- E. The maximum sales price of restricted ownership units within each affordable housing development shall be affordable to households earning no more than 70% of median income, and each affordable housing development must achieve an affordability average that does not exceed 55% for all restricted ownership units. In achieving this affordability average, moderate-income ownership units must be available for at least three different prices for each bedroom type, and low-income ownership units must be available for at least two different prices for each bedroom type when the number of low- and moderate-income units permits.
- F. The master deeds and declarations of covenants and restrictions for affordable developments may not distinguish between restricted units and market-rate units in the calculation of any condominium or homeowner association fees and special assessments to be paid by low- and moderate-income purchasers and those to be paid by market-rate purchasers. Notwithstanding the foregoing sentence, condominium units subject to a municipal ordinance adopted before December 20, 2004, which ordinance provides for condominium or homeowner association fees and/or assessments different from those provided for in this subsection are governed by the ordinance.

 4. A three-bedroom unit shall be affordable to a four and one-half person household;
- I. The initial purchase price for all restricted ownership units shall be calculated so that the monthly carrying cost of the unit, including principal and interest (based on a mortgage loan equal to 95 percent of the purchase price and the FreddieMac 30-Year Fixed Rate-Mortgage rate of interest), property taxes, homeowner and private mortgage insurance and condominium or homeowner association fees do not exceed 30 percent of the eligible monthly income of the appropriate size household as determined pursuant to N.J.A.C. 5:80-26.7, as may be amended and supplemented; provided, however, that the price shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.4, as may be amended and supplemented.
 - J. The initial rent for a restricted rental unit shall be calculated so that the total monthly housing expense, including an allowance for tenant-paid utilities, does not exceed 30 percent of the gross monthly income of a household of the appropriate size whose income is targeted to the applicable percentage of median income for the unit, as determined pursuant to N.J.A.C. 5:80-26.3, as may be amended and supplemented. The rent shall also comply with the affordability average requirement of N.J.A.C. 5:80-26.4, as may be amended and supplemented. The initial rent for a restricted rental unit shall be calculated so the eligible monthly housing expenses/income, including an allowance for tenant-paid utilities does not exceed 30 percent of gross income of and the appropriate household size as determined pursuant to N.J.A.C. 5:80-26.3, as may be amended and supplemented.
 - K. At the anniversary date of the tenancy of the certified household occupying a restricted rental unit, following proper notice provided to the occupant household pursuant to N.J.S.A. 2A:18-61.1.f, the rent may be increased to an amount commensurate with the annual percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U), specifically U.S. Bureau of Labor Statistics Series CUUR0100SAH, titled "Housing in Northeast urban, all urban consumers, not seasonally adjusted." Rent increases for units constructed pursuant to Low-Income Housing Tax Credit regulations shall be indexed pursuant to the regulations governing Low-Income Housing Tax Credits.

It is a continuing program that directs all marketing activities toward Housing Region 4 and is required to be followed throughout the period of deed restriction.
- C. The Affirmative Marketing Plan provides the following preferences, provided that units that remain unoccupied after these preferences are exhausted may be offered to households without regard to these preferences.

1. Where the municipality has entered into an agreement with a developer or residential development owner to provide a preference for very-low-, low-, and moderate-income veterans who served in time of war or other emergency, pursuant to N.J.S.A. 52:27D-311.j, there shall be a preference for veterans for up to 50 percent of the restricted rental units in a particular project.

The developer shall mail applications to prospective applicants upon request and shall make applications available through a secure online website address.
 - H. In addition to other Affirmative Marketing strategies, the Administrative Agent shall provide specific notice of the availability of affordable housing units on the New Jersey Housing Resource Center website. Any other entities, including developers or persons or companies retained to implement the Affirmative Marketing Process, shall comply with this paragraph.
 - I. In implementing the Affirmative Marketing Process, the Administrative Agent shall provide a list of counseling services to low- and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.
 - J. The Affirmative Marketing Process for available affordable units shall begin at least four months (120 days) prior to the expected date of occupancy.

