III. Agenda Items

1. GoGov App Presentation

Event Coordinator Julia Crofford gave a presentation on the Town's GoGov App. She shared that in the App Store to search and download My Haymarket. She also shared that there is a QR Code as well to download the app. She said that once in the app, one will need to create an account. Once the account is create, one will start to receive notifications, access information, stay connected, and view latest updates. She stated that staff created 5 subscription groups. They are Farmer's Market, Public Safety Announcements, Town Council and Board Meetings, Town Events, Traffic Alerts and Road Closures. She stated that the citizen can uncheck any subscription they would not want to receive and that they will adjust the subscriptions based on the type of information the citizens would like to receive. She showed the image of what the app will look like when it is downloaded. At the end of the presentation, Ms. Crofford opened the floor for questions and suggestions. Town Manager Emily Kyriazi went into a little further detail on how the app will work. Mrs. Kyriazi shared that the company has given Ms. Crofford marketing literature that can help her market the App to the public. There was a question if there is a capability of the citizens doing transactions on the App, such as zoning permit applications and payments. Mrs. Kyriazi shared that it is possible once the online payment system is linked in the App to create an applet. There was also a question if the citizens could communicate with individual councilmember. Mrs. Kyriazi shared that this is an informational app not a means of communications. She said it links to the Town's website where a citizen can obtain a councilmembers email for communication. Discussion followed on additional groups that should go on the App. There was a discussion on the cost of the App. Mrs. Kyriazi shared that the cost was reasonable and that it would increase with each additional feature and service provided.

2. Monthly Financial Report

Town Treasurer Roberto Gonzalez gave a quick report on the monthly financials. Mr. Gonzalez started his report by sharing that the CD that the Town opened in October 2023 has matured and he renewed the CD for 6 months. He shared that this provided the best rate and that it would mature in December in time for when the new Town Council takes over. Mr. Gonzalez also shared that the Town is still collecting funds in the current budget and will be ending in the black. There were no questions for Mr. Gonzalez on his monthly report.

3. Planning Commission Vacancy

Town Clerk Kim Henry shared that as June 30, 2024, there will be two vacancies on the Planning Commission. She stated that the one member of the Planning Commission would like to serve an another 4 year term and the other would not. She provided letters from each Commissioner. Ms. Henry also provided an application of interest to fill the vacancy. A short discussion followed on certification training for the Planning Commission members. There was

also a discussion on if a Planing Commission member could also serve on the BZA. Town Attorney Simmons stated that he would check State Code and Haymarket's Town Code.

4. Planning Commission Meeting Day Change

Town Clerk Kim Henry shared that there is currently someone who is serving on the Planning Commission who may not be able to serve after September. She stated that this person enjoys being on the Planning Commission and still has an interest in staying on. However, he has taken a teaching position and that his class time is Monday and Wednesday evenings. Ms. Henry shared that there was a short discussion after the meeting with another Planning Commission member about the possibility of changing the meeting day so that the Commissioner could continue to serve. Ms. Henry stated that she research Town Code and the Planning Commission By-laws and the only condition was that the Planning Commission must have a meeting every month. She continued to state that she polled the rest of the Planning Commission on the day change and that all were amendable to changing the day. Ms. Henry stated for organization purposes the meeting would be changed to the second Tuesday of the month. There was a short discussion on the subject and the Council gave their blessing for the Planning Commission to move their meeting day.

5. Draft Snow Removal Policy

Town Manager Emily Kyriazi provided a recent draft on the Town's Snow Removal Policy for Council review. Mrs. Kyriazi stated that she brought forth an initial draft at a previous meeting. She shared that there will be a map that will accompany the policy showing the area of the sidewalks the Town would be responsible for. She stated that she would provided a clean version of the ordinance and the map at the next meeting. She stated that she would ask that the Council give authorization to proceed with a public hearing at the next meeting. There were questions about the language of penalties to the Town Attorney. There was also a discussion on how the citizens would be notified of the public hearing. Mrs. Kyriazi shared that the Town could do a mailer once the public hearing date is set and also it would be put on the new My Haymarket App. A short discussion followed on the time line and setting a standard at the end of inclement weather. There was a consensus of the Town Council to bring this item with a map and public hearing dates to the next regular monthly meeting.

Town Administration Report

Councilmember Ramirez asked questions on the Town's GoGov App that is rolling out. She stated that she saw there was no direct way for the citizens to contact the staff through the App. Town Manager Kyriazi stated that in order to have the capability for the public to communicate with Town staff, it would require adding an additional applet. Mrs. Kyriazi stated that staff could check in to see what the additional cost would be to add that feature to the App. Councilmember Ramirez also asked about the Communication Plan and suggested that the Town provide more advance notice on items such as the recent new trash service and the exchanging of the trash cans by using different formats. She also shared information about the Small Towns Conference

that she recently attended and shared that she would like to utilize two of the speakers from the Conference for a Town's strategic planning and organizational meeting. She thanked the Town Council for giving her the opportunity to attend. Councilmember Ramirez also asked for an update on the Verizon lines that were down and a time line on when they will have it resolved. Town Manager Kyriazi stated that Town Maintenance Matt Burrows has been staying on top with Verizon to get the matter resolved. There was a question on how updates were communicated to the community during that time. Mrs. Kyriazi stated that Chief Sibert took the lead and posting regular updates through social media platforms.

