II. PLEDGE OF ALLEGIANCE

III. PRESENTATION: LITTLE FREE LENDING LIBRARY - HAYMARKET/GAINESVILLE KIWANIS CLUB

Mayor Pater introduced Terri Flight, President Elect and Carl Davis, President, from the Haymarket/Gainesville Kiwanis Club. Mayor Pater shared that the Kiwanis Club was at this evening's meeting to give a presentation on the Little Free Library proposal.

Ms. Flight gave a brief history about the Kiwanis Club and of the local chapter. She shared that the local chapter began a little over two years ago. She also shared that they focus on health and nutrition, education and literacy and youth leadership development especially focusing on children and families. She showed what their club sponsors. Ms. Flight stated that the chapter would like to focus on the education and literacy section of their key focuses. She proposed the installation of the Little Free library and shared how the program works. She shared that the concept is to take a book/share a book. Ms. Flight showed a couple of designs and shared that they would like to install one at the Town Park. She stated that Scout Troop 1882, who they sponsor, would be building the library as a service project. She stated that the Kiwanis will fund the building of the library and will monitor it by providing and replenishing books. After the presentation, Ms. Flight asked for the Council to give them permission for the library at the Town Park so that they could start with the next steps. At this time, Ms. Flight took questions from the Council. There were questions about the maintenance of the structure itself and the installation. It was determined that the Kiwanis would maintain, repair and possibly replace the box if it was damaged. Ms. Flight also gave the timeline on when the box could be completed. The Council asked Town Manager Emily Kyriazi her thoughts of having the library at the park. She stated she thought it would be great to place it by the bulletin board at the park. Mrs. Kyriazi also stated that the Town's Maintenance personnel would be able to

install it. After the discussion, the Town Council agreed that the park would be a good location for the library and gave a directive for staff to work with Ms. Flight and the Kiwanis Club to proceed to the next steps.

IV. DISCUSSION ON 14600 WASHINGTON STREET WITH GRAYSTONE PROPERTIES: Shivon Dosky

Mayor Pater stated the next item is a presentation on a concept for the property at 14600 Washington Street. Town Manager Emily Kyriazi gave the Town Council a brief description on the possible development for the property. Mrs. Kyriazi shared that she met previously with Mr. Dosky from Graystone Companies on his concept of a residential development on the property and how it would impact the neighborhood and community. She stated that she encouraged Mr. Dosky to come before the Council to have a productive conversation and feedback on his concept. At this time, Mrs. Kyriazi gave the floor to Mr. Dosky and Mr. Kirk Johnson from Graystone Companies. Mr. Johnson gave a brief history about the company before sharing with the Council their plans for 14600 Washington Street. Mr. Johnson shared that they are under contract with the property and that they like to meet with Council to get feedback on what they would envision at the property. Mr. Dosky showed 2 design orientations to develop townhomes on the property. He stated that it would be a down zoning and would be treated as a mixed use development with the incorporation of the residential and commercial buildings. He showed the parallel and perpendicular designs. Discussion ensued on the concepts. Mr. Dosky also spoke on the Cookies and Cream structure and the modifications to the commercial building. He shared that the Cookies and Cream building would be moved to the front of the property closer to Washington Street. He also shared that the back end of the building would be taken down to provide more parking for the current tenants. Town Manager Kyriazi shared that with her previous dealings with VDOT that the entry/exit point off of Blight Drive should match up with Dogwood Drive. She also shared that VDOT would probably want the same entry/exit point off of Washington Street so that there is no confusion to the neighboring development. Discussion followed on the difficulty of exiting off of Blight Drive onto Washington Street. There was a question on how many units are planned for the property. Mr. Dosky stated that the plan is 8 units per acre. If the design is parallel, there would be 58 units and 62 if the design was perpendicular. There was a discussion on the density and concerns of traffic in the already heavy traffic dense area. Mr. Dosky shared that they are looking for feedback before submitting any plans. Another concern that was raised was the lack of open space on the property. There was a question from Council if there were any other options. Mr. Dosky shared that single family homes would not be a good option because there's not enough density to cover the cost of the property. There was a discussion on by right uses. There was also a question on the size of the townhomes. The Council viewed the perpendicular design as well. They discussed enclosing the front of the plan with hedges with a fence. There was a discussion of incorporating the Town's streetscape on the edge of the property. Town Manager Kyriazi referred to Zoning Ordinance 58-10.2 on area regulations for the R-2 district; (B)(3) referencing small lot detached single family. At the conclusion of the discussion, Mr. Dosky and Mr. Johnson left their business cards and encouraged the Council to provide any additional feedback in the next several weeks.

