CRIMINAL MISCHIEF Reported at Block of 300 SOMMERVILLE AVE HBRG

Deputies responded to a report of three vehicles "mudding" at Eagle Park. The suspects had left the area when the deputy arrived, and there was no information such as license plates or suspect descriptions to follow up on. All of the dirt roads in the park are muddy and torn up from recent rains, and there is no way of knowing what damage these specific suspects caused.

Agenda Bill
Harrisburg City Council
Harrisburg, Oregon

THE MATTER OF REVIEWING THE 1ST QUARTER CRIME RESULTS FOR 2024 FOR THE CITY OF HARRISBURG

STAFF REPORT:

- Exhibit A: Harrisburg Crime Comparison 1st Qtr.
- Exhibit B: LCSO Contract Cities Report for 1st Qtr.

ACTION: NO ACTION. INFORMATION ONLY

THIS AGENDA BILL IS DESTINED FOR: Work Session Agenda – April 23, 2024

BUDGET IMPACT		
COST	BUDGETED?	SOURCE OF FUNDS
N/A	N/A	N/A

STAFF RECOMMENDATION:

Staff recommends normal discussion of any concerns that Council might have in relation to crime issues.

BACKGROUND INFORMATION:

The Crime Comparison by Quarter Report (**Exhibit A**) has been updated by the addition of the 1st Quarter of 2024. *Person Crimes* are at 4, which is higher than the last two quarters. *Person Crimes* are serious crimes, which can include assault, sexual abuse, child or elder abuse, fights, etc. While it's still not at the high of 10 shown in the 2nd Qtr. last year, it is still slightly concerning.

Property crimes show as 10 for the 1st Qtr. of 2024. This is lower than at any point in 2023 and is a good statistic to see. Most of the property crimes are theft, with one person subject to a \$500 scam, 1 burglary on Burton, and a nice arrest on February 5th of two people (from Eugene & Springfield) who were arrested for Burglary II after deputies located them at the scene after they broke into a secure building. (They were taken to the Linn County Jail). *Drug/Alcohol Crimes* are at two in the 1st quarter. *Traffic Offenses* are at 5, which is slightly higher than the 4th quarter, but still far better than the 3rd qtr.

All other offenses have remained the same as the last two quarters. There was a fugitive warrant, some restraining order violations, outstanding warrant arrests, a juvenile who was trespassing, some threats made on Snapchat, and a rather strange series of 911 calls with an intoxicated male. He trespassed at a residence, caused a disturbance at Subway, and laid down in the middle of Territorial in the dark. He was

arrested on two counts of Disorderly Conduct in the 2nd Degree, 1 count of Criminal Trespass in the 2nd Degree, and was lodged in the Linn County Jail. There was also a slightly concerning arrest of a person from Tigard for ASLT IV Domestic, Harassment, Interfering with making a Report, Robbery III, and Criminal Mischief III. There was also a hoax that someone made by reporting injuries caused by a firearm.

In arrests, there were 10 *all other offenses*, which includes 3 DUII's,, and multiple restraining order violations, as well as 5 traffic offense arrests. *Citations* were at 38 for the 1st quarter, with 58 violations, 3 non-injury crashes, and 1 injury crash. 11 of the equipment violations were due to failure to register vehicles.

In the YTD Crimes compared to last year (**Exhibit B**, Page 4), Council can see that *property crimes* are still lower than last year, and *person crimes* are still comparative to last year with 4 assaults.

Looking at the Contract Cities Crime Report, (**Exhibit B**, Page 5) at the end of the report, Harrisburg is now at 43 YTD crimes, compared to the other cities in our region; the closest being 37 from Millersburg. Thankfully, we are still well below the 65 crimes we had at this same point last year.

STAFF RECOMMENDATION:

Staff recommends Council approve the Final Draft of the 2024-2029 Strategic Plan

BACKGROUND INFORMATION:

The City Council is asked to review the Strategic Plan on an annual basis, in order to make sure that goals are in-line with our values and citizens’ expectations of the City.

As requested at the last meeting, Staff has removed the Library section, because the City Council is removing those items that are regular expectations from City Staff members.

The Council Priorities section has been updated to remove the column with objectives/actions. Staff believes it makes it very clear that the top item is the most important one; but further changes can still be made.