Couniclmember Pasanello asked Town Manager Kyriazi to share the most recent updates on the Town Park sidewalk. Mrs. Kyriazi stated that she was notified by VDOT that sidewalk was approved, all the site plans are complete, the turn lane and crosswalk was approved. She shared that she will be working with the Town Engineer to post a notice to proceed to send to the contractor so that staff can sign the contract. She continued to state that staff will get the deed and plat recorded at the County and construction should start soon. She stated that the Council will need to do a budget amendment at their next regular meeting in order to fund the project. She stated that Town Treasurer Roberto Gonzalez can speak on the subject.

Town Manager Kyriazi addressed the admin report on the storm water assessment report with Prince William County. She gave a brief update on the subject. There was a question on the proffers being completed at Crossroads Village Center with education funding for the schools and fire safety. Mrs. Kyriazi stated that she has a meeting scheduled with Prince William County Fire Chief on the possibility of having the Town Hall as a comfort station. She said she will also reach out to the School Board to start the appropriate conversations. Mrs. Kyriazi gave a brief description on a comfort station. There was a brief discussion on having one member from the Planning Commission serve on the Board of Zoning Appeals. Mrs. Kyriazi stated that the Town Attorney confirmed that to be true. Short discussion followed on the SUP that will be coming before the Town Council at a future meeting, the banner program and Haymarket Day Vendor wait list. There was a brief discussion on the transferring to the new trash company and requests for larger bins. Mrs. Kyriazi stated that she would look into that and bring back more information at the July work session as staff works with American.

Councilmember Beyene asked for any updates on the Town Park building. Mrs. Kyriazi shared that staff met with a company interested in the demolition project. She announced that at the end of July would be a bid meeting for anyone interested in submitting a bid. She shared that August 12th is the deadline for the bid packets to be submitted. She also shared that she is working on the architectural RFP and will have updates at a future meeting. There was a question on the strategic planning priorities. Mrs. Kyriazi stated that a financial advisor will be at the next Town Council work session to discuss financial options.

Mayor Luersen asked if Councilmember Ramirez and Town Manager Kyriazi provide a written summary on the Small Town Conference with information they received and would like to implement in the Town.

2. Town Treasurer

Councilmember Schneider asked if the Town Council could schedule some meetings in September to put a plan together once they have the meeting with the financial advisor at the July work session. He asked staff to propose some tentative dates at the work session. A discussion followed on the subject of the financial options that will be presented to the Town at the July work session. Town Treasurer Roberto Gonzalez stated that since the sidewalk project is now going forward, he will need to amend the budget. He shared that since it is over the 1% threshold, the Town Council will need to hold a public hearing. Mr. Gonzalez asked if he could

advertise for public hearing at the July work session. A short discussion followed with a consensus to proceed with the public notice.

Board/Committee Updates	Kim					Justin Baker was sworn in to the Planning Commission at their July meeting. The PC changed their meeting day to the second Tuesday of the month effective August 13.	
Agendas/Minutes	Kim					All recorded meetings and agendas have been saved to a file for the switch over. All minutes up to end of June have been signed and recorded on the website. I am working with Civic Plus converting historic files from Granicus to their site, including agendas and minutes.	
Directives	Kim					I hope everyone has had a chance to look at our new platform on live streaming. We are live streaming on YouTube. We are still working on some minor hiccups with Civic Plus on making it as user friendly as possible. I will be attending the Virginia Association of Government Archives and Records Administrators Conference in October. I look forward to updated record retentions, FOIA and collecting ideas moving from paper to digital in storing records.

Memorandum

To: Haymarket Town Council

From: Finance Liaisons

Re: July 2024 Monthly Report

The finance liaison oversight during the month of July focused on the following:

- Comply with internal control process to review and approve invoices/expenditures and check signing
- Review FY 2025 actuals vs. budget and discuss key areas of interest/concern
- Discussed FY 2024 unaudited actual vs. budget
- Discuss on an as needed basis:
 - o Credit Benchmarks and Debt Capacity Analysis
 - o Status of RFPs
 - o Town Center site plan
 - Engineering/consultant support costs
 - o Contracts, leases, agreements
 - Options for use of ARPA funds
 - o Council concerns/recommendations raised during work sessions/submitted to staff

Other items/comments that impact finances:

- Fiscal Year 2024 **operating revenue exceeded operating expenses** by \$1,095,655.32 (unaudited) as of the July 24, 2024
- One law enforcement position was filled. The second remains in process
- Park sidewalk construction Notice to Proceed (NTP) complete. A work schedule was provided to council.
 - o Mobilization and construction to commence Aug. 26, 2024
 - o Target end date is January 7, 2025
 - o Funding to be added to FY 2025 budget by amendment after a public hearing
 - O TM in discussion w/contractor to secure the project area for safety in time for Haymarket Day
- RFP for demolition of Park Building is ongoing, with a public meeting for interested bidders to be held
- Trash and recycling contractor American Disposal underway. Staff to evaluate requests for larger capacity trash totes per request of some residents. Cost of larger tote is \$75.

Respectfully,

TracyLynn Pater, Vice Mayor and Joe Pasanello, Council Member

Re: July Community Relations Report

Met with staff regarding upcoming Community Programming.