V. AGENDA ITEMS

Prior to proceeding to the Agenda Items, Councilmember Pasanello asked to add a sixth item to the agenda - Discussion on the Town Hall site plan. There were no objections to add this to the agenda as Item #6.

At this time, the Council took a brief recess before proceeding with the Agenda Items.

1. Monthly Financial Report

Town Treasurer Roberto Gonzalez pointed out some key line items on the monthly financial report. He shared that everything is looking "healthy" and took questions from the Council.

Councilmember Pasanello shared that the finance liaisons were going to start and meet one hour prior to the Monthly Work Sessions. He stated that this was on a trial basis. Councilmember Pasanello also shared that the current budget was about 95% through the year. Town Treasurer Gonzalez also shared that the auditors will be working on the FY24 budget audit.

2. Resolution #2025-006; Budget Amendment to FY25 Budget

Town Treasurer Roberto Gonzalez shared that the Resolution before the Town Council was a budget amendment to this years finances. He shared that one amendment is a reimbursement on police vehicle accident claims. He stated that he wanted to show that so that it would not show as an overage on the Chiefs budget. The other amendment was to take some of the interest on some of revenues received on the bank accounts to off set the cost of the forecast analysis. Mr. Gonzalez stated that the amendments fall under 1% of the overall budget and a public hearing is not necessary to make the changes. He stated that the subject was discussed with the Finance Liaisons at their meeting earlier in the day.

3. IT Recommendations

Town Treasurer Roberto Gonzalez shared that he has been talking with the IT contractor about changing the Town's website and email to a .gov platform and upgrading to a more secure cloud base network. He shared that in order to proceed he would need a directive from the Council. A short discussion followed. The Council asked Mr. Gonzalez to invite the contractor to the June Work Session to continue the discussion.

4. Policies & Procedures and Code of Ethics Revisions

Town Clerk Kim Henry presented the revised Council Policies and Procedures for review and asked for any last edits. She shared that she would like to get the Policies and Procedures adopted at the next meeting.

Ms. Henry also presented the Code of Ethics draft and asked for any edits. She provided Code of Ethics from a couple other localities for Council to review and compare. A discussion followed on the subject. There was a suggestion to get the opinions from the Planning Commission and the Architectural Review Board since this would also include those boards. Councilmember Baker and Councilmember Luersen stated that they would take it to their respective boards and report back at the next work session.

At this time, Vice Mayor Gallagher and Councilmember Ramirez left the meeting.

5. FY26 Budget Work Session

Town Treasurer Roberto Gonzalez shared that at the last meeting, Mayor Pater asked for a revision to the proposed tax rate. She suggested that the Council consider the rate of .098 cents per \$100. He shared the comparison of the proposed 0.105 and the 0.098 suggested rate. He also shared that the proposed budget shows all the suggestions of the Mayor as to where the adjustments would be on the expenditure side. A short discussion followed on the lower tax rate and the FY26 proposed budget. There was also a discussion on establishing reserve funds for the increase on the trash contract. Mr. Gonzalez shared his idea of setting up the reserves. A discussion also ensued on the possibility of the Town having to pay a tipping fee at the County landfill and building that into the budget. Town Manager Emily Kyriazi shared that she will research that further and ask the question at her next meeting with the County. Mr. Gonzalez stated that the next steps would be to adopt the budget with the proposed .098 tax rate at next week's regular monthly meeting. No further discussion or action was taken.

