

Harrisburg City Council Agenda
December 10, 2024
6:30 PM

Mayor: Robert Duncan
Council President: Mike Caughey
Councilors: Kimberly Downey, Robert Boese, Randy Klemm, Charlotte Thomas, Cindy Knox and Youth Advisor Taylor Tatum
Meeting Location: Harrisburg Municipal Center Located at 354 Smith St

PUBLIC NOTICES:

1. *This meeting is open to the public and will be tape-recorded.*
2. *Copies of the Staff Reports or other written documents relating to each item on the agenda are on file in the office of the City Recorder and are available for public inspection.*
3. *All matters on the Consent Agenda are considered routine and will be enacted by one motion. Any member of the public can request that a matter be removed from the Consent Agenda for discussion. It will then be discussed under the "Other" part of the meeting schedule.*
4. *The City Hall Council Chambers are handicapped accessible. Persons with disabilities wishing accommodations, including assisted listening devices and sign language assistance are requested to contact City Hall at 541-995-6655, at least 48 hours prior to the meeting date. If a meeting is held with less than 48 hours' notice, reasonable effort shall be made to have an interpreter present. The requirement for an interpreter does not apply to an emergency meeting. ORS 192.630(5)*
5. *Persons contacting the City for information requiring accessibility for deaf, hard of hearing, or speech-impaired persons, can use TTY 711; call 1-800-735-1232, or for Spanish voice TTY, call 1-800-735-3896.*
6. *The City of Harrisburg does not discriminate against individuals with disabilities, and is an equal opportunity provider.*
7. *For information regarding items of discussion on this agenda, please contact City Recorder Lori Ross, at 541-995-6655*
8. *Masks are not required currently. The City asks that anyone running a fever, having an active cough or other respiratory issues, not to attend this meeting.*
9. *If you wish to testify, and are unable to attend due to health concerns, please contact the City Recorder to be placed on a Conference Call list during the meeting.*

CALL TO ORDER AND ROLL CALL by Mayor, Robert Duncan

CONCERNED CITIZEN(S) IN THE AUDIENCE. (Please limit presentation to two minutes per issue.)

ACTION: DISCUSSION ONLY

THIS AGENDA BILL IS DESTINED FOR: Council Agenda, December 10, 2024

BUDGET IMPACT		
COST	BUDGETED?	SOURCE OF FUNDS
N/A	N/A	N/A

STAFF RECOMMENDATION:

Staff recommend that City Council review the attached reports and prepare any questions for LCSO Staff.

BACKGROUND INFORMATION:

Sergeant Frambes will be providing the October 2024 (**EXHIBIT A**) and the November 2024 Linn County Sheriff Office City Reports this evening.

If the reports are provided in time for the agenda process, they will be attached as exhibits. If they are provided after that point, but prior to the meeting, then Staff will forward them via email to Council members and will print them in time for the meeting. (LCSO Reports not appearing in the Council Agendas will be provided in the Minutes for that meeting instead.) This process gives Council the chance to review responses and actions in relation to both criminal and non-criminal activities by LCSO deputies in town monthly.

Harrisburg City Council
Harrisburg, Oregon

THE MATTER OF APPROVING RESOLUTION NO. 1298 IN ORDER TO ACCEPT THE CANVASS OF ELECTION VOTES FROM THE NOVEMBER 5, 2024, GENERAL ELECTION

STAFF REPORT:

- Exhibit A: Final & Official Write-in Tally Report from Linn Co Website.
- Exhibit B: Election Summary Report
- Exhibit C: Resolution No. 1298 (Provided at the meeting)
- Exhibit D: 2024 General Election Results Abstract (Provided at the meeting)

ACTION: MOTION TO APPROVE RESOLUTION NO. 1298, “A RESOLUTION ACCEPTING THE CANVASS OF ELECTION VOTES FROM THE NOVEMBER 5, 2024, GENERAL ELECTION FOR HARRISBURG CITY COUNCIL POSITIONS (THE MAYOR AND 3 COUNCIL POSITIONS)”.

THIS AGENDA BILL IS DESTINED FOR: Regular Agenda – December 10, 2024

BUDGET IMPACT		
COST	BUDGETED?	SOURCE OF FUNDS
n/a	n/a	n/a

STAFF RECOMMENDATION:

Staff recommend that the City Council approve Resolution No. 1298

BACKGROUND INFORMATION:

The City Elections Clerk has not yet received the official results and abstract from the Linn County Elections Office for the General Election held on November 5, 2024. In order to present the agenda packet in a timely manner to Council and our resident, staff has supplied the PDF version of the Final & Official Write-in Tally available online as shown in **Exhibit A**. I have also provided the online Election Summary, that was last updated November 27, 2024 (**EXHIBIT B**), showing the number of votes and percentage cast in the General Election.

The City Council needs to approve the election results by Resolution. Since this is not the official abstract, **Exhibit C**; Resolution No. 1298 is unofficial and is subject to change. An official copy of Resolution No. 1298 will be provided at the meeting as well as an official copy of the election abstract (**EXHIBIT D**).

Resolution No. 1298 will officially declare the election results for the City of Harrisburg for the November 5 2024, General Election.

REVIEW AND APPROVAL:

Agenda Bill
Harrisburg City Council
Harrisburg, Oregon

THE MATTER OF HOLDING A PUBLIC HEARING TO ADOPT THE BUILDING DEPARTMENT OPERATING PLAN FOR 2025-2029

STAFF REPORT:

- Exhibit A: OBCD Letter
- Exhibit B: Proposed Operating Plan for 2025-2029
- Exhibit C: Form 2510

ACTION: MOTION TO ADOPT THE BUILDING DEPARTMENT PROGRAM OPERATING PLAN FOR 2025-2029

THIS AGENDA BILL IS DESTINED FOR: Agenda – December 10, 2024

BUDGET IMPACT		
COST	BUDGETED?	SOURCE OF FUNDS
N/A	Yes	N/A

STAFF RECOMMENDATION:
Staff recommends the City Council Adopt the Operating Plan for the Harrisburg Building Department for 2025-2029

BACKGROUND INFORMATION:

The City of Harrisburg started the Building Plan in 2020, and went online with the ePermitting Program as of July of 2021. The program has been running well for the City of Harrisburg, making it more convenient for contractors and other users of the system. If Council remembers from the renewal process in 2022 (when we were still fairly new), the State decided to lump jurisdictions together by region, and required that Renewals be completed every four years. Harrisburg is part of Group 3 which has 32 members. The renewal reminder was sent to the Building Official in charge of our program earlier this year (**Exhibit A**). Jason Johannesen is the Building Official who is now responsible for both the Junction City and Harrisburg Building Departments.

The Operating Plan (**Exhibit B**) meets statutory requirements of ORS and OAR 918-020-0180. It includes how the administration of the program shall be operated, how someone can file an appeal in relation to building code, or complain about inspections. It provides permitting standards and how quickly plan reviews shall be processed. It also defines the process for inspections, and compliance with state requirements. The electrical program is always considered separate from the building department, which is why it warrants its own section.

In the future, all permits must be allowed to be submitted electronically. Electronic permits save jurisdictions time in processing. However, contractors are still allowed to file paper copies if they don't have access to internet services.

We are required to hold a public hearing for anyone who wishes to comment on the operating plan; staff anticipates that we will likely entertain the same number of people who comment on the uses of state revenue sharing in Harrisburg. The Building Department Fees were updated previously and have already been approved by OBCD. They will be submitted with the new operating plan standards to OBCD later this week.

October 8, 2024

TO: Group Three Building Officials

FROM: Richard Donovan, Senior Policy Advisor

SUBJECT: Program Delegation Renewal – **Group Three** – **RENEWAL REMINDER**

Following the passage of SB 866 (2021) all existing building inspection programs were renewed and new program renewal deadlines were established. All subsequent program renewals are for a period of four years.

As a member of Group Three the reporting period established in [OAR 918-020-0180](#) started on July 1, 2022 and ends on June 30, 2025. This message serves as a courtesy reminder to renew your building inspection program with the Building Codes Division (BCD) no later than **January 1, 2025**, for the period beginning on July 1, 2025 and ending June 30, 2029.

In order to notify the division of your intent to renew your building inspection program in accordance with [OAR 918-020-0105](#), please provide the following information:

1. A complete Program Administration Request Form. Note any changes that have occurred since the last renewal cycle using the form at: <https://www.oregon.gov/bcd/Formslibrary/2510.pdf>.
2. If your operating plan and fees are the same since the last renewal, BCD has them on file and you do not need to send them.
3. If your operating plan and fees have changed, please provide an updated copy to BCD with a summary of the changes.

Also, please be aware that [HB 2415 \(2021\)](#) requires building inspection programs to be using an electronic system for reviewing plans, issuing permits and performing field inspections, by no later than January 1, 2025. For specific requirements, please see [OAR 918-050-0220](#). If your jurisdiction is not either using ePermitting, or an equivalent system, then I encourage you to begin enrollment as soon as possible. For questions about our Oregon ePermitting system, please email:

Oregon.ePermitting@dcbs.oregon.gov

Please feel free to send your submissions, or contact me with any questions, at our Jurisdiction Support address: bcd.jurisdictionsupport@dcbs.oregon.gov. Thank you in advance for your timely responses.

TABLE OF CONTENTS

Introduction	Page 1
Administrative Standards	Page 2
Permitting Standards	Page 6
Plan Review Standards	Page 9
Inspection Standards	Page 13
Compliance Programs	Page 14
Electrical Program	Page 15

Introduction

The State Building Codes Division and every municipality that administers and enforces a building inspection program or desires to assume responsibility to administer and enforce a building inspection program shall prepare an operating plan that describes the manner in which the municipality or the division will do so. The operating plan shall establish specific goals, consistent with the program standards described in OAR 918-020-0090.