Reached out to PWC Office of Elections to inquire about election information materials. The PWC Office of Election's media packet will be ready around August 20th, one month prior to the opening of early voting (September 20th). The intention is to have these materials available at the entrance of Town Hall and posted to our social media in an effort to raise awareness.

Community Connections Summer Series

The Ice Cream Social we hosted at Cookies & Cream on 6/26 from 4-6 pm was well received by the business and the 10 citizens who visited. Mayor, Vice Mayor, and myself were in attendance along with Town Manager, Lt. Davis, and Officer Galbreath. At this time, the remaining summer connection events are on hold - will be revisiting with staff to plan for next summer.

Other Upcoming events:

- **Farmer's Market Outreach**: Sunday September 15th in addition to the Town of Haymarket tent, a second Town-marked tent will be open for Council to greet and meet with citizens.
- Fall Youth in Government (Middle School) Program: October 28th- November 4th, 2024:
 - Applications will be opening mid August with the submission deadline of September 20th.
 - Tentative schedule:

Small Towns Conference "Cliff Notes"

By: Councilwoman Mary Ramirez

The two-day Small Towns Conference had presentations on the following topics:

- Placemaking for Community Change Melody Warnick, Writer and Editor, Viginia Tech
- The Foundations of Good Governance Kimball Payne, Executive Manager, The Berkley Group
- Legislative Updates/Town Specific Information from VML Mitchell Smiley, Policy Manager, VML Josette Bulova, Policy Communications, VML
- Legal Issues in Towns
 Larry Spencer, Town Attorney, Town of Blacksburg
 Mike Lockaby, Attorney, Spillman, Thomas & Battle, PLLC
- Housing in Small and Rural Places
 Mel Jones, Research Scientist and Associate Director, Virginia Tech Center for Housing
- Strategic Planning in Small Communities
 Stephanie Davis, Collegiate Associate Professor, Virginia Tech
- Values-Based Leadership is Transformational Leadership Michael Gallagher, President, MK Leadership
- Financial Strategies for Small Towns
 Stephanie Davis, Collegiate Associate Professor, Virginia Tech
 Kyle Laux, Senior Vice President, Davenport & Company, LLC
 LeAnna Surratt, Town Manager, Town of Hillsville
- Regional and State Economic Analysis Sheryl Baley, Visiting Professor of Practice, Virginia Tech
- Economic Development Panel Expert Advice and Best Practices
 David Manley, Executive Director, Wythe County, Joint Industrial Development Authority
 Dana Cronkhite, Director of Economic Development, Dickenson County
 John Kilgore, Director of Economic Development, Scott County
 Nichole Hair, Executive Director, Mount Rogers Regional Partnership

The Small Towns Conference provided me with the following takeaways:

Areas of great success for the Town of Haymarket:

In listening to the financial status of various small and rural towns in the Commonwealth, it is apparent that the Town of Haymarket has done exceptionally well during and after the pandemic. By and large, townships were hit the hardest from the pandemic due to loss of tourism, meals taxes, and lodging taxes. The financial capacity of a town is reflected in the government's ability to utilize financial resources, and thanks to our Treasurer we have financial policies that ensure we do just that. For example, our Town Treasurer ensure that a balanced budget is adopted every year (as required by state code), and he enforces the following with bi-weekly monitoring with the finance committee*:

- Fund Balance Policies ("rainy day fund" of at least 2 months' worth of expenses – we have more)

¹ Defining Local Government Financial Capacity PowerPoint, Stephanie Dean Davis, Collegiate Associate Professor

- Debt Management
- Investment Policies
- Operating Budget Policies
- Revenue Policies
- Capital Budget

*Please note that most towns self-reported that they monitor their financial policies adherence on an annual basis.

In addition to our financial wellbeing, another strength highlighted by the conference, is our Town Manager's push for Strategic Planning. Strategic Planning provides a vision and roadmap for the "Budget Prioritization Process.²" It is in the Town's best interest to support the Town Manager's efforts to vitalize our Strategic Plan and use it for the following purposes:

- Accountability Tool (for both Council and Staff)
- Communication Tool (both internal and community-wide)
- Prioritization Tool (to ensure efficacy during our tenure)

Another strength the Town of Haymarket has exhibited would be our community's place attachment. Place attachment was defined as a feeling of being deeply at home in a place, a sense of belonging.³ People with high levels of place attachment have reported having higher levels of well-being, social capital, self-esteem, physical health, and life expectancy. It is also noted that along with the above, increased place attachment of community members has shown an increase in local GDP. The presenter mentioned 10 behaviors that increase place attachment, which the Town of Haymarket has done exceptionally well with most of the following:

- 1. Walk and bike
- 2. Buy local
- 3. Build relationships
- 4. Enjoy local assets
- 5. Experience nature
- 6. Volunteer
- 7. Eat local food
- 8. Be civically engaged
- 9. Create something
- 10. Build resilience

² Strategic Planning PowerPoint, Dr. Stephanie Davis, Collegiate Associate Professor, Center for Public Administration Policy, Virginia Tech

³ Placemaking for Community Change, Melody Warnick

Areas of improvement for the Town of Haymarket:

As mentioned above, our Strategic Plan should be prioritized. This effort will provide to be most beneficial to the newly elected Council that will start their terms in January 2025.