6. Town Hall Site Plan

Town Manager Emily Kyriazi distributed a site plan sheet for Council review. She stated that she would like Council to familiarize themselves when she speaks of the Town Hall site plan and after the discussion on some of the documents that Council would give her the directive to proceed with a couple of items. She provided Phase One of the plan which would include the green space, sidewalks and concrete paths, stormwater plan and reconfiguration of the parking lot. She stated that the parking lot at the back corner and side of the building would be a shared parking lot. She also showed the reconfigured parking lot at the front of the building. Mrs. Kyriazi shared the reconfiguration of the turn lanes on Jefferson Street showing a right turn only lane onto Washington Street. She stated that this does not include any building work. She stated that she would like a directive from Council to proceed with hiring someone to give updated cost estimates for the site work. She shared that there is budget money in the Town Hall Master Plan. The second part of the discussion was on the building plans. She showed how the building would be reconfigured and the addition of an elevator that would give better access to the second floor. She shared that she would like to re-engage with the architect that produced the original plan and provide an update to make sure that everything on the plans still works and restart the conversation to get an approved building plan document. She stated that a substantial amount of money has already been spent from the plans for the police department side of the building and would like to continue using the plan to proceed with the administrative side of the building. Discussion followed on both phase one and phase two of the plan. After a discussion, the Town Council directed Town Manager Kyriazi to hire a consultant to do the updated cost analysis and estimates for the Town Hall site work Phase One. They also gave a directive for Mrs. Kyriazi to re-engage with the architect who worked on the building plans and start the conversation on cost estimates to get the plan to a finished product including getting a full scope and putting the plan out for a bid.

- On June 13, 2025, our annual Local Government Day was held at Town Hall. The event was well planned and attended.
- On June 13, 2025, (during the Government Day event) a male subject driving a white Ford Ranger began cursing at the firefighters and police officers that were at the event. The male was driving west bound and drove onto the sidewalk circumventing slower traffic while yelling obscenities at first responders. At the same time, a mother and her 3 children were turning into the Townhall parking lot. The male rear-ended the mother's vehicle. All occupants were treated by medics on location. No injuries were reported. There was extensive rearend damage to the victim's vehicle and the male's vehicle was totaled. The male indicated that he was upset about ICE raids throughout the country and that is why he was cursing the first responders. Town Staff assisted us greatly with a somewhat chaotic scene. We appreciate Emily, Matt, and Thomas' assistance.
- On May 18, 2025, Officer Anderson was working a safety detail at the Haymarket Baptist Church. He noticed a suspicious vehicle in the parking lot and approached it with Officer Coppage. There was a homeless individual sleeping in the vehicle. Upon speaking with him, the individual advised that it was not his car, and he had found it sitting there unlocked and decided to sleep in it. Officers made a positive ID of the subject and released him after confirming the car had not been reported stolen. Officers continued their efforts to speak to the company that owned the vehicle. On May 21, 2025, Officer Galbreath was able to confirm that the vehicle was stolen. The company was unaware since they had dropped the vehicle at a mechanics shop in Henrico County. Over the next few days, Officers assisted Henrico PD by gathering video evidence in and around Haymarket of the subject driving the vehicle. Warrants were obtained and the subject was arrested by Officer Galbreath on May 23, 2025.
- Sgt. Burgoon and Officer Rick obtained 12 juvenile petitions from juvenile intake for the two juveniles that were committing crimes in May.

The Finance Liaisons (FLs) and staff met once during the month on 6/30/25:

- The FLs and staff discussed and agreed to re-adjust the meeting schedule to twice a month:
 - Meet prior to the monthly work session, with a start time based on whether a closed session is necessary
 - Meet on the second Wednesday of the month at 2 pm (subject to further adjustment)
- The FY 2025 budget is now 100% complete, with the FY 2026 in effect 7/1/25
- The Profit & Loss Statement currently shows a positive net ordinary income of over \$890,000
 - o It is important to note select revenue and expense items in the FY 2025 will lag the end of the fiscal year into July and potentially beyond
 - The FY 2025 final budget numbers are unaudited and therefore subject to further adjustments
- The Balance Sheet where Assets = Liabilities and Owner's Equity, continues to show a strong financial position for the town
- Attached are minutes drafted by our Town Clerk, Kim Henry, summarizing the discussion at the 6/30/25 meeting
- The next meeting is Wednesday, 7/16/25, at 2 pm
 - In addition to the pro-forma agenda and staff items, the FLs will include any financial items/concerns that council members wish, upon request
 - The FLs to discuss, with staff, the FY 2026 budget process, up to and including adoption at our 6/2/25 council meeting