- K. The cost to affirmatively market the affordable units shall be the responsibility of the developer, sponsor or owner, with the exception of Affirmative Marketing for resales.

§26-1.11 Selection of Occupants of Affordable Housing Units.

- A. The Administrative Agent shall use a random selection process to select occupants of very low-, low- and moderate-income housing.
- B. A pool of interested households will be maintained in accordance with the provisions of N.J.A.C. 5:80-26.16.

§26-1.12 Occupancy Standards.

- A. In referring certified households to specific restricted units, to the extent feasible, and without causing an undue delay in occupying the unit, the Administrative Agent shall strive to:
 - 1. Ensure each bedroom is occupied by at least one person, except for age-restricted and supportive and special needs housing units;
 - 2. Provide a bedroom for every two adult occupants;
 - 3. With regard to occupants under the age of 18, accommodate the household's requested arrangement, except that such arrangement may not result in more than two occupants under the age of 18 occupying any bedroom; and

§26-1.13 Control Periods for Restricted Ownership Units and Enforcement Mechanisms.

- A. - C. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit.
- D. If existing affordability controls are being extended, the extended control period for a restricted ownership unit commences on the effective date of the extension, which is the end of the original control period.
- E. After the end of any control period, the restricted ownership unit remains subject to the affordability controls set forth in this subchapter until the owner gives notice of their intent to make an exit sale, at which point:
 - 1. If the municipality exercises the right to extend the affordability controls on the unit, no exit sale occurs and a new control period commences; or
 - 2. If the municipality does not exercise the right to extend the affordability controls on the unit, the affordability controls terminate following the exit sale.
 - 3. Notwithstanding the foregoing, nothing herein is intended to eliminate the right of a municipality with a 95/5 unit, which rights include (a) permitting the unit to be sold at fair market value and to capturing 95 percent of the differential between the fair market value of the unit unrestricted and the maximum restricted resale price and (b) using those proceeds (the differential) for affordable housing purposes.

- F. Prior to the issuance of any building permit for the construction/rehabilitation of restricted ownership units, the developer/owner and the municipality shall record a preliminary instrument provided by the Administrative Agent.
- G. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the nonrestricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.
- H. At the time of the initial sale of the unit and upon each successive price-restricted sale, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obliging the purchaser, as well as the purchaser's heirs, successors, and assigns, to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this Ordinance, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.
- I. The affordability controls set forth in this Ordinance shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to price-restricted ownership units.

§26-1.14 Price Restrictions for Restricted Ownership Units and Resale Prices.

- A. Price restrictions for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.7, as may be amended and supplemented, including:
 - 1. The initial purchase price and affordability percentage for a restricted ownership unit shall be set by the Administrative Agent.
 - 2. The Administrative Agent shall approve all resale prices, in writing and in advance of the resale, to assure compliance with the standards set forth in N.J.A.C 5:80-26.7.
 - a. If the resale occurs prior to the one-year anniversary of the date on which title to the unit was transferred to a certified household, the maximum resale price for a is the most recent non-exempt purchase price.
 - b. If the resale occurs on or after such anniversary date, the maximum resale price is the most recent non-exempt purchase price increased to reflect the cumulative annual percentage increases to the regional median income, effective as of the same date as the regional median income calculated pursuant to N.J.A.C. 5:80-26.3
 - 3. The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of anticipated capital improvements. Eligible capital improvements shall be:
 - a. those that render the unit suitable for a larger household or the addition of a bathroom.
 - b. The maximum resale price may be further increased by an amount up to the cumulative dollar value of approved capital improvements made after the last non-exempt sale for improvements and/or upgrades to the unit, excluding capital improvements paid for by the entity favored on the recapture note and recapture lien described at N.J.A.C. 5:80-26.6(d);
 - 4. No increase for capital improvements is permitted if the maximum resale price prior to adjusting for capital improvements already exceeds whatever initial purchase price the unit would have if it were being offered for purchase for the first time at the initial affordability percentage. All adjustments for capital improvements are subject to 10-year, straight-line depreciation.
- B. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (for example,

Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase but shall be separate and apart from any contract of sale for the underlying real estate. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price of the air conditioning equipment, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. - B. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the municipality, and subject to the Division's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low-income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit. Similarly, the administrative agent may permit low-income purchasers to buy very-low-income units in housing markets where, as determined by the Division, units are reserved for very-low-income purchasers, but there is an insufficient number of very-low-income purchasers to permit prompt occupancy of the units. In such instances, the purchased unit must be maintained as a very-low-income unit and sold at a very-low-income price point such that on the next resale the unit will still be affordable to very-low-income households and able to be purchased by a very-low-income household. A very-low-income unit that is seeking bonus credit pursuant to N.J.S.A. 52:27D-311.k(9) must first be advertised exclusively as a very-low-income unit according to the Affirmative Marketing requirements at N.J.A.C. 5:80-26.16, then advertised as a very-low-income or low-income unit for at least 30 additional days prior to referring any low-income household to the unit.
- C. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.
- D. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, property taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 35 percent of the household's eligible monthly income; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:

1. The household currently pays more than 35% (40% for households eligible for age-restricted units) of its gross household income for housing expenses, and the proposed housing expenses will reduce its housing costs;
2. The household has consistently paid more than 35% (40% for households eligible for age-restricted units) of eligible monthly income for housing expenses in the past and has proven its ability to pay; or
3. The household is currently in substandard or overcrowded living conditions;

§26-1.16 Limitations on Indebtedness Secured by Ownership Unit; Subordination.

- A. Prior to incurring any indebtedness to be secured by a restricted ownership unit, the owner shall apply to the Administrative Agent for a determination in writing that the proposed indebtedness complies with the provisions of this Section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.
- B. With the exception of original purchase money mortgages, neither an owner nor a lender shall at any time during the control period cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95% of the maximum allowable resale price of that unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C. 5:80-26.7(c).

- B. Other than for prior round units, control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.12, as may be amended and supplemented, and each restricted rental unit shall remain subject to the requirements of this Ordinance for a period of at least 40 years. Restricted rental units created as part of developments receiving 9% Low-Income Housing Tax Credits must comply with a control period of not less than a 30-year compliance period plus a 15-year extended use period for a total of 45 years.
- C. The affordability control period for a restricted rental unit shall commence on the first date that a unit is issued a certificate of occupancy following the execution of the deed restriction or, if affordability controls are being extended, on the effective date of the extension, which is the end of the original control period.
- D. Rehabilitated renter-occupied housing units that are improved to code standards shall be subject to affordability controls for a period of not less than 10 years.

 2. Sale or other voluntary transfer of the ownership of the unit;
 3. The entry and enforcement of any judgment of foreclosure on the property containing the unit; or

§26-1.18 Rent Restrictions for Rental Units; Leases and Fees.

- A. The initial rent for a restricted rental unit shall be set by the Administrative Agent.
- B. A written lease shall be required for all restricted rental units, except for units in an assisted living residence, and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental unit shall be retained on file by the Administrative Agent.
- C. No additional fees, operating costs, or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services) without the express written approval of the Administrative Agent.

- E. Fees for unit-specific, non-communal items that are charged to market-rate unit tenants on an optional basis, such as pet fees for tenants with pets, storage spaces, bicycle-share programs, or one-time rentals of party or media rooms, may also be charged to affordable unit tenants, if applicable.

§26-1.22 Responsibilities of The Owner of a development containing affordable units.