This Operating Plan was developed to comply with the above administrative rule. The plan is on file with the State of Oregon Building Codes Division and is available through this office upon request.

This Plan reflects the standards, policies, procedures and services administered and offered through the City of Harrisburg. Through an Intergovernmental Agreement, Junction City provides the plan review and inspection program services in house. The plan will be updated as necessary to reflect service changes.

Any questions related to this plan should be directed to:

Jason Johannesen, Building Official - City of Harrisburg
541-998-4763, Fax 541-998-2773
E-mail: jjohannesen@ci.junction-city.or.us

Or

Michele Eldridge, City Administrator, City of Harrisburg
PO Box 378
Harrisburg, OR 97446
541-995-2200, Fax 541-995-9244
Email: meldridge@ci.harrisburg.or.us

Location

Permits are issued through City Hall, in the City of Harrisburg, located at 120 Smith St, Harrisburg, OR 97446. Permit Information is available by calling 541-995-6655 and asking for the building permit clerk for assistance. Junction City can be reached at (541-998-4763) for additional permit information if needed.

Service Delegation

The City of Harrisburg has a full-service Building Department offering plan review, permit and inspection services in all building code disciplines. The City of Harrisburg has been delegated these Building Inspection Programs by the State of Oregon, Department of Consumer and Business Services, Building Codes Division, according to Oregon Administrative Rule (OAR) 918-020-0080. The City of Harrisburg has an Intergovernmental Agreement (IGA) that designates the Junction City Building Official as the City of Harrisburg Building Official.

Contract Services

The City of Harrisburg will conform to these rules, as well as the rules pursuant to plan reviewers licensed under OAR 918-090-0210. The City of Harrisburg provides inspection program services in house. Any questions of the Building Official related to this plan, should be directed to:

Jason Johannesen, Building Official City of Harrisburg
541-998-4763, Fax 541-998-2773
E-mail: jjohannesen@ci.junction-city.or.us

Surcharge Report Contact

The contact for surcharge reports of the assumed program is as follows:

City of Harrisburg, Finance Director
120 Smith St, PO Box 378
Harrisburg, OR 97446 Phone: 541-995-2211

Administrative Standards

918-020-0090

(1) Administrative Standards. A building inspection program must:

(a) Provide adequate funds, equipment, and other resources necessary to administer and enforce the building inspection program in conformance with an approved operating plan;

Program Administration: Overall Program administration is under the direction of the City appointed official as outlined in the Harrisburg/Junction City IGA. The appointed Building Official has complete City authority to attend to all aspects of the administration and enforcement, including building/electrical inspections, and issuance of permits of all relevant state and City building codes. The Building Inspection Program is coordinated via the Oregon Building Codes Division per Cooperative Agreement (CA# 717946-00).

Adequate funds and equipment funds: All fees collected by the City of Harrisburg in connection with the administration and enforcement of building inspection programs are dedicated and are used only for the administration and enforcement of those programs. Permit fee schedules are on file at the Public Works Department.

Equipment: Inspectors will be supplied with equipment necessary to administer and enforce the State specialty codes in an efficient, effective, and timely manner.

Revenues and Expenditures: The City separately accounts for revenues and expenditures for the Building Inspection Program it administers and enforces, including income and expense. A special revenue fund tracks revenue and expenses for building permits and electrical permits. The budgets for the structural, plumbing, and mechanical programs have been consolidated because most of the plan review and inspection activities are integrated

(b) Document in writing the authority and responsibilities of the building official, plan reviewers, and inspectors based on an ordinance or resolution that authorizes the building official on behalf of the municipality to administer and enforce a building inspection program.

The City adopts the State adopted codes which include vesting of authority of the Building Official under Harrisburg Municipal Code. The authority and responsibilities of various positions are as follows:

Building Official: Provide interpretations of the state building codes in conformance with the intent and purpose of each code. Provide administration of the program including oversight of conformance to the applicable State of Oregon Statutes and Rules.

Lead Inspectors: Provide code guidance and council on technical issues and technology, advice and problem-solving assistance to City staff and inspectors. Provide specialty code interpretations in conformance with the intent and purpose of each code.

Plans Examiners: Examine commercial and residential construction and mechanical plans, blueprints, architectural drawings, designs, and other documents for compliance with applicable codes. Provide code interpretation guidance on technical issues, and advice and problem-solving assistance to City staff, inspectors, fire departments, architects, engineers, and others seeking assistance relevant to codes.

Structural/Mechanical/Plumbing Inspectors: Enforce the Oregon Structural Specialty Code, Oregon Plumbing Specialty Code and Oregon Mechanical Specialty Code through plan reviews and inspections of all building types.

Electrical Inspectors: Enforce the Oregon Electrical Specialty Code through plan review and inspection of electrical installations in all building types.

Manufactured Dwelling Installation Inspectors: Enforce the Oregon Manufactured Dwelling Installation Specialty Code as well as the Oregon Manufactured Dwelling and Park Specialty Code adopted by reference in OAR 918-500-0020.

(c) Establish a local process to review appeals of technical and scientific determinations made by the building official regarding any provision of the specialty codes the municipality administers and enforces, to include a method to identify the local building official or designee and notify the aggrieved persons of the provisions of ORS 455,475;

Code Related Appeals

The City's building official reviews all verbal and written appeals of a plans examiner's or inspector's decisions at no cost for the initial appeal review. A decision is generally rendered within 48 hours of the request. A technical appeal under this section shall be made first to the Division's appropriate specialty code chief. The decision of the Division's specialty code chief inspector may be appealed to the state appropriate board. Any person aggrieved by the final decision of a municipal appeals board may, within 30 days after the date of the decision, appeal to the appropriate state advisory board.

A person aggrieved by a decision of the City's Building Official may choose whether to appeal to the State of Oregon Building Codes Division. If the appeal relates to an inspection pursuant to the Electrical Specialty Code, the appeal shall be processed according to Oregon Administrative Rule 918-251-0040. A person aggrieved by the decision of the City's Building Official or designee may, in lieu of using the local appeals process, appeal to the appropriate specialty code chief according to the process in Oregon Administrative Rule OAR 918-001-0130. The aggrieved person may not change from one process to the other on the same issue. The aggrieved person, or the person whose decision generated the appeal, may appeal the decision of the specialty code chief to the appropriate state advisory board according to Oregon Administrative Rule OAR 918-001-0130

(d) Account for all revenues collected and expenditures made relating to administration and enforcement of the building inspection program, and account for the electrical program revenues and expenditures separately when administered by the municipality.

a. Prepare income and expense projections for each code program it will administer and enforce during the reporting period; and

The City's Finance Director prepares income and expense projections for the Building Division as part of the annual budget update for the City.

b. Describe how general administrative overhead costs and losses or surpluses, if any, will be allocated.

The City's Finance Director prepares budget reports for the Building Division indicating how operating expenses, including general administrative overhead, and fund losses or surpluses are allocated as part of the annual budget update for the City.

(e) Establish policies and procedures for the retention and retrieval of records relating to the administration and enforcement of the specialty codes it administers and enforces;

All City records, including but not limited to, applications, permits, plan reviews, and financial records, are retained according to the rules of the Oregon State Archivist. In addition, the City currently keeps records for the intended life of the structure. Records are retained through a combination of electronic and hard copy file. All public records requests must be made in writing. The Public Records Request Form is available at City Hall.

(f) Make its operating plan available to the public;

The City will maintain an up-to-date operating plan and applicable ordinances reflecting the building program's current operations. This information will be made available to any interested party, upon request.

(g) Establish a process to receive public inquiries, comments, and complaints,

Public comments or complaints may be submitted to the City verbally (in person or via telephone) or in writing (via fax, mail, e-mail or personal delivery). Comments or complaints related to building code provisions will be referred to the Building Official who will determine the appropriate staff member of the City for review and resolution. If the comment or complaint becomes an appeal, the appeal will be conducted according to the procedures set forth in this section of the Operating Plan. Responses to customer inquiries are generally provided on the same day they are received, but not later than 48 hours of receipt.

Comments or complaints related to City staff or consultant behavior will be processed by the employee's supervisor according to City personnel policies or the consultant's personnel policies.

(h) Adopt a process to receive and respond to customers' questions regarding permitting, plan review, and inspections;

The City's offices are located at 120 Smith Street, Harrisburg, Oregon 97446. The City maintains office hours from 7:30 am to 12:00 pm and 1:00 pm to 5:30 pm, Monday through Thursday, and on Fridays, from 8:00 am to 12:00 pm, except for recognized holidays, and possibly during inclement weather. Customers may inquire on matters related to permitting, plan review, or inspection process any time during regular business hours by visiting the City's Building & Planning Department, e-mail or by telephone. Customers may mail or fax inquiries of this nature at any time.

The City may be reached at 541-995-6655 for permit and planning information, and for the Building Official. Inspection requests are scheduled using the State of Oregon ePermitting system; or an applicant may also contact the City at 541-995-6655 to schedule an inspection via phone if they don't have access to a computer/smart phone.

Responses to customer inquiries are generally provided on the same day they are received, but not later than 24 hours of receipt.

(i) Set reasonable time periods between 7 a.m. and 6 p.m. on days its permit office is open, weekends and holidays excluded, when it will receive and respond to customers' questions.

The Building Department maintains business office hours from 7:30 a.m. to 12:00 p.m., and 1:00 p.m. to 5:30 p.m., Monday through Thursday, and on Fridays from 8:00 a.m. to 12:00 p.m., excluding holidays. Telephones and e-mails are answered by administrative staff between the same hours as above.

(j) Post its jurisdictional boundary, types of permits sold and hours of operation at each permit office it operates;

The jurisdiction of the City's building program covers the Corporate Limits of the City of Harrisburg.