Open Items (with financial/policy implications):

- Development of a draft policy for sole source procurement
- Completion of the Personnel Manual. TM and Chief to evaluate what outstanding items are necessary to bring the manual to completion, with projected funding needs

Call To Order

Town Manager Emily Kyriazi called the meeting to order. Those in attendance were: Councilmember Joe Pasanello, Councilmember Alexander Beyene, Councilmember Mary Ramirez, Mayor TracyLynn Pater, Town Treasurer Roberto Gonzalez, Town Manager Emily Kyriazi, and Town Clerk Kim Henry.

Mrs. Kyriazi presented invoices and checks for final approval and signatures. Mr. Gonzalez presented the most recent monthly financial report for ending FY25. The committee discussed the Park Pavilion RFP, the Compensation Study RFP and the Town Hall architecture interior design estimates. Discussion included bid opening committees and possible engineering comments in relation to the pavilion. Mrs. Kyriazi shared that she met with the architect who did the original plans for the Town Hall interior design and will be getting updated cost estimates.

There was a discussion on the air conditioning units at Washington Street Realty, the Town Museum and the Cupcake Heaven building. The liaisons gave a directive to proceed with replacing the air conditioning unit at Washington Street Realty and to have the contractor look at the other two buildings for resolutions. There was a decision to go into a closed session at the July 7th Council meeting regarding a lease agreement. There was also a discussion to reach out Stephanie Davis from Virginia Tech about getting interns to do an assessment analysis of the rental buildings.

Mrs. Kyriazi gave an update on the park sidewalk. She gave general administrative updates, including the videos with the Mayor at various businesses that was filmed recently.

The liaisons decided to try going back to bi-weekly meetings: one being at 2 pm on the second Wednesdays of the month and the other being before the work session at the end of the month.

Re: June Community Outreach Report

The Community Outreach Liaison serves as a bridge between the Town of Haymarket's local government and its residents, businesses, and community organizations. This role focuses on fostering engagement, promoting civic participation, and ensuring transparent communication between the town leadership and the public.

I held no in-person meetings with staff during the month of June. Instead, we focused our efforts on preparing and hosting the successful Haymarket Government Open House on Friday, June 13th.

I would like to thank all of staff, the police department, and my colleagues for making this event a success. We had over 160 children attend with their families. A special thanks to the Prince William County representatives, departments and organizations for joining us as well.

Upcoming meetings:

At this time, we do not have a Community Outreach planning meeting scheduled. Any planning meetings will be announced for all to join.

Best,

Re: Planning Commission Vacancy

Date: June 30, 2025

Background: Pankaj Singla was appointed to the Planning Commission in July 2023 filling the vacant seat when Alexander Beyene was appointed to the Town Council and became the liaison to the Planning Commission. Mr. Singla was then re-appointed to the Planning Commission in July 2024 for a 4 year term. Recently, Mr. Singla was needed in his home country of India for an undetermined amount of time and has resigned from the Planning Commission effectively immediately. He would like to continue serving in some capacity when he returns. Attached is the resignation letter from Mr. Singla. Once I received his letter, I posted the vacancy on the Town's website and through our social media platforms. We have received an interest from someone in Greenhill Crossing and another from someone in Haymarket Station. Both applications are attached.

Recommended Motion: I move to appoint ______ to the Haymarket Planning Commission filling the vacant seat held by Pankaj Singla with the term expiring on June 30, 2028.

I am interested in joining the Town of Haymarket Planning Commission because, as a homeowner raising a family here, I care deeply about the future of our community. I'm passionate about the town and would value the opportunity to contribute to its thoughtful growth and development.