- A. The owner of all developments containing affordable units subject to this subchapter or the assigned management company thereof shall provide to the administrative agent:
 - 1. Site plan, architectural plan, or other plan that identifies the location of each affordable unit, if subject to the site plan approval, settlement agreement, or other applicable document regulating the location of affordable units. The administrative agent shall determine the location of affordable units if not set forth in the site plan approval, settlement agreement, or other applicable document.
 - 2. The total number of units in the project and the number of affordable units.
 - 3. The breakdown of the affordable units by or identification of affordable unit locations by bedroom count and income level, including street addresses / unit numbers, if subject to the site plan approval, settlement agreement, or other applicable document regulating the breakdown of affordable units. The administrative agent shall determine the bedroom and income distribution if not set forth in the site plan approval, settlement agreement, or other applicable document.
 - 4. Floor plans of all affordable units, including complete and accurate identification of all rooms and the dimensions thereof.
 - 5. A projected construction schedule.
 - 6. The location of any common areas and elevators.
 - 7. The name of the person who will be responsible for official contact with the administrative agent for the duration of the project, which must be updated if the contact changes.
- B. In addition to A above, the owner of rental developments containing affordable rental units subject to this subchapter or the assigned management company thereof shall:

1. Send to all current tenants in all restricted rental units an annual mailing containing a notice as to the maximum permitted rent and a reminder of the requirement that the unit must remain their principal place of residence, which is defined as residing in the unit at least 260 days out of each calendar year, together with the telephone number, mailing address, and email address of the administrative agent to whom complaints of excess rent can be issued.
 2. Provide to the administrative agent a description of any applicable fees.
 3. Provide to the administrative agent a description of the types of utilities and which utilities will be included in the rent.
 4. Agree and ensure that the utility configuration established at the start of the rent-up process not be altered at any time throughout the restricted period.
 5. Provide to the administrative agent a proposed form of lease for any rental units.
 6. Ensure that the tenant selection criteria for the applicants for affordable units not be more restrictive than the tenant selection criteria for applicants for non-restricted units.
 7. Strive to maintain the continued occupancy of the affordable units during the entire restricted period.
- C. In addition to A, above, the owner of affordable for-sale developments containing affordable for-sale units subject to this subchapter or the assigned management company thereof shall provide the administrative agent:
1. Proposed pricing for all units, including any purchaser options and add-on items.
 2. Condominium or homeowner association fees and any other applicable fees.
 3. Estimated real property taxes.
 4. Sewer, water, trash disposal, and any other utility assessments.
 5. Flood insurance requirement, if applicable.
 6. The State-approved planned real estate development public offering statement and/or master deed, where applicable, as well as the full build-out budget.

§26-1.23 Enforcement of Affordable Housing Regulations

- A. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an owner, developer or tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
- B. After providing written notice of a violation to an owner, developer or tenant of an affordable unit and advising the owner, developer or tenant of the penalties for such violations, the municipality may take the following action against the owner, developer or tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 1. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the owner, developer or tenant is found by the Court to have violated any provision of the regulations governing affordable housing units the owner, developer or tenant

shall be subject to one or more of the following penalties, at the discretion of the Court:

- a. A fine of not more than \$200 per day or imprisonment for a period not to exceed 90 days, or both, unless otherwise specified below, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
 - b. In the case of an owner who has rented his or her very-low, low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the municipal Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - c. In the case of an owner who has rented his or her affordable unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.
- C. The municipality shall have the authority to levy fines against the owner of the development for instances of noncompliance with NJHRC advertising requirements (N.J.S.A. 52:27D-321.6.e.(2)), following written notice to the owner. The fine for the first offense of noncompliance shall be \$5,000, the fine for the second offense of noncompliance shall be \$10,000, and the fine for each subsequent offense of noncompliance shall be \$15,000.
- D. The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the first purchase money mortgage and shall constitute a lien against the low- or moderate-income unit.
1. Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the affordable unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any first purchase money mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
 2. The proceeds of the Sheriff's sale shall first be applied to satisfy the first purchase money mortgage lien and any prior liens upon the low- or moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus shall be placed in escrow by the municipality for the owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the owner shall make a claim with the municipality for such. Failure of the owner to claim such balance within the two year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the owner or forfeited to the municipality.
 3. Foreclosure due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as they apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.

4. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the first purchase money mortgage and any prior liens, the municipality may acquire title to the affordable unit by satisfying the first purchase money mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the first purchase money mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the affordable unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess that would have been realized from an actual sale as previously described.
 5. Failure of the low- or moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the owner to accept an offer to purchase from any qualified purchaser that may be referred to the owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- or moderate-income unit as permitted by the regulations governing affordable housing units.
 6. The affordable unit owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the owner.
- E. It is the responsibility of the municipal housing liaison and the administrative agent(s) to ensure that affordable housing units are administered properly. All affordable units must be occupied within a reasonable amount of time and be re-leased within a reasonable amount of time upon the vacating of the unit by a tenant. If an administrative agent or municipal housing liaison becomes aware of or suspects that a developer, landlord, or property manager has not complied with these regulations, it shall report this activity to the Division. The Division must notify the developer, landlord, or property manager, in writing, of any violation of these regulations and provide a 30-day cure period. If, after the 30-day cure period, the developer, landlord, or property manager remains in violation of any terms of this subchapter, including by keeping a unit vacant, the developer, landlord, or property manager may be fined up to the amount required to construct a comparable affordable unit of the same size and the deed-restricted control period will be extended for the length of the time the unit was out of compliance, in addition to the remedies provided for in this section. For the purposes of this subsection, a reasonable amount of time shall presumptively be 60 days, unless a longer period of time is required due to demonstrable market conditions and/or failure of the municipal housing liaison or the administrative agent to refer a certified tenant.
- F. Banks and other lending institutions are prohibited from issuing any loan secured by owner occupied real property subject to the affordability controls set forth in this subchapter if such loan would be in excess of amounts permitted by the restriction documents recorded in the deed or mortgage book in the county in which the property is located. Any loan issued in violation of this subsection is void as against public policy.
- G. The Agency and the Department hereby reserve, for themselves and for each administrative agent appointed pursuant to this subchapter, all of the rights and remedies available at law and in equity for the enforcement of this subchapter, including, but not limited to, fines, evictions, and foreclosures as approved by a county-level housing judge.
- H. Appeals
- Appeals from all decisions of an administrative agent appointed pursuant to this subchapter must be filed, in writing, with the municipal housing liaison. A decision by the municipal housing liaison may be appealed to the Division. A written decision of the Division Director upholding, modifying, or reversing an administrative agent's decision is a final administrative action.

I. Waivers

A waiver may be granted of any provision of this ordinance if it would advance the interests of low- and moderate-income households or if strict compliance would cause an unreasonable result.

J. General Qualifications

The State only made the regulations available that impact this ordinance in December of 2025. Consequently, the Borough reserves the right to review and amend this ordinance consistent with applicable law

§26-1.24 Development Fees.

A. Purpose

This section establishes standards for the collection, maintenance, and expenditure of development fees that are consistent with the amended Fair Housing Act (P.L.2024, c.2), N.J.A.C. 5:99, and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7). Fees collected pursuant to this Ordinance shall be used for the sole purpose of providing very low-, low- and moderate-income housing in accordance with a Court-approved Spending Plan.

B. Basic Requirements

1. The municipality previously adopted a development fee ordinance, which established the Municipal Affordable Housing Trust Fund. Approval of a Round 3 Spending Plan shall suffice to satisfy this requirement until such time as a Round 4 Spending Plan or subsequent amendments is/are approved.
2. The municipality shall not spend development fees until the court has approved a plan for spending such fees.

C. Residential Development Fees

1. Imposed fees

- a. Residential developers, except for developers of the types of development specifically exempted below, shall pay a fee of 1.5% of the equalized assessed value for residential development, provided no increased density is permitted. Development fees shall also be imposed and collected when an additional dwelling unit is added to an existing residential structure; in such cases, the fee shall be calculated based on the increase in the equalized assessed value of the property due to the additional dwelling unit.
- b. When an increase in residential density is permitted pursuant to a “d” variance granted under N.J.S.A. 40:55D-70d(5), developers shall be required to pay a “bonus” development fee of 6.0% of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include affordable housing. If the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

Example: If an approval allows four units to be constructed on a site that was zoned for two units, the fees could equal 1.5% of the equalized assessed value on the first two units; and the specified higher percentage of 6% of the equalized assessed value for the two additional units, provided zoning on the site has not changed during the two-year period preceding the filing of such a variance application.