REVIEW AND APPROVAL:

Harrisburg Strategic Plan

FY2024 – FY2029

**Prepared by City Staff
April 2024**

City Administrator Message

Mayor and City Council,

I am pleased to present the City of Harrisburg's FY2024 - 2029 five-year Strategic Plan. This plan will serve as a guide to fulfill Harrisburg's mission and vision through several goals, objectives, and actions. We realize that starting out in 2024, that it's less likely that we will return to anything close to what was the normal in 2020, pre-pandemic period; therefore we adjust, and move onwards with expectations to the future.

We continue to hope that the State of Oregon will keep a balanced outlook that won't affect small city's as much as it has in previous years, but recognize that there are many challenges ahead.

There are four overarching themes in the plan, which bring focus to the mission and vision of the city and organize the long-term goals of the plan. The four themes of the plan are:

1. Great Neighborhoods
2. Public Safety
3. Economic Development
4. Efficient Governance

Within each theme are goals, objectives, and actions. Most of the goals are intended to last for many years and should only change with shifting community values or new city opportunities or needs. The objectives and actions, however, are dynamic and should be modified to ensure the goals, vision, and mission of the city are continually being met.

The Strategic Plan fulfills the desires of the Mayor and City Council to be proactive and to plan ahead. It is intended to enhance the quality of life for our citizens and patrons, as well as ensuring the city organization is run with efficiency and effectiveness.

A special thanks to the City's management team involved in the development of this plan. Staff's contributions and expertise are vital. A good Strategic Plan depends on staff, as well as elected officials in both its formation and execution. Ultimately, of course, this plan belongs to the City Council. Their contributions and input are fundamental. It is hoped that the City Council members will frequently review this plan and team together with staff and the public to achieve the vision and mission it embraces.

Michele Eldridge
City Administrator

OUR MISSION

Providing the highest quality public services for a better hometown Harrisburg.

OUR VISION

A vibrant and charming community that has a high quality of life, great neighborhoods, balanced economic growth, and quality public services.

OUR VALUES

The City of Harrisburg’s Strategic Plan is governed by three key elements: our mission, vision, and values. Our Mission Statement reflects the character of our community and is based on the principles of service and commitment. Our Vision Statement honors our history and looks to a promising future to which this Strategic Plan is directed. Our mission and vision are built on the foundation of the following core values, by which our elected officials, employees and volunteers are expected to follow.

Transparent, Open, and Honest Government – This value reflects our most important responsibility to our citizens and customers. Our competence is measured and, in fact, reinforced through active engagement of those we serve. We maintain an organizational reputation for openness, honesty, and integrity.

Public Service – We are public servants. We proactively find solutions to the community’s needs. We are accessible, responsive, respectful, consistent, and understanding. We provide assistance beyond our customers’ expectations.

Fiscal Responsibility – Proper use of public resources is a trust which we honor and protect. In our management of this trust, we must avoid even the appearance of impropriety. In our management of public funds, we constantly strive for the greatest possible efficiency and effectiveness.

Personal Honesty and Integrity – Each of us demonstrates the highest standards of personal integrity and honesty in our public activities to inspire confidence and trust in our government.

Excellence – Excellence is shown by being creative, professional, innovative, showing initiative, and being committed to our community. In this pursuit, we support continuing education and training for everyone in the organization.

Teamwork – We are a team that supports each other and the community, and we emphasize a high level of trust. We embrace a spirit of teamwork, empowerment, cooperation, collaboration, and community. We operate under the Together Everyone Accomplishes More (T.E.A.M.) concept.

Diverse and Humane Organization – We are an organization that honors diversity and protects individual rights. Open communication, respect for others, compassion, and a sense of humor are essential tools in our organization. We value the cultural and social diversity that is reflected in our community, and we welcome the changes and new perspectives that this diversity brings to us.

Strategic Plan Themes

The Strategic Plan has four main themes that reflect our Mission and Vision Statements: Great Neighborhoods, Public Safety, Economic Development, and Efficient Governance. Specific goals, objectives, and actions related to these four themes will allow the city to achieve its mission and follow the vision of the community.

Each theme includes the City’s primary goals under that theme for the foreseeable future. The goals should remain constant over time and only be revised to reflect significant community changes or unanticipated events. A list of measurable objectives with benchmarks helps us track progress towards the goals. Objectives are generally identified to cover the five-year strategic planning period from the date they are adopted. Action items are the steps needed to meet the objective. Many more strategies and action items will be developed throughout the organization to align the entire organization with the goals and objectives identified in this plan.