Over the past two years, I've served on my HOA's Architectural Review Committee, which has given me relevant experience in evaluating community plans and proposals. I believe I can bring a fresh perspective to the Planning Commission—drawing from both my local involvement and the problem-solving and negotiation skills I've developed throughout my professional career.

Exceptions: The permit provisions of this section will be optional for the following:

(Ord. No. 2015-007, 7-7-2015)

Sec. 15-2. Location.

Outdoor events shall be located where permissible by chapter 58 of the town Code. These regulations apply to privately owned, non-residential property only. These requirements shall not apply to outdoor events on residential property; however, nothing herein shall be construed as to exempt residential property from any other requirements of the town Code including, but not limited to requirements for building permits and compliance with the town's noise ordinance.

(Ord. No. 2015-007, 7-7-2015)

Sec. 15-3. Structures.

No permanent structures, as defined by chapter 10 of the town Code, shall be constructed for an outdoor event. In addition to an outdoor event permit as required by this article, the applicant shall obtain all other permits required by federal, state, and town regulations including, but not limited to, the Uniform Statewide Building Code and the Fire Prevention Code. Security plan. The applicant shall submit a security plan to the town to address traffic disruption, parking, pedestrian safety, starting and ending times, lighting, and any other factors bearing on the safety, order, and accessibility of streets and sidewalks, including sign size, maximum number of persons in an area, sound amplification, and control of animals. This provision will be utilized only under unusual or exigent circumstances and not meant to supplant the requirement to secure the VDOT permit.
 - (2) The security plan shall provide for sworn law enforcement personnel to direct traffic for any parade or for a street closure if necessary for public safety. The number of officers required shall be a based solely on the number of participants and the location of the event. For purposes of this section, counter-demonstrators are not participants.
- (b) An applicant shall submit any required security plan to the town with the application.

- (c) Any person hired to provide security under a security plan shall be either sworn law enforcement personnel or a security officer licensed by or registered with the Virginia Department of Criminal Justices Services. - (d) The chief of police or designee will review all security plans within ten business days of the application's receipt and notify the applicant immediately if the plan is rejected, giving the reasons for the rejection. The applicant may revise a rejected plan and resubmit it at least five business days before the event. If the resubmitted plan resolves the deficiencies noted in the rejection and there are no other grounds for rejecting the permit, the permit shall be granted. No changes may be made to an approved security plan without express, written consent of the town.
- (e.) If the chief of police or designee rejects the proposed safety plan, he or she will inform the applicant of the right to appeal his or her decision to the town manager.
- (f.) The security plan shall provide for the applicant to pay costs of any law enforcement personnel or private contractors as proposed under the security plan, including any actual overtime pay but not including any overhead, fuel, or incidental costs. The applicant shall pay all costs incurred within ten calendar days after billing. Late payment shall incur a ten percent penalty and ten percent per year interest.

This may include advance signage, such as variable message boards.

(Ord. No. 2015-007, 7-7-2015)

Sec. 15-7. Right of entry of police.

Members of the police department may enter any outdoor event during its set-up, operation, and breakdown, or as otherwise permitted by law, to protect the health, safety, and welfare of the town.

Re: Code of Ethics Draft

Date: July 7, 2025

Attached is a new one page draft Code of Ethics document. This is similar to the Town of Herndon's. Also are the comments from Vice Chairman Ben Barben from the Architectural Review Board on the original draft. If the Council is happy with the one page draft, below is the recommended motion.

I move that the Haymarket	Town Council adopt the	e revised Code of Ethics	for all council
and appointed boards effective	Ī		

TOWN OF HAYMARKET TOWN COUNCIL AND APPOINTED OFFICIALS CODE OF ETHICS AND STANDARDS OF CONDUCT

Preamble

The citizens and businesses of the Town Haymarket, Virginia, are entitled to have fair, ethical, and accountable local government, which has earned the public's full confidence for integrity. The effective functioning of democratic government requires that public officials, both elected and appointed, comply with both the letter and spirit of the laws and policies affecting the operations of government; that public officials be independent, impartial and fair in their judgment and actions; that public office be used for the public good, not for personal gain; and that public deliberations and processes be conducted openly, unless legally confidential, in an atmosphere of respect and civility.