2. Eligible exactions, ineligible exactions and exemptions for residential development

- a. Affordable housing developments, developments where the developer is providing for the construction of affordable units elsewhere in the municipality, and developments where the developer has made an eligible payment in lieu of

on-site construction of affordable units, if permitted by ordinance, or by agreement with the municipality and if approved by a municipality

- b. Developments that have received preliminary or final site plan approval prior to the adoption of this ordinance and any preceding ordinance permitting the collection of development fees shall be exempt from the payment of development fees, unless the developer seeks a substantial change in the original approval. Where a site plan approval does not apply, the issuance of a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for the purpose of determining the right to an exemption. In all cases, the applicable fee percentage shall be determined based upon the development fee ordinance in effect on the date that the construction permit is issued.
- c. Development fees shall be imposed and collected when an existing structure undergoes a change to a more intense use, is demolished and replaced, or is expanded, if the expansion is not otherwise exempt from the development fee requirement. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.
- d. No development fee shall be collected for the demolition and replacement of a residential building resulting from a fire or natural disaster.
- e. Developers of educational facilities shall be exempt from paying a development fee.
- f. Developers of houses of worship and other uses that are entitled to exemption from New Jersey real property tax shall be exempt from the payment of a development fee, provided that such development does not result in the construction of any additional housing or residential units, including assisted living and continuing care retirement communities.
- g. A development shall be exempt from an increase in the percentage of the development fee, provided the building permit was issued prior to the effective date of this section, or prior to any subsequent ordinance increasing the fee percentage. The developer shall have the right to pay the fee based on the percentage in effect on the date the building permit was issued.
- h. Any development or improvement to structures of owner-occupied property in which there is located an affordable accessory residence. This exemption shall only apply to development or improvements to the property during the period of affordability controls.
- i. The construction of a new accessory building or other structure on the same lot as the principal building shall be exempt from the imposition of development fees if the assessed value of the structure is determined to be less than \$100,000.

D. Non-Residential Development Fees

1. Imposition of fees

- a. Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted, shall pay a fee equal to 2.5% of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots.
- b. Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to 2.5% of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.
- c. Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of 2.5% shall be calculated on the difference between the equalized assessed value of the pre-existing land and improvements and the equalized assessed value of the newly improved structure; i.e., land and improvements; and such calculation shall be made at the time a final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.

2. Eligible exactions, ineligible exactions and exemptions for non-residential development

- a. The non-residential portion of a mixed-use inclusionary or market-rate development shall be subject to a 2.5% development fee, unless otherwise exempted below.
 - b. The 2.5% fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within existing footprint, reconstruction, renovations and repairs.
 3. Non-residential developments shall be exempt from the payment of non-residential development fees in accordance with the exemptions required pursuant to the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 8.7), as specified in Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption." Any exemption claimed by a developer shall be substantiated by that developer.
 4. A developer of a non-residential development exempted from the non-residential development fee pursuant to the Statewide Non-Residential Development Fee Act shall be subject to the fee at such time as the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy of the non-residential development, whichever is later.
 5. If a property that was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. Unpaid non-residential development fees under these circumstances may be enforceable by the municipality as a lien against the real property of the owner.
 6. Notwithstanding anything to the contrary, if there are any inconsistencies between these regulations and the Statewide Non-residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 40:55D-8.7), the Act controls.
- E. Collection Procedures
1. Upon the granting of a preliminary, final or other applicable approval for a development, the applicable approving authority shall direct its staff to notify the construction official responsible for the issuance of a building permit.
 2. For non-residential developments only, the developer shall also be provided with a copy of Form N-RDF, "State of New Jersey Non-Residential Development Certification/Exemption," to be completed by the developer as per the instructions provided in the Form N-RDF. The construction official shall verify the information submitted by the non-residential developer as per the instructions provided on Form N-RDF. The tax assessor shall verify exemptions and prepare estimated and final assessments as per the instructions provided in Form N-RDF.
 3. The construction official responsible for the issuance of a building permit shall notify the tax assessor of the issuance of the first construction permit for a development that is subject to a development fee.
 4. Within 90 days of receipt of that notice, the tax assessor shall provide an estimate, based on the plans filed, of the equalized assessed value of the development.
 5. The construction official responsible for the issuance of a final certificate of occupancy shall notify the tax assessor of any and all requests for the scheduling of a final inspection on property that is subject to a development fee.
 6. Within 10 business days of a request for the scheduling of a final inspection, the tax assessor shall confirm or modify the previously estimated equalized assessed value of