(k) Identify all persons in addition to the building official to whom notices issued pursuant to these rules should be sent.

(l) Return a completed data request form to and as provided by the division annually; and

See attached completed data request form as an addendum to this operating plan.

(m) Execute a memorandum of agreement with and as approved by the division for initial building inspection program approval and assumption, for building program expansion approval and assumption, and thereafter when seeking approval to renew a program under OAR 918-020-0105.

See attached completed memorandum of agreement as an addendum to this operating plan.

Permitting Standards 918-020-0090

(2) *Permitting Standards. A building inspection program must:*

(a) *Provide at least one office within its jurisdictional boundary where permits may be purchased;*

The City of Harrisburg City Hall is located in Harrisburg, Oregon, at 120 Smith St.

Set reasonable time periods between 7 a.m. and 6 p.m. on days its permit office is open, weekends and holidays excluded, when it will make permits available for purchase;

The City of Harrisburg maintains business office hours from 7:30 a.m. to 12:00 p.m., and 1:00 p.m. to 5:30 p.m., Monday through Thursday, and 8:00 a.m. to 12:00 p.m. on Fridays, except for recognized holidays and possibly during inclement weather.

(b) *Establish policies and procedures for receiving permit applications, determining whether permit applications are complete and notifying applicants what information, if any, is required to complete an application;*

Purchasing Permits: All permits are applied for electronically. The City of Harrisburg participates in the statewide ePermitting program. The full-service program lets contractors use a variety of online services, including purchasing permits, submitting electronic plans for review, receiving correction notes, printing permits, tracking permit progress and getting a Certificate of Occupancy on-line. Architects, contractors, and engineers can submit documents through the system. Permits may be purchased during City of Harrisburg business hours or on-line through an ePermitting System account.

All applications are made through the City of Harrisburg, and the ePermitting System, both of which will coordinate the process from intake to issuance. Applications and plans will not be received by the State, Lane County, Linn County, or the 3rd Party Contractor.

Checklists and general information regarding permits and codes can be found at the City’s website: www.ci.harrisburg.or.us.

Permit applications that do not require plan review: Permit applications not requiring a plan review or other review by city ordinances may be able to be obtained over the counter. Otherwise, they will be reviewed by staff and, if no further information is required, issued within 48 hours of application. If additional information is required, the applicant will be advised of what is needed to complete the application. When the permit application is deemed complete, the requested permit will be issued immediately upon payment of permit fees.

License verification prior to issuing permits: Persons (other than homeowners) applying for permits will be required to provide proof of a valid license or registration. The City will check all licenses to ensure that the license is valid at the time of issuance of the permit and that applicants are authorized to do the work they are applying for.

(c) *Set reasonable time periods within which the municipality will:*

- a. *Advise permit applicants whether an application is complete or requires additional information; and*
- b. *Generally issue a permit after an application has been submitted and approved*

Once the City approves the application, permits for work regulated by the Oregon Residential Specialty Code are issued. If an application is incomplete, or an in-depth review of the plans is required, the City will notify the applicant accordingly. Applicants will be informed within three working days of receiving an application if the application is "complete" and whether or not it is for a "simple" residential plan. If a plan is defined as "complete" and "simple," the applicant will be informed of the time period in which the plan review will be completed.

Simple

The timeframe for the review of "simple one-and-two-family dwelling plans" is ten working days. The City will authorize the use of a licensed plan reviewer to perform plan reviews when the time periods for review of "simple one-and-two-family dwelling plans" exceeds ten working days.

Complex

"Complex one-and-two-family dwelling plans" will be reviewed within fifteen working days. A plan that does not meet the definition of "simple" shall be deemed "complex". The City's Building Official may accept a licensed plan reviewer's review of complex one-and-two-family dwelling plans in order to meet customer service timelines. This is solely at the discretion of the Building Official.

Manufactured Dwelling Permits

Once the City approves the application, permits for work regulated by the Oregon Manufactured Dwelling and Park Specialty Code are issued. If the permit requires some in-depth review, the applicant will be notified within three (3) working days of any plan deficiencies and will complete the plan review within ten working days.

Commercial & Multi-Family Permits

Once the City approves the application, permits for work regulated by the Structural, Mechanical, Plumbing and/or Electrical Codes may be issued. If the permit requires some in-depth review, the applicant will be notified of any plan deficiencies within an average of three weeks for new construction and major additions. Plumbing plan review is only required for complex structures. See OAR 918-780-0040 for definition of a "complex structure". Electrical plan review is required pursuant to the Electrical Program Operating Plan attached hereto.

(d) Establish policies and procedure for issuing permits not requiring plan review, emergency permits, temporary permits, master permits, and minor labels;

Permits not involving a plan review are generally issued over-the-counter. The City participates in a minor label program, through the State Building Codes Division (BCD) as well as Plumbing and Electrical master permit programs. Emergency permits and temporary permits can be issued over-the-counter or, with the approval of the Building Official, via any reasonable means.

Plumbing - BCD Minor Label Program: Licensed plumbing contractors may apply for commercial and residential minor plumbing labels through the BCD minor label program. Minor plumbing labels are "permits" for a limited scope of work, available only to licensed plumbing contractors. For specific information, please contact the minor label program at (503-378-2804) or minlabhelp.imd@oregon.gov.

Plumbing - Master Permit Program: The plumbing master permit program is designed to assist operators of commercial facilities to perform basic maintenance and/or repair of plumbing work under certain guidelines without obtaining individual permits and inspections. The master permit program provides flexibility while continuing to meet the requirements of the Plumbing Specialty Code. Owners, operators, or

plumbing contractors can apply to the City for participation in the master permit program. Requests to participate in the master permit program will be reviewed to ensure individual applicability. The plumbing master permit program contains certain restrictions and limitations. For specific information, please contact the Building Official.

Electrical - BCD Minor Label Program: Licensed electrical contractors may apply for minor electrical labels through the BCD minor label program. Minor electrical labels are "permits for a limited scope of work" and are subject to certain restrictions. For specific information, please contact the minor label program at (503-378-2804) or minlabhelp.imd@oregon.gov.

Electrical - Master Permit Program: The electrical master permit program is designed to assist operators of commercial facilities to perform basic maintenance and/or repair of electrical work under certain guidelines without obtaining individual permits and inspections. The master permit program provides flexibility while continuing to meet the Electrical Safety Law. Owners, operators, or electrical contractors can apply to the division for participation in the master permit program. Requests to participate in the master permit program will be reviewed by appropriate staff to ensure individual applicability. The electrical master permit program contains certain restrictions and limitations.

(e) Provide a means to receive permit applications via facsimile; and

The City maintains a fax line for receipt of permit applications. (541-995-9244).

(I) Require proof of licensing, registration, and certification of any person who proposes to engage in any activity regulated by ORS chapters 446, 447, 455, 479, 693, and 701 prior to issuing any permit.

Prior to the issuance of any permit, staff verifies that the applicant meets the licensing and registration requirements of ORS Chapters 446,447,455,479,693 and 701. All City building permit applications have a space for the contractor's license number. Issues which may arise from this verification process are referred to the Building Official for resolution. The inspection staff also verifies licenses via spot checks of contractors during the inspection process.

Plan Review Standards 918-020-0090

(3) *Plan Review Standards. A building inspection program must:*

- (a) *Establish policies and procedures for its plan review process to.*
 - a. *Assure compliance with the specialty codes it is responsible for administering and enforcing, including any current interpretive rulings adopted pursuant to ORS 455.060 or 455.475;*

All plan review staff are certified by the State of Oregon Building Codes Division. The plans examiners review and approve structural, mechanical, fire/life safety, energy, disabled access, manufactured dwelling plans, electrical, and plumbing. Plan review staff assures compliance with all applicable specialty codes and all interpretive rulings adopted by the Building Codes Division.

- b. *Make available checklists or other materials at each permitting office it operates that reasonably apprises persons of the information required to constitute a complete permit application or set of plans;*

Checklists and general information regarding permits and codes can be found at the City's [web site](http://www.ci.harrisburg.or.us) at www.ci.harrisburg.or.us

- c. *Inform applicants within three working days of receiving an application, whether or not the application is complete and if it is for a simple residential plan. For the purposes of this rule and ORS 455.467, a "complete application" is defined by the division, taking into consideration the regional procedures in OAR chapter 918, division 50. If deemed a simple residential plan, the jurisdiction must also inform the applicant of the time period in which the plan review will generally be completed;*

Permits for work regulated by the State Building Code are issued over-the-counter when possible. If the permit requires some in-depth review and cannot be issued over-the-counter, the applicant is notified within three (3) working days of receipt. Staff generally issues simple residential permits within ten (10) working days from the date that a complete application and all required department signoffs are received. The ten days shall start after the internal review of the plans by other appropriate City departments.

Permit applications requiring plans, i.e., structural, fire & life safety, commercial plumbing, and commercial mechanical: Plans should be submitted electronically through the ePermitting system. If paper plans have been submitted, then a minimum of two (2) sets of plans must be submitted and approved. Plans may be submitted in person, by fax, mail, ePermitting system or via e-mail. Plans received in person by the City are reviewed to verify appropriate information and materials are included with the plans. If plans are incomplete a letter detailing information needed to complete the plan review will be sent, faxed, e-mailed or handed to the applicant in person. The plans are placed "on hold" until the information and/or appropriate fees are received. Prior to the plan reviewer receiving the plans they will be circulated to the appropriate City departments for approval and the Fire Marshal if required.

Plans complete but not in compliance: Where a plan has the required information, but is found to be in non-compliance with the applicable code, the applicant is notified immediately by the most expedient method. If the information needed is greater than can be handled by simpler means, a letter will be sent by the most expedient means identifying the areas of non-compliance with a request for corrective action or additional information. The plan is placed "on hold" until additional information is received.