Another place for improvement that goes along with strategic planning, is ensuring good governance practices⁴ are adhered to. An interesting highlight of the discussion was the differentiation between "who has authority vs. who has responsibility." Setting boundaries and framework that ensures all of staff and Council know the rules, and ensure all parties adhere to the rules. It was stated that "Any question that a member of Council asks staff, the answer should go to all members of Council."

A suggestion offered by the Kim Payne was for Council to establish their own rules of order as opposed to Robert's Rules of Order. Further suggestions to improve the function of government include:

- A workable Town Charter
- An up-to-date Town Code consistent with charter
- Human resources policies and procedures^
- Financial management policies- reserves, debt management, etc^
- An informative budget
- Comprehensive Plan
- Strategic Plan
- Rules of procedure readopt every 2 years
- An informative website
- An onboarding process for newly elected officials
- Council/Manager Principles

^these items are currently in progress and assigned to Town of Haymarket staff

Some stretch goals, with a five-year start-to-completion timeline would include:

- Citizens Engagement and Communication Plan
- Asset Management Plan
- IT Master Plan
- Public Safety Master Plan
- Utilities Master Plan
- Parks & Rec Master Plan
- Streets and Sidewalks Plan
- Emergency Management Plan
- Organizational Staffing Plan

⁴ The Foundations of Good Governance PowerPoint, Kimball Payne

Possible Future Actions for the Town of Haymarket:

It is my suggestion that Council consider the following actions to aid in supporting and improving the town we love and live in:

- Host a retreat with Kim Payne for Council and staff in the new year of 2025 to aid in the onboarding of any new members of Council.
- Host an Organizational and Strategic Planning Meeting with consultation from Stephanie Davis in the new year of 2025 to aid in the success of the new Council.
- Create and adopt Town of Haymarket Town Council rules of order
- Continue to build on the successes the Town of Haymarket has experienced to include more community-driven and oriented efforts like:
 - "Porch Fest" citizens play instruments on porches, can include businesses hosting artists.
 - Improving sidewalk and bike lane conditions through construction or improvement efforts.
 - Facilitate more volunteer efforts within the town limits and with town charities.
 - o Engage community with more civically-minded programming

I wish to thank Council and staff for ensuring my ability to attend this conference. I look forward to implementing the knowledge gained for the betterment of our beautiful town. Please see the last page to include any references, PowerPoints, and contact information I acquired.

Best.

Memorandum

To: Honorable Mayor and Town Council

From: Alexander Beyene, Planning Commission Liaison

Re: July Planning Commission Report

The Planning Commission held a public hearing at their last meeting on July 15, 2024 on a Special Use Permit Application from Chick Fil-a to add a second drive thru lane. The Commission asked for additional information for the August meeting before making a recommendation to the Town Council.. They also provided comments on a one mile review to Prince William County on an SUP for the relocation and expansion of the pick up area at Walmart at Trading Square. They made their yearly appointments of Chairman, Vice Chairman, and the liaison the Architectural Reivew Board. They appointed myself as the Charman, Jerome Gonzalez as the Vice Chairman and Justin Baker as the liaison to the ARB. Lastly, the Planning Commission changed their meeting day from the third Monday of the month to the second Tuesday of the month effective August 13th. They asked staff to notify the citizens in various formats.

Memorandum

To: Council

From: Marchant Schneider, Architectural Review Board (ARB) Liaison

Re: ARB Liaison Report / July 2024

At its July meeting, ARB conditionally approved additional exterior improvements to a residential structure at 6660 Fayette Street.

The ARB also approved demolition of two non-contributing accessory structures at 6794 and 6796 Fayette Street.

The ARB reviewed proposed amendments to the Architectural Review Board Design Guidelines.

Respectfully submitted,

Marchant Schneider ARB Chair

MEMORANDUM

TO: Town Council

FROM: Thomas Britt, Town Planner

DATE: July 23, 2024

SUBJECT: Comprehensive Plan Amendment: Definition of Historic Resource

Background:

The Town of Haymarket Comprehensive Plan has previously defined a historic resource per Section 58-554 (a) of the now amended Town Code, which stated: "all buildings within the Old and Historic Town of Haymarket which are 50 years old or older are designated historic buildings."

The Town Planner has provided an updated definition of a historic resource for the Planning Commission's consideration to add to the Historic Buildings inventory, which matched the current Zoning Ordinance.

During the June 17th Planning Commission meeting, Planning Commission recommended this Comprehensive Plan amendment to go before Town Council.

<u>Items for the Town Council's Consideration:</u>

1.5.3 Historic Buildings Inventory

Based on a survey conducted by the Virginia Department of Historic Resources (VDHR) in 1996 as well as Section 58-554 (a) 58-16.3 of the Town Code which states: "all buildings within the Old and Historic Town of Haymarket which are 50 years old or older are designated historic buildings all buildings within the Historic Haymarket Overlay which were built prior to 1950 are designated historic resources," the following structures are designated historic and worthy of protection in the Town of Haymarket.

Staff Recommendation: Town Staff recommend the following motion:

"I move the Town Council adopt RES #2024-004, Comprehensive Plan amendment altering the definition of a historic resource."

Or an alternate motion.

