Re: Military Tribute Banner Application

After the discussions from the July Work Session and August Town Council Meeting, I am making the following recommendations for the Military Tribute Banner Application:

<u>Applicant/Sponsor</u>: All active-duty military personnel and Veterans residing in the Town of Haymarket or with immediate family members (spouse/partner, parent, grandparent, child or sibling) living in the Town of Haymarket will have the opportunity to apply in the first 30 days of the application's opening. After this initial 30-day period, the application will be open to residents of the Haymarket zip code, 20169. To apply, applicants must submit a completed application, proof of residency, a digital portrait of the serviceperson, verification of active-duty status or proof of honorable discharge (DD form 214), and the program rate.

Applicants may submit up to two applications per household. Town Staff may review a third application in special circumstances (for example, if one household wishes to honor a child, a parent, and a grandparent). Once the maximum number of banners (currently 42) has been reached, the application process will be closed for the remainder of the two-year term, and a waitlist will be started. After the two-year period, the applicant may reapply for another two-year period, but priority will be given to in-town residents on any waitlist.

I suggest applications open on January 3, 2025.

<u>Banner Information</u>: The banner is a full-color 20x40 18oz premium vinyl featuring a patriotic design displaying the honoree's photo and basic military information such as branch, prominent awards, and medals.

<u>Display Period</u>: The banners will be displayed from Memorial Day through July 4, and again in November for Veterans Day each year. Please note exact dates subject to change without notification. The display period will run for two years. At the end of the display period, banners can be returned to sponsors upon request.

"Everyone's Home Town" www.townofhaymarket.org

Town of Haymarket 15000 Washington Street, #100 Haymarket, VA 20169 703-753-2600

<u>Display Location</u>: Banners will be displayed within the Town limits along Washington Street. A digital file of the artwork/banner will also be displayed on the website during the application period.

Sponsorship Rate: The applicant/sponsor will be responsible for the banner fee, which includes shipping and is approximately \$100.00. This can be paid by check or credit card to the Town of Haymarket. The Town of Haymarket will cover the costs of putting up and taking down the banners, as well as storing them during the sponsor's 2-year application period. I recommend the Town pay for the cost of any replacement banners during the 2-year application that are outside the company's 1-yr. guarantee (damage due to weather, box trucks, stolen etc.)

Directive: The Town Council directs staff to proceed with the Military Tribute Banner Program Application process.

Re: GoGov App – Citizen Request Feature

Overview: As of August 1st, there has been a total of 219 downloads, 21 of those users have created an account on our site. The Citizen Request Feature is customizable and can be adjusted as we learn what works for us. Topics are created based on what items we want tracked. These items can be assigned to a staff member for completion, along with a due date and reminders as the item is coming due. As requests come through an automated response can be sent notifying the user how much time is expected for a response. On the staff side of the app there is an interactive list of every item that a staff member is working on. GoGov also has a reporting suite available to pull metrics on all the current and past items that have been managed through the system. GoGov's entire solution utilizes HTTPS protocol. The cost of adding this feature is \$4,200/year.

The Events Coordinator recommends moving forward with adding this feature to the My Haymarket App to encourage communication between town residents, staff, and council.

Objectives and Goals

The Town of Haymarket in Virginia is committed to serving our residents, businesses, and visitors by providing public services in a fiscally prudent and socially responsible manner. Our mission is guided by a vision of nurturing a historic past while embracing a positive future. The core values supporting this mission include transparency, innovation, integrity, respect, accountability, inclusiveness, loyalty, teamwork, and leadership. These principles are integral to the town's strategic initiatives, which focus on fostering community and economic well-being, practicing good governance, enhancing community engagement, and securing the financial future of the town.

This comprehensive Communication Plan has been created to support the core values and principles identified above. The objective of this plan is to:

- Foster community engagement from our residents, businesses, and visitors
- Ensure the rapid dissemination of emergency and non-emergency information through proper channels
- Increase awareness of town events
- Increase awareness of town opportunities (volunteer and community)
- Increase awareness of town businesses and their offerings

Our Audience

Internal Stakeholders:

Each has a role in supporting effective communication

- Town Mayor
- Town Vice Mayor
- Town Council Members
- Town Manager
- Town Police Chief
- Town Clerk
- Town Vice Clerk
- Town Treasurer
- Town Events Coordinator
- Town Planning Commission
- Town ARB
- Town BZA

Each of these members are responsible for various aspects of the communications plan. Training should be conducted for all on effective communication practices and use of communication tools.

Key Messages

As a Town, we need to always develop key messages that align with the town's values, goals, and initiatives. At all times we must ensure these messages are consistent across all platforms.

We must also tailor the messages to adapt to different audiences while maintaining the core message. This may include changes to languages that we need to support.

Key messages we typically will need to inform residents of include:

- Public Safety
 - Emergencies and Alerts
 - Weather
 - Natural Disasters
 - Emergency Services that have an immediate impact on residents and businesses
 - Non-emergency information
 - Informational in nature
 - Health & Safety
 - Flu outbreaks

- COVID-19 precautions
- Water or air quality issues
- Government Updates
 - Public Notices
 - Regular Meetings
 - Public Hearings
 - Election Information
 - Voter Registration
 - Polling Locations
 - How to apply to run for office
- Community Events
 - Haymarket Day
 - Holiday Event
 - Farmers Market
 - Summer Concerts
 - Others
- Community Programs
 - Recreational Programs
 - VSL, GHBL, etc.
 - Arts Programs
 - Crossroads Art Alliance
 - Volunteer Opportunities
 - Cultural Activities
 - Museum exhibits
 - Historical information
- Public Works
 - Upcoming road closures
 - Upcoming utility work
 - New construction impacts
 - Trash & recycling
- Financial and Taxes
 - Property Taxes
 - Business Registration
 - Meal Tax
 - Vehicle Registration & Decals
- Education
 - School updates and information
 - Adult education opportunities

Communication Channels

Below are the traditional communication channels we use.

Traditional Media

- Bull Run Observer?
- Printed newsletter

Digital Media

- Town Website
- Social Media
 - o Facebook
- My Haymarket App
- Town Emergency Text Platform

Direct Engagement

- Town Meetings
- Walk With the Mayor
- Surveys
- Town Events

Content Strategy

We need to create an internal "Content Calendar" for regular updates and content dissemination. This should include town events, regular announcements, and relevant news. The calendar should include the responsible party for creating the content.

We should have a centralized area where content producers can access approved logos, infographics, videos, and images to make content more engaging.

We should create a platform to encourage residents to share their town stories, photos, and feedback to enhance our history.

Crisis Communication Plan

We need to create and publish the following a list of Emergency Contacts for key personnel involved in crisis management.

Pre-approved templates should be created for publishing information regarding different types of emergencies (natural disasters, public health emergencies, etc.).

We should establish Rapid Response Protocols for quickly disseminating information through all available channels in time of crisis.

Feedback Mechanisms

Surveys and Polls should be conducted to regularly solicit feedback from residents to gauge the effectiveness of communications and identify areas for improvement. Open forums can be used to discuss issues and gather input directly from residents. Online Feedback Forms on various channels can provide easy-to-use online forms for residents to submit comments, suggestions, and concerns.

Evaluation and Adjustment

We will conduct periodic reviews of the communications plan to assess its effectiveness using analytics tools where possible to track engagement, reach, and feedback.

From there we will make necessary adjustments based on the evaluation results to improve future communication efforts.

Legal and Ethical Considerations

At all times we MUST ensure all communications comply with all relevant laws and regulations, such as data protection and privacy laws.