Plans Complete & In Compliance: Where the plan is deemed complete, the plan will be stamped "reviewed" by the plans examiner of record and returned to Harrisburg for Staff to complete the processing. The applicant will be notified when the permit is ready to issue and of the cost of the permit, minus the intake fee. Once paid, the permit can be picked up at the City of Harrisburg.

- d. *Establish a process that includes phased permitting and deferred submittals for plan review of commercial projects for all assumed specialty codes, taking into consideration the regional procedures in OAR chapter 918, division 50. The process may not allow a project to proceed beyond the level of approval authorized by the building official. The process must:*
 - i. *Require the building official to issue permits in accordance with the state building code as defined in ORS 455.010 provided that adequate information and detailed statements have been submitted and approved with pertinent requirements of the appropriate code. Permits may include, but not be limited to: excavation, shoring, grading and site utilities, construction of foundations, structural frame, shell, or any other part of a building or structure.*

The City of Harrisburg allows phased permitting for commercial projects within its jurisdiction as approved by the Building Official under OSSC 107.3.3

- ii. *Allow deferred submittals to be permitted within each phase with the approval of the building official;*

The City of Harrisburg allows deferred submittals for projects within its jurisdiction as approved by the Building Official under OSSC 107.3.4.2.

- iii. *Require the applicant to be notified of the estimated timelines for phased plan reviews and that the applicant is proceeding without assurance that a permit for the entire structure will be granted when a phased permit is issued.*

The City has adopted a written policy to our IGA with Junction City that effectively processes phased permit applications.

- e. *Verify that all plans have been stamped by a registered design professional and licensed plan reviewer where required;*

Staff verify that construction documents that are required to be prepared by a licensed architect bear the stamp of the registered architect and are signed. Similarly, staff verify that construction documents that are required to be prepared by a registered engineer bear the stamp of the engineer and are signed. Plans failing to meet this requirement are not approved until the appropriate stamp is provided.

- f. *Verify for those architects and engineers requesting the use of alternative one and two family dwelling plan review program that all plans have been stamped by a registered professional who is also a residential plans examiner. This process must require the building official to:*
 - i. *Establish policies and procedures in their operating plan for this process;*
 - ii. *Waive building inspection program plan review requirements for conventional light frame construction for detached one and two family dwellings; and*
 - iii. *Establish an appropriate fee for processing plans submitted under this rule.*

The City of Harrisburg has established a policy and process for architects and engineers requesting the use of alternative one and two family dwelling plan review program under ORS 455.628. The policy outlines steps for verification that the design professional is also a residential plans examiner, waives the building inspection

program plan review, and establishes appropriate fee for processing plans submitted under this rule.

g. Establish a process for plan review if non-certified individuals will be reviewing permit applications under OAR 918-098-1010.

All plan reviews are performed by individuals properly certified under OAR 918-098-1010

(b) Employ or contract with a person licensed, registered, or certified to provide consultation and advice on plan reviews as deemed necessary by the building official based on the complexity and scope of its customers ' needs;

Jason Johannesen is the Building Official for the City of Harrisburg.

Each plans examiner is appropriately certified by the State of Oregon in all codes under which they perform reviews.

(c) Maintain a list of all persons it employs or contracts with to provide plan review services including licenses, registrations, and certifications held by each plan reviewer and evidence of compliance with all applicable statutory or professional continuing education requirements

A roster of the plan review staff including current certifications and continuing education records is available on request to any interested party.

(d) Designate at least three licensed plan reviewers from whom the municipality will accept plan reviews when the time periods in subsection (e) of this section cannot be met; and

(e) Allow an applicant to use a plan reviewer licensed under OAR 918-090-0210 and approved by the building official when the time period for review of "simple one- or two-family dwelling plans" exceeds 10 days where the population served is less than 300,000, or 15 days where the population served is 300,000 or greater.

The City maintains a list of at least three licensed plan reviewers from whom the City will accept plan reviews, should the City be unable to meet the time requirements for plan review. The list is available upon request. In addition, the City will accept "simple one- or two-family dwelling" plan reviews conducted by a plan reviewer licensed under OAR 918-090-0210 and pre-approved by the Building Official should the City be unable to meet the time requirements for plan review.

Inspection Standards 918-020-0090

(4) *Inspection Standards. A building inspection program must:*

- a. *Set reasonable time periods between 7 a.m. and 6 p.m. on days its permit office is open, weekends and holidays excluded, when it will provide inspection services or alternative inspection schedules agreed to by the municipality and permittee;*

Inspection staff for the City of Harrisburg provides inspection services Monday through Friday

- b. *Unless otherwise specified by statute or specialty code, establish reasonable time periods when inspection services will be provided following requests for inspections;*

Persons with valid permits may request inspections either through the State ePermitting System, or in person during normal business hours at City Hall. Inspections may also be requested by telephone (541-995-6655), email (jjohannesen@ci.junction-city.or.us) or through the State ePermitting System during non-business hours. Requests made during non-business hours will be processed the next regular business day.

Inspection requests shall include the following information:

1. Permit number
2. Site address
3. Name and contact telephone number of person requesting inspection
4. Type of inspection requested

Inspection request that do not contain the required information may be considered incomplete. All inspection requests shall be received before 3:30PM the day before inspection are provided as noted above.

- c. *Establish policies and procedures for inspection services;*

Upon arrival at a job site, an inspector will verify the correct permit has been posted and that approved plans are available. Where approved plans are required, inspections will be performed based on the approved plans.

- d. *Leave a written copy of the inspection report on site;*

Inspection results will be posted on the State ePermitting system after the inspection occurs. The report reflects details of the inspection request and the inspector's approval, conditional approval, or failure. A conditional approval allows the work to proceed while documented corrections are made and a re-inspection requested. In the case of a failed inspection, a list of needed corrections is provided in the report. All required corrections include appropriate code citations.

- e. *Make available any inspection checklists*

Inspection checklists will be used.

- f. *Maintain a list of all persons it employs or contracts with to provide inspection services including licenses, registrations, and certifications held by persons performing inspection services and evidence of compliance with all applicable statutory or professional continuing education requirements;*

A roster of the inspection staff, including current certifications and continuing education records are available to any interested party on request.

- g. Vest the building official with authority to issue stop work orders for failure to comply with the specialty codes the municipality is responsible for administering and enforcing; and*

The City utilizes the stop work authority contained in the Oregon Structural Specialty Code for structural work, and the Oregon Mechanical Specialty Code for mechanical work.

The City's authority to issue stop work orders is delegated to the City's inspection staff. City policy requires that an inspector contact the Building Official to discuss the decision prior to issuance of a stop work order.

- h. Require inspectors to perform license enforcement inspections as part of routine installation inspections.*
 - z. Where a municipality investigates and enforces violations under ORS 455.156 or in accordance with the municipality's local compliance program, the municipality's inspectors must require proof of compliance with the licensing, permitting, registration, and certification requirements of persons engaged in any activity regulated by ORS chapters 446, 447, 455, 479, 693, and 701. Inspectors must report any violation of a licensing, permitting, registration, or certification requirement to the appropriate enforcement agency.*

Investigate and enforce electrical and plumbing violations under ORS 455.156: The inspector will also verify compliance with all applicable plumbing, electrical and contractor licensing and registration requirements. Persons found to be performing work without required licenses will be instructed to immediately cease all work and will be issued a notice of proposed assessment of civil penalty. Where violations have not been witnessed firsthand, inspector shall note the violation by completing a Preliminary Investigation Report and file with the Enforcement Section of the Division.

Compliance Programs 918-020-0090

(5) *Compliance Programs. A municipality administering a building inspection program may enact local regulations to create its own enforcement program with local procedures and penalties; utilize the division's compliance program by submitting compliance reports to the division; elect to act as an agent of a division board pursuant to ORS 455.156, or develop a program that may include, but not be limited to, a combination thereof A building inspection program must establish in its operating plan:*

a. Procedures to respond to public complaints regarding work performed without a license or permit or in violation of the specialty codes the municipality is responsible for administering and enforcing;

Reports of permit, code, or license violations, not in compliance with the City's building code, State Building Code, or Oregon Revised Statutes, are accepted in person, by mail, e-mail, telephone, or fax. The City's inspectors are authorized to investigate and report permit, code, and licensing violations observed while making their rounds.

b. Procedures requiring proof of licensure for work being performed under the state building code utilizing the approved citation process and procedures in OAR 918-020-0091

The City has not adopted a formal local licensing compliance program. While investigating violations through Oregon Specialty Code provisions, staff routinely verifies proof of compliance with the licensing, permitting, registration, and certification requirements of persons engaged in any activity regulated by ORS chapters 446, 447, 455, 479, 693, and 701. Inspectors report any violation of a licensing, permitting, registration, or certification requirement to the appropriate enforcement agency.

c. Policies and procedures to implement their compliance program,

The City has not adopted a formal local licensing compliance program at this time.

d. Policies and procedures regarding investigation of complaints, where the municipality chooses to investigate and enforce violations pursuant to ORS 455.156; and

The City has not adopted a formal local licensing compliance program at this time.

e. Policies and procedures regarding issuance of notices of proposed assessments of civil penalties, where the municipality chooses to act as an agent of a board pursuant to ORS 455.156. Penalties under such a program are subject to the limitations set in ORS 455.156 and 455.89

The City has not adopted a formal local licensing compliance program at this time.

Electrical Programs

918-020-0090

- (6) *Electrical Programs. Municipalities that administer and enforce an electrical program must demonstrate compliance with all applicable electrical rules adopted pursuant to ORS 479.855.*

Delegation of Authority to Administer Electrical Program

The City of Harrisburg assumed enforcement and administration of the electrical safety under the authority of ORS 479.855.