CONSIDERATION OF AN AMENDMENT TO THE TOWN OF HAYMARKET, VIRGINIA, COMPREHENSIVE PLAN

RESOLUTION #2024-004

WHEREAS, in furtherance of the purposes of the Comprehensive Plan as set out in §15.2-2229 of the Code of Virginia, the Town Council directed that, from time to time, the Planning Commission review and amend the Town of Haymarket Comprehensive Plan; and

WHEREAS, the Planning Commission held a public hearing on Monday, May 20, 2024 to hear citizens comments on the amended definition of historic resources in the Comprehensive Plan; and

WHEREAS, the Planning Commission has reviewed the updated definition of historic resources for consideration to adopt as part of the Town of Haymarket Comprehensive Plan; and

WHEREAS, the Haymarket Planning Commission at their meeting held on June 17, 2024 moved that this item be approved to the Haymarket Town Council; and

WHEREAS, the Haymarket Town Council held a public hearing at the monthly Work Session on July 29, 2024;

NOW, THEREFORE, BE IT RESOLVED that the Town of Haymarket Town Council adopt the amended update of the definition of historic resources to the Town of Haymarket Comprehensive Plan.

MEMORANDUM

TO: Town Council

FROM: Thomas Britt, Town Planner

DATE: July 23, 2024

SUBJECT: Zoning Text Amendment: Cross Referencing Plat Requirements

Background:

The Town of Haymarket has previously updated the Town Zoning Ordinance to reflect the appropriate Chesapeake Bay Preservation Act Requirements for plat notations. The Subdivision Section of the Zoning Ordinance now must be amended as shown in the highlighted text below to be fully compliant with DEQ requirements. The highlighted text additions are a cross reference of plat requirements between the Zoning Ordinance and the Subdivision Ordinance. During the June 17th Planning Commission meeting, Planning Commission recommended this ZTA to go before Town Council.

<u>Items for the Town Council's Consideration:</u>

Sec. 58-22.23 – Preliminary plat requirements.

The subdivider shall present to the administrator six prints of a preliminary layout at a scale of 100 feet to the inch as a preliminary plat. The preliminary plat shall include the following information:

- (1) Name of subdivision, owner, subdivider, person preparing drawing, date of drawing, number of sheets, north point, and scale. If true north is used, the method of determination must be shown.
- (2) Location of proposed subdivision by an inset map at a scale of not less than two inches equal to one mile showing adjoining roads, their names and numbers, towns, subdivisions, other landmarks and, where appropriate, the existing zoning of the land and adjoining property.
- (3) The boundary survey or existing survey of record provided such survey shows a closure with an accuracy of not less than 1:2,500, with reference to a known, permanent monument, total acreage, acreage of subdivided area, number and approximate area and frontage of all

building sites, existing buildings within the boundaries of the tract, and the names of owners and their property lines within the boundaries of the tract and adjoining such boundaries.

- (4) All existing, platted, and proposed streets, their names, numbers, and widths; existing utility or other easements; public areas and parking spaces; culverts, drains and watercourses and their names; flood profile and other pertinent data.
- (5) The complete storm drainage layout, including all pipe sizes, types, drainage easements and means of transporting the drainage to a well-defined open stream which is considered natural drainage, or to another approved drainage control facility.
- (6) Proposed connections with existing sanitary sewers and existing water supply or alternate means of sewage disposal and water supply. The location, type, profile, percentage of slope, pipe size, and location of manholes for all sewers shall be shown. The distance between manholes shall not exceed 300 feet. The location, type and sizes of all water lines shall be shown as well as the location of necessary control valves and fire hydrants.
- (7) A cross section showing the proposed street construction, depth and type of base, type of surface, etc.
- (8) A profile or contour map showing the proposed grades for the streets and drainage facilities, including the elevations of existing and proposed ground surface at all street intersections, and at points of major grade change along the center of streets, together with the proposed connecting grade lines.
- (9) A location map tying the subdivision into the present road system, by using either aerial photographs or topographic maps of the United States Geological Survey.
- (10) All parcels of land to be dedicated for public use and the condition of dedication.
- (11) Plat notation of the requirement to show RPA and RMA boundaries,
- (12) Plat notation of the requirement to retain an undisturbed and vegetated 100-foot wide buffer area;
- (13) Plat notation regarding the requirement that on-site septic systems be pumped-out every five years;
- (14) Plat notation regarding the requirement for 100% reserve drainfield sites for on-site sewage treatment systems;
- (15) Plat notation that specifies permitted development in the RPA is limited to water dependent facilities or redevelopment, including the 100-foot wide vegetated buffer, and;
- (16) The requirement that the delineation of the buildable area be shown on all submitted site plans.

Note: Plat notation requirements 11-16 are also noted as required in Section 58-3.7b of the Zoning Ordinance.

Sec. 58-22.24 - Final plat requirements.

