Dear Members of the Town Council,

I am writing to express my strong interest in serving on the Architectural Review Board for the Town of Haymarket, with the Planning Commission as my second preferred option. As a resident of Haymarket and a construction engineer with over a decade of experience in engineering, project management, and building systems, I am eager to contribute my technical background and professional insight to support the Town's development and long-term vision.

I hold a Bachelor's degree in Mechanical Engineering and currently work as a Project Manager in the construction field, where I oversee a wide range of building projects, review architectural and mechanical designs, coordinate with contractors and design teams, and ensure compliance with building standards, safety requirements, and project specifications. My daily responsibilities include evaluating construction documents, interpreting building codes, assessing material quality, and ensuring that design intent is accurately executed in the field. These experiences have strengthened my ability to analyze complex technical issues, communicate effectively with stakeholders, and make sound, evidence-based decisions.

The Architectural Review Board aligns closely with my professional expertise. My background in building systems, mechanical design, architectural coordination, and construction QA/QC equips me to effectively review building elevations, signage applications, demolition requests, and exterior design proposals. I am confident that my engineering perspective will add value to the review process by ensuring that new projects meet the Town's design standards while preserving the character and identity of our community.

Additionally, I am equally interested in supporting the Planning Commission, where my understanding of land development, zoning impacts, and infrastructure requirements can contribute to informed recommendations on land use applications and community growth. I believe thoughtful planning and quality design are essential for maintaining Haymarket's charm while responsibly guiding future development.

As a resident, a father, and an active member of the community, I strongly believe in giving back and supporting the place my family calls home. Serving on one of these Boards is a meaningful opportunity for me to apply my engineering background in a way that benefits the Town and its residents. I am committed, dependable, and prepared to dedicate the time necessary to fulfill the responsibilities of the

role.

Thank you for considering my application. I would be honored to serve the Town of Haymarket and I look forward to the possibility of contributing my experience and perspective to the Board. Please feel free to contact me if additional information is needed.

Respectfully,

Mahmoud Omer

Memorandum

To: Honorable Mayor and Town Council

From: Roberto Gonzalez, Town Treasurer

Date: December 11, 2025

Re: Request to Rebalance Adopted FY2026 Budget

Virginia Code § 15.2-2507 allows a locality to amend its budget and adjust the aggregate amount to be appropriated during the current fiscal year. However, any amendment that exceeds one percent of the total expenditure shown in the currently adopted budget must be accomplished by advertising a meeting and holding a public hearing prior to acting on the amendment. Since the requested amendment does not exceed that amount, a Public Hearing is not required. The Council may adopt the amendment at the January 05, 2026 Council meeting.

REQUESTED BUDGET AMENDMENT

1. After review and discussion with the Finance Liaisons, we identified the need to rebalance the adopted FY2026 budget in the Rental Revenue section to reflect three new tenant leases.

However, due to the Town Charter not explicitly granting administrative authority to the Treasurer or Town Manager making such adjustments, this reallocation requires formal approval by Council through a resolution.

The proposed adjustment involves reallocating \$25,804 originally budgeted for Washington Street Realty, which no longer holds a lease with the Town as of September 4, 2025. These funds will be redistributed as follows:

•	Yew Tree Wellness LLC	\$13,156
•	WSR Solutions LLC	\$ 6,222
•	Red Rock Title & Settlements LLC	\$ 6,426

This action does not change the overall adopted budget total but ensures accuracy in projected rental revenues.

WSR Solutions LLC	\$	0	\$	6,222	\$	6,222	
Red Rock Title & Settlement LLC	\$	0	\$	6,426	\$	6,426	

2. The Haymarket Police Department received a HEAT Grant for \$10,000 after the FY2026 budget was adopted. This grant will offset some of the cost of equipment for the program.

To keep our budget accurate, we need to add both the grant revenue and the equipment expense to the FY2026 budget. This will make sure everything is recorded correctly and balanced.