The City of Harrisburg is a municipal corporation. The electrical safety program encompasses all areas within the City limits. The Building Official is Jason Johannesen.

The State of Oregon Electrical Specialty Code and One and Two-Family Dwelling Specialty Code are adopted locally through the JCMC Section 15.04.040 as follows:

- A. *Oregon Electrical Specialty Code.*
- E. *Oregon Residential Specialty Code*

The adopting ordinances are reviewed and updated annually as per OAR 918-308-0190.

Employment of Electrical Inspectors

Electrical inspectors are on staff for the City.

Public Contact Procedure

The City has established office hours of 7:30 a.m. to 12:00 p.m. and 1:00 p.m. to 5:30 p.m. Monday through Thursday, and on Fridays, from 8:00 a.m. to 12:00 p.m. Questions related to technical electrical requirements are received by inspectors via email or phone messages. Inspectors make contact directly back to the customer.

Code Interpretations and Dispute Resolution

The electrical inspector is responsible for all initial interpretations of the Oregon Electrical Specialty Code and the electrical portions of the Oregon Residential Specialty Code. Any appeal of an inspector decision is reviewed by the Building Official. The appeal may be verbal or in writing. There is no cost for this initial appeal. A decision is generally issued within 48 hours of the request.

Persons aggrieved by a decision of the Building Official related to administrative provisions of the electrical specialty code may submit a written request to the City Administrator under JCMC 15.15.160.

Persons aggrieved by a decision of the Building Official related to technical provisions of the electrical specialty code may utilize the appeal procedure outlined in OAR 918-001-0130 in which the appeal will be directed to the appropriate specialty code chief at the State Building Codes Division.

Permit Sales Office

Harrisburg City Hall is open to the public from 7:30 a.m. to 12:00 p.m., and 1:00 p.m. to 5:30 p.m., Monday through Thursday, and from 8:00 a.m. to 12:00 p.m. on Friday's. Electrical permit applications are available at any time during these hours.

Electrical Permits

Applications for permits are made on forms provided by the City Building Division. Faxed and electronic permit applications are accepted and applicants have the option of utilizing the states web-based e-

permitting portal. Permit applications received in person are checked for completeness before the customer leaves. Permit applications received via fax or mail are checked on the day of receipt for completeness and, if some necessary information is lacking, the customer is contacted within 48 hours. Faxed applications are only accepted by the City if an application with an original signature is submitted with payment at a later date. If an application with an original signature, or the payment, is not received within a reasonable period of time, the City will contact the applicant. If the applicant does not follow through on providing the required information or payment, the City will discard the faxed permit application.

The City of Harrisburg participates in a minor installation label program, through the State Building Codes Division, which complies with OAR 918-309-0200 through 918-309-0260.

The City of Harrisburg offers the electrical master permit program as per OAR 918-309-0100.

Internal Operations

Electrical plan reviews are conducted in accordance with OAR 918-311-0000 through -0060. Electrical work which requires a plan review is summarized on the permit application.

Electrical Inspection Standards

Inspection staff provides inspection services Monday through Friday.

Persons with valid permits may request inspections either through the State ePermitting System, or in person during normal business hours at Harrisburg City Hall. Inspections may also be requested by telephone (541-995-6655, email (jjohannesen@ci.junction-city.or.us), or through the State ePermitting System during non-business hours. Requests made during non-business hours will be processed the next regular business day

Inspection requests shall include the following information:

- Permit number
- Site address
- Name and contact telephone number of person requesting inspection
- Type of inspection requested

Inspection requests that do not contain the required information may be considered incomplete. All inspection requests shall be received before 4:30PM the day before inspections are provided as noted above.

Plan for Compliance

The electrical inspector checks for appropriate electrical licenses while conducting field inspections. Licensing violations are reviewed with the Building Official, and, if appropriate, violations are processed through the established state compliance program.

Accounting Plan

All revenues collected under the electrical program are accounted for separate from other revenues. Any surplus electrical program revenues are carried forward to the next fiscal year. The fees collected by the City of Harrisburg for electrical plan reviews and permits, along with program interest, are used solely for the administration of the electrical safety program. Any financial records associated with the electrical program, including those of the past fiscal year, the current fiscal year, or projections for the upcoming fiscal year, are available upon request. Fees are reviewed annually and assessed for a program goal of cost recovery. Any proposed fee changes are sent to the State Building Codes Division for review and notice at least 45 days in advance of the opportunity for public comment. All fees are provided upon request and are included in the attachments of this plan.

Mark program choice by indicating level:

- X – Performed by the municipality applying for the renewal
- A – Performed by a different municipality through an intergovernmental agreement with Junction City
- C – Performed by county; X and A do not apply
- S – Performed by state

Please see the key at the bottom of Page 2 for definitions.

Plans				Structural				Mechanical				Electrical				Plumbing					Manufactured Structures (MSI)	Park & Camp (PCI)	Master Builder Program (optional)
A	B	C	F	A	B	C	M	A	B	C	M	A	B	C	M	A	B	C	S	M			
x				x				x				x				x					x	x	x

Note: Assumption of a structural A-level program includes the requirements for accessibility [ORS 447.220]. MSI includes manufactured dwelling installations; alterations, accessory structures, buildings, and cabana installations; plan review; and inspections. Park and camp includes mobile home and manufactured dwelling parks, recreation parks, organizational camps, and picnic parks plan review and inspection.

Respond to the following if your municipality uses a third-party building official:

Which services are provided by the third party?: None

Name of third party building official: N/a

Names of all designated qualified employees: Jason Johannesen

Attach the following:

- Completed copy of municipality’s operating plan (OAR 918-020-0090)
- Electrical program requests (See requirements in OAR Chapter 918, Div. 308)
- Changes of service areas (Include map or description if applicable)
- Current fee schedules for all programs
- Name of a contact person for surcharge report of assumed programs

Name: Michele Eldridge		Phone: 541-995-2200	
Address: PO Box 378			
City: Harrisburg		State: OR	ZIP: 97446

List inspectors and others, as requested, on the back of this sheet. Attach additional pages as necessary.

Official delegation or assumption of the programs above is requested or being renewed for the period beginning July 1, 20 .

THE MATTER OF AUTHORIZING THE CITY ADMINISTRATOR TO SIGN A LEASE FOR FARMING ON CITY PROPERTY

STAFF REPORT:

- Exhibit A: Map
- Exhibit B: Former Farmer’s Lease Document
- Exhibit C: Proposed Farmer’s Lease Document

ACTION: MOTION TO AUTHORIZE THE CITY ADMINISTRATOR TO SIGN THE FARMER’S LEASE

THIS AGENDA BILL IS DESTINED FOR: Agenda – December 10, 2024

BUDGET IMPACT		
COST	BUDGETED?	SOURCE OF FUNDS
\$6,480	Yes	Sewer Fund

STAFF RECOMMENDATION:

Staff recommends that Council authorize her to sign the lease agreement with Legacy Valley Farms LLC

BACKGROUND INFORMATION:

The City of Harrisburg is the owner of approximately 48 acres of tillable farmland that consists of about 23 acres in the southeast section of property and about 25 acres in the northwest section. The area to be farmed is east of the City of Harrisburg’s wastewater treatment and west from the water plant facility under construction at 23914 Peoria Road, approximately one mile north of the intersection of Highway 99E and Peoria Road. The land is within Linn County, and directly outside of the City jurisdictional boundary line. The exact description has not been surveyed. The property affected by this lease is shown in general terms on the accompanying map shown in **Exhibit A**.

Kurt Kayner with Legacy Valley Farms, LLC (“farmer”) has farmed this property since 2013. The City Attorney has verified that when the City wants to lease property, that there is no public hearing required, and that the process doesn’t require a RFQ to proceed with this lease.

Kurt Kayner is also the president of the Harrisburg Harvest Festival Association, and as such, has a direct interest in the property, as a portion of it is used as festival grounds for the annual Harvest Festival. An addendum filed in 2017 reduced the acreage to be used to 48 acres based on the permanent event track being removed as tillable

farmland, and also compensates for the removal of property required for the water filtration plant, stainless steel tank, and Well No. 9.

The terms of the new lease are generally the same. We've removed the soil preparation detail, as it could still be construed as dictating how the farmer shall take care of their crop. The farmer can simply provide us with a copy of any soil analysis that they have done. This will help us with our regulatory requirements. As we discovered about 7 or 8 years ago, livestock shouldn't be allowed on this property, even on a temporary basis. The previous lease is shown in **Exhibit B**, and the proposed lease is shown in **Exhibit C**. Kurt Kayner has agreed provisionally on the terms as shown in the proposed lease and has already provided the City with the revenue for FY 2024-2025 on August 27th of 2024.

LEASE OF FARM LAND

The City of Harrisburg ("City") is the owner of approximately 48 acres of tillable farm land. The land is east and north of the City of Harrisburg's sewage treatment facility at 23914 Peoria Road, approximately one mile north of the intersection of Highway 99E and Peoria Road. The land is within Linn County. The exact description has not been surveyed. The property affected by this lease is shown in general terms on the accompanying map.

Kurt Kayner with Legacy Valley Farms, LLC ("farmer") has submitted the high bid for leasing the 48 acres from the City for a period of five years.

The City and the farmer agree to the following:

Term: The lease will be from September 1, 2019, through August 31, 2024.

Return of Possession: At the conclusion of the lease, the condition of the property shall be as good or better as it was upon the commencement of the lease.