The subdivision plats submitted for final approval and subsequent recording shall be clearly and legibly drawn in ink upon stable and reproducible plastic or linen material at a scale not smaller than 100 feet to the inch on sheets having a size of not more than 24 inches by 36 inches. In addition to the requirements of the preliminary plat, the final plat shall include the following:

- (1) A blank space three inches by five inches, reserved for the use of the approving authority.
- (2) Certificates signed by a surveyor or engineer setting forth the source of title of the owners of the land subdivided and the place of record of the last instrument in the chain of title.
- (3) A statement to the effect that the subdivision as it appears on this plat is with the free consent and in accordance with the desires of the owners, proprietors, and trustees, if any, which shall be signed by the owners, proprietors and trustees, if any, and shall be duly acknowledged before some officer authorized to take acknowledgements of deeds.
- (4) When the subdivision consists of land acquired from more than one source of title, the outlines of the various tracts shall be indicated by dashes, and the identification of the respective tracts shall be placed on the plat.
- (5) The accurate location and dimensions by bearings and distances with all curve data on all lots and streets, boundaries of all proposed or existing easements; parks; school sites; all existing public and private streets, their names, numbers and widths; existing utilities, and those to be provided such as sanitary sewers, storm drains, water mains, manholes and underground conduits including their size and type; watercourses and their names; and names of owners and their property lines, both within the boundary of the subdivision and adjoining such boundaries.
- (6) Distances and bearings must balance and close with an accuracy of not less than 1:10,000.
- (7) The data of all curves along the street frontage shall be shown in detail at the curve data table containing the following: delta, radius, arc, tangent, chord, and chord bearings.
- (8) Plat notation of the requirement to show RPA and RMA boundaries,
- (9) Plat notation of the requirement to retain an undisturbed and vegetated 100-foot wide buffer area;
- (10) Plat notation regarding the requirement that on-site septic systems be pumped-out every five years;
- (11) Plat notation regarding the requirement for 100% reserve drainfield sites for on-site sewage treatment systems;

- (12) Plat notation that specifies permitted development in the RPA is limited to water dependent facilities or redevelopment, including the 100-foot wide vegetated buffer, and;
- (13) The requirement that the delineation of the buildable area be shown on all submitted site plans.

Note: Plat notation requirements 8-13 are also noted as required in Section 58-3.7 of the Zoning Ordinance.

Sec. 58-3.7.b – Preliminary Site Plan Requirements

b. Unless otherwise waived, the preliminary site plan shall include the following information, at a minimum:

- 1) Name and address of development, owner and applicant and date of plan.
- 2) Seal and signature of the design professional engineer or land surveyor shall be on each sheet.
- 3) Depiction of the following elements:
 - a) Existing topography with a maximum five-foot contour intervals referenced USGS Datum, extending a minimum of 50' beyond the parcel(s) property line;
 - b) north point;
 - c) scale (not to exceed one-inch equals 100 feet);
 - d) boundary of the entire tract by courses and distances;
 - e) vicinity map no smaller than 1'' = 3000';
 - f) total project site acreage.
- 4) Owner, present zoning, GPIN and present use of the project parcel(s) and all contiguous or abutting properties. Provide plan name and plan number of any adjacent projects.
- 5) A zoning tabulation showing required and provided front yards/setback, side yards, back yards, buffers to adjacent properties, site coverage, and height restrictions. For residential site plans, provide density.
- 6) Approximate plan view location of all existing structures and improvements, including:
 - a) existing storm drainage on the parcel(s) and within 50' of the property lines with type, size and direction of flow labeled;
 - b) streams, ponds, marshes, approximate boundaries of wetland areas on the project parcel(s), and within 50' of the property lines;
 - c) RPA boundary or a note indicating there are no mapped RPAs on the site;

- d) the approximate 100-year flood area boundary and the source of the information;
- e) the location of all cemeteries and other historic sites on the parcel or note indicating that there are none on site.
- 7) Plan view representation of proposed front yards/setbacks, side yards, rear yards, buffers, and lot layout with lot numbers, if applicable.
- 8) Proposed open spaces and recreation areas, and provisions for the perpetual maintenance thereof.
- 9) Location of all existing and proposed easements, their widths and uses.
- 10) Plan view location of all proposed structures with their proposed uses and distances to property lines and other buildings; and all proposed improvements, including signs, sidewalks/bike paths, streetlights, fencing and screening.
- 11) For residential site plans, a Lot Tabulation including:
- 12) Individual lots and open spaces;
- 13) Lot/open space area;
- 14) Lot coverage;
- 15) Frontage length at the setback line.
- 16) Number of stories, gross and net floor areas for each existing and proposed nonresidential structure labeled on the plan view.
- 17) Parking layout shown in plain view including typical size, number of spaces by location and aisle widths; tabulation showing total number of required and provided parking spaces.
- 18) Proposal for on-site vehicular circulation, including all streets, travel lanes, entrances and exits, service drives and points of access to adjacent properties. Street widths and VDOT classification noted.
- 19) Estimate of existing, if applicable, and proposed daily vehicular trips generated by the site.
- 20) Typical roadway pavement and design section for all proposed public streets.
- 21) Street rights-of-way, including name, recordation deed book and page references, or route numbers, and widths. Location of right-of-way for future or proposed roadways on sites where such facilities are shown on the comprehensive plan.
- 22) Location and general character of all existing and proposed utilities and structures, such as water, sewer, gas, electric, telephone, wells and drain fields on the project parcel (2) and within 50′ of the property lines.
- 23) Estimate of anticipated sewage flows in gallons per day.