This Plan is intended as a work in progress. While the mission, vision, values, and goals should remain constant, the objectives and action items will need periodic review and adjustment. We will track progress through regular reporting on the measures, and they will be incorporated into organization and community publications. The annual Budget and Capital Improvement Program will serve as reporting and implementing policy documents, that bear close relationships with the Strategic Plan. Those include the Comprehensive Plan, Transportation System Plan (in progress), Water Master Plan, Parks Master Plan, and in the future, the Wastewater Master Plan, and Storm Drainage Plan, plus related planning documents that also support the Strategic Plan.

The Plan, although adopted near the beginning of the calendar year, depends on the Fiscal Year for its annual progress or implementation. For example, a plan objective identified to be accomplished in 2022 means Fiscal Year 2022-23. (July 1, 2022 – June 30, 2023) The timing of the adoption of the plan allows the City Council to have a mid-year check on how the prior year’s plan objectives are progressing and assists City staff with preparing the budget to assist with the Council’s priorities adopted in the Plan.

Council Priorities

The City Council previously identified its priority objectives and actions for Fiscal Year 2024-2025 from out of the strategic plan. The following table lists the priorities and updates as the date of this plan update.

**THE MATTER OF ESTABLISHING AN EAGLE PARK SPONSORSHIP PROGRAM
STAFF REPORT:**

Exhibit A: Proposed Sponsorship Program

ACTION: DISCUSSION/TBD

THIS AGENDA BILL IS DESTINED FOR: Work Session Agenda – April 23, 2024

BUDGET IMPACT		
COST	BUDGETED?	SOURCE OF FUNDS
None	Yes/No	N/A

STAFF RECOMMENDATION:
Staff recommends the Council discuss the proposed Eagle Park Sponsorship Program.

BACKGROUND INFORMATION:

Several businesses (some outside) in the City of Harrisburg have asked if the City will allow sponsorships in Eagle Park. Allowing a Sponsorship Program is a fun way to establish pride in our new regional park. Businesses can get involved, and sponsor the improvements and developments in the Park, and in exchange, their business name is posted for all to see, including on the website. Just to get the discussion going, a proposed sponsorship program is shown in **Exhibit A**.

There are several considerations that are important for the City Council to discuss. The first is whether it's considered too early to put up signs. The more we develop the park, the more regular citizens will be using it, which helps to run out those people who might consider vandalism as a sport. If Council is favorable to this suggestion, an on-line sponsorship can be announced and mailed out with the utility bills. Physical signs will only be posted when a development is completed.

1. How much should a business pay to put their name on the Dog Park over the main entrance? Should it be \$25,000? While Staff believes it's worth that kind of a fee, chances are that only the biggest businesses (likely industrial) will be able to afford this. Until that time, it would simply be the Dog Park at Eagle Park.

2. If we allow fence signs, do we want a limitation on the number of signs installed?

We want a beautiful park, that is nice to look at, and not a ballfield; but staff does support small signs that are roughly 25' apart on the fence, in uniform sizes.

3. Other signs are similar to those used in other locations in town, and in particular, the picnic table and park benches, which are marked with plaques.

4. The Dog Park sign will be elevated, but other types of signs in the program are within easy reach of people. If a sign is vandalized, especially at a \$1,000 and \$500 level, the sponsors would likely prefer that their sign is replaced. How many times should we allow a sign to be replaced? Should we wait to install fence signs until the dog park has been established for a year?

5. Money raised through the sponsorship program should be used only for development in our Parks programs. 10% of each sign sponsorship could go to the parks maintenance expense fund which is used for sign replacements.

City Council may have their own ideas in relation to a sponsorship program, and discussion/brainstorming at this meeting is encouraged. If the City Council allows Staff to establish a sponsorship program, then Staff will create an attractive and fun flyer that can be mailed with utility bills in the future, as well as being on the website. Staff can return with a final revision of the program at a future City Council meeting.

STAFF RECOMMENDATION:

Staff recommend Council reviews and approves the 2nd Quarter 2023/2024 Expense Report.

BACKGROUND INFORMATION:

The City’s Finance Officer has prepared the 2nd Quarter 2023/2024 Expense Report for review by the City Council. The report shows all revenues and expenditures for the 2nd quarter for fiscal year 2023/2024. We have already received over 101% of budgeted property taxes. We have also received higher than anticipated interest across all accounts. When looking at percentages, please remember we are only 50% of the way through the fiscal year. All fund revenues and expenditures are presenting as projected during the budget process. The Council should review the document and raise any questions or concerns they may have to city staff. **Be aware that these numbers could change after fiscal year 2022-2023 is audited due to any auditor adjustments or reclassifications.**
