Kristen,

Are you looking for vinyl banners with pole pockets at the top and bottom? See image below.

If so, do you need the hardware to hang these or are the poles already set up to hang these banners?

Hi Kristen,

Hope you are having a great week so far and thank you for taking the time to reach out regarding the banner project.

The banner pricing does depend on the material used. An 18x35” Vinyl banner retails for \$70, while Polycanvas and Marine Acrylic retail for \$108 and \$86 respectively.

Given the quantity of 35, we would have a discounted price of \$58 per banner plus S&H.

Happy to pull a complete proposal together for us – would it be fair to utilize the vinyl material?

Best Wishes,
Kolin