the improvements associated with the development; calculate the development fee; and thereafter notify the developer of the amount of the fee.

7. Should the municipality fail to determine or notify the developer of the amount of the development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in Subsection b. of section 37 of P.L.2008, c.46 (N.J.S.A. 40:55D-8.6).
8. Fifty percent (50%) of the development fee shall be collected at the time of issuance of the construction permit. The remaining portion shall be collected at the time of issuance of the certificate of occupancy. The developer shall be responsible for paying the difference between the fee calculated at the time of issuance of the construction permit and that determined at the time of issuance of certificate of occupancy.

F. Appeal of development fees

1. A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation. Pending a review and determination by that board, collected fees shall be placed in an interest-bearing escrow account by the municipality. Appeals from a determination of the board may be made to the Tax Court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.
2. A developer may challenge non-residential development fees imposed by filing a challenge with the director of the Division of Taxation. Pending a review and determination by the director, which shall be made within 45 days of receipt of the challenge, collected fees shall be placed in an interest-bearing escrow account by the municipality. Appeals from a determination of the director may be made to the Tax Court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S. 54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

G. Affordable Housing Trust Fund

1. A separate, interest-bearing Municipal Affordable Housing Trust Fund shall be maintained by the chief financial officer of the municipality for the purpose of depositing development fees collected from residential and non-residential developers and proceeds from the sale of units with extinguished controls.
2. The following additional funds shall be deposited in the Municipal Affordable Housing Trust Fund and shall at all times be identifiable by source and amount:
 - a. Payments in lieu of on-site construction of an affordable unit, where previously permitted by ordinance or by agreement with the municipality and if approved by a municipality
 - b. Funds contributed by developers to make 10% of the adaptable entrances in a townhouse or other multistory attached dwelling unit development accessible;
 - c. Rental income from municipally operated units;
 - d. Repayments from affordable housing program loans;
 - e. Recapture funds;
 - f. Proceeds from the sale of affordable units; and
 - g. Any other funds collected in connection with the municipal affordable housing program including but not limited to interest earned on fund deposits.
3. The municipality shall provide the Division with written authorization, in the form of a tri-party escrow agreement(s) between the municipality, the Division and the financial institution in which the municipal affordable housing trust fund has been established to permit the Division to direct the disbursement of the funds as provided for in N.J.A.C. 5:99-2.1 et seq.

4. Occurrence of any of the following deficiencies may result in the Division requiring the forfeiture of all or a portion of the funds in the municipal Affordable Housing Trust Fund:
 - a. Failure to meet deadlines for information required by the Division in its review of a development fee ordinance;
 - b. Failure to commit or expend development fees within four years of the date of collection in accordance with N.J.A.C. 5:99-5.5;
 - c. Failure to comply with the requirements of the Non-Residential Development Fee Act and N.J.A.C. 5:99-3;
 - d. Failure to submit accurate monitoring reports pursuant to this subchapter within the time limits imposed by the Act, this chapter, and/or the Division;
 - e. Expenditure of funds on activities not approved by the Superior Court or otherwise permitted by law;
 - f. Revocation of compliance certification or a judgment of compliance and repose;
 - g. Failure of a municipal housing liaison or administrative agent to comply with the requirements set forth at N.J.A.C. 5:99-6, 7, and 8;
 - h. Other good cause demonstrating that municipal affordable housing funds are not being used for an approved purpose.
5. All interest accrued in the housing trust fund shall only be used on eligible affordable housing purposes approved by the Court.