- 24) Preliminary stormwater management and BMP locations identified, and type noted.
- 25) Preliminary storm drainage layout.
- 26) General limits of proposed clearing and grading.
- 27) Preliminary landscape plan.
- 28) Plan for the phasing of development, if any.
- 29) Revisions shall have a completed revision block on each sheet identifying the revisions. A revision to an approved plan shall include a detailed narrative outlining the proposed revisions.
- 30) A plat notation to show RPA and RMA boundaries
- 31) a plat notation to retain an undisturbed and vegetated 100-foot-wide buffer area located along other water bodies with perennial flow
- 32) If development is to occur near North Fork Creek, a 100-foot-wide buffer area of undisturbed vegetation is required
- 33) a plat notation regarding on-site septic systems to be pumped out every five (5) years
- 34) Notation regarding requirement for 100% reserve drain field sites for on-site sewage treatment systems
- 35) development in the RPA is limited to water dependent facilities or redevelopment, including the 100-foot-wide vegetated buffer
- 36) delineation of the buildable area be shown on all submitted site plans

A final site plan shall be prepared and certified by an engineer and/or surveyor and shall include the following minimum information:

- 1. Name and address of development, owner and applicant and date of plan.
- 2. Seal and signature of the design professional engineer or land surveyor shall be on each sheet.
- 3. Depiction of the following items:
 - a. Existing topography with a maximum two-foot contour intervals referenced USGS Datum, extending a minimum of 50' beyond the parcel(s) property line;
 - b. north point;
 - c. scale (not to exceed one-inch equals 30 feet);
 - d. boundary of record for the entire tract by courses and distances and with 1/10,000 closure ratio;
 - e. vicinity map no smaller than 1'' = 3000';
 - f. total project site acreage;
- 4. Owner, present zoning, GPIN and present use of the project parcel(s) and all contiguous or abutting properties. Provide plan name and plan number of any adjacent projects.

- 5. A Zoning Tabulation showing required and provided front yards/setback, side yards, back yards, buffers to adjacent properties, site coverage, and height restrictions. For residential site plans, provide density.
- 6. Approximate plan view location of all existing structures and improvements, including
 - a. existing storm drainage on the parcel(s) and within 50' of the property lines with type, size and direction of flow labeled;
 - b. streams, ponds, marshes, approximate boundaries of wetland areas on the project parcel(s), and within 50' of the property lines;
 - c. RPA boundary or a note indicating there are no mapped RPAs on the site;
 - d. the approximate 100-year flood area boundary, the source of the information; the hydrologic, hydraulic, input and output summaries, cross sections and profiles must be added to the plan;
 - e. the location of all cemeteries and other historic sites on the parcel or note indicating that there are none on site.
- 7. Plan view representation of proposed front yards/setbacks, side yards, rear yards, buffers, and lot layout with lot numbers, if applicable.
- 8. Proposed open spaces and recreation areas, and provisions for the perpetual maintenance thereof.
- 9. Location of all existing and proposed easements, their widths and uses.
- 10. For residential site plans, a lot of tabulation including:
 - a. Individual lots and open spaces;
 - b. Lot/open space area;
 - c. Lot coverage;
 - d. Frontage length at the setback line.
- 11. Number of stories, gross and net floor areas for each existing and proposed nonresidential structure labeled on the plan view.
- 12. Parking layout shown in plain view including typical size, number of spaces by location and aisle widths; tabulation showing total number of required and provided parking spaces.
- 13. Plan view location of all proposed structures with their proposed uses and distances to property lines and other buildings; and all proposed improvements, including signs, sidewalks/bike paths, handicap access curb ramps, guardrail, streetlights, fencing and screening. Sizes and widths annotated.
- 14. Proposal for on-site vehicular circulation, including all streets, travel lanes, entrances and exits, service drives, driveways, and points of access to adjacent properties. Street widths, VDOT classification, rates of superelevation, vertical curves with sight distance noted. Horizontal and vertical sight distances verified at all intersections. All entrances labeled to proper standards and percent of grades noted at all commercial entrances.
- 15. Estimate of existing, if applicable, and proposed daily vehicular trips

generated by the site.

- 16. Typical roadway pavement and design section for all proposed public streets.
- 17. Street rights-of-way, including name, recordation deed book and page references, or route numbers, and widths. Location of right-of-way for future or proposed roadways on sites where such facilities are shown on the comprehensive plan.
- 18. Location and character of all existing and proposed utilities and structures, such as water, sewer, gas, electric, telephone, wells and drain fields on the project parcel and within 50' of the property lines with sizes and types labeled. Profiles for proposed water, sewer and gas included in the plans. Fire flow calculations shall be submitted separately to the Town Clerk.
- 19. Current Prince William County Service Authority Information Sheet included, filled out and signed.
- 20. Floodplain study, if applicable.
- 21. Storm drainage system including, all required computations, on the project parcel(s) and within 50' of the property line with sizes, type of pipe, gradients, invert elevations, profiles, direction of flow, drainage divides and areas for each structure.
- 22. Stormwater Management and BMP facilities, including 10- and 100-year water surface elevations, and all required computations, BMP map, and access and maintenance easements.
- 23. Final Grading Plan.
- 24. Limits of proposed clearing and grading.
- 25. Erosion and Sediment Control Plans including devices, locations, notes, and narratives. Erosion and Sediment Control Checklist per the Virginia Erosion and Sediment Control Handbook included in plans.
- 26. Documentation and analysis for adequate outfall.
- 27. Final Landscape Plan.
- 28. Final Lighting/Photometric Plan.
- 29. Comprehensive Sign Plan, if applicable.
- 30. Unit Price List for Bonds and Escrows completed using the current Prince William County Unit Price List.
- 31. Any approved waivers, variances or proffers included in the plan set.
- 32. Plan for the phasing of development, if any.
- 33. Names of streets. Prior to being placed on any agendas, each proposed building shall be annotated with a premise address assigned by the County Mapping Office.
- 34. Plat, draft deed(s), and draft stormwater management agreement shall be submitted with the first submittal.
- 35. A plat notation to show RPA and RMA boundaries
- 36. a plat notation to retain an undisturbed and vegetated 100-foot-wide buffer area located along other water bodies with perennial flow
- 37. If development is to occur near North Fork Creek, a 100-foot-wide buffer area