Farmer's Responsibilities: The farmer shall pay an annual rent for the property at the rate of \$134.00 per acre (\$6,432.00 per year for 48 acres). The first rental payment shall be paid by September 1, 2019, and each succeeding annual payment made by September 1st of each year thereafter. As additional consideration for the use of the land, the farmer agrees:

1. To farm and cultivate the land in a responsible and reasonable manner.
2. To keep fences and improvements thereon in as good condition and repair as the same are now or may be put in by either party hereto.
3. Not to allow noxious weeds to go to seed on the land, and to destroy such weeds and to keep cut the weeds and grass on and along the service road.
4. Not to burn any straw or crop residues except as permitted by law, and then only with the City's permission.
5. To follow standard treatment procedures for diseases of any crop on the land and to pay the cost thereof.
6. To keep all ditches clean, open and free from brush and growth.
7. To hold the City harmless for the loss of equipment or crops on the land.
8. To indemnify the City for any damage to the land or the City's sewage treatment facility.
9. To maintain general liability insurance with limits of not less than \$1,000,000.
10. To not in any way encumber the land or cause any liens to be placed upon it.

Soil: The farmer shall take a pH sampling (grid of multiple samples) of the soil in the first year of the contract, and every year thereafter. The annual samples shall be maintained within 0.5 pH of initial sample from the year one. Failure to sample, provide results to the City or failure to maintain pH within 0.5 pH of the 2019 sample shall be grounds for termination of the Lease.

Additional Provisions: The farmer shall agree to the following:

1. Under no circumstances shall this lease be construed as giving rise to a partnership, and neither party shall be liable for the debts or obligations of the other.
2. The City shall have access to and across the leased land for the operation, repair, maintenance and expansion of the sewage treatment facility operated by the City, including access to plant, maintain and harvest poplar or similar trees on adjacent City property. The City will take reasonable precautions in exercising this right of access to and across the leased land so as to minimize any damage to the farmer's crops.

ORIGINAL

3. The farmer understands that the City will be using adjoining property for the operation of a sewage treatment facility. Although no effluent is currently being irrigated directly onto any of the land to be farmed, there is a possibility that it could happen in the future. If it will happen, the farmer will be given one year's advanced knowledge of this. The City shall not be responsible for any damage to the farmer's crop arising out of the operation or expansion of the sewage treatment facility or application of effluent.
4. The City will be solely responsible for disbursement of irrigation water produced by the sewage treatment facilities. Irrigation water will be applied only when conditions of the City's Discharge Permit can be met.
5. The farmer will use the tillable land for growing a crop or crops, and will not put livestock on it.
6. No livestock shall be allowed on gravel or paved roads.
7. Dead livestock shall be removed from the property.
8. The City will reserve the right to prohibit crops it determines inappropriate.
9. No assignment of the lease or sublease of the property shall be allowed without the written approval of the City Council of the City of Harrisburg.
10. In the event the farmer fails to comply with any of the provisions of this lease, the City shall inform the farmer, in writing, of the act of noncompliance. If the farmer fails to immediately remedy the violation, the City may declare the lease null and void and shall be entitled to immediately retake possession of the land. A refund of any portion of an annual lease payment shall only occur in the event the City is able to lease the property to another farmer.
11. In the event any suit or action is brought to enforce any provision of this agreement or to repossess the premises, reasonable attorney's fees may be awarded to the prevailing party together with costs and necessary disbursements.

LEASE OF FARMLAND

The City of Harrisburg ("City") is the owner of approximately 48 acres of tillable farmland that consists of about 23 acres in the southeast and about 25 acres located on the northwest section of property. The area to be farmed is east of the City of Harrisburg's wastewater treatment and water plant facility at 23914 Peoria Road, approximately one mile north of the intersection of Highway 99E and Peoria Road. The land is within Linn County, and directly outside of the City jurisdictional boundary line. The exact description has not been surveyed. The property affected by this lease is shown in general terms on the accompanying map.

The City and the farmer agree to the following:

Term: The lease will be from January 1, 2025, through December 31, 2030.

Return of Possession: At the conclusion of the lease, the condition of the property shall be as good or better as it was upon the commencement of the lease.

Farmer's Responsibilities: The farmer shall pay an annual rent for the property at the rate of \$135.00 per acre (\$6,480.00 per year for 48 acres). The first rental payment under the new contract shall be paid by September 1, 2025, and each succeeding annual payment made by September 1st of each year thereafter. As additional consideration for the use of the land, the farmer agrees:

1. To farm and cultivate the land in a responsible and reasonable manner.
2. To keep fences and improvements thereon in as good condition and repair as the same are now or may be put in by either party hereto.
3. Not to allow noxious weeds to go to seed on the land, and to destroy such weeds and to keep cut the weeds and grass on and along the service road.
4. Not to burn any straw or crop residues except as permitted by law, and then only with the City's permission.
5. To follow standard treatment procedures for diseases of any crop on the land and to pay the cost thereof.
6. To keep all ditches clean, open and free from brush and growth.
7. To hold the City harmless for the loss of equipment or crops on the land.
8. To indemnify the City for any damage to the land or the City's sewage treatment or water plant facilities.
9. To maintain general liability insurance with limits of not less than \$1,000,000.
10. To not in any way encumber the land or cause any liens to be placed upon it.

Soil Preparation: The farmer shall fertilize the soil based on soil analysis, and following best farming practices. The farmer shall promptly provide the City with the results of any soil analysis done on this property.

Additional Provisions: The farmer shall agree to the following:

1. Under no circumstances shall this lease be construed as giving rise to a partnership, and neither party shall be liable for the debts or obligations of the other.
2. The City shall have access to and across the leased land for the operation, repair, maintenance and expansion of the sewage treatment or water plant facilities operated by the City, including access to plant, maintain and harvest poplar or similar trees on adjacent City property. The City will take reasonable precautions in exercising this right of access to and across the leased land so as to minimize any damage to the farmer's crops.

3. The farmer understands that the City will be using adjoining property for the operation of a sewage treatment facility. Although no effluent is currently being irrigated directly onto any of the land to be farmed, the City reserves the right to do so as required by regulatory standards. The farmer will be given one year’s advanced knowledge of this. The City shall not be responsible for any damage to the farmer’s crop arising out of the operation or expansion of the sewage treatment facility or application of effluent.
4. The City will be solely responsible for disbursement of irrigation water produced by the sewage treatment facilities. Irrigation water will be applied only when conditions of the City’s Discharge Permit can be met.
5. The farmer will use the tillable land for growing a crop or crops, and will notify the City of crops planned before planting them on an annual basis.
6. The City will reserve the right to prohibit crops it determines inappropriate.
7. No livestock, including temporary, is allowed on the property.
8. No assignment of the lease or sublease of the property shall be allowed without the written approval of the City Council of the City of Harrisburg.
9. In the event the farmer fails to comply with any of the provisions of this lease, the City shall inform the farmer, in writing, of the act of noncompliance. If the farmer fails to immediately remedy the violation, the City may declare the lease null and void and shall be entitled to immediately retake possession of the land. A refund of any portion of an annual lease payment shall only occur in the event the City is able to lease the property to another farmer.
10. In the event any suit or action is brought to enforce any provision of this agreement or to repossess the premises, reasonable attorney’s fees may be awarded to the prevailing party together with costs and necessary disbursements.

Agenda Bill
Harrisburg City Council
Harrisburg, Oregon

**THE MATTER OF MAKING PLANS FOR CITY DAY AT THE CAPITOL
STAFF REPORT:**

Exhibit A: LOC Agenda

**ACTION: NOTIFY STAFF IF YOU PLAN ON JOINING US AT THE
CAPITOL!**

THIS AGENDA BILL IS DESTINED FOR: Agenda – December 10, 2024

BUDGET IMPACT		
COST	BUDGETED?	SOURCE OF FUNDS
\$60 each	Yes – But staff will ask for scholarships	General Fund

STAFF RECOMMENDATION:
Staff recommends City Council members consider attending this event

BACKGROUND INFORMATION:

Staff plans on attending City Day at the Capitol again in 2025, and hopes that more Council Members can attend this next year. Last year, Charlotte & Mike were able to accompany her to the Capitol. Mike will be out of state the entire month of January this year; and at the last meeting only Kim has volunteered to attend so far.

The agenda for City Day at the Capitol is shown in **Exhibit A**. The day will start out at the Salem Convention Center downtown, and we will take a bus to the State Capitol in the afternoon. We will be scheduling time with Senator Cedric Hayden, and with Representative Jami Cate, who kept her seat in District 11. Lunch is included at the end of the General Session. There is also a networking reception in the evening, but Harrisburg hasn't attended that session in the past. Unfortunately, January 28 tends to offer up more potential of bad weather.

If you plan on attending, please let Staff know ASAP. Staff will register for those who wish to attend. Registration is \$60 per person, which the City will cover, and has budgeted. If you can let me know you are attending before December 11th, then staff can also apply for a LOC scholarship to cover the cost of registration.

Staff plan on producing an informational handout about Harrisburg and talking to both Representative Cate & Senator Hayden about capital for Harrisburg programs, as well as a continuation of our complaints about overbearing regulatory requirements. There are workshops in the afternoon back at the Salem Convention Center, and there are often state agencies available to talk with attendees. There is not a deadline for registration as of yet, but generally, it's about a week prior to the event for food to be ordered. It is not a problem to have anyone register to attend after the 11th of December.

As a reminder, the City Council meeting has been moved to January 29th, which is a Wednesday, in order to allow for attendance at the workshops.

