A discussion also followed on the application process, payment and replacement of the banner if damaged after the one year warranty period. Ms. Elswick shared that the maintenance supervisor shared that he could hang 42 banners. The discussion continued on the Town bearing the replacement cost if a banner was damaged. A question was asked on the cycle of the banners being hung. Ms. Elswick stated that they would be hung a week before Memorial Day to July 4 and then a week for and after Veteran's Day for a two year period. A question was also asked on how many banners were damaged in a given time period. Town Manager Kyriazi shared that when a third party would hang the banners, they were not as careful as our maintenance supervisor. She stated that now that the Town is hanging the banners, they are hung with more care and less damage has been done. Farmers Market	Julia	The market has continued to be sucessful and we conmtinue to receive positive feedback from vendors and town members. The market looks to be getting busier each weekend. Live music is booked for every Sunday. I have been posting 2-3 vendor spotlights on Instagram and Facebook each Sunday. Continuing to set up a booth on the first Sunday of each month to sell merchandise, advertise the app, and talk with the mayor. I have received a lot of emails with vendors who have heard great things about the market and hope to attend next year. In hopes to save our new grassy area I have rearranged the farmers market layout which has more vendors on pavement only leaving 6 vendors still on the grass. Our Halloween market will take place on October 26. Vendors who want to participate will have a sign at their booth inviting kids to come trick or treat at their booth. Kids who stop by the Town Hall tent and have a costume on will be entered into the raffle to win a town youth shirt!
Summer Concert 8/17	Julia	Summer Concert went great and was well attended. I received positive feedback from the vendors that participated. At the town tent we passed out cowboy hats and bandanas. We were also selling our merch and passing out flyers for GoGov and our business brochures.
Holiday & Christmas Event 12/14	Julia	The contract for the show mobile and picnic tables has been signed. Potter's Potties has been ordered and contract has been signed. Sound contract has been signed. Nutcracker sponsorships were announced. We now have three new nutcracker sponsors including El Vaquero, Washington Street Reality, and tabacology. I am working on creating a nutcracker scavenger hunt to encourage people to stop by our nutcracker sponsors businesses and we plan to have this available in December. We are now discussing the lighting for candy cane lane and better signage for the vendor tents. Applications will be available at the beginning of October.I have started reaching out to the musical acts and confirming their participation in the Holiday event. I have also reached out to the Old Towne Carolers and signed the contract to have them at the event. Currently looking into ordering a Santa costume.
Haymarket Day 10/19	Julia	We currently have 273 vendors and 33 parade participants signed up. We have had 3 breweries and 1 winery sign up. The progress in the park sidewalk construction has allowed us to accept 8 more vendors off of the waitlist. Haymarket Day is now full. I have contacted all participants to inform them that they are all confirmed to participate. I have also been updating vendors on our waitlist. I have advertised the participation of our in-town breweries and will continue higlighting our vendors. I am looking into signage for the beer gardens, town signs, and free bies to pass out at the town tent. All bands have been booked and contacted to confirm. I have started looking at decor for Haymarket Day and plan on using haybales, pumpkins, and corn stalks to decroate the stages and beer gardens. We currently have 9 sponsors, Golden Rule Builders, Thrive Med Spa, School of Rock, Caring Senior Services, I-66, Wakefield, Wegmans and Park Valley Church. I have also reached out to Home Depot to see if they are interested in being a sponsor and I am waiting to hear back from them as well. I have confirmed with Wakefield that they will be providing two buses for shuttles. We have also confirmed that the parade will start in the QBE parking lot this year. I am reaching out to the businesses at QBE to make them aware of this. I will be ordering potters potties for the parking lot so parade participans arent using the businesses restrooms. I will inform the parade participants about the changes and rules. I am working on finalizing booth assignments and will have them sent to all vendors by the end of the first week of October. New volunteer shirts have been ordered and I am working on a sweatshirt design to sell at our booth.

From: Finance Liaisons

Re: September 2024 Monthly Report

The finance liaison oversight during the month of September focused on the following:

- Comply with internal control process to review and approve invoices/expenditures and check signing
- Review FY 2025 actuals vs. budget and discuss key areas of interest/concern
- Discuss FY 2024 unaudited actual vs. budget
- Discuss on an as needed basis:
 - o Credit Benchmarks and Debt Capacity Analysis
 - o Status of RFPs
 - o Town Center site plan
 - o Engineering/consultant support costs
 - o Contracts, leases, agreements
 - o Options for use of ARPA funds
 - o Council concerns/recommendations raised during work sessions/submitted to staff

Other items/comments that impact finances:

- The 1st Quarter milestone of the FY 2025 budget reached on September 30, 2024. While the P&L shows a net negative income, this is typical at this point for the town budget
 - Staff is preparing real estate tax invoices for mailing, with the revenue to increase line item #3110-01 in October, based on our accrual method of accounting. This will result in a net positive income for the budget going forward
- Park sidewalk construction is underway and progressing well (before the recent inclement weather). Finance liaisons, with staff, are reviewing progress and expenses to ensure expectations are being met
- Staff developing their presentation and recommended path forward re: town park demo RFP. The results
 of the RFP process will be on the agenda for council review and deliberation at the regular meeting on
 Oct. 7
- Discussed the need to increase funding for council line item # 111001 for convention & education.
 - Staff is recommending a policy for council review and adoption that sets up a formal process for council members to follow, setting realistic expectations about funding levels and availability to members

Respectfully,

Re: Planning Commission Liaison Monthly Report

The Planning Commission meeting on September 10, 2024 included and addressed the following:

- SUP #2024-001: Chick-Fil-A Drive Thru Expansion
 - O The expansion of the drive through (extending the two-lane drive through to the payment/serving window) is intended to expedite mobile order pickup for customers and provide a more efficient service through the drive through lanes. The applicant has stated that in the short term the expanded lane will function as a bypass, but in the long term it will serve as a pick-up point for mobile orders, termed "mobile-through" by the applicant.
 - o The Planning Commission unanimously voted to recommend denial of the SUP.