of undisturbed vegetation is required

- 38. a plat notation regarding on-site septic systems to be pumped out every five (5) years
- 39. Notation regarding requirement for 100% reserve drain field sites for on-site sewage treatment systems
- 40. development in the RPA is limited to water dependent facilities or redevelopment, including the
- 100-foot-wide vegetated buffer
- 41. delineation of the buildable area be shown on all submitted site plans

See Also: Plat requirements shown in this section are also noted as required in Section 58-22.23 and 58-22.24 of the Subdivision Ordinance.

Draft Snow Removal Ordinance Language

Sec. 34-6. - Removal of snow and ice from sidewalks.

- (a) It shall be the duty of the Town of Haymarket to remove all snow accumulations of six inches or less from the Washington Street (Route 55) sidewalks and all other town owned properties within 24 hours after the snow has ceased falling, or within 48 hours after the snow has ceased falling for accumulations of more than six inches. The town manager may further modify or extend the time periods for snow removal required by this subsection when there is a continuous snow fall, a declaration of a snow emergency, or based on the total amount of accumulation of snow and ice, the projected temperatures in the town, and any other relevant weather conditions. The same requirements shall exist with respect to ice or sleet on sidewalks, except that if the ice or sleet cannot be removed without injury to the sidewalk, then the town shall apply sand or another proper substance which will render the sidewalk safe for public travel within the time required in this section.
- (b) It shall be the duty of the owner, tenant and occupant of any property which has a sidewalk abutting on such property to remove all snow accumulations of six inches or less from such sidewalk within 24 hours after the snow has ceased falling, or within 48 hours after the snow has ceased falling for accumulations of more than six inches. The town manager may further modify or extend the time periods for snow removal required by this subsection when there is a continuous snow fall, a declaration of a snow emergency, or based on the total amount of accumulation of snow and ice, the projected temperatures in the town, and any other relevant weather conditions. The same requirements shall exist with respect to ice or sleet on sidewalks, except that if the ice or sleet cannot be removed without injury to the sidewalk, then the owner, tenant or occupant shall apply sand or another proper substance which will render the sidewalk safe for public travel within the time required by this subsection. The owner, tenant or occupant shall not plow, shovel or blow any snow or ice from private property onto a public street, crosswalk, sidewalk or any public property. If, after such reasonable notice as the town may prescribe, the owner, tenant or occupant of the property affected by this section shall fail to abate or otherwise comply with this section, the town manager or their authorized agent may perform the necessary snow, ice and sleet removal and shall collect the cost thereof from the owner, tenant or occupant of the affected property in any manner provided by law.
- (c) The Town may impose a civil penalty of \$100.00 for violations of this section. Each day on which a violation of this section exists shall constitute a separate offense.

Town of Haymarket

Resolution #2024-007

Resolution to Adopt Ordinance #2024-003

Whereas, the Town of Haymarket Council and staff have received several resident complaints regarding the lack of snow and ice removal along the Washington Street corridor during snow events in early 2024; and

Whereas, the Town of Haymarket did not have an ordinance in place for snow removal enforcement; and

Whereas, the Town of Haymarket Town Council held several public meetings to draft a snow removal policy and ordinance for the Town of Haymarket; and

Whereas, the Haymarket Town Council held a Public Hearing on July 29, 2024 for citizen comment on Ordinance #2024-003 adding Section 34-6: Removal of snow and ice from sidewalks to the Town of Haymarket Town Code;

Now, Therefore, Be It Resolved by the Council of the Town of Haymarket, meeting in regular session this 5th day of August 2024, adopt Ordinance #2024-003 to amend the Town of Haymarket Town Code, adding Section 34-6: Removal of Snow and Ice from sidewalks

Staff Report

To: Honorable Mayor and Town Council

From: Roberto Gonzalez, Town Treasurer

Date: August 05, 2024

Re: Fiscal Year 2024-2025 Budget Amendment

Virginia Code § 15.2-2507 allows a locality to amend its budget and adjust the aggregate amount to be appropriated during the current fiscal year. However, any amendment which exceeds one percent of the total expenditures shown in the currently adopted budget must be accomplished by advertising a meeting and holding a public hearing prior to acting on the amendment. Since the requested amendment does exceed that amount, a Public Hearing is required. The Council may adopt the amendment at the August 05, 2024, meeting.

REQUESTED BUDGET AMENDMENT

1. The requested amendment to the adopted budget for Fiscal Year 2024-2025 is to amend the Other Income – 50001 – American Rescue Plan Funds revenue line item by increasing funding by \$836,586 for the purpose to budget the construction portion of the Park sidewalk. Originally this project was budgeted for FY2024 completion, but due to some delays in VDOT approval due to crosswalk walk in this project it will not be completed in FY2025.