REVIEW AND APPROVAL:

Michele Eldridge 12.03.24

THE MATTER OF APPOINTING JEREMY MORITZ AND JOE NEELY TO THE PLANNING COMMISSION FOR A TERM ENDING DECEMBER 31, 2028

STAFF REPORT:

Exhibit A: Application for Rhonda Giles

ACTION: MOTION TO APPOINT RHONDA GILES TO THE PLANNING COMMISSION FOR A TERM ENDING DECEMBER 31, 2028

THIS AGENDA BILL IS DESTINED FOR: Regular Agenda- December 10, 2024

BUDGET IMPACT		
COST	BUDGETED?	SOURCE OF FUNDS
N/A	N/A	N/A

STAFF RECOMMENDATION:

Staff recommends the City Council appoint Rhonda Giles to the Planning Commission.

BACKGROUND INFORMATION:

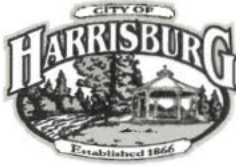

This year only one Planning Commission terms expire on December 31, 2024, and that position is currently held by Rhonda Giles. Staff is very pleased that Rhonda has graciously offered her services once again to serve for another four-year term ending December 31, 2028. The City received no other applications.

The City has two positions that will expire at the end of 2025 which are currently held by Commissioner’s Kent Wullenwaber and Susan Jackson.

STAFF RECOMMENDATION:

Staff recommends the Mayor appoint Jana Jenkins to serve on the Budget Committee

BACKGROUND INFORMATION:

This year, the Budget Committee has two positions set to expire December 31, 2024. Staff was very pleased that Jana Jenkins submitted her application for re-appointment. This year she was appointed by Mayor Duncan to complete a term vacated by Raande Loshbaugh. Budget Committee Members serve a three-year term.

Amanda Greene, who has served on the Budget Committee since 2019 has graciously resigned. She commented that she learned a lot over the years but would like to give other residents the opportunity to serve their community. She will be missed.

The Mayor appoints members to the Budget Committee.

THE MATTER OF APPROVING THE CONSENT LIST

STAFF REPORT:

- Exhibit A: City Council Minutes for October 22, 2024
- Exhibit B: Payment Approval Report for November 2024
- Exhibit D: Municipal Court Collections Report November 2024
- Exhibit E: Municipal Court Citation Report November 2024

ACTION: MOTION TO APPROVE THE CONSENT LIST

A motion to approve the consent list will approve the following:

- 1. Minutes from the October 22, 2024 City Council Meeting**
- 2. The Payment Approval Report for November 2024**

THIS AGENDA BILL IS DESTINED FOR: Consent Agenda –December 10, 2024

STAFF RECOMMENDATION:

Staff recommends the City Council approve the consent list.

Building Permits:

November 2024:	Submitted: 5
	Issued: 4
New Homes:	Issued: 1

Residential Valuation: \$7,380.00
Commercial Valuation: \$0.00
2024 YTD Valuation: \$4,812,297.00

Please note valuation is not added to the City’s property tax base until the fall period following when the permit is finalized. As such, the typical timeframe for most construction to show up on our tax base is the following year in November. The valuation figure includes new home values, the value of commercial or industrial construction, and the value of extensive remodels.

Business Licenses Issued:

- None

Harrisburg Municipal Court:

- The Collection Report (**EXHIBIT C**) for the month of November 2024 is \$11,700.18 which includes \$4,243.68 from collections.
- The Citation Report (**EXHIBIT D**) shows there were 20 citations issued in the month of November 2024 for a total of 23 offenses. There were four defendants who were charged with Criminal Failure to Appear; one with DUIL and Reckless Driving and another for Littering Near Water (This is the second charge for the same offense for this defendant.). There was also a defendant who was cited for going 67mph in a 35mph speed zone at 6th and Priceboro. This is a Class A Violation with a presumptive fine of \$440.

Committee Minutes: *Please note all committee/board minutes are approved by the individual committee, and not by the City Council consent agenda approval.*

Harrisburg City Council Minutes October 22, 2024

Mayor: Robert Duncan, Presiding
 Council President: Mike Caughey, Present
 Councilors Present: Kimberly Downey, Randy Klemm, Charlotte Thomas, Cindy Knox and Youth Advisor Taylor Tatum
 Councilors Absent: Robert Boese (Un-Excused)
 Staff Present: City Administrator Michele Eldridge, Public Works Director Chuck Scholz, and City Recorder/Municipal Court Clerk Lori Ross
 Meeting Location: Harrisburg Municipal Center Located at 354 Smith St

The Pledge of Allegiance was led by Mayor Robert Duncan

CALL TO ORDER AND ROLL CALL by Mayor, Robert Duncan at the hour of 6:35pm

CONCERNED CITIZEN(S) IN THE AUDIENCE: All in attendance were there for items on the agenda.

THE MATTER OF MEETING WITH A MEMBER REPRESENTATIVE FROM LCSO IF ONE IS AVAILABLE: Sergeant Frambes reviewed the LCSO Report for September 2024. Some of the highlights included:

- DHS investigations have increased at Harrisburg Elementary, Middle and High School due to the start of the school year.
- Burglary of a vacant home. Home owner did not press charges.
- Knox commented about some young boys continually playing games with the railroad crossings and asked what's the appropriate way to report it. Sergeant Frambes replied to contact LCSO immediately, if it's not an emergency call dispatch. He believes that educating the boys and speaking with the parents is important.

October 22, 2024

- Mayor Duncan would like for Coburg to be notified as well.

THE MATTER OF MEETING WITH A MEMBER REPRESENTATIVE FROM THE COBURG POLICE DEPARTMENT IF ONE IS AVAILABLE: Chief Larson reviewed the 2024 3rd Quarter Report as shown in Exhibit A. No comments or concerns.

- Mayor Duncan recommended speaking of track safety at the Skatepark After Dark Event.

THE MATTER OF REVIEWING THE 2024 3RD QUARTER CRIME RESULTS FOR THE CITY OF HARRISBURG: Eldridge reviewed the 2024 3rd Quarter Crime Report. Some of the highlights included:

- Person crimes have gone down, but property crimes have increased which include charges for vehicle theft, identity theft, and fraud.
- Citations have increased from 32 to 38.
- YTD crimes are still lower as shown on page 51.
- Harrisburg is still lower than Mill City and Millersburg on YTD crime which speaks wonders for our law enforcement.

THE MATTER OF DISCUSSION WITH SMALL MUNICIPALITY ADVOCACY COALITION (SMAC) LOBBYIST SEAN TATE, OF TATE PUBLIC AFFAIRS: Sean Tate reviewed his presentation as shown in **Addendum 1**. Some of those highlights included:

- Tate felt they did a good job introducing SMAC. He commented that City Administrators are under resourced and it's challenging to get responses in a timely manner.
- His biggest disappointment is not achieving 10 SMAC members by June 2024, and he feels the upcoming Election has something to do with the hesitation. He has been invited to present to Creswell, Cottage Grove and has heard from Lakeview and Gold Hill. He continues to pursue Ecko; Elgin and Scappoose and would like to continue to work on the Southeast and Northeast portions of the state.
- Thomas asked how many members SMAC currently has. Tate replied seven.
- Downey likes the idea of increasing the number of members to allow for a bigger voice.
- SMAC is currently working on three bills including a grant matching adjustment percentage bill, establishing a revolving loan fund for assisting with engineering cost and recreational immunity. Tate is also addressing some of the challenges with the difficult Wastewater Certification process.
- Tatum asked if SMAC has considered testifying for or against bills in the future and Tate responded that he has and it's a big part of how they will grow and get the visibility they need.
- Eldridge added that she would like to look at revisions to BOLI prevailing wage requirements for smaller cities. Tate replied that he would love to look into that goal.
- Klemm asked Tate about the road blocks he's running into. Tate responded that his biggest challenge has been running up against this election cycle and nobody wanting to make time to introduce something politically challenging.

THE MATTER OF REVIEWING A PERMIT FOR THE 2024 LIGHT PARADE: Eldridge reviewed this year's application. Some of the highlights included:

- This year's theme is "The Grinch that Stole Christmas" and will be held on December 7th.
- The parade will start and finish at the Elementary School this year instead of starting at the High School.

October 22, 2024

- Conditions of Approval are the same as last year.
- Eldridge reminded Council that once again, Santa will be at the Museum where free cookies, cider and hot chocolate will be available.
 - **Caughey motioned to approve the 2024 Light Parade Permit, subject to the Conditions of Approval and was seconded by Thomas. The motion passed unanimously by a vote of 5-0. Youth Advisor Tatum also voted in favor.** (Yes: Caughey, Thomas, Klemm, Downey, and Knox. No: None.)

Others:

- Eldridge noted that changes are coming from the Supreme Court in relation to homelessness. Attorney Sean Kidd didn't see any changes needed to our code, except for the reference of the ORS. Eldridge doesn't feel we need to make that change at this time.
- Eldridge noted the Scarecrow Contest has been extended to the 28th and noted we are getting more participation.
- Eldridge met today with the Willamette River Keepers, where Eagle Park was discussed. Eldridge feels we are getting the word out about the park and people are starting to pay attention to our efforts.
- The Preliminary Plat for Sommerville Meadows was approved last Tuesday. She noted that three lots are located on already developed streets therefore, construction can begin as long as they record the Final Plat with the County; the Development Agreement for Shadowood has been completed by both parties and signed and the Civil Engineering has been completed and approved.
- Smoke testing will take place November 12 through the 15th.
- Eldridge informed Council that Troy Jones, with Friends of Gap Road, dropped off a letter of support (**Addendum 2**) and asked Council to sign as individual people. Eldridge modified the letter some and stated it's available tonight if anyone would like to sign it. Downey noted for the record that she won't be participating due to two conflicts of interest she has.
- Eldridge referred to **Addendum 3**, a flyer from the Linn County Conservative Alliance and asked Klemm, and write in candidate, Dana Henry, if they were contacted to be placed on the flyer. Klemm responded no and Henry stated they did reach out to her; however, they did not quote her, but instead wrote their own piece. Mayor Duncan referred to the back of the flyer, under "Harrisburg Talking" and noted it was not a quote from himself or the City Council. Caughey thought it was paraphrasing from several different audience participants from previous meetings. Eldridge to place something on Facebook stating these comments are not from City Council or the City of Harrisburg.