H. Use of Funds

1. The expenditure of all funds shall conform to a Spending Plan approved by Superior Court. Funds deposited in the municipal Affordable Housing Trust Fund may be used for any activity approved by the Court to address the fair share obligation and may be set up as a grant or revolving loan program. Such activities include, but are not limited to: preservation or purchase of housing for the purpose of maintaining or implementing affordability controls; housing rehabilitation; new construction of affordable housing units and related costs; accessory apartments; a market-to-affordable program; conversion of existing non-residential buildings to create new affordable units; green building strategies designed to be cost-saving and in accordance with accepted national or state standards; purchase of land for affordable housing; improvement of land to be used for affordable housing; extensions or improvements of roads and infrastructure to affordable housing sites; financial assistance designed to increase affordability; administration necessary for implementation of the Housing Element and Fair Share Plan; and/or any other activity permitted by Superior Court and specified in the approved Spending Plan.
2. Funds shall not be expended to reimburse the municipality or activities that occurred prior to the authorization of a municipality to collect development fees.
3. At least a portion of all development fees collected and interest earned shall be used to provide affordability assistance to very low-, low- and moderate-income households in affordable units included in the municipal Fair Share Plan. A portion of the development fees which provide affordability assistance shall be used to provide affordability assistance to very low-income households.
 - a. Affordability assistance programs may include down payment assistance, security deposit assistance, low-interest loans, rental assistance, assistance with homeowners association or condominium fees and special assessments, infrastructure assistance, and assistance with emergency repairs. The specific programs to be used for affordability assistance shall be identified and described within the Spending Plan.
 - b. Affordability assistance for very low income households may include producing very low-income units or buying down the cost of low- or moderate-income units in the municipal Fair Share Plan to make them affordable to households earning 30% or less of median income.

4. No more than 20% of all affordable housing trust funds, exclusive of those collected to fund an RCA prior to July 17, 2008, shall be expended on administration, including, but not limited to, salaries and benefits for municipal employees or consultants' fees necessary to develop or implement a new construction program, prepare and implement a Housing Element and Fair Share Plan, administer an Affirmative Marketing Program and for compliance with the Superior Court and the Program including the costs to the municipality of resolving a challenge.

I. Monitoring

On or before February 15 of each year, the municipality shall provide annual electronic data reporting of trust fund activity for the previous year from January 1st to December 31st through the AHMS Reporting System. This reporting shall include an accounting of all Municipal Affordable Housing Trust Fund activity, including the sources and amounts of all funds collected and the amounts and purposes for which any funds have been expended. Such reporting shall include an accounting of development fees collected from residential and non-residential developers, previously eligible payments in lieu of constructing affordable units on site (if permitted by ordinance or by agreement with the municipality prior to the March 20, 2024 statutory elimination per P.L. 2024, c.4), funds from the sale of units with extinguished controls, barrier-free escrow funds, rental income from municipally-owned affordable housing units, repayments from affordable housing program loans, interest and any other funds collected in connection with municipal housing programs, as well as an accounting of the expenditures of revenues and implementation of the Spending Plan approved by the Court.

J. Ongoing Collection of Fees

1. The ability to impose, collect and expend development fees shall continue so long as the municipality retains authorization from the Court in the form of Compliance Certification or the good faith effort to obtain it.
2. If the municipality fails to renew its ability to impose and collect development fees prior to the expiration of its Judgment of Compliance, it may be subject to forfeiture of any or all funds remaining within its Affordable Housing Trust Fund. Any funds so forfeited shall be deposited into the New Jersey Affordable Housing Trust Fund established pursuant to section 20 of P.L.1985, c.222 (C. 52:27D-320).

- K. Emergent Affordable Housing Opportunities. Requests to expend affordable housing trust funds on emergent affordable housing opportunities not included in the municipal fair share plan shall be made to the Division and shall be in the form of a governing body resolution. Any request shall be consistent with N.J.A.C. 5:99-4.1.

Repealer

All ordinances or code provisions or parts thereof inconsistent with this Ordinance are hereby repealed to the extent of such inconsistency.
