resources(s) state and federal threatened or endangered species, etc., (3) complying with all federal, state, and local laws, and obtaining all required and necessary permits and approvals.
- ✓47. If the permittee impacts a legally protected/regulated resource, permittee shall be responsible for all costs associated with such impact, including, but not limited to all costs of mitigation and rehabilitation, and shall indemnify, and hold ODOT harmless for such impacts and be responsible and liable to ODOT for any associated costs or claims that ODOT may have.

- √48. Plans are approved by ODOT in general only and do not relieve the permittee from completing construction improvements in a manner satisfactory to ODOT. The District Manager or representative may require field changes. When revisions are made in the field, permittee is responsible to provide "as built" drawings, within 60 days from completion of highway improvements, and shall submit them to the District Office issuing the permit.
49. Permittee shall be responsible for locating and preserving all existing survey monumentation within the work area in accordance with ORS 209.150 and/or 209.155. If monumentation or its accessories are inadvertently or otherwise disturbed or destroyed, applicant shall be responsible for all costs and coordination associated with it's reestablishment by a professional licensed surveyor.
50. An advance deposit of \$ 0.00 is required for project associated costs incurred by ODOT. Such costs will be identified and estimated by ODOT, and include, but are not limited to review of studies and calculations involving hydraulics/drainage, geotechnical, traffic and traffic control plans, signal, roadway design, bridge and other engineering support. Excess funds remaining in the account upon completion of billing will be refunded. If ODOT costs exceed the deposit amount, permittee shall be billed for the difference.