With no further business, the City Council Work Session adjourned at the hour of 7:43pm.

Mayor

Small Municipalities Advocacy Coalition

Giving Voice to Rural Oregon Communities

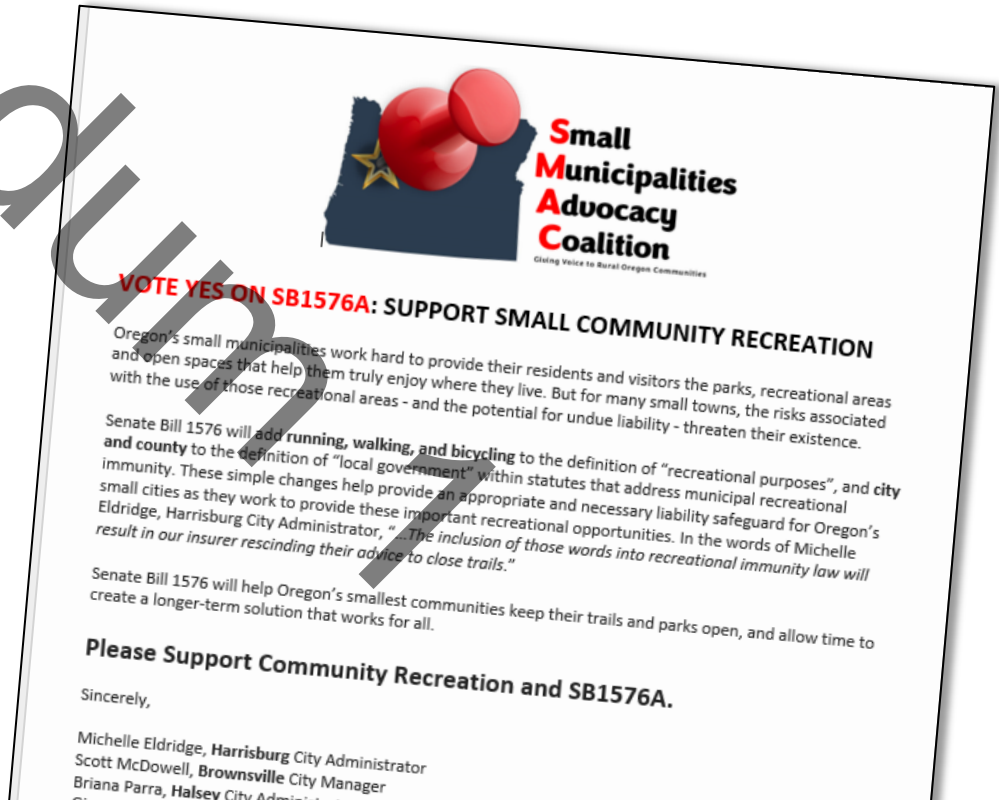

10/24 SMAC Update

Agenda Item 1

LOOKING BACK

2024 SMAC/SHORT SESSION GOALS

- Introduce SMAC concept to Rural policymakers
- Identify group communication best practices
- Engage in relevant policy discussions/testimony
- 10 SMAC members by 6/24
- 15 by 1/25 with geographic range

2025 SESSION / 2025 SMAC GOALS

LOOKING AHEAD

Policy Development:

- Grant matching % adjustment
- Revolving loan fund for engineering costs
- Lagoon Wastewater Certification - DEQ
- Recreational Immunity input

SMAC:

- Aggressive membership development efforts
- Development of Small-Town Caucus
- Formalization of SMAC
 - Protocols for engagement and communication
 - Bylaws, membership requirements

“Just because you do not take an interest in politics doesn't mean politics won't take an interest in you.”

Pericles, Greek Philosopher and Statesman
495BC – 429BC

Meet Sean Tate

I founded Tate Public Affairs in January 2020 after serving as a VP of Public Policy and Business Development since 2013. An (almost) lifelong Oregonian, I represent my clients' business and policy interests wherever needed, building partnerships and working towards positive outcomes.

I am active in healthcare, education, and business development policy circles, and enjoy good, no-nonsense relationships with legislators, legislative leadership, staff, and colleagues from all policy perspectives.

Prior to working in public affairs, I spent more than 20 years in business development, marketing, and sales management in the print media industry in Oregon and Montana. I am an experienced marketer and consensus-builder, and I like to take an inside-out approach to understanding client issues.

I serve on the board of the Lebanon Chamber of Commerce and the Albany-Millersburg Economic Development Corporation. As a registered lobbyist, my primary areas of policy focus are business, workforce development and higher education.

I live in Lebanon and engage in many of Oregon's recreational opportunities including road and mountain biking, fly fishing, hiking and camping.

T A T E
p u b l i c a f f a i r s

We, as individual Councilors for the City of Harrisburg, wish to support our neighbors, “Friends of Gap Road”, in their campaign to ‘Say No’ to the Muddy Creek Energy Park; a proposed 1,600-acre industrial solar facility proposed approximately 10-miles east of Harrisburg.

We agree with Friends of Gap Road’s opposition to the aforementioned projects inappropriate use of high value exclusive farm use/native wetlands and it’s negative impact(s) to:

- Loss of agricultural land
- Removal of wetlands
- Wildlife
- Water resources
- Increased wildfire danger
- Leaching toxic materials
- De-valuation of neighboring properties
- Serious economic impacts

With all our support:

The Linn County Conservative Alliance Supports These Candidates

Non-partisan, dedicated to supporting Conservative & Traditional values candidates who will govern in accordance with those values

Oregon Statewide Candidates

Dennis Linthicum Secretary of State

A rare principled conservative in the Senate. As Secretary of State he will ensure election integrity, accountability and oversight of state agencies and prevent federal/state overreach.

Brian Boquist for State Treasurer

20 years in the Oregon Legislature with 16 years as vice chair of the finance and revenue committee. Former Special Operations Officer and small business owner.

Will Lathrop for Attorney General

Tough rule-of-law attorney willing to go after organized & immigrant crime. Endorsed by 70+ law enforcement professionals including Sheriffs, District Attorneys and prosecutors.

Linn County Candidates

Roger Nyquist County Commissioner

A constant conservative voice in Linn County for over 24 years. Roger is often the only voice of opposition against fiscal irresponsibility and irrational state mandates.

Sherrie Sprenger County Commissioner

With over 20 years on school boards the State House and as Commissioner, Sherrie knows how to navigate the political waters. She is a conservative vote when it matters most.

Soil & Water Conservation District

ReElect AT LARGE 2

DAVID NEAL

Harrisburg City Council

ReElect BOBBY DUNCAN MAYOR

Mayor of Harrisburg. Finish Carpenter by trade. After many years being Mayor of Harrisburg, Bobby is still humbled and honored to serve the citizens. He has builds bridges between the city, citizens & organizations to accomplish goals for all citizens.

ELECT AS A WRITE-IN!

DANA HENRY City Council

Northwest University
South Alabama College of Nursing

I love Harrisburg and want to give back to this great close-knit community. I have served on hospital boards, chair on some. As an analytical detail oriented person I consider how any decision may affect the best interest of all citizens.

Harrisburg is an idyllic conservative small town and we need to preserve the great quality of life we have here. Please write me in.

On Line below candidate names please write in my name:

X DANA HENRY Thank You!

ReElect RANDY KLEMM City Council

Oregon State University -- Pharmacy
Business Owner -- long term care pharmacy

Randy is a long time supporter of Harrisburg, currently serves on the budget committee and Commission on Children & Family. Reelect a great community asset.

Debbie Tjepse

STATE BALLOT MEASURES

MEASURE 118 Communist-style wealth redistribution
VOTE NO

Taxes corp/workers -- drives up product costs, costs passed on to you.
Gives that money to those who didn't earn it -- homeless, addicts, illegals
Another attractant drawing low-function gov't free-riders to Oregon

MEASURE 117 RANKED CHOICE VOTING
VOTE NO

Another far-left scheme to suppress/confuse & control Oregon voting
Oregon is a one-party rule state with no opposition, why is it needed?

MEASURE 115 IMPEACHMENT POWER
VOTE NO (this time)

Sounds reasonable and rational -- but in a state with one-party rule it
will be used to further suppress & tyrannize the weak opposition party

MEASURE 116 Task Force Sets Legislative Salaries
VOTE NO

These task forces often become corrupt in one-party states leading to an
overpaid entrenched professional political class as we see in CA, IL, NY

The Non-Partisan Linn-County Conservative Alliance
Supports Conservative and Traditional Values candidates across Linn
County in hope they govern in accordance with conservative principles and
uphold traditional values. We also fight against big government and taxes.

Please support our fight for Liberty by Scanning the QR code and making a donation

Harrisburg Talking...

8.

"Once government is able to regulate the energy they will also be able to regulate the society."

Harrisburg is not against solar power. The issue is climate extremists using fear-appeals to extract 100's of billions of our tax dollars. Our tax dollars then subsidize foreign companies to build huge solar plants on legally designated farmland and other sensitive areas. There are far better and more logical options elsewhere.

The issue is also greedy money-grubbing landowners complicit with Oregon's far left energy and siting agencies subverting farmland protection laws, ruining wildlife habitat, endangering birds and waterfowl, creating wildfire danger and diminishing the quality of life of citizens -- just for financial gain of a few individuals.

Many no longer trust government and suspect manipulation and hidden agendas are at play which need to be investigated.

Comments/opinions/recommendations are those of the individual or Linn County Conservative Alliance and not necessarily a reflection of individual candidate views.