To this end, the Town of Haymarket Town Council has adopted this Code of Ethics and Standards of Conduct for the members of the Town Council, Planning Commission (PC) and Architectural Review Board (ARB) and recommends adoption by the Board of Zoning Appeals (BZA) to assure public confidence in the integrity of local government and its effective and fair operation.

CODE OF ETHICS

- 1. Uphold the Constitution, laws, and regulations of the United States and of all governments therein and never knowingly be a party to their evasion.
- 2. Place loyalty to the highest moral principles and to the people of the Town of Haymarket, as a whole, above loyalty to individuals, districts, or particular groups.
- Expose through appropriate means and channels: corruption, misconduct, or neglect of duty when discovered.
- Give a full measure of dedication and service to the positions of trust in which
 you have been placed, giving your best effort and thought to the performance
 of duties.
- Seek to find and use the most equitable, efficient, effective and economical means for getting tasks accomplished.
- 6. Adopt policies and programs that are in accordance with the Town's EEO policy, and that support the rights and recognize the needs of all citizens regardless of gender, race, age, religion, creed, country of origin or disability.

A member shall never accept for himself or herself or for family members, favors or benefits under circumstances which might be construed by reasonable persons as influencing

This preamble is almost word for word from Warrenton's.

Several of the code ethics items listed herein fall under standards of conduct (i.e. specific rules and behavior vs overall values/ideals) and the concepts within the code of ethics and standard of conduct are similar and/or repetitive.

Consider condensing the code of ethics and standards of conduct into one document or one section in order to make the overall document more concise.

Define what EEO is.

Doesn't this fall under integrity, respectfulness, etc.?

Is Mayor not considered part of Council? If not, amend second paragraph of preamble to include Mayor. If so, strike Mayor in this paragraph.

Be consistent throughout document with the naming of these persons and committees/boards.

Doesn't Item No. 7 fall under Virginia Conflict of Interest and therefore already included under Item No. 10? the performance of governmental duties. The gift may include but not be limited to a meal, award, etc. No member shall benefit from Town sponsorship of special events, such as the acceptance of free tickets or other special favors. This shall not apply to attendance at an event in which the individual is performing official Town duties.

- 8. Make no private promises of any kind binding upon the duties of any office, because a public servant has no private word which can be binding on public duty.
- A member should identify any associations with an organization or interest group that presents in any manner to the body on which the member serves prior to any discussion or decision related to that organization or interest group
- 10. At all times, meet the requirements of the State and Local Government Conflict of Interest Act and the Public Procurement Act.

Staff comments to the media shall be in a courteous, statesmanlike manner and shall maintain the propriety of the Town when speaking to public issues.

- 13. Make sure that a clear distinction is made between personal opinion or belief and a decision made by the Mayor, Town Council, PC, or ARB.
- 14. No member may disclose or use confidential information without the consent of Town Council. Confidential information includes discussions during executive or closed sessions, attorney-client communications and certain economic development information.
- 15. Members shall not use public resources that are not available to the public in general, such as the Town staff time, equipment, supplies or facilities, for private gain or personal purposes.

- 17. Members, therefore, shall not interfere with the administrative functions of the Town or the professional duties of the Town staff; nor shall they impair the ability of staff to implement Town policy decisions. Inquiries to staff shall be made through the Town Manager for all administrative issues, unless the matter in question is clearly a police matter and should be addressed to the Chief of Police
- 18. Members shall support the maintenance of a positive and constructive workplace environment for Town employees and for citizens and businesses dealing with the Town. Members shall recognize their special role in dealings with Town employees and in no way create the perception of inappropriate direction to staff.

Include code reference to the Virginia State and Local Government Conflict of Interests Act

Include code reference to the Virginia Freedom of Information Act (i.e. Section 2.2.-3700).

How is this different from Item No. 6 in the standard of conduct?

- 19. Review orally and in public session at the annual organizational meeting each of these principles.
- 20. Pledge to honor and uphold these principles, ever conscious that public office is a public trust.
